If You Stay

The first book in the Beautifully Broken series. Twenty-four-year-old Pax Tate is not always a nice guy. He's a tattooed, rock-hard bad boy with a bad attitude to match. But he's got his reasons. His mother died when Pax was seven, leaving a hole in his heart filled with guilt. As Pax grew up, he tried to be the perfect golden boy but his dad couldn't overcome his grief long enough to notice. Pax couldn't keep up the impossible perfect façade, so he slipped far, far from it. Now, he uses drugs and women to cope with the ugly, black void in his heart. Until he meets sweet, beautiful Mila Hill. Mila is a carefree smile to his hardened frown, the beauty to his beast. When memories of his mother's death resurface, Mila is there to help him mend his broken heart . . . but only if he can stop being a jerk long enough to allow it. Pax says he's working on it. But is that enough to make her stay?

Anti-Stepbrother

He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I labeled him an *sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? *Stand-alone novel

Teste-moi si tu peux

Ma nouvelle mission au boulot : tester des jouets. Oui, vous avez deviné, ce genre de jouets... Enfin, techniquement, il s'agit de tester l'application qui contrôle les jouets à distance. Le problème ? La fille qui était censée tester le produit (à savoir les jouets) m'a plantée pour devenir bonne sœur ! Un autre problème ? Ce projet est important pour mon patron russe, le beau, follement sexy et ténébreux Vlad, aussi connu sous le surnom de l'Empaleur. Il n'y a qu'une seule solution : tester à la fois l'application et le produit moi-même... avec son aide. Remarque : Il s'agit d'un roman intégral, une comédie romantique à la fois tendre et torride, avec une héroïne décalée et un peu geek, son patron russe aussi mystérieux que sexy, et deux cochons d'Inde avec un penchant douteux pour les frotti-frotta. Si l'un de ces éléments ne vous botte pas spécialement, fuyez au plus vite. Sinon, attachez votre ceinture et préparez-vous pour une lecture décoiffante qui vous fera sourire, rire aux éclats et voir la vie du bon côté.

Friction

Former overachiever Lucy Williams sucks at adulting. Recent divorce, check. Pending lawsuit, check. A move back to Boston to live with her mother, triple check. It can't get much worse, right? When she starts her new marketing job at EXtreme Effects, she's positive shit's stopped hitting the fan. Sure, what she's advertising is a little ... unorthodox, but it pays the bills. And since she's seconds away from becoming Lucy Williams: Wednesday Night Bingo Enthusiast, she needs money to get the hell out of her mother's house. The only problem is her boss, Mr. Extreme himself: Jace Exley. He's everything any sane woman dreams of—alpha, successful, ridiculously gorgeous. He's also Lucy's worst nightmare.

Because like every overachiever, she has that underachiever she brushed off. The slacker who, once upon a time ago, was the object of her dirtiest schoolgirl fantasies. Jace Exley—with his sarcastic smirk and delicious accent—just happens to be that guy. And the friction between them? Well, that's the only adulting Lucy seems to be winning at.

Veiled Innocence

Tick, tick, tock. Time. That's all I have now. A small room, a photograph, and time. They want me to trust them and confess my sins. They told me they wouldn't judge me—they lied. I thought we could convince the world that this wasn't a crime. We were wrong. Time doesn't stand still. The clock keeps ticking, the world is unconvinced, and now... Now he is gone. Warning: adult themes/explicit sex scenes

de l'ours est peut-être celui qui me permettra de financer mon nouveau projet et de faire passer mon entreprise de jouets à l'étape supérieure. Et quand je dis « jouets », je parle du genre marrant, du genre dont toutes les femmes (et les hommes) ont besoin. Si seulement je pouvais découvrir ce qu'il cache – ou forcer ma libido à bien se tenir ! Parce que c'est une mauvaise idée de mélanger le travail et le plaisir, et que Dragomir Lamian n'est peut-être pas celui qu'il paraît être. Note : Ceci est une comédie romantique one-shot torride qui progresse lentement, dans laquelle une héroïne pleine d'assurance obsédée par les jouets et qui connaît toutes les superstitions russes sous le soleil rencontre un inconnu sexy et mystérieux, et comprenant deux chiens en chaleur dont l'un possède peut-être son propre jouet spécial. Si l'un des éléments ci-dessus n'est pas votre tasse de thé, fuyez maintenant. Sinon, préparez-vous pour une virée hilarante et détendue.

Beautiful Burn

New York Times and USA Today bestseller! Fresh out of college, Ellison Edson has fallen through the cracks of rock bottom. While staying in her family's vacation home in Colorado, her behavior has finally gained the attention of her parents—but not in the way she hoped. Cut off from the millions she's always taken for granted, and left alone to fend for herself, Ellie spirals further out of control, making a mistake she can't take back. Like his twin brother Taylor, Tyler Maddox is a member of the Alpine Hotshots, fighting wildland fires on the frontline. As arrogant as he is charming, Tyler's nomadic lifestyle makes it easy to contain his relationships to one night. When he meets Ellie at a local party during off-season, her extreme personality and dismissive attitude fascinates him at first, but as his feelings deepen, Tyler realizes that the crippling inner demons of the woman he loves might be the strongest enemy any Maddox has ever faced. "Tyler Maddox will steal your heart -- and I promise you'll want to let him

keep it." -- Kami Garcia, #1 New York Times, USA Today, and international bestselling coauthor of the Beautiful Creatures novels and author of The Lovely Reckless

Right in Front of You

Carter Clark I had it all figured out: a gorgeous girlfriend, a baby on the way, and a firefighter career I've always dreamed of. Life was perfect... until piece by piece, it all fell apart, and I lost my will to live. Molly Fowler, my best friend from grade school, has saved my life countless times. She helped me heal and move on. She guided me to be a better man, while she herself held pain I failed to see. I was too blind to see her deep scars. I was too blind to see that we needed each other. I was too blind to see what was right in front of me. Molly Fowler I left Hope Bay the moment I could, but a force by the name of Carter Clark kept pulling me back home.
