An Encyclopaedia of Occultism

This "compendium of information on the occult sciences, occult personalities, psychic science, demonology, spiritism, and mysticism" was one of a kind when it was first published in 1920 and is still considered the best in its field today. Spence organizes a world's worth of magic -- from "Ab" (a magical month in the ancient Semitic calendar) to "Zulu witch-finders" -- into 2,500 dictionary-style entries that explore concepts and personalities both familiar (Freemasonry, Morgan le Fay) and obscure: palingenesis (a process by which plants or vegetables are destroyed and then "resurrected"), Leonora Galigai (a 17th-century Italian aristocrat who was burned as a witch). A delight for devotees of the weird and the strange, and a valuable resource for students of mythology and the evolution of scientific thought, this important volume is at home in the libraries of all book lovers. Scottish journalist and folklorist LEWIS SPENCE (1874 -1955) was a Fellow of the Royal Anthropological Institute of Great Britain and Ireland, and Vice-President of the Scottish Anthropological and Folklore Society. He published more than 40 works on mythology and the occult, including History of Atlantis, An Introduction to Mythology, and Myth and Ritual in Dance, Game and Rhyme.

Phrases and Names, Their Origins and Meanings

DigiCat Publishing presents to you this special edition of "Phrases and Names, Their Origins and Meanings" by Trench H. Johnson. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Tid-bits

Hemingway, Trauma and Masculinity: In the Garden of the Uncanny is at once a model of literary interpretation and a psycho-critical reading of Hemingway's life and art. This book is a provocative and theoretically sophisticated inquiry into the traumatic origins of the creative impulse and the dynamics of identity formation in Hemingway. Building on a body of wound-theory scholarship, the book seeks to reconcile the tensions between opposing Hemingway camps, while moving beyond these rivalries into a broader analysis of the relationship between trauma, identity formation and art in Hemingway.

Hemingway, Trauma and Masculinity

When Anna Kramer, a Los Alamos piano teacher, inherits the journals and scores of composer Hana Weissova, she is mystified by this bequest from a woman she does not know. Hana's music, however, soon begins to uncover forgotten emotions, while her journals, which begin in 1945 after she is released from a concentration camp, slowly reveal decades-old secrets that Anna and her family have kept buried. Dissonance is a quiet and dramatic novel that offers great emotional urgency and wisdom. It is bold in its scale, placing readers at different eras—in the concentration camp at Theresienstadt and

in the scientific world of Los Alamos, New Mexico. With extraordinary sensitivity, the author unfolds the story of a woman musician inheriting the “score” of another woman's life, reconciling its themes of self-discovery with the processes of self-discovery in her own life, and, finally, freeing imprisoned memory.

What's more frightening: The mask? Or the reason it's worn? Forced to flee her lover, the witch Wren Nocturne knows she still owes a debt. She must exact vengeance for those who resurrected her. Alone, and masquerading as an abused Firefly, she struggles to satisfy the blood curse threatening to tear her soul apart. With nightmarish beasts blocking her way, Wren's search becomes a cat and mouse game with another powerful witch. Summer Helsdottir has returned, and this time, she's hunting Wren. Meanwhile, a steadfast Kaito Miyazaki races to find his lover before another technomancer tracks her down. Ready to put everything on the line to reconnect with Wren and keep his witch from facing a second death, he's hot on her trail but always one step behind. Will he catch up before either a witch-killing technomancer, soul-eating curse, or dangerous creature turns his beloved to dust? Wren is counting on her disguise to keep her safe but with peril at every turn, she may need more than magic to escape her fate.

The culmination of a lifetime's thought, it espouses a commitment to Jesus's message of turning the other cheek. In a bold and original manner, Tolstoy shows his readers clearly why they must reject violence of any sort—even that sanctioned by the state or the church—and urges them to look within themselves to find the answers to questions of morality. In 1894, one of the first English translations of this book found its way into the hands of a young Gandhi. Inspired by its message of nonresistance to evil, the Mahatma declared it a source of "independent thinking, profound morality, and truthfulness." Much of this work's emotional and moral appeal lies in its emphasis on fair treatment of the poor and working class. Its view of Christianity, not as a mystic religion but as a workable philosophy originating from the words of a remarkable teacher, extends its appeal to secular and religious readers alike. eeThe Kingdom Of God Is Within You By Leo Tolstoyee ABOUT THE AUTHOR: Lev Nikolayevich Tolstoy (Russian: 5216st 05280r1at4B 19; commonly Leo Tolstoy in Anglophone countries) was a Russian writer who primarily wrote novels and short stories. Later in life, he also wrote plays and essays. His two most famous works, the novels War and Peace and Anna Karenina, are acknowledged as two of the greatest novels of all time and a pinnacle of realist fiction. Many consider Tolstoy to have been one of the world's greatest novelists. Tolstoy is equally known for his complicated and paradoxical persona and for his extreme moralistic and ascetic views, which he adopted after a moral crisis and spiritual awakening in the 1870s, after which he also became noted as a moral thinker and social reformer. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount, caused him in later life to become a fervent Christian anarchist and anarcho-pacifist. His ideas on nonviolent resistance, expressed in such works as The Kingdom of God Is Within You, were to have a profound impact on such pivotal twentieth-century figures as Mohandas Gandhi and Martin Luther King, Jr. eeThe Kingdom Of God Is Within You By Leo Tolstoyee

Dissonance

Occult traditions have inspired musical ingenuity for centuries. From the Pythagorean concept of a music of the spheres to the occult subculture of 20th-century pop and rock, music has often attempted to express mystical states of mind, cosmic harmony, the demonic and the divine--nowhere more so, perhaps, than in the music for films such as The Mephisto Waltz, The Devil Rides Out, Star Trek, Close Encounters of the Third Kind, The Omen and The Exorcist. This survey explores how such film music works and uncovers its origins in Pythagorean and Platonic ideas about the divine order of the universe and its essentially numerical/musical nature. Chapters trace the influence of esoteric Freemasonry on Mozart and Beethoven, the birth of "demonic" music in the 19th century with composers such as

Weber, Berlioz and Liszt, Wagner's racial mysticism, Schoenberg's numerical superstition, the impact of synesthesia on art music and film, the effect of theosophical ideas on composers such as Scriabin and Holst, supernatural opera and ballet, fairy music and, finally, popular music in the 1960s and '70s.

Sonata

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1970.

From the Author books Like · Anna Karenina · War and Peace · The Death of Ivan Ilych · The Kreutzer Sonata · Resurrection · Onsan Ne Ole Ya_ar? · A Confession · Hadji Murád · How Much Land Does a Man Need? · Family Happiness · Childhood, Boyhood, Youth · The Cossacks · Master and Man · The Kingdom of God Is Within You · The Devil · Father Sergius · What Is Art? ABOUT THE BOOK: One of the world's greatest novelists, Leo Tolstoy (1828–1910) also wrote numerous excellent short stories, three of which are contained in this volume. "The Kreutzer Sonata" (1891) is a penetrating study of jealousy as well as a splenetic complaint about the way in which society educates young men and women in matters of sex. In "The Death of Ivan Ilych" (1886), a symbolic Everyman discovers the inner light of faith and love only when confronted by death. "How Much Land Does a Man Need?" (1886) is a simple, didactic story of peasant life, written by Tolstoy in the wake of a spiritual crisis. All three tales offer readers a splendid introduction to Tolstoy's work as well as the focused delights of the short story form brought to a pinnacle in the hands of a master. California Slavic Studies, Volume V

An ethnographic study based on decades of field research, Pilgrimage to Broken Mountain explores five sacred journeys to the peaks of venerated mountains undertaken by Nahua people living in northern Veracruz, Mexico. Punctuated with elaborate ritual offerings dedicated to the forces responsible for rain, seeds, crop fertility, and the well-being of all people, these pilgrimages are the highest and most elaborate form of Nahua devotion and reveal a sophisticated religious philosophy that places human beings in intimate contact with what Westerners call the forces of nature. Alan and Pamela Sandstrom document them for the younger Nahua generation, who live in a world where many are lured away from their communities by wage labor in urban Mexico and the United States. Pilgrimage to Broken Mountain contains richly detailed descriptions and analyses of ritual procedures as well as translations from the Nahuatl of core myths, chants performed before decorated altars, and statements from participants. Particular emphasis is placed on analyzing the role of sacred paper figures that are produced by the thousands for each pilgrimage. The work contains drawings of these cuttings of spirit entities along with hundreds of color photographs illustrating how they are used throughout the pilgrimages. The analysis reveals the monist philosophy that underlies Nahua religious practice in which altars, dancing, chanting, and the paper figures themselves provide direct access to the sacred. In the context of their pilgrimage traditions, the ritual practices of Nahua religion show one way that people interact effectively with the forces responsible for not only their own prosperity but also the very survival of humanity. A magnum opus with respect to Nahua religion and religious practice, Pilgrimage to Broken Mountain is a significant contribution to several fields, including but not limited to Indigenous literatures of Mesoamerica, Nahuatl studies, Latinx and Chicanx studies, and religious studies.

Flashes of lightning, resounding thunder, gloomy fog, brilliant sunshine...these are the life manifestations of the skies. The concrete visceral experiences that living under those skies stir within us are the ground for individual impulses, emotions, sentiments that in their interaction generate their own ever-changing clouds. While our intellect concentrates on the discovery of our cosmic position, on the architecture of the universe, our imagination is informed by the gloomy vapors, the glimmers of fleeting light, and the glory of the skies. Reconnoitering from the soil of human life and striving towards the infinite, the elan of imagination gets caught up in the clouds of the skies. There in that dimness, sensory receptivity, dispositions, emotions, passionate strivings, yearnings, elevations gather and propagate. From the "Passions of the Skies" spring innermost intuitions that nourish literature and the arts.

California Slavic Studies

"In a world like this one, it's difficult to devote oneself to art body and soul. To get published, to get exhibited, to get produced often requires ten or twenty years of patient, intense labor. I spent half my life at it! And how do you survive during all that time? Beg? Live off other people until you're successful? What a dog's life! I know something about that! You're always recognized too late. And today, it's no longer enough to have talent, originality, to write a good or beautiful book. One must be inspired! Not only touch the public but create one's own public. Otherwise, you're headed straight for suicide." That's Henry Miller's advice for young aspiring artists, as remembered by his very good friend Brassai in this lively book. One of two that Brassai wrote about the man who called himself a "happy rock," this volume covers their lives and friendship from the 1950s to 1973. Over the course of a number of warm, intimate conversations, Brassai and Miller revisit their careers; discuss art, literature, Paris, Greece, Japan, World War II, and more; and consider the lives and works of many others in their circle, including Lawrence Durrell, Henri Matisse, Salvador Dalí, Georges Simenon, André Malraux, Hans Reichel, Paul Klee, and Amedeo Modigliani. Throughout Miller's zest for life shines through, as do his love of art and his passionate intensity for just about everything he does, from discussing a movie or play he'd just seen to reminiscing about a decades-long love. Brassai's Henry Miller, Happy Rock presents a vivid portrait of two close friends who thoroughly enjoy each other's company—and just happen to be world—famous artists too.

ABOUT THE BOOK: The greatest of all novelists...what else can we call the author of War and Peace?" asked Virginia Woolf rhetorically—and literary luminaries the world over have agreed with her. The saga stands alone in its vast scope and minute detail, its immense diversity and final unity. Set in the years leading up to and culminating in Napoleon's disastrous Russian invasion, the novel focuses upon an entire society torn by conflict and change. Here is humanity in all its innocence and corruption, wisdom and folly, painful defeats and enduring triumphs. Here is the seemingly effortless artistry of a master capable of portraying with equal power the clash of armies and the solitary anguish of the heart. Here, finally, is a view of history and personal destiny that is perpetually modern. "Life did not stop and one had to live.." July 1805, St Petersburg, Russia: A country on the brink of attack. a city on the threshold of war and disruption. Five Russian families will find out just how their lives are going to entangle during the ensuing years of war and peace.. Opening at Anna Pavlovna's soirée, Tolstoy's War and Peace introduces you to characters—such as the misfit, illegitimate son Pierre, the analytical and loner Prince Andrew, the sexually alluring Helene and the impulsive and lively Natasha, who plays the pivotal role—whose minds and actions prove to be the laboratory where Tolstoy, with a psychologist's deftness and an artist's vision, lays bare the frailties and manias that make up the human psyche. An explosive tale of epic proportions, War and Peace, one of the best known Russian historical novels, is as much a story of love and adultery as it is of war and death. with a deep insight into the war-stricken Russia, it underlines the irrational motives of human behavior in both war and peace. War and Peace is considered one of the world's greatest works of fiction. It is regarded, along with Anna Karenina, as Tolstoy's finest literary achievement. Epic in scale, War and Peace delineates in graphic detail events leading up to Napoleon's invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families. ABOUT THE AUTHOR: Lev Nikolayevich Tolstoy (Russian: 52 8m05286 Op ABey; used Liev Tolstoy; commonly Leo Tolstoy in Anglophone countries) was a Russian writer who primarily wrote novels and short stories. ABOUT THE BOOK: The Power of Darkness (Russian: ; ~~А́бсолют~~), is a five-act drama by Leo Tolstoy. Written in 1886, the play's production was forbidden to be produced in Russia until 1902, mainly through the influence of Konstantin Pobedonostsev. In spite of the ban, the play was unofficially produced and read numerous times.
