"Elena Ferrante may be the best contemporary novelist you have never heard of... If the best prose is like glass communicating without calling attention to itself Ms Ferrante's is crystal, and her storytelling both visceral and compelling" --The Economist 'While this trilogy is providing a captivating social history of mid-20th Neapolitan life it is primarily the story of a friendship.' --Lizzy's Literary Life

Those Who Leave and Those Who Stay

"Imagine if Jane Austen got angry & you'll have some idea of how explosive these works are" (John Freeman). Since the publication of *My Brilliant Friend*, Elena Ferrante has gained admirers among authors—Jhumpa Lahiri, Elizabeth Strout, Claire Messud, to name a few—and critics—James Wood, John Freeman, Eugenia Williamson, for example. But her most resounding success has been with readers, who have discovered in Ferrante a writer who speaks with great power and beauty of the mysteries of belonging, love, family, and friendship. In this third Neapolitan novel, Elena and Lila have become women. Both have attempted pushing against the walls of a prison that would have seen them living a life of misery, ignorance and submission. They are afloat on the great sea of opportunities that opened up during the nineteen-seventies. Yet they are still very much bound to each other by a strong, unbreakable bond.

The Beach at Night

18M copies of Elena Ferrante's books sold worldwide Left alone on the beach to fend for herself, a doll named Celina is having a terrible night. The Mean Beach Attendant of Sunset is trying to steal all her words, the Fire wants to burn her, and the Sea refuses to answer her prayers. Worst of all, she has been abandoned by her mamma, the little girl Mati, who now has a new kitten to play with. Between one misadventure and another, night turns to day, and when the sun rises Celina will see everything a little more clearly. *The Beach at Night* is a short, moving, and mysterious tale for future and present readers of Ferrante's beloved novels. "Classic Elena for beginners and their Ferrante-fevered parents."—The Times

The Story of the Lost Child

OVER 14M OF THE NEAPOLITAN QUARTET SOLD WORLDWIDE Nothing quite like this has ever been published before."—The Guardian "This is high stakes, subversive literature."—The Daily Telegraph "With the publication of her Neapolitan Novels, (Ferrante) has established herself as the foremost writer in Italy—and the world."—The Sunday Times "An unconditional masterpiece . . . I was totally enthralled."—Jhumpa Lahiri "An extraordinary epic."—Michiko Kakutani, The New York Times "To the uninitiated, Elena Ferrante is best described as Balzac meets The Sopranos and rewrites feminist theory."—The Times "Ferrante's writing seems to say something that hasn't been said before, in a way so compelling its readers forget where they are, abandon friends and disdain sleep."—London Review of Books "Stunning. An intense, forensic exploration of friendship."—The Times Literary Supplement *The Story of the Lost Child* is the concluding volume in the dazzling saga of two women—the brilliant, bookish Elena, and the fiery, uncontrollable Lila. Both are now adults, with husbands, lovers, aging parents, and children. Their friendship has been the gravitational center of their lives. Both women fought to escape the neighborhood in which they grew up—a prison of conformity, violence, and inviolable taboos. Elena married, moved to Florence, started a family, and published several well-received books. In this final novel she has returned to Naples, drawn back as if responding to the city's obscure magnetism. Lila, on the other hand, could never free herself from the city of her birth. She has become a successful entrepreneur, but her success draws her into closer proximity with the nepotism, chauvinism, and criminal violence that infect the neighborhood. Proximity to the world she has always rejected only brings her role as its unacknowledged leader into relief. For Lila is unstoppable, unmanageable, unforgettable. Against the backdrop of a Naples that is as seductive as it is perilous and a world undergoing epochal change, Elena Ferrante tells the story of a lifelong friendship between two women with unmatched honesty and brilliance.

Frantumaglia

This book invites readers into Elena Ferrante's workshop. It offers a glimpse into the drawers of her writing desk, those drawers from which emerged her three early standalone novels and the four installments of *My Brilliant Friend*, known in English as the Neapolitan Quartet. Consisting of over twenty years of letters, essays, reflections, and interviews, it is a unique depiction of an author who embodies a consummate passion for writing. In these pages Ferrante answers many of her readers'

questions. She addresses her choice to stand aside and let her books live autonomous lives. She discusses her thoughts and concerns as her novels are being adapted into films. She talks about the challenge of finding concise answers to interview questions. She explains the joys and the struggles of writing, the anguish of composing a story only to discover that it isn't good enough for publication. She contemplates her relationship with psychoanalysis, with the cities she has lived in, with motherhood, with feminism, and with her childhood as a storehouse of memories, material, and stories. The result is a vibrant and intimate selfportrait of a writer at work.

Songbirds

"A beautifully crafted novel that sits at the intersection of race and class, that flags the frank truth of the life of migrant workers for whom a flight to freedom can become the most finely woven trap."—JODI PICOULT, #1 New York Times bestselling author of *The Book of Two Ways* From the prize-winning author of *The Beekeeper of Aleppo* comes *Songbirds*, a stunning novel about the disappearance of a Sri Lankan domestic worker and how the most vulnerable people find their voices. Living on the island of Cyprus, Nisha is far from her native Sri Lanka. Though she longs to return home, she knows that working as a "maid" for a wealthy widow is the only way to earn enough to support her daughter, left behind to be raised by relatives. Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the illegal market. He dreams of finding a new way of life, and of marrying Nisha. But one night, Nisha makes dinner, an aromatic dahl curry, for the family who pays her: Petra and her daughter Alik. Then, after she cleans the kitchen and tucks Alik into bed, Nisha goes out on a mysterious errand, and vanishes. When the police refuse to pursue the case, Petra takes on the investigation herself, a path that leads her to Nisha's friends—other workers in the neighborhood—and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Inspired by the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices.

The Land Where Lemons Grow

'4 stars. Attlee, who knows and loves Italy and the Italians, takes the reader through the country's scented gardens with her sharp descriptions, pertinent stories and quotes and intriguing recipes. I was there with her' Anna del Conte, *Sunday Telegraph* A delightful book about Italy's unexpected history, told through its citrus fruits The story of citrus runs through the history of Italy like a golden thread, and by combining travel writing with history, recipes, horticulture and art, Helena Attlee takes the reader on a unique and rich journey through Italy's cultural, moral, culinary and political past. 'Fascinating . . . A distinguished garden writer, Attlee fell under the spell of citrus over ten years ago and the book, like the eleventh labour of Hercules to steal the golden fruit of the Hesperides, is the result. She writes with great lucidity, charm and gentle humour, and wears her considerable learning lightly . . . Helena Attlee's elegant, absorbing prose and sure-footed ability to combine the academic with the anecdotal, make *The Land Where Lemons Grow* a welcome addition to the library of citrologists and Italophiles alike' *The Times Literary Supplement* 'A paradise of citrus is how I always think of Italy too: a place where ice-cold limoncello is sipped from tiny glasses on piazzas, and everything from ricotta cake to osso bucco is enlivened with zest. What a joy, therefore, to read Helena Attlee's *The Land Where Lemons Grow*, which tells the story of Italy through its citrus fruit' Bee Wilson, *Telegraph*

Miss Mole

'Young is a sharp and funny writer with a brilliant eye for moral fudging and verbal hypocrisy, and she has a splendid foil in Miss Mole' Sally Beauman WINNER OF THE JAMES TAIT BLACK MEMORIAL PRIZE 'Who would suspect her sense of fun and irony, of a passionate love for beauty and the power to drag it from its hidden places? Who would imagine that Miss Mole had pictured herself, at different times, as an explorer in strange lands, as a lady wrapped in luxury and delicate garments?' Miss Hannah Mole has for twenty years earned her living precariously as a governess or companion to a succession of difficult old women. Now, aged forty, a thin and shabby figure, she returns to Radstowe, the lovely city of her youth. Here she is, if not exactly welcomed, at least employed as housekeeper by the pompous Reverend Robert Corder, whose daughters are sorely in need of guidance. But even the dreariest situation can be transformed into an adventure by the indomitable Miss Mole. Blessed with

imagination, wit and intelligence, she wins the affection of Ethel and her nervous sister Ruth. But her past holds a secret that, if brought to life, would jeopardise everything.

My Brilliant Friend

The story of Elena and Lila begins in the 1950s in a poor but vibrant neighbourhood on the outskirts of Naples. Growing up on these tough streets the two girls learn to rely on each other ahead of anyone or anything else, as their friendship, beautifully and meticulously rendered, becomes a not-always-perfect shelter from hardship. A memorable portrait of two women, *My Brilliant Friend* is also the story of a nation. Through the lives of Elena and Lila, Ferrante gives her readers the story of a city and a country undergoing momentous change.

The Troubling Love

Following her mother's untimely and mysterious death, Delia embarks on a voyage of discovery through the streets of her native Naples searching for the truth about her family. Reality is buried somewhere in the fertile soil of memory, and Delia is determined to find it. This stylish fiction from the author of *The Days of Abandonment* is set in a beguiling but often hostile Naples, whose chaotic, suffocating streets become one of the book's central motifs. A story about mothers and daughters, and the complicated knot of lies and emotions that binds them.

The Lost Daughter

Leda is a middle-aged divorcée devoted to her work as an English teacher and to her two children. When her daughters leave home to be with their father in Canada, Leda anticipates a period of loneliness and longing. Instead, slightly embarrassed by the sensation, she feels liberated, as if her life has become lighter, easier. She decides to take a holiday by the sea, in a small coastal town in southern Italy. But after a few days of calm and quiet, things begin to take a menacing turn. Leda encounters a family whose brash presence proves unsettling, at times even threatening. When a small, seemingly meaningless, event occurs, Leda is overwhelmed by memories of the difficult and unconventional choices she made as a mother and their consequences for herself and her family. The seemingly serene tale of a woman's pleasant rediscovery of herself soon becomes the story of a ferocious confrontation with an unsettled past. Following the extraordinary success of *The Days of Abandonment*, Elena Ferrante's new novel explores the conflicting emotions that tie us to our children. This candid fiction represents her most compelling and perceptive meditation on womanhood and motherhood thus far.

The Ferrante Letters

Like few other works of contemporary literature, Elena Ferrante's Neapolitan novels found an audience of passionate and engaged readers around the world. Inspired by Ferrante's intense depiction of female friendship and women's intellectual lives, four critics embarked upon a project that was both work and play: to create a series of epistolary readings of the Neapolitan Quartet that also develops new ways of reading and thinking together. In a series of intertwined, original, and daring readings of Ferrante's work and her fictional world, Sarah Chihaya, Merve Emre, Katherine Hill, and Juno Jill Richards strike a tone at once critical and personal, achieving a way of talking about literature that falls between the seminar and the book club. Their letters make visible the slow, fractured, and creative accretion of ideas that underwrites all literary criticism and also illuminate the authors' lives outside the academy. *The Ferrante Letters* offers an improvisational, collaborative, and cumulative model for reading and writing

with others, proposing a new method the authors call collective criticism. A book for fans of Ferrante and for literary scholars seeking fresh modes of intellectual exchange, *The Ferrante Letters* offers incisive criticism, insouciant riffs, and the pleasure of giving oneself over to an extended conversation about fiction with friends.

The Mad Women's Ball

'A darkly sumptuous tale of wicked spectacle, wild injustice and the insuppressible strength of women' EMMA STONEX, author of *THE LAMPLIGHTERS* 'An essential story of women resisting the unjust exertion of male power' SUNDAY TIMES _____ The Salpêtrière asylum, 1885. All of Paris is in thrall to Doctor Charcot and his displays of hypnotism on women who have been deemed mad or hysterical, outcasts from society. But the truth is much more complicated - for these women are often simply inconvenient, unwanted wives or strong-willed daughters. Once a year a grand ball is held at the hospital. For the Parisian elite, the Mad Women's Ball is the highlight of the social season; for the women themselves, it is a rare moment of hope. Geneviève is a senior nurse. After the childhood death of her sister, she has shunned religion and placed her faith in Doctor Charcot and his new science. But everything begins to change when she meets Eugénie, the 19-year-old daughter of a bourgeois family. Because Eugénie has a secret, and she needs Geneviève's help. Their fates will collide on the night of the Mad Women's Ball... _____ 'In this darkly delightful Gothic treasure, Mas explores grief, trauma and sisterhood behind the walls of Paris' infamous Salpetriere hospital' PAULA HAWKINS, author of *A SLOW FIRE BURNING* 'A beautifully written debut...I have absolutely no doubt it will be one of my favourite novels of 2021.' Good Morning, Destroyer of Men's Souls

'The disease he has is addiction,' Nina Renata Aron writes of her boyfriend. 'The disease I have is loving him.' Their affair is dramatic, urgent - an intoxicating antidote to the lonely days of early motherhood. But soon, K starts using again. Even as his addiction deepens, she stays, thinking she can save him. It's a familiar pattern, developed in an adolescence marred by family trauma - how can she break it? If she leaves, has she failed? In this unflinching memoir, Aron shows the devastating effect of addiction on loved ones. She also untangles the messy ties between her own history of enabling, society's expectations of womanhood and our ideas of love. She cracks open the feminised phenomenon of co-dependency, tracing its development from the formation of Al-Anon to recent research in the psychology of addiction, and asks uncomfortable questions about when help becomes harm, and when we choose to leave.

The Lying Life of Adults

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - O, The Oprah Magazine - TIME Magazine - NPR - Financial Times - New York Post - Kirkus Reviews - Harper's Bazaar AN INSTANT NEW YORK TIMES BESTSELLER - A NATIONAL INDIE BESTSELLER In this powerful novel set in a divided Naples by Elena Ferrante, the New York Times best-selling author of *My Brilliant Friend*, fourteen-year-old Giovanna is searching for her reflection in two kindred cities that fear and detest one another: Naples of the heights, which wears a mask of refinement, and Naples of the depths, a place of excess and vulgarity, where her guide is the unforgettable Aunt Vittoria. With this new novel about the passage from childhood to adolescence to adulthood, Ferrante gives her readers another gripping, highly addictive, Neapolitan story. "Another spellbinding coming-of-age tale from a master."--People Magazine

Incidental Inventions

18M copies of Elena Ferrante's books sold worldwide "This is my last column, after a year that has scared and inspired me." With these words, Elena Ferrante, the bestselling author of *My Brilliant Friend*, bid farewell to her year-long collaboration with the Guardian. For a full year she penned short pieces, the subjects of which were suggested by editors at the Guardian, turning the writing process into a kind of prolonged interlocution; the subjects ranged from first love to climate change, from enmity among

women to the adaptation of her novels to film and TV. As she said in her final column: "I have written as an author of novels, taking on matters that are important to me and that—if I have the will and the time—I'd like to develop within real narrative mechanisms." Here, then, are the seeds of possible future novels, the ruminations of an internationally beloved author, and the abiding preoccupations of a writer who has been called "one of the great novelists of our time" (The New York Times). Gathered together for the first time and accompanied by an entirely new introduction written by Elena Ferrante and by Andrea Ucini's intelligent, witty, and beautiful illustrations, this is a must for all Ferrante fans.

Reading the World

'A brilliant, unlikely book' Spectator How can we celebrate, challenge and change our remarkable world? In 2012, the world arrived in London for the Olympics...and Ann Morgan went out to meet it. She read her way around all the globe's 196 independent countries (plus one extra), sampling one book from every nation. It wasn't easy. Many languages have next to nothing translated into English; there are tiny, tucked-away places where very little is written down; some governments don't like to let works of art escape their borders. Using Morgan's own quest as a starting point, Reading the World explores the vital questions of our time and how reading across borders might just help us answer them. 'Revelatory... While Morgan's research has a daunting range...there is a simple message: reading is a social activity, and we ought to share books across boundaries' Financial Times

The Days of Abandonment

Rarely have the foundations upon which our ideas of motherhood and womanhood rest been so candidly questioned. This compelling novel tells the story of one woman's headlong descent into what she calls an 'absence of sense' after being abandoned by her husband. Olga's Days of abandonment become a desperate, dangerous freefall into the darkest places of the soul as she roams the empty streets of a city that she has never learned to love. When she finds herself trapped inside the four walls of her apartment in the middle of a summer heat wave, Olga is forced to confront her ghosts, the potential loss of her own identity, and the possibility that life may never return to normal again.

The Story of a New Name

In 2012, Elena Ferrante's My Brilliant Friend introduced readers to the unforgettable Elena and Lila, whose lifelong friendship provides the backbone for the Neapolitan Novels. The Story of a New Name is the second book in this series. With these books, which the New Yorker's James Wood described as "large, captivating, amiably peopled...a beautiful and delicate tale of confluence and reversal," Ferrante proves herself to be one of Italy's most accomplished storytellers. She writes vividly about a specific neighborhood of Naples from the late-1950s through to the current day and about two remarkable young women who are very much the products of that place and time. Yet in doing so she has created a world in which readers will recognize themselves and has drawn a marvelously nuanced portrait of friendship. In The Story of a New Name, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Love, jealousy, family, freedom, commitment, and above all friendship: these are signs under which both women live out this phase in their stories. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and is a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, the acclaimed author of The Days of Abandonment, gives readers a poignant and universal story about friendship and belonging.

In the Margins

Reflections on reading and writing from the author of My Brilliant Friend.

Bee and the Orange Tree

It's 1699, and the salons of Paris are bursting with the creative energy of fierce, independent-minded women. But outside those doors, the patriarchal forces of Louis XIV and the Catholic Church are moving to curb their freedoms. In this battle for equality, Baroness Marie Catherine D'Aulnoy invents a powerful weapon: 'fairy tales'. When Marie Catherine's daughter, Angelina, arrives in Paris for the first time, she is swept up in the glamour and sensuality of the city, where a woman may live outside the confines of the church or marriage. But this is a fragile freedom, as she discovers when Marie Catherine's close friend Nicola Tiquet is arrested, accused of conspiring to murder her abusive husband. In the race to rescue Nicola, illusions will be shattered and dark secrets revealed as all three women learn how far they will go to preserve their liberty in a society determined to control them. This keenly-awaited second book from Melissa Ashley, author of *The Birdman's Wife*, restores another remarkable, little-known woman to her rightful place in history, revealing the dissent hidden beneath the whimsical surfaces of Marie Catherine's fairy tales. *The Bee and the Orange Tree* is a beautifully lyrical and deeply absorbing portrait of a time, a place, and the subversive power of the imagination.

The Story of the Lost Child

"Nothing quite like this has ever been published before," proclaimed The Guardian newspaper about the Neapolitan Novels in 2014. The first book in the series, *My Brilliant Friend*, was a New York Times bestseller. *Those Who Leave and Those Who Stay* was a Times bestseller and Notable Book of the Year, and was named a best book of 2014 twenty-five times including in The Times Literary Supplement, The Guardian, The San Francisco Chronicle, The New Statesman, Slate, The Daily Beast, The Wall Street Journal, Vogue, and the Boston Globe. This fourth and final installment in the series gives validation to the New York Times Book Review's opinion of its author, Elena Ferrante, as "one of the great novelists of our time." Here is the dazzling saga of two women, the brilliant, bookish Elena and

the fiery, uncontrollable Lila. Both are now adults; life's great discoveries have been made, its vagaries and losses have been suffered. Through it all, the women's friendship has remained the gravitational center of their lives. Both women once fought to escape the neighborhood in which they grew up—a prison of conformity, violence, and inviolable taboos. Elena married, moved to Florence, started a family, and published several well-received books. In this final book, she has returned to Naples. Lila, on the other hand, never succeeded in freeing herself from the city of her birth. She has become a successful entrepreneur, but her success draws her into closer proximity with the nepotism, chauvinism, and criminal violence that infect her neighborhood. Proximity to the world she has always rejected only brings her role as its unacknowledged leader into relief. For Lila is unstoppable, unmanageable, unforgettable! Against the backdrop of a Naples that is as seductive as it is perilous and a world undergoing epochal change, the story of a lifelong friendship is told with unmatched honesty and brilliance. The four volumes in this series constitute a long remarkable story that readers will return to again and again, and every return will bring with it new revelations.

The Neapolitan Novels by Elena Ferrante Boxed Set

Elena Ferrante--named one of the 100 most influential people in 2016 by Time magazine--is best known for her Neapolitan novels, which explore such themes as the complexity of female friendship; the joys and constraints of motherhood; the impact of changing gender roles; the pervasiveness of male violence; the struggle for upward mobility; and the impact of the feminist movement. Ferrante's three novellas encompass similar themes, focusing on moments of extreme tension in women's lives. This study analyzes the integration of political themes and feminist theory in Ferrante's works, including men's entrapment in a sexist script written for them from time immemorial. Her decision to write under a pseudonym is examined, along with speculation that Rome-based translator Anita Raja and her husband Domenico Starnone are coauthors of Ferrante's books.

In Search of Elena Ferrante

A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this "faultlessly elegant and quietly menacing" allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of *Cleanliness*). An unnamed American couple travels to a strange, snowy European city to adopt a baby. It's a difficult journey that leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her illness will prevent the orphanage from releasing their child. On arrival, the couple checks into the cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the lobby populated with an enigmatic cast of characters ranging from an ancient, flamboyant chanteuse to a debauched businessman to an enigmatic faith healer. Nothing is as it seems in this baffling, frozen world, and the more the couple struggles to claim their baby, the less they seem to know about their marriage, themselves, and life itself. For readers of Ian McEwan, Elizabeth Strout, and Iris Murdoch, *What Happens at Night* is a "masterpiece" (Edmund White) poised on the cusp of reality, told by "an elegantly acute and mysteriously beguiling writer" (Richard Eder, *The Boston Globe*).

What Happens at Night

Without warning or a word of explanation, an unnamed 13-year-old girl is sent away from the family she has always thought of as hers to live with her birth family: a large, chaotic assortment of individuals whom she has never met and who seem anything but welcoming. Thus begins a new life, one of struggle, conflict, especially between the young girl and her mother, and deprivation. But in her relationship with Adriana and Vincenzo, two of her newly acquired siblings, she will find the strength to start again and to build a new and enduring sense of self. Told with an immediacy and a rare expressive intensity that has earned it countless adoring readers and one of Italy's most prestigious literary prizes,

A Girl Returned is a powerful novel rendered with sensitivity and verve by Ann Goldstein, translator of the works of Elena Ferrante. Set against the stark, beautiful landscape of Abruzzo in central Italy, this is a compelling story about mothers and daughters, about responsibility, siblings, and caregiving, pitch-perfect in Ann Goldstein's English translation.

In all their beauty, their ugliness, their devotion and deceit, these girls enchant and repulse, like life, like our very selves.' *Sydney Morning Herald* 'Ferrante writes so beautifully that you can't help but become engrossed with the lives, loves and loss of Lila and Elena...will leave readers salivating for the third instalment.' *Courier Mail* '[Elena Ferrante's] brilliance isn't limited to her mechanics, her finesse or her creativity as a writer, but it's her willingness to continually address the psychological machinations of women who have very unfeminine feelings.' *Three Percent* 'The Neapolitan novels are smart, thoughtful, serious literature. Ties

Secretaries are the hidden technicians of much literary (and non-literary) writing; they also figure startlingly often as characters in modern literature, film, and even literary criticism. *Literary Secretaries/Secretarial Culture* brings together secretaries' role in the production (and, more surprisingly, consumption) of modern culture with interpretations of their function in literature and film from Chaucer to Heidegger, by way of Dickens, Dracula, and Erle Stanley Gardner. These essays probe the relation of office practice to literary theory, asking what changes when literary texts represent, address, or acknowledge the human copyist or the mechanical writing machine. Topics range from copyright law to voice recognition software, from New Women to haunted typewriters and from the history of technology to the future of information management. Together, the essays will provide literary critics with a new angle on current debates about gender, labour, and the material text, as well as a window into the prehistory of our information age.

Literary Secretaries/Secretarial Culture

A young secular writer's journey along ancient religious pilgrimage routes in Spain, Japan and the Ukraine leads to a surprise family reconciliation in this literary memoir. Gideon Lewis-Kraus arrived in free-spirited Berlin from San Francisco as a young writer in search of a place to enjoy life to the fullest, and to forget the pain his father, a gay rabbi, had caused his family when he came out in middle age and emotionally abandoned his sons. But Berlin offers only unfocused dissipation, frustration and anxiety; to find what he is looking for (though he's not quite sure what it is), Gideon undertakes three separate ancient pilgrimages, travelling hundreds of miles: the thousand-year old Camino de Santiago in Spain with a friend, a solo circuit of eighty-eight Buddhist temples on the Japanese island of Shikoku, and finally, with his father and brother, a migration to the tomb of a famous Hassidic mystic in the Ukraine. It is on this last pilgrimage that Gideon reconnects with his father, and discovers that the most difficult and meaningful quest of all was the journey of his heart. A beautifully written, thought-provoking, and very moving meditation on what gives our lives a sense of purpose, and how we travel between past and present in search of hope for our future. Gideon Lewis-Kraus has written for numerous US publications, including Harper's, The Believer, The New York Times Book Review, Los Angeles Times Book Review, Slate, and others. A 2007-08 Fulbright scholarship brought him to Berlin, a hotbed of contemporary restlessness where he conceived this book. He now lives in New York, but continues to find himself frequently on the road to other places. "Beautiful, often very funny... a story that is both searching and purposeful, one that forces the reader, like the pilgrim, to value the journey as much as the destination." New Yorker "Gideon Lewis-Kraus has written a very honest, very smart, very moving book about being young and rootless and even wayward. With great compassion and zeal he gets at the question: why search the world to solve the riddle of your own heart?" Dave Eggers "If David Foster Wallace had written *Eat, Pray, Love* it might have come close to approximating the adventures of Gideon Lewis-Kraus" Gary Shteyngart
