Lawyers Decoded

People facing divorce are facing extreme heartbreak, regret, anxiety and unbelievable financial pressure. The stakes have never been higher and you are expected to navigate a coded legal system and hope your family emerges on the other side. In Decode Your Divorce, divorce attorney Billie Tarascio will take you through three comprehensive sections so you can move through the divorce process smoothly, inexpensively and empowered. In this book you will learn: • Representation options and how to best work with an attorney • How to navigate the court system including how to draft documents, identify and organize exhibits and what to expect in court • All you need to know about the law related to divorce including custody, child support, property division, spousal maintenance and more. It's true. Your life will never be the same. But it will get better. Decode Your Divorce will give you the tools to emerge stronger

Decode Your Divorce

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

ABA Journal

This is the Government response to Cm. 7967 'Proposals for reform of legal aid in England and Wales (ISBN 9780101796729) and sets out the plans to deliver the goals stated in that paper. The legal aid programme put forward includes: reform of the classes of cases and proceedings retained within the scope of legal aid; exceptional funding; amendment of merits test criteria for civil legal aid; establishment of the Community Legal Advice Telephone helpline; financial eligibility reforms; criminal remuneration; civil and family remuneration; expert fees and alternative sources of funding

Legal aid reform in England and Wales

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Bulletin of the Atomic Scientists

The Solicitors Disciplinary Tribunal (SDT) has the power to strike off a solicitor from the roll, suspend a solicitor from practice, fine or reprimand a solicitor or make such other order as it thinks fit. Whilst over 90% of all cases brought before the SDT are brought by the SRA, it is open to anyone to bring a matter before it. This book provides a unique step-by-step guide to the law and practice of the Solicitors Disciplinary Tribunal, from the issue of proceedings through to appeal. Its practical approach will help anyone who wishes to avoid the common pitfalls faced by unfamiliar users of the Tribunal. It is the only comprehensive book available on SDT proceedings and it contains all the leading cases on Tribunal proceedings, many of which are not available on the internet, in one handy volume.

Solicitors Disciplinary Tribunal

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Bulletin of the Atomic Scientists

Finally...a book that takes the mystery and fear out of dealing with lawyers, drawing on the observations of regular people and experts in human behavior.

Model Rules of Professional Conduct

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Federal Register

In January 2009, the then Master of the Rolls, Sir Anthony Clarke, appointed Lord Justice Jackson to lead a fundamental review of the rules and principles governing the costs of civil litigation. This report intends to establish how the costs rules operate and how they impact on the behavior of both parties and lawyers.

The Third Branch

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Why Lawyers Suck
