God's Daily Answer....365 Devotions...One for Each Day of the Year

Spiritual dreams and goals are often shattered by personal failures and shortcomings. Obedience to God's way often seems to be in vain as old patterns of behavior dominate lifestyles. All because, while hearts are renewed, minds very often don't follow suit. In this practical and interesting book, readers will discover how to let God guide and direct their thoughts. Stephan Joubert presents a biblical view of how the mind works and what it really means to let God renew the mind. Readers will find that the key to following in the footsteps of the great heroes of the Bible lies in thinking God's way. God has not kept the secret to a renewed life hidden. It's all in the Bible. Readers will find that the way to spiritual maturity is through learning to give their thoughts to God and to adjust their way of thinking to correspond with His view of life. GOD-CONTROLLED THINKING will help readers to experience new dimensions of spiritual living through surrendering their minds to God. It is possible to live an abundant and victorious life.

Stability after Disability

We have lost our way. Many people struggle to find not just who they are but where they're going. Today the choices are seemingly endless and vast, making the discovery of one's purpose more confusing and difficult. Or so it may seem. Men and women are able to choose from so much more of what the world can offer. As a result, people often find that what they choose may be practical but not fulfilling. We often choose what will bring us the most income and financial rewards, which is indeed important, but often at the expense of our passions and dreams—if we even know what our passions and dreams are. People are seeking happiness, when what they really want is peace and contentment. Happiness is circumstantial and fleeting. Peace and contentment are sustainable and are developed through meeting our core longing for purpose. Codes of relativism and situational ethics have especially clouded our sense of purpose. Yet, there is an answer for us to return to our true sense of purpose. With standards comes a strong, stable sense of direction. The more we distance ourselves from God, the less we know ourselves, and the more confused we are. The reason for our existence, as God has designed, is directly tied to our purpose. Come and explore, and let the truth set you free!

NCV, The Devotional Bible

According to former NFL player, American Ninja Warrior and international speaker Anthony Trucks, cultivating identity is the most important tool for anyone seeking to achieve their dreams. In an era with more access to the lives of others than ever before, it's easy to feel as if everyone else is more successful, in better shape, making more money and living their dreams. This daily barrage of "better-than-me" drives feelings of imposter syndrome, unworthiness and shame as many yearn for a clear sense of self and stability in a sea of comparison—especially when one's internal identity is out of alignment with the life they want to live. Anthony Trucks' Identity Shift gives motivated individuals the tools to make meaningful change where it counts: their identity. Anthony shares the secret to his success, framed with an honest examination of his own story and determination to move beyond his circumstances. He has seen how the ability to shift one's identity is an innate ability that can be cultivated to unlock new levels of power, perspective, passion and productivity; and he believes this shift can occur within anyone, so long as they are ready to change their life.

Identity Shift

If one can safely assume something, many of us who love reading are unable to do so due to lack of time to read a full novel running into a number of pages. Life in Different Colours offers the readers short and captivating stories, which focus on some facets of life as seen by the author, woven into a world of fiction. Each story in this book can be read within a maximum of thirty to forty minutes. But that is not all. The author hopes that, through his imagination captured in these stories, these stories will not only make for a good read but also help the readers in some manner.

Divining Your Dreams

This book is Volume 1 of "God's Divine Plan for Humanity" series. You are a very important part of God's divine plan for humanity; God wants to draw you closer to him and bring you to that place where you reach the full potential of your life, far beyond your imaginable dreams. When you read this book, you will never look at your life and the world the same again; you will start to see the world and understand the Bible better than ever before. This book will take you to God's creative library, step-by-step to unveil the mysteries of God's plan for humanity, using the language of heaven. The knowledge you gather from this book will draw you closer to God just like Abraham, Isaac, Jacob, Joseph, Moses, David, and Joshua, all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world. Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life - Jesus Christ. When you look at the world, do you believe there is something seriously wrong with the whole system? Do you believe there is something not natural that for some inexplicable reason, is holding humanity hostage? You can analyze it from all political angles, but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates, you will remain a slave to the system. The Bible teaches in Psalm 24:1-2 that God owns the world and everything in it. If God owns it all, then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world. The battles we face in this world are not natural. Any attempt to use natural weapons to fight these battles is a big mistake; you cannot use natural weapons to fight a supernatural battle. When you believe the enemy and look at life through the eyes of the enemy, you become engulfed and enslaved by the enemy; but when you believe in Jesus and look at life through the eyes of Jesus, you will ultimately become united to Jesus. In life, what you believe, determines what you see. The battle is in your mind. The choice is yours! "In this world you will have trouble. But take heart! I have overcome the world." John 16:33.
