If your life is not what you want it to be, you can change it.

If you embrace the principle of applied faith and keep it directed to the attainment of the things you want and off the things you do not want.

Belief is truly a magic word, because it is the beginning of all Successes.

To be Successful, you must become a person with a great capacity for belief and the place to start believing is with yourself.

You can take full possession of your mind and

The Creator never intended for you to beg for anything.
