## **Veldt The Bradbury Ray**

#The Veldt #Ray Bradbury #science fiction short story #virtual reality horror #dystopian literature

Ray Bradbury's chilling science fiction short story, "The Veldt," explores the dark side of advanced technology through a futuristic nursery that manifests children's wildest imaginings. When parents George and Lydia Hadley grow increasingly disturbed by their children's obsession with a hyper-realistic African veldt populated by hungry lions, they confront the terrifying consequences of unchecked virtual reality and the blurring lines between fantasy and a horrifying reality.
