Born to Wander

Born in 1926, Ben Sharman grew up without a father in a working class family in the village of Burgh St. Peter, England. Despite having only an Elementary School education and going to work full time as a farm laborer at the age of fourteen, he went on to have a lengthy international career that included stints as an R.A.F. Radio Operator, Labor Representative, Peace Corp Volunteer, High School and Graduate School Teacher, Agricultural Co-Operative Innovator, U.N. Agency Official and many other roles. This, his first volume of a planned two volume memoir, is remarkable for its easy reading, front row seat to English, American and the rest of the World history during WWII and the early Cold War. With humor and matter of fact charm, Ben relays his dramatic good fortune spanning many life events.

Born To Wander Volume I

Why are we so restless? All of us have a little wanderlust—a desire for that next thing, that new place, but this competes with our longings for security, control, and safety. We don't like how it feels to be unsettled and uprooted. Whether we're navigating a season of transition, dealing with the fallout of broken relationships, or wrestling with a deep sense of restlessness, we are all experiencing some form of exile. And most of us do whatever we can to numb the feelings of unbelonging, powerlessness, and unsettledness that come with it. But the truth is that exile has a profound purpose if we can just learn to lean in. Over and over again Scripture tells us that the people of God are exiles and wanderers. And this is good news because exile is what transforms us into pilgrims. In Christ, we are no longer directionless wanderers, but pilgrim followers who have a clear purpose and a secure identity. In *Born to Wander*, Michelle Van Loon weaves together personal stories and keen insights on the biblical themes of pilgrimage and exile. She will help you embrace your own pilgrim identity and reorient your heart toward the God who leads you home. Engaging and thoughtful, enhanced with practical suggestions, prayers, and questions, *Born to Wander* will teach how to trust God even when you don't understand what's happening around you and follow Him even when it hurts. If you keep chasing security, you'll never find it. Embrace the purpose behind the wandering and discover the freedom and safety of resting in God alone. "Every one of us carries a restlessness that runs as deep as the marrow of our born-again bones. Our relationships shift like tectonic plates. We change jobs. We switch churches. And our culture tells us the cure for our restlessness is to buy a new mattress, a new car, or a new tube of toothpaste."

In 1948 a sixteen-year-old boy and girl meet briefly, but fatally, on a beach. The boy is so stricken by the girl that he writes her, begging her to answer. What harm can come from writing letters?" he asks. The girl replies. *SUMMERS* is the story of this boy and girl, based entirely on their letters, which span the years 1948 to 1961. My mother, Marion Louise Kirch, was born June 27, 1922. This book is the story of her life and her search for a "forever home". It spans growing up in the 20's to living as a Navy wife, to the turbulent 60's, to finding peace in the "North Country" of upstate New York. She followed her husband and his career for many years, and left an extensive collection of diaries, pictures and letters, which I have used to fill in the gaps she left in her story. Her story resonates with anyone who has ever struggled to find love and their place in this world.

Born To Roam

You meant more than life to me. I lived through you not knowing, not knowing I was living. I learned that you called for me. I came to where you were living, up a stair. There was no one there. No one to appreciate me. The legality of it upset a chair. Many times to celebrate we were called together and where we had been there was nothing there, nothing that is anywhere. We passed obliquely, leaving no stare. When the sun was done muttering, in an optimistic way, it was time to leave that there. -- from "The New Higher"

Wander began as an exploration of the human condition. A voyeuristic view into the lives of those around us and more importantly deep into ourselves. Wander is a state of mind. A place we get to as we explore ourselves and the world around us. This collection of short stories is centered around loss. Loss is a theme I have been exploring over the last ten years as I have sifted through the pain of grief. Loss is a strange journey, each day different than the last. These stories reflect not only the weight of loss but the questioning that comes from trying to understand that which can not be explained.

A place we get to as we explore ourselves and the world around us. This collection of short stories is centered around love, relationships and heartbreak. Each story holds a window into another world and a mirror into ourselves. Love is a strange thing. The way it always shifts and changes. Leaving one guessing where they will go, and with whom they will be. Our relationships fuel us and they break us. Our human nature is so strong. In spite of the best scenarios, we find ourselves seeking, questioning and doubting. It is with love or the idea of love that we journey through place and time and seek to answer the questions hidden deep within.

As We Sweep Through the Deep

"A modern parable." —from the foreword by Grace Slick "Jorma Kaukonen is a force in American music, equally adept at fingerpicked acoustic folk and blues as he is at wailing on an electric." – Acoustic Guitar "Jorma Kaukonen lit a fuse and transformed his electric guitar into a firework." – Live For Live Music Includes a CD of live music as a companion to the book! From the man who made a name for himself as a founding member and lead guitarist of Jefferson Airplane comes a memoir that offers a rare glimpse into the heart and soul of a musical genius—and a vivid journey through the psychedelic era in America. "Music is the reward for being alive," writes Jorma Kaukonen in this candid and emotional account of his life and work. "It stirs memory in a singular way that is unmatched." In a career that has already spanned a half century—one that has earned him induction into the Rock & Roll Hall of Fame and a Grammy Lifetime Achievement Award, among other honors—Jorma is best known for his legendary bands Jefferson Airplane and the still-touring Hot Tuna. But before he won worldwide recognition he was just a young man with a passion and a dream. *Been So Long* is the story of how Jorma found his place in the world of music and beyond. The grandson of Finnish and Russian-Jewish immigrants whose formative years were spent abroad with his American-born diplomat father, Jorma channeled his life experiences—from his coming-of-age in Pakistan and the Philippines to his early gigs with Jack Casady in D.C. to his jam sessions in San Francisco with Jerry Garcia, Janis Joplin, Bob Dylan, and other contemporaries—into his art in unique and revelatory ways. *Been So Long* charts not only Jorma's association with the bands that made him famous but goes into never-before-told details about his addiction and recovery, his troubled first marriage and still-thriving second, and more. Interspersed with diary entries, personal correspondence, and song lyrics, this memoir is as unforgettable and inspiring as Jorma's music itself.

Our Home in the Silver West

In *I Wonder as I Wander*, Langston Hughes vividly recalls the most dramatic and intimate moments of his life in the turbulent 1930s. His wanderlust leads him to Cuba, Haiti, Russia, Soviet Central Asia, Japan, Spain (during its Civil War), through dictatorships, wars, revolutions. He meets and brings to life the famous and the humble, from Arthur Koestler to Emma, the Black Mammy of Moscow. It is the continuously amusing, wise revelation of an American writer journeying around the often strange and always exciting world he loves.

On to the Rescue

Vaclav Stastny, alias Lucky Jim was born on February 3, 1949 in Holisov by Plzen, Czech Republic. However, his memories from home are connected mainly with Smichov district in Prague where he spent his childhood and which was the base for his teenage trips to the countryside with his mother, step-father and brother Peter. His mother was the main influence in the creation of his view of life. The family made weekend countryside trips, mainly to Castobor by Slapy. Here Jim spun his boyhood dreams with his friends, not knowing the circumstances under which his dreams would come true. He was 19 years old when in 1968 his country, then Czechoslovakia, was occupied by the allied troops under the Soviet leadership and Jim's life, together with many others, was trampled by the iron boot. Fourteen days was enough for Jim to understand that there was something rotten in this state, and on September 5, 1968 he left his homeland to start a new life in the Free World. He slipped out

undercover through Hungary, Romania, and Yugoslavia and finally to Austria, from where on October 24, 1969 he immigrated to Canada, landing in Toronto. A new life begins here, a Czech emigrant's life of "Canadian Wandering". And now let the author speak...
