THIS IS WHAT I WILL COVER

Welcome to this CONSULTANT interview training tutorial!

Q. Tell me about yourself and why you want to become a Consultant? Over the past few years I have been working hard to further develop my skills as a consultant, and I now feel I am performing at a consistently high level.

In my last consultancy role for a large company I suggested the organization provide training for all team leaders and middle managers in the facilitation and leading of change.

You are working on a project and you have two paths to take the standard path or a new path Which one would you choose and why? In the vast majority of situations I would choose the new path, simply because this gives me the opportunity to be innovative and creative, which is something I enjoy.
