

Democracy At Work A Comparative Sociology Of Environmental Regulation In The United Kingdom France

[#environmental regulation UK France](#) [#comparative environmental policy](#) [#democracy environmental governance](#) [#sociology of environmental regulation](#) [#cross-national environmental studies](#)

This comparative sociology study meticulously examines how democratic processes and societal structures influence environmental regulation in the United Kingdom and France. It provides a nuanced analysis of the varying approaches to environmental governance, illustrating how 'democracy at work' manifests in distinct policy outcomes across these two European nations.
