advanced students to improve their production of the spoken language. The particular difficulties of the speakers of certain other languages are noted, including Hindi and Arabic, and remedial exercises provided.

better english pronunciation

Clear English Pronunciation provides students with the tools to effectively communicate in English without centring solely on native-speaker pronunciation models. The focus of the book is on individual pronunciation targets rather than a one-size-fits-all approach. Divided into four sections, each featuring detailed articulatory explanations, sample sentences, and recordings to help learners improve their pronunciation, this book: introduces the phenomenon of pronunciation as part of a broader communicative realm; explains and demonstrates the melody and rhythm of understandable and natural English pronunciation; supports students in identifying and practicing their own pronunciation issues. Supported by an interactive companion website which features recordings and expanded explanations of key topics, Clear English Pronunciation is an essential textbook for international learners of English who want to improve their pronunciation skills in diverse social settings. For more resources on English pronunciation, visit: englishpronunciationcentral.universiteitileiden.nl Additionally, you can find recordings of a wide range of speakers here: <https://www.universiteitileiden.nl/clearenglishpronunciation>

Better English Pronunciation

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product.

Better English Pronunciation

Did you know that "colonel" is pronounced the same as "kernel"? Most learners pronounce hundreds of words incorrectly during some stage of their "career" as English speakers. This book contains the following: A detailed explanation of over 300 words that most learners pronounce wrong, and a list of more than 500 commonly mispronounced words overall Common error patterns in English pronunciation More than one hundred English heteronyms (words that are spelled the same but pronounced differently) Basics of the International Phonetic Alphabet and English phonology

Better English Pronunciation 2/E (Clpe): Book Only

Better English Pronunciation 2/Ed (Clpe): 1B W/2AcDs

English Pronunciation for Speakers of Spanish fills a gaping hole in the market for books on English phonetics and pronunciation because it not only combines theoretical issues and applications to practice, but it also adopts a contrastive English-Spanish approach to better suit the needs of Spanish-speaking learners of English (SSLE), enabling them to build gradually on the knowledge gained in each chapter. The book covers the key concepts of English phonetics and phonology in seven chapters written in an accessible and engaging style: 1. Phonetics and Phonology 2. The Production and Classification of Speech Sounds 3. Vowels and Glides 4. Consonants 5. Segment Dynamics: Aspects of Connected Speech 6. Beyond the Segment: Stress and Intonation 7. Predicting Pronunciation from Spelling (and vice versa) Features: in-text audio illustrations, as well as over a hundred written and audio exercises with corresponding keys and different kinds of artwork (Tables, Figures, illustrations, spectrograms, etc.) classic readings in the discipline in the Further Reading section of each chapter highlights the phonetic contrasts and specific cues that are more important to aid comprehension in English and offers guidelines on "correct" pronunciation habits to help SSLE sound as close as possible to native English The book's companion website, EPSS Multimedia Lab, can be used on computers, smartphones and tablets, and is useful for the self-taught student and the busy lecturer alike. Features of the website: a complete sound bank defining and illustrating the sounds of English RP as compared with those of Peninsular Spanish written definitions and animated diagrams, videos and original recordings (by native speakers of English and Spanish) showing the articulation of each sound, alongside its most common spellings, as well as pronunciation practice for individual words and whole sentences a comprehensive selection of over a hundred written and audio exercises (with their keys) for practice both at home or in the language lab audio files corresponding to the audio illustrations given in the written book a repository of useful resources by topics and a list of online glossaries and pronunciation dictionaries

Better English Pronunciation for Immigrants

The Cambridge Advanced Learner's Dictionary is the ideal dictionary for advanced EFL/ESL learners. Easy to use and with a great CD-ROM - the perfect learner's dictionary for exam success. First published as the Cambridge International Dictionary of English, this new edition has been completely updated and redesigned. - References to over 170,000 words, phrases and examples explained in clear and natural English - All the important new words that have come into the language (e.g. dirty bomb, lairy, 9/11, clickable) - Over 200 'Common Learner Error' notes, based on the Cambridge Learner Corpus from Cambridge ESOL exams Plus, on the CD-ROM: - SMART thesaurus - lets you find all the words with the same meaning - QUICKfind - automatically looks up words while you are working on-screen - SUPERwrite - tools for advanced writing, giving help with grammar and collocation - Hear and practise all the words.

Better English Pronunciation

It is a highly successful and widely-used text on pronunciation. It provides a systematic and thorough introduction to the pronunciation of English to help intermediate and more advanced students improve their pronunciation of the spoken language. A recording of all the practice material in the book is available on CDs.

Clear English Pronunciation

Since its first publication in 1962, Gimson's Pronunciation of English has been the essential reference book for anyone studying or teaching the pronunciation of English. This eighth edition has been updated to describe General British (GB) as the principal accent, rather than RP, and the accompanying transcriptions have been brought into line with recent changes in pronunciation. This latest edition

also includes completely rewritten chapters on the history of the language and the emergence of a standard, alongside a justification for the change from RP to GB. A further bonus to this important text is its extensive and attractive new Companion Website (www.routledge.com/cw/cruttenden), which now includes moment-by-moment commentaries on videos showing the articulation of all GB consonants and vowels in spoken phrases, as well as cross-referencing between the book and these videos. The Companion Website also includes new recordings of Old English, Middle English, and Early Modern English, and features links to recordings of recent and current GB with comments and transcriptions. Comprehensive yet accessible, Gimson's Pronunciation of English remains the indispensable reference book for anyone for anyone with an interest in English phonetics.

Mastering the American Accent with Online Audio

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Better English Pronunciation

A practical guide to individually master Spoken English while you read. Modern technologies allow you to master English pronunciation and improve your general knowledge and use of the English language on your own and in record time. A small, regular time investment using this novel English learning technique will allow you to master spoken English by leaps and bounds.

Improve Your English Pronunciation and Learn Over 500 Commonly Mispronounced Words

Practice in features of English pronunciation that intermediate and more advanced students usually find difficult. Elements of Pronunciation provides intensive and enjoyable practice in features of English pronunciation that intermediate and more advanced students usually find difficult. The clever and convincing dialogues concentrate on stress timing, weak forms, contractions, linking and consonant clusters, as well as providing valuable intonation practice. The material is suitable for classroom use or self-study. A set of six audio CDs that contain the recorded dialogues is also available.

An Easy Approach to Improve English Speaking and Pronunciation

'English Pronunciation in Use' is a comprehensive reference and practice book for learners of intermediate level and above. It is suitable for use by individual learners or in the classroom. The book contains 60 easy-to-use two-page units covering all aspects of pronunciation, including sounds, stress and intonation.

Better Spoken English

Unlock the power of confident communication with Become an English Pronunciation Professional. In a world where English is the global language of business and communication, mastering pronunciation is essential. Jonas R. Johnson is a "global citizen" with over 20 years of teaching experience in diverse cultural landscapes and understands your challenges. Teaching English worldwide, in India, China, Saudi Arabia, Spain, Türkiye, Japan, South Korea, Brazil, and Argentina, both in classrooms and through online lessons, his book is a culmination of expertise and practical insights. Teacher Johnson not only holds a bachelor's degree in English creative writing but has also personally learned and become fluent in Spanish and French. The author also has over five years of ghost-writing experience and has written 33 self-help books in various niches. In this guide, you will gain: Practical Tips and Tricks: Get easy-to-follow tips and tricks based on more than 20 years of teaching experience to quickly improve your English pronunciation. Fun Activities to Practice: Engage in enjoyable exercises that help reinforce your learning and make the process fascinating. Beating Pronunciation Nerves: Learn techniques to overcome the fear of making mistakes and feel more confident in your English pronunciation. Quick Paths to Advancement: Use shortcuts and easy techniques from the author's personal language teaching and learning experience for faster and smoother pronunciation progress. Boosted Confidence: Say goodbye

to feeling unsure as you discover ways to pronounce words better, gaining confidence in everyday conversations, meetings, and more. Are you ready to boost your confidence and pronounce words like a pro? No more guessing games! No more fear of making mistakes! Imagine a life where you communicate with clarity and assurance. Whether you're a student, professional, or someone simply looking to improve their English, *Become an English Pronunciation Professional* is your roadmap to success.

Test your English Vocabulary in Use Upper-Intermediate

This revised second edition provides an introduction to the phonetics and phonology of English. It incorporates all central aspects of research in the phonology of English and involves the reader at every step, with over 80 exercises leading students to discover facts, to formulate general statements, and to apply concepts. Discusses the nature of speech and phonetic description, the principles of phonological analysis, the consonants and vowels of English and their possible sequences. Provides extensive treatment of rhythm, stress, and intonation and the role of these prosodic elements in discourse. Includes more than 80 exercises with feedback and glossary of technical terms. Incorporates developments in phonology since the first edition appeared.

English Pronunciation for Speakers of Spanish

English Pronunciation Basics and Tips for Better Spoken English had not only treated isolated phonetic segments - consonants and vowels but had also discussed some phonological processes affecting these individual segments such as allomorph, assimilation and aspiration. It also went further to look at the suprasegmental features which are phonological feature that extend and spread over the segments as they combine into syllables and words. A detailed review of the characteristics of the spoken English has been done. The glossary of phonetic terms at the end is a-must-read. It affords one a glance of terms expected within the book. The book is of benefit to all learners/teachers of English as a second or foreign Language both at intermediate and advanced levels of education.

Sounding better

Reduce your accent when pronouncing English, with the expertise from an acclaimed specialist in the area. Developed by acclaimed speech consultant and accent specialist Susan Cameron, *Perfecting Your English Pronunciation* features her successful method, which focuses on the anatomical placement of sound and on the musculature used in articulation. Where other accent reduction/English pronunciation products rely on solely mimicking of audio sounds, this work focuses visually, audibly, and narratively on the physical ability to speak English, noting that many sounds of English may be difficult for you because some tongue positions used in English may not be used in your native language. The 45-minute DVD introduces you to mouth and jaw exercises to prepare you for English, then demonstrates mouth formations and tongue placement using other nonnative speakers like you. You will see and hear how English sounds--enabling you to become more and more comfortable conversing with native English speakers as you go through the program.

Improving Spoken English

Activities on topics ranging from sounds, syllables, stress and rhythm to voice quality and testing pronunciation with an accompanying audio CD.

Cambridge Advanced Learner's Dictionary

As an ESL teacher, have you looked at the phonetics textbooks on the market and decided that they don't directly address your needs? Unlike pronunciation books aimed at students of linguistics or at learners of English, *Teaching American English Pronunciation* has been written specifically for ESL teachers. It doesn't only give academic descriptions, but also helps you to improve your students' pronunciation effectively.

Better English Pronunciation Cassettes (2)

The Fairchild Dictionary of Fashion 3rd Edition

Finding definitions for fashion is easier than ever. The Fairchild Dictionary of Fashion, 3rd Edition, defines more than 15,000 fashion terms, including apparel, accessories, and their components; historical and textile terms that relate to contemporary fashion; and the language of the fashion business. Its organization of 51 broad categories, such as activewear, blouses and tops, clothing, construction details, footwear, headwear, jewelry, laces, necklines, shirts, skirts, and waistlines, promotes comprehension of related terms. Categories are fully cross-referenced to the alphabetical listing. Includes terms not readily found in ordinary dictionaries and pronunciation guides for foreign words. An appendix of designers includes emerging leaders. Lavish illustrations by Bina Abling enhance definitions, capturing both the details and style of fashion. Labeled "anatomical" drawings show how the parts of fashion items fit together. Alphabetical page tabs add to the ease of use. This dictionary is the ideal reference for designers, fashion media, instructors, students, historians, and fashion enthusiasts.

The Thames and Hudson Dictionary of Fashion and Fashion Designers

Who's Who in Fashion captures the energy, drama, and excitement of the luminaries working in the world of fashion. This lushly illustrated book features profiles of fashion legends as well as newcomers and nonconformists-past and present-who make up the rich tapestry of the fashion industry. This new edition includes 382 profiles and 888 photographs, alphabetical tabs for easy access, pronunciation guides, and categorical icons to identify individuals. An updated timeline and awards listing (now including the British Fashion Awards) make this a current reference for fashion students, historians, costume curators, and fashion enthusiasts alike. New to this Edition ~ More than 400 new images and 70 new profiles including Joseph Altuzarra, Garance Doré, Riccardo Tisci, The Row (Mary Kate and Ashley Olsen), Carine Roitfeld, Prabal Gurung, and more ~ Expanded coverage to include more non-designers with category icons designating fashion designers, accessory designers, jewelry designers, fashion companies, makeup artists, costume designers, illustrators, photographers, writers, editors, journalists, and creative directors New Profiles Alice + Olivia, Joseph Altuzarra, Marianne Alvoni, Elizabeth Arden, Colleen Atwood, Band of Outsiders, Michael Bastian, Chadwick Bell, Chris Benz, Blonds, Alexey Brodovitch, Burberry, Cartier, Céline, Richard Chai, Eudon Choi, Grace Coddington, Cushnie et Ochs, Ann Demeulemeester, Garance Doré, Marc Ecko, Max Factor, Nina Garcia, Tim Gunn, Prabal Gurung, Richard Haines, Kevan Hall, John Hardy, Donwan Harrold, Hermès, Paul Iribe, Christopher Kane, Karl Kani, Naeem Khan, Steven Klein, Reed Krakoff, L.A.M.B. Ideal for courses such as Twentieth Century Fashion, Contemporary Fashion Designers, The History of Fashion, Introduction to Fashion, Fashion Forecasting, and a must-have for any fashion library. Instructor's Guide, Test Bank and PowerPoint presentations available.

Who's Who in Fashion

"The Visual Dictionary of Fashion Design is a comprehensive guide to the numerous terms associated with, and used within, the field of fashion. Over 250 terms are explained and contextualised, with concise definitions accompanied by illustrations and examples taken from traditional and contemporary fashion design. The dictionary covers traditional terms still in current usage, as well as modern terminology such as Tank top and Militaria. It also defines a wide variety of practical terminology, such as Appliqué, Block printing, Flax, Logo, Silhouette and Tailoring, as well as conceptual expressions including Postmodernism, Juxtaposition and Zeitgeist."--Bloomsbury Publishing.

The Thames and Hudson Dictionary of Fashion and Fashion Designers

Fabric for Fashion: The Complete Guide is the only book specifically for fashion designers to explain the behaviour and properties of different fabrics. Fashion design is largely determined by how the fabrics work, move, feel and look. The most successful fashion designers are those who understand their materials, who match design skill with technical knowledge. This book bridges that gap by providing a mix of practical information and industry vocabulary, visually examining generic fabric types, discussing the characteristics of fabrics and showing how to exploit materials to push the boundaries of design. With stunning colour photographs that show how fashion designers, both past and present, have worked with fabrics, the book's prime objective is to stimulate creative exploration of the relationship of fabrics to fashion.

The Visual Dictionary of Fashion Design

This second edition of Historical Dictionary of the Fashion Industry contains a chronology, an introduction, appendixes, a bibliography. The dictionary section has over 1,400 cross-referenced entries on designers, models, couture houses, significant articles of apparel and fabrics, trade unions, and the international trade organizations.

Fabric for Fashion: The Complete Guide

Top young fashion designer Luella Bartley celebrates English style and explains how to acquire it. What makes English girls the coolest in the world? What is the English style which girls around the world try to emulate? In this book Luella Bartley - crowned Designer of the Year at the British Fashion Awards in 2008 - sets out to capture what it is that makes English girls just a little bit special. First up are the clothes - Luella investigates the combination of smart and scruffy, classic and street-style, which ensures that English girls are always at the cutting edge of fashion. Then there are the icons - the English girl knows that Kate Moss and The Duchess of Devonshire both have a place in the style pantheon. Luella explains the style tribes vying for the English girl's allegiance, the social rituals she undergoes - from surfing in Cornwall to clubbing in Berlin - and the status symbols she marks herself out with. All this requires a lot of photographs, drawings, and, occasionally, diagrams. But Luella's Guide to English Style isn't simply a book about fashion and style, it's a work of social anthropology - delivered with a wink and a kiss on the cheek. Luella describes the English girl's approach to love and shows how the English girl gets better with age. With her background as London's hippest designer and as an editor on Vogue and the London Evening Standard, Luella Bartley is brilliantly placed to map out English style and what it means for girls.

Historical Dictionary of the Fashion Industry

Acting as a comprehensive primer for the field of fashion writing, this book provides an accessible entry point for readers from diverse backgrounds, giving them a clear understanding of the intricacies of fashion writing, the outlets in which it appears, and the possibilities beyond the page. Fashion Writing: A Primer lays out a framework for various types of fashion writing (runway and trend reports, service pieces, features, and more), while offering students a solid foundation of fashion history, cultural touchstones, common fashion terminology, and contemporary issues affecting the fashion industry today. Featuring interviews with current fashion journalists, such as Robin Givhan, Sarah Mower, Charlie Porter, and Amanda Winnie Kabuiku, as well as annotated bibliographies centred on the themes of each chapter, this book delivers fashion writing essentials for anyone interested in the field. Readers will come away aware of the many influences on the fashion world, helping them establish credibility as a fashion writer. Covering both print and online outlets, this is a valuable text for students with an interest

in fashion communication, journalism, and fashion media, as well as early career fashion professionals looking for a complete guide to the industry.

Luella's Guide to English Style

Design, style, and accessorize clothes with this fun guide full of practical fashion design ideas for beginners! Draw and color creations, choose materials, and learn to design through drawing your own fashion. Packed with practical tips and inspiration, beginners can enjoy experimenting with new ideas. Illustrations mixed with photography show beginners how to choose gorgeous colors, design dress shapes, customize T-shirts, design a bag, pick a color palette, design with texture, and add sparkle to their accessories in simple, easy-to-follow design tasks and simple practical projects. Using inspiration from the natural world, everyday life, and their own imagination, beginners can design outfits from scratch and learn how to put together the clothes and accessories they already own in fun, stylish ways. Contents support the STEAM (Science, Technology, Engineering, Art, Math) approach to cross-curricular learning.

Fashion Writing

Gids voor studenten modeontwerpen.

Fashion Design Guide for Beginners

Describes the basic principles of fashion design by looking at the work of hundreds of designers and defining twenty-six important terms in the fashion world, including line, symmetry, texture, pattern, and motif.

Fashion Design

More than 150 fashion designers are featured from around the world Current fashion is a complex phenomenon.

The Language of Fashion Design

Many new or young designers dream of having their own label, but most may not know how to make their dreams a reality and become successful in a competitive marketplace. In her practical guidebook, an experienced fashion designer and entrepreneur provides insight on how to break into the fashion industry, overcome obstacles, create a business, market a brand, and launch a fashion show. Nila Palacios, owner of Nila Palacios Latin Fashion, begins with introspective questions directed at aspiring fashion designers to help identify strengths, weaknesses, a motto, and specific goals. While encouraging designers to stay true to their individuality, passions, and objectives, Palacios provides step-by-step guidance that teaches specifically how to: - Find inspiration and bring it to life through designs; - Look for trends and colors and incorporate them into a collection; - Design sketches, make a pattern, and select and cut fabrics; - Match fabrics with specific styles; - Conduct market research, identify a target market, and find a niche; and - Compile a collection, market a product, choose models, and organize a show. Fashion with Passion provides clear, focused guidance for anyone interested in breaking into the fashion industry and achieving their dreams.

Fashion with Passion

'Designer's Guide to Fashion Apparel' explores the creative process of apparel design and the development of a collection. Written from an industry perspective, it takes an active approach combining the elements and principles of design, aesthetic judgment, and technical competence.

Thames and Hudson Dictionary of Fashion and Fashion Designers

This introduction to fashion is aimed at students of fashion design across the world. By following the design process, from historical and commercial industry context to final collection presentation, the book provides a clear guide for students as they discover what designing for fashion entails. Along the way they will explore a wide variety of hands-on, creative methodologies of design ideation, development,

and presentation. Supported by inspirational visual content—fashion photography, fashion illustration, sketchbook artwork, technical drawings, and infographics—and case studies, the book offers a unique overview of the fashion industry.

Designer's Guide to Fashion Apparel

The Fashion Designer's Resource Book gives an overview of the fashion industry as a business, combined with an insider's understanding of the creative process and the lifestyle of a fashion entrepreneur. Emerging designers should read this book to get ahead, but it also offers advice for anyone interested in entering the fashion industry.

Fashion Design

Includes fashion designers.

Fashion Designer's Resource Book

Accompanying CD includes printable .pdf files for sourcing, professional design presentation, and class notes.

Fairchild's Dictionary of Fashion

In this book, students will learn various methods of designing fashion, how to create and use inspirations, how fabric and colour strengthen a designer's viewpoint, how to create dynamic fabric stories that form well-merchandized groups, and how to refine their own vision as a fashion designer. By mastering key principles, students will develop and refine their creativity and increase their understanding of what makes a successful design. In these pages, assignments challenge the reader to go from conceptual understanding of these principles to their practical application. Interviews with fashion industry leaders give the reader inside information on what makes a successful fashion designer today. The final chapter provides full preparation for the professional world, including putting together a portfolio, writing a CV and interview technique.

The Ultimate Fashion Study Guide - The Design Process: How to Generate Inspiration and Produce Grade a Fashion Design Projects

"Guides fashion designers from initial concept through to the exhibition and sale of a finished collection, with 27 interviews to offer insightful advice from industry insiders"--

Fashion Design Course

This book explains the particular qualities of different fabrics and how to get the most out of them. Providing a mix of practical information and the industry vocabulary, Fabric for Fashion will help students gain a clear understanding of how to work with fabrics as an integral component of the fashion design process. With stunning color photographs that show how fashion designers, both past and present, have worked with fabrics, the book's prime objective is to stimulate creative exploration of the relationship of fabrics to fashion.

Developing a Fashion Collection

The must-have book for anyone thinking about a life in fashion. Fashion designer, red carpet expert and educator Nick Verreos provides an insightful view into how to harness your passion for fashion and translate it into a successful career. With over 20 years of experience in the industry and an extensive knowledge in teaching fashion, Nick has amassed a lifetime of "Tips & Tricks" to help the reader navigate this world. A Passion For Fashion will help young fashionistas maximize their time at design school, as well as prepare them for a life in the industry—and even shares advice on how readers can start their own business. Along the way, you'll find out how Nick's Mantras of "No Should've, Would've, Could've" and "Get The Coffee" can guide you along the path of success. Nick will even dish on his time on Project Runway and share all the lessons he learned from his time on reality TV. If you are thinking of studying fashion, becoming a fashion designer or working in the industry, this book will soon become your indispensable guide to life in fashion. Includes design sketches and photos from the author's personal collection.

Fabric For Fashion

This introduction to fashion is aimed at students of fashion design across the world. By following the design process, from historical and commercial industry context to final collection presentation, the book provides a clear guide for students as they discover what designing for fashion entails.

A Passion for Fashion

There are still a few things money can't buy. Love is one, cool is another. But while love can be left to fate, cool doesn't need to be. Though it may seem like something you're born with, cool is actually a code, and you're holding the key to the code in your hands. It's all a matter of getting the right facts straight: Why is Jackson Pollock important? What handbag will get you upgraded at the airport? Who is Jacques Derrida and why does he matter? Covering everything from fashion and design to art and philosophy—all in entertaining, fact-filled bites—Nancy MacDonell has assembled the ultimate cheat sheet. In the Know is nothing less than a one-volume guide to navigating life with style and flair.

Fashion Design

This is the first English language edition of the Dizionario della Moda . It is a collection of over 4500 entries from the fashion world - designers, fashion houses, brands, photographers, distributors - with particular attention to Italian designers. The Dizionario was first published in 2004 and, due to its popularity, has been updated and translated into English, making this a rich and comprehensive manual, relevant for today, which is easy to use. Attention is focused not only on the bright lights on the runways, but also on the minor players - The Fashion Dictionary is a journalistic tome which tells the stories of the men, women, and events of fashion. There are roughly one hundred contributors to this encyclopedia and they range from fashion historians and writers to great names of lifestyle journalism and trade reporting. This dictionary will have appeal to fashion specialists, those involved with fashion and art schools, fashion magazines, as well as fashion editors and curators within museums and cultural institutions. The Fashion Dictionary shines the spotlight on: Tailors and Seamstresses; Couturiers, Fashion Designers, Fashion Houses, Labels and Trademarks of Prêt-à-Porter, and Patterns Makers; Jewellers; Manufacturers and Industrialists of Fabrics, Apparel, and Eyeglasses; Historic Boutiques; Items of Apparel and Accessories that have made Fashion History; Fashion Schools; Shoe Designers; Magazines; Hairdressers and Hairstylists; Fashion Agencies; Models and Cover Girls; Photographers; Artists and Movements that have Influenced Fashion; Strategists of Communications and Image-Leading Figures and Industrialists of Cosmetics; Places of Fashion; Fashion Museums and Collections; Illustrators and Costume Designers; Youth Movements and Modes, and, finally, Icons of Elegance.

In the Know

Through a series of critical and informative chapters covering historical and contemporary theory, 'Fashion Design' explores the multi-faceted nature of fashion design and its associated contexts, processes and methodologies.

Fashion Design

Writing for the Fashion Business is an exciting and engaging textbook that presents effective writing techniques geared specifically for the fashion industry. This text fills the gap between general writing classes and upper-level fashion courses that address writing for specific sectors of the fashion business, such as merchandising or promotion. Real-world examples, case studies, and industry profiles provide models of the challenges of writing for the fashion industry and discuss issues of form and content. Students have ample opportunity to practice writing and critical thinking skills as they complete the portfolio exercises within each chapter and respond to the questions at the end of each case study. Chapter summaries and lists of key terms help them retain chapter content.

Fashion Dictionary

With practical, down to earth advice, Affordable Couture tells you what you need to know to buy designer and vintage couture at discount.

Fashion Design

Teaching the process of developing a fashion collection from initial design through development of product to the product's exhibition and sale, this guide is an essential resource for hopeful designers.

Writing for the Fashion Business

A guide to surviving and thriving in fashion school, from an award-winning fashion designer and illustrator Success in fashion school requires more than a passion for fashion. It calls for the student to understand the cultural forces that shape what we wear and why we wear it; to develop a wide range of practical, aesthetic, and intellectual skills; and to work hands-on. This accessible guide assists the aspiring fashion designer on this journey with unique illustrated lessons on such topics as: • how to identify the target customer, set priorities, select fabrics, and integrate details • how to measure the human form, cut fabric, and pivot a dart • why you haven't designed a garment if you don't know how it will be made • how the nuclear bomb dropped on Hiroshima reshaped our understanding of fashion • illustration fundamentals, including proportions, poses, lighting, and rendering • practical information on the industry, including key terms, who does what in the industry, and the workings of the fashion calendar Written by an experienced fashion designer, illustrator, and instructor, 101 Things I Learned® in Fashion School is an essential resource for beginning fashion students, recent graduates, experienced professionals, and anyone looking for a deeper understanding of how and why the clothes we wear—or choose not to wear—are designed and made.

Affordable Couture

A one-step, HOW-TO, resource for introductory Fashion Design study. Provides the fundamentals required to quickly grasp the skills for success in a highly competitive industry. Packed with vital information, tips, templates, tools, techniques, inspiration and over 600 illustrations and images. Includes CD-ROM with design templates.

Basics Fashion Design 04: Developing a Collection

A superb reference book and an ideal instructional textbook for classroom use, this beautifully illustrated guide is organized into units that reflect required courses at leading design colleges.

101 Things I Learned® in Fashion School

American English Phonetics and Pronunciation Practice

American English Phonetics and Pronunciation Practice provides an accessible introduction to basic articulatory phonetics for students of American English. Built around an extensive collection of practice materials, this book teaches the pronunciation of modern standard American English to intermediate and advanced learners worldwide. This book: • provides an up-to-date description of the pronunciation of modern American English; • demonstrates the use of each English phoneme with a selection of high-frequency words, both alone and in context in sentences, idiomatic phrases and dialogues; • provides examples and practice material on commonly confused sounds, including illustrative pronunciation diagrams; • is supported by a companion website featuring complete audio recordings of practice material to check your pronunciation against; • can be used not only for studying pronunciation in the classroom but also for independent practice. American English Phonetics and Pronunciation Practice is essential reading for any student studying this topic.

American English Pronunciation Practice

AMERICAN ENGLISH PRONUNCIATION PRACTICE - BOOK ONE - MORE THAN 800 SENTENCES WITH THEIR PHONETIC TRANSCRIPTIONS AND MUCH MORE!!!! Learning how American people express themselves in real-life conversation, relaxed and fluently, is far from Standard English. If you already speak some English, thinking about sounding more native-like is crucial. We invite you to see how Americans speak real English and finally see what they do that causes so many troubles for non-native speakers. All books in the series of AMERICAN ENGLISH PRONUNCIATION PRACTICE provide double phonetic representation (detailed sound information of words and sentences) based on the International Phonetic Alphabet and the Brazilian Portuguese Alphabet for our readers' convenience. Use these books as an unprecedented and innovative opportunity to sharpen your pronunciation and reduce your accent. The phonetic transcriptions are reliable and represent the English sounds consistently. For this reason, we hope that these books will be of great benefit for both Brazilian students and students from other countries as well. This series of AEPP books provide a modern,

innovative, and comprehensive learning method with enjoyable reading and an enormous content of selected sentences and their "secrets." Our commitment is to explore those phrases and sentences in which native speakers and non-native speakers do not understand each other (especially those useful in real-life conversation). You will be surprised at how quickly these books can make a significant improvement in your studies. You will be able to build fluency with autonomy and accuracy. In fact, AEPP was designed to be a handy and useful tool in the English pronunciation learning process, perfect for self-study (independent study) and classroom activities. The series of AMERICAN ENGLISH PRONUNCIATION PRACTICE can really change the way you speak the English language.

Mastering the American Accent with Online Audio

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product.

Exercises in American English Pronunciation

A syllable is part of a word that contains one vowel sound. In every word of two or more syllables, one syllable is stressed. It's called 'stressed syllable'. The vowel sound in that syllable is louder, higher in pitch, and longer than the other vowel sounds in the same word. In this book, stressed syllable is written in larger boldface. (Example: academy [YkædYmi]) Unstressed syllables are often pronounced with the schwa vowel sound (Y). All one syllable words have primary stress when spoken separately. (Examples: big, day) The contrast between stressed and unstressed syllables is very important because it helps to create the rhythm of English. The native English speakers rely more on stressed syllable to understand what you say than on the individual sounds of the word. This book lists 16,616 core English words that are divided into 25 vowel categories containing stressed syllables and listed alphabetically within each category. Also the words are divided into three different levels of ESL (English as a Second Language) so that learners can practice pronunciation according to their levels. Level 1 (for elementary & middle school) is written in red, level 2 (for high school) is written in blue, and level 3 (for university and above) is written in black. Words with same spelling but different stressed syllables or words with same spelling but different pronunciation are differentiated using following parts of speech. [n.] noun [a.] adjective [v.] verb This book is ideal for learners of English as a second language who want to communicate more effectively and also for native English speakers who wish to change dialects.

The Pronunciation of American English for Teachers of English as a Second Language

This book lists approximately 17,000 core English words that are divided into 25 vowel categories containing stressed syllables and listed alphabetically within each category. This book is ideal for learners of English as a second language who want to communicate more effectively and also for native English speakers who wish to change dialects.* Please refer to the website for more information. www.corevoca.com

Pronunciation of American English for Practice

'American English Pronunciation: A Drillbook' is designed to accompany lecture courses on American English phonetics and language laboratory classes in American English pronunciation at university level. It is equally suitable as a self-instructional program for anyone wishing to improve their American

English pronunciation. Part I (Pronunciation Practice) provides pronunciation exercises to be used in conjunction with additional audio material (available on request) or following the model of a native speaker. Part II (Transcription Practice) presents model texts for phonetic transcription. In both parts, orthographic text and phonetic script appear on facing pages. Several phonetic puzzles are also included.

Exercises in American English Pronunciation

Lose Your Accent in 28 Days is the powerful, proven system that will help you master American English pronunciation in weeks -- not months or years. Practice 30 minutes a day for 4 weeks and greatly improve your pronunciation. No more being asked to repeat yourself! No more being asked, "What did you say?" Discover the pronunciation system preferred by faculty and students at America's most prestigious universities -- including Cornell, UC Berkeley, Middlebury, and University of Southern California. Lose Your Accent in 28 Days features an interactive CD-ROM that shows you exactly how to pronounce EVERY vowel and consonant through hundreds of video clips. The Audio CD includes over 70 minutes of material on rhythm, stress, and everyday speech patterns. The Workbook offers 80 techniques for better pronunciation. In all, you'll learn from 956 guided examples. What an easy and

enjoyable way to lose your accent! Lose Your Accent in 28 Days is complete. There are no extras to buy. You get all this with your system: * A CD-ROM. Learn to position your mouth and make those difficult vowel and consonant sounds you never thought you could. If you use a system without video, you'll miss the picture. - An Audio CD. Join Ravin and her expert team to practice rhythm, stress and everyday speech patterns. Develop perfect pronunciation and total confidence! - A Workbook. Master pronunciation techniques that will make you sound native-born! People will no longer ask, "What did you say?" - A Carrying Case. Study both at home and on-the-go with this durable and attractive case! Why do people choose this system over the others? * Most accent reduction training systems have audio only. It is very helpful to see the instructor's mouth so you know how to position your own mouth to make the sounds correctly. * Systems that use a video-cassette or DVD do not allow you the incredible flexibility of being able to click with your mouse on the sounds you need to practice...and click over and over again until you've mastered the target sound. * Many systems are complicated and difficult to use. After a few chapters, many people just give up in frustration. Lose Your Accent in 28 Days is clear and user-friendly so you look forward to studying every day. * Lose Your Accent in 28 Days also helps you master new vocabulary as you go. The system includes a handy idioms glossary defining every idiom used in the book.

Pronunciation of American English for Reference

This is the complete course; it contains Books One, Two and Three combined. The course is an accent reduction program for international speakers of English. At the same time, it is rich in both formal and informal American expressions. And it contains exercises and cultural notes prompted, for the most part, by questions from students themselves. The program is now in its second edition. It has been based on and proven successful during years of work with students from many countries. Softcover textbook with 6 audio CDs.

Exercises in American English Pronunciation

This cds present six 35-minute lessons, each one covering key obstacles faced by nonnative English speakers. accompanying the cds is a booklet containing written pronunciation guidelines and transcriptions of the sound, words, and sentences you encounter on the recording.

American English Pronunciation Practice

This course includes an overview of current theory and practice. The paperback edition offers current and prospective teachers of English a comprehensive treatment of pronunciation pedagogy, drawing on current theory and practice. The text provides an overview of teaching issues from the perspective of different methodologies and second language acquisition research. It has a thorough grounding in the sound system of North American English, and contains insights into how this sound system intersects with listening, morphology, and spelling. It also contains diagnostic tools, assessment measures, and suggestions for syllabus design. Discussion questions encourage readers to draw on their personal language learning/teaching experiences as they assimilate the contents of each chapter. Follow-up exercises guide teachers in developing a range of classroom activities within a communicative framework.

Teaching American English Pronunciation - Oxford Handbooks for Language Teachers

Directed to speakers of English as a second language, a multi-media guide to pronouncing American English uses a "pure-sound" approach to speaking to help imitate the fluid ways of American speech.

Pronunciation of American English (for reference)

Are you looking for that one English pronunciation guide that has it all? Well, you found it!... Plus, it's NOT your typical boring English pronunciation workbook. You're frustrated with not being understood. You're tired of shying away from conversations and presentations that keep you from making significant gains in your career and making connections in your social life. This guide is a culmination of all of the "mysterious secrets" that non-native English speakers search for on their journey to speaking with clear, fluent English pronunciation. These are secrets even native speakers are often not aware of! This book is your single guide to get you to where you want to be when speaking English; clear, confident, precise, and articulate. This guide provides the highest quality in-depth instruction with the easiest-to-follow practice activities ever! We're talkin' step-by-step hand-holding here...because a little

extra help never hurt anyone! Hierarchical structure: focusing on listening and “feeling” your mouth positions first so you will be confident you can correct yourself when speaking Exhaustive practice exercises that move from the simplest level (sound level) then progress slowly up the ladder to syllables, words, phrases, sentences, reading, and finally, conversation practice, so you don't get stuck Easy to understand instruction without all the confusing jargon Make this the day you finally unveil the secrets to clear, articulate English pronunciation! --

Exercises in American English Pronunciation

The Sound of English: English Pronunciation Practice by Dave Alber is an English training book that focuses on speaking English and the sounds of English pronunciation. English sounds and pronunciation are essential in order to speak good English. Therefore, when people want to learn English, they need to focus on how to speak English. Because English is a phonetic language, spoken English is vital for learning English. This is a key point, English pronunciation is essential for clear speech. You can communicate with confidence and clearly express your ideas only after you gain the knowledge of the sound of the English language. The Sound of English: English Pronunciation Practice organizes the vowel sounds in an easy to use table. This table is great for pronunciation drills. Next, the consonant sounds are described and presented in many practical examples. The Sound of English: describes how to make the English vowel and consonant sounds. Then shows how they are used in the beginning, middle, and end of words. Finally, consonant clusters are given in a table, so that you can practice each consonant cluster in many examples. You receive fun practice paragraphs, for the vowels and consonants, that will soon have you speaking English like a native speaker. If you, or someone you know, recognizes the rewards of speaking English clearly, then The Sound of English: English Pronunciation Practice is the confident choice. This book is written by Dave Alber, English teacher, English pronunciation trainer, Principle at EasyAmericanAccent.com, and creator of English Idioms: An Idiomatic Journey to the West and English For Chinese Speakers: Secret Message From Planet Meigua.

Pronunciation of American English for Reference

Reference guide to the pronunciation of English in North America as it is spoken by native speakers.

Manual of American English Pronunciation for Adult Foreign Students

Comprehensive course with practice of English spelling conventions through a variety of activities: recognise spelling patterns, see links between spelling and pronunciation. Suitable for self-study, building vocabulary, and developing spelling, pronunciation and speaking skills.

Exercises in American English Pronunciation

Presents material for the intermediate-level ESL students to improve their pronunciation of North American English.

American Pronunciation

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. The American English in Mind Level 1 Workbook provides language and skills practice for each Student's Book unit. The Workbook can be used both in the classroom and at home. Listening exercises utilize audio tracks found on the DVD-ROM accompanying the Student's Book.

American English Pronunciation

English Phonetics and Pronunciation Practice provides a unique introduction to basic articulatory phonetics for students of English. Taking a practical approach, this book teaches the pronunciation of modern standard non-regional British English to intermediate and advanced learners worldwide. Now fully updated and restructured, the more concise new edition: - provides an up-to-date description

of the pronunciation of modern British English; - demonstrates the use of English consonants and vowels in a variety of contexts and in contrast with other sounds with which they may be confused; - includes expanded theory sections for an improved balance of theory and practice; - is supported by extensive online audio material. Ideal for studying pronunciation in the classroom or for independent student practice, English Phonetics and Pronunciation Practice is essential reading for any student of pronunciation and phonetics.

Improve Your American English Accent

With speaking being a part of TOEFL, the right pronunciation plays a huge role and can make a big difference in scores. Our software, Pronunciation in English is co-branded and approved by ETS (Educational Testing Service) and highly recommended as a practice tool for the new TOEFL and TSE (Test of Spoken English). Intro

Eat food that's good for you. Good food helps your bones to grow. It makes you strong and it stops you getting sick.

Everyone needs food to live. It gives you energy to work and play. It also gives you nutrients to grow well and stay healthy. Do you eat a balanced diet with lots of different nutrients ?

Your body needs proteins to build muscles. Proteins are also important for healthy hair and fingernails. You can get lots of proteins from meat, fish and eggs. Dairy products, like milk, cheese and yogurt, also contain proteins. Many people don't eat animal products, but they can get proteins from plant products. Pulses, like beans and lentils, are rich in proteins. Many grains, nuts and seeds have proteins, too. Which of these foods do you eat?

of meat and fish have a lot of fats. Dairy products, like butter and cheese, have fats, too. You can also get fats from plant products like nuts, seeds and vegetable oils. Be careful! Too many fats can make you fat.

Your body also needs minerals. You need calcium for strong bones and healthy teeth. Dairy products, like milk and yogurt, are good sources of calcium. You also need iron for healthy blood. You can get iron from red meat and eggs, or from vegetables like broccoli and spinach. Salt is also an important mineral, but be careful! Too much salty food is bad for you.

Most waste materials decompose. They break down into very small pieces. Food waste decomposes fast, but some waste materials decompose slowly. Paper materials take from two to five months to decompose. Some metal materials take from eighty to one hundred years, and plastic materials take maybe up to one thousand years. Some materials, like glass, never decompose.

The sun is a star. It's very, very hot! The sun has lots of heat and light. Heat and light from the sun come to Earth. The heat and light make Earth warm so we can live here. Light from the sun comes to Earth in eight minutes.
