The Secret Life of Marilyn Monroe

From New York Times bestselling author J. Randy Taraborrelli comes the definitive biography of the most enduring icon in popular American culture. When Marilyn Monroe became famous in the 1950s, the world was told that her mother was either dead or simply not a part of her life. However, that was not true. In fact, her mentally ill mother was very much present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a story that has never before been told...until now. In this groundbreaking book, Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life, including her mother, her foster mother, and her legal guardian. He also reveals, for the first time, the shocking scope of Marilyn's own mental illness, the identity of Marilyn's father and the half-brother she never knew, and new information about her relationship with the Kennedy's-Bobby, Jack, and Pat Kennedy Lawford. Explosive, revelatory, and surprisingly moving, this is the final word on the life of one of the most fascinating and elusive icons of the 20th Century.

Summary of J. Randy Taraborrelli's *The Secret Life of Marilyn Monroe*

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Ida Bolender was a foster mother who looked like a schoolmarm. She was very efficient and diligent, but she didn't have time for superficialities. She had opened her home to underprivileged children in the 1920s, and she wanted a better life. #2 In 1918, Ida married Albert Wayne, and the couple moved to California. They had no plans other than to work hard and pray hard, and they lived what they believed was a decent life based on scripture. #3 Della Monroe, 49, was not a wealthy woman in 1925, but she still had a craving for extravagance. She would hunt down bargains wherever she could, even in places where she didn't feel welcome. She had been a spectacularly attractive woman in her prime, but time had not been kind to her. #4 Della was a free spirit who enjoyed what would have been considered a loose morality in the early 1900s. She had always been a clothes buyer for Ida Bolender, who made a decent amount of money from the church. Della was going to leave in December 1925 to join her husband in India.

My Story

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the *Yankee Clipper*, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

Jackie, Janet & Lee

THE INSTANT NEW YORK TIMES BESTSELLER A dazzling biography of three of the most glamorous women of the 20th Century: Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill. "Do you know what the secret to happily-ever-after is?" Janet Bouvier Auchincloss would ask her daughters Jackie and Lee during their tea time. "Money and Power," she would say. It was a lesson neither would ever forget. They followed in their mother's footsteps after her marriages to the philandering socialite "Black Jack" Bouvier and the fabulously rich Standard Oil heir Hugh D. Auchincloss. Jacqueline Bouvier would marry John F. Kennedy and the story of their marriage is legendary, as is the story of her second marriage to Greek shipping magnate Aristotle Onassis. Less well known is the story of her love affair with a world renowned architect and a British peer. Her sister, Lee, had liaisons with one and possibly both of Jackie's husbands, in addition to her own three marriages—to an illegitimate royal, a Polish prince and a Hollywood director. If the Bouvier women personified beauty, style and fashion, it was their lust for money and status that drove them to seek out powerful men, no matter what the cost to themselves or to those they stepped on in their ruthless climb to the top. Based on hundreds of new interviews with friends and family of the Bouviers, among them their own half-brother, as well as letters and journals, J. Randy Taraborrelli's book paints an extraordinary psychological portrait of two famous sisters and their ferociously ambitious mother.

Goddess

She was born Norma Jeane but the world knew and loved her as Marilyn. Her life was one of unprecedented fame and private misery, her death a tragedy surrounded by mysteries. Drawing on first-hand interviews Anthony Summers offers both a classic biography and a shockingly revealing account of the screen goddess's relations with John and Robert Kennedy. 'The definitive story of the

legend ... more convincing at every page - told with all the coldness of truth and the authority of the historian, but at the end of it we still love Marilyn' Maeve Binchy, Irish Times

Beyoncé's first solo album, *Dangerously in Love*, went straight to number one and she has to date released a total of five albums which have sold 75 million copies. Beyoncé prefers to keep her personal life with husband Jay Z and their children carefully under lock and key. The reality of the Sinatra story is all here - rife with sex, danger, inspiration and show-business politics. The author provides astonishing details of Sinatra's many tempestuous romances, including those with Ava Gardner, Mia Farrow, Juliet Prowse and Marilyn Monroe. The reader will learn about his romantic, platonic, and at times even volatile relationship with Elizabeth Taylor; the sad and touching story of Sinatra's relationship with Nancy Reagan; the long-term feud between Frank and his daughter Nancy and how his loss of memory in his final years affected his performance. Drawing on hundreds of interviews with Sinatra's closest friends and associates, and on scores of legal documents, the author explains Frank Sinatra's often tortured but always rewarding life and career in a balanced, informed and honest manner.

The Kennedy Heirs

From New York Times bestselling author J. Randy Taraborrelli comes *The Kennedy Heirs*, his most revealing Kennedy book yet. A unique burden was inherited by the children of President John Fitzgerald Kennedy and his celebrated siblings, Senators Robert and Ted Kennedy. Raised in a world of enormous privilege against the backdrop of American history, this third generation of Kennedys often veered between towering accomplishment and devastating defeat. In his revelatory new book, acclaimed Kennedy historian J. Randy Taraborrelli draws back the curtain on the next generation of America's most famous family. John Kennedy, Jr.'s life in the public eye is explored, following the Kennedy scion as he faced the challenges posed by marrying his great love, Carolyn Bessette. Riveting new details are shared about the couple's tragic demise—and why Ethel Kennedy advised Carolyn not to take the trip that would ultimately end her life. John's sister, Caroline Kennedy, had her own complicated relationships, including a marriage to Ed Schlossberg that surprised her mother, Jacqueline Kennedy Onassis, and an unexpected bond with her mother-in-law, Mae Schlossberg. Additional stories, many shared here for the first time, illuminate the rest of the Kennedy dynasty: Kara Kennedy, Ted's daughter, and her valiant battle against lung cancer; how Ted's wife, Vicki, introduced a new era of feminism to the Kennedy family; the lifelong struggles with addiction faced by Bobby Kennedy Jr. and Patrick Kennedy; the unexpected way pop star Taylor Swift helped Conor Kennedy heal after the death of his mother, Bobby's wife Mary; and Congressman Joe Kennedy III's rise to prominence. At the center of it all is the family's indomitable matriarch, Ethel Kennedy—a formidable presence with her maddening eccentricities and inspiring courage. Based on hundreds of exclusive first-hand interviews and cultivated over twenty years of research—including numerous Oral Histories from the JFK Library and the Edward M. Kennedy Institute—*The Kennedy Heirs* is an epic drama of ambition, scandal, pride and power.

Call Her Miss Ross

She was Motown's brightest star, the one with guts enough and ambition enough to make her dreams come true, no matter where they took her. Rules that apply to others have never applied to Diana

Ross. She won't let them. CALL HER MISS ROSS goes behind the footlights and stage facade, behind the broad smile and beautiful voice, for an exclusive look at the real Diana. J. Randy Taraborrelli has interviewed over 400 people and uncovered stories that have never been told before. The ultimate control maven, she became the star of The Supremes without giving Mary Wilson and Florence Ballard a second thought, but also gave them both money when they ended up broke; self-centered, she dated newlywed Smokey Robinson on the sly in order to get more work at Motown; fiercely devoted mother of five, she gives her children anything they desire; impossible employer, she insists that everyone call her "Miss Ross"; insecure star, she demands complete control over every record, every movie, and every performance, no matter what the result. Her triumphs and tragedies, her virtues and vices, her lovers and enemies -- here's Miss Diana Ross as she's never been seen before. "Enjoyable . . . [A] marathon bitchfest." -- The Village Voice

Dear Red

It is 1962 and America's greatest sex symbol is ahead of her time. Within the pages of a secret diary she names Red, Marilyn Monroe scribbles her hopes, dreams, and fears, inspired by her aspiration to one day motivate a young person to become something bigger than they ever imagined. Marilyn begins on January 1 by divulging she has officially given up eating mammals. As she pens her feelings and experiences for the next seven months, the thirty-six-year-old actress shares impressions of dogs and bike rides, memories of married life with DiMaggio and Miller, and reveries of a future with Dreamboat. As she attempts to distinguish friends from enemies while preparing for her last film, Marilyn details her rehearsals for the Happy Birthday performance for JFK's Madison Square Garden celebration, worries about her mother's health, and battles for a million-dollar deal with Twentieth Century Fox. But as Marilyn makes plans to free herself from those she cannot trust, she never imagines what will happen next. Dear Red shares the fictionalized diary of the brilliantly funny and hardworking artist, Marilyn Monroe, as she lives again, if only to reveal an emotional truth about her death.

Elizabeth

Elizabeth Taylor is known internationally as one of the most beautiful and talented women ever to grace the silver screen. She has won two Academy Awards and starred in over sixty films. She is just as well known for her tempestuous personal life, marrying eight times and suffering through innumerable health problems. A cultural icon, she has been written about before . . . but never like this. This moving book traces for the first time Elizabeth's journey through the dark and often lonely world of a fame unparalleled in the 1960s and 1970s, a time during which alcohol and drugs played a major part in her life. It would be with her fifth (and sixth) husband Richard Burton (with whom she made twelve movies, including Cleopatra) that she would learn life lessons about love and loyalty that would inform the rest of her life and, finally, be the catalyst for her recovery from alcoholism in the 1980s. This book also details her philanthropic work as an AIDS activist in the 1990s as well as her stunning success as a business woman today (with a multi-million-dollar fragrance). Based on years of research, this is not just a star's biography . . . it's an unforgettable woman's story.

After Camelot

In this ambitious and sweeping account, Taraborrelli continues the family chronicle begun with his bestselling Jackie, Ethel, Joan and provides a behind-the-scenes look at the years "after Camelot." For more than half a century, Americans have been captivated by the Kennedys - their joy and heartbreak, tragedy and triumph, the dark side and the remarkable achievements. He describes the challenges Bobby's children faced as they grew into adulthood; Eunice and Sargent Shriver's remarkable philanthropic work; the emotional turmoil Jackie faced after JFK's murder and the complexities of her eventual marriage to Aristotle Onassis; the sudden death of JFK Jr.; and the stoicism and grace of his sister Caroline. He also brings into clear focus the complex and intriguing story of Edward "Teddy" and shows how he influenced the sensibilities of the next generation and challenged them to uphold the Kennedy name. Based on extensive research, including hundreds of exclusive interviews, After Camelot captures the wealth, glamour, and fortitude for which the Kennedys are so well known. With this book, J. Randy Taraborrelli takes readers on an epic journey as he unfolds the ongoing saga of the nation's most famous-and controversial-family.

Jackie, Ethel, Joan

New York Times bestselling biographer J. Randy Taraborrelli provides an intimate and in depth look into the lives of the Kennedy wives, Jackie, Ethel, and Joan. Over the years there have been many books published about the Kennedy family, individually and collectively. But only this book provides a powerful and detailed look at the complex relationships shared between the three women who were not born Kennedy but who married into the family: Jackie Bouvier, Ethel Skakel, and Joan Bennett. For each of the Kennedy wives, the Camelot years provided an entirely different experience of life lessons. These were the years when Jackie's dreams became reality, but at a hefty price. For Ethel, these were years of frustration where her dreams of being First Lady were dashed and she sank into a deep depression. For Joan, her years as a Kennedy wife were the most confusing of her life, and she is now a recovering alcoholic. This fascinating story is set against a panorama of explosive American history, as the women cope with Jack's and Bobby's alleged affairs with Marilyn Monroe, their tragic assassinations, and other tragedies and scandals. Whether dealing with their husbands' blatant infidelities, stumping for their many political campaigns, touring the world to promote their family's legacy or raising their children, the Kennedy wives did it all with grace, style, and dignity. In the end, Jackie, Ethel, Joan is a story of redemption and great courage.

The Murder of Marilyn Monroe

A New York Times Best Seller! Since Marilyn Monroe died among suspicious circumstances on the night of August 4, 1962, there have been queries and theories, allegations and investigations, but no definitive evidence about precisely what happened and who was involved . . . until now. In *The Murder of Marilyn Monroe: Case Closed*, renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming, for the first time, the screen goddess's killer while utilizing the testimony of eye-witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles' Brentwood neighborhood. Implicating Bobby Kennedy in the commission of Marilyn's murder, this is the first book to name the LAPD officers who accompanied the US Attorney General to her home, provide details about how the Kennedys used bribes to silence one of the ambulance drivers, and specify how the subsequent cover-up was aided by a noted pathologist's outrageous lies. This blockbuster volume blows the lid off the world's most notorious and talked-about celebrity death, and in the process exposes not only the truth about an iconic star's tragic final hours, but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. The Final Years of Marilyn Monroe

This “extraordinary” account of the superstar’s tragic death, and what led up to it, is “a relentless and detailed quest for the truth” (Lancashire Post). In his illuminating, fascinating book, Keith Badman finally uncovers the truth about the iconic actress’s last years. It was a tough time—one in which Marilyn Monroe’s increasingly erratic behavior and dependence on alcohol and medication plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely how Monroe died at just thirty-six years of age, and shines a light on the suspicious delays on the night of her overdose—delays that indicate a cover-up. He discovers new details about her rekindled relationship with Joe DiMaggio, and the horrendous weekend she spent at Frank Sinatra’s Cal-Neva lodge, as well as why Fox refused to let her finish her final movie, *Something’s Got to Give*, and her distress at being imprisoned at the Payne Whitney psychiatric hospital. Drawing on private, previously unpublished itineraries and original eyewitness accounts, Badman sheds new light on Marilyn’s involvement with John and Bobby Kennedy, and ends a six-decade-old mystery by telling the precise date of her first encounter with the president. *The Final Years of Marilyn Monroe* features a deluge of stories of which even die-hard fans will be unaware. “[A] nearly day-by-day account of her life from June 1961 to her death in August 1962.” —Kirkus Reviews Includes photos

Fragments

Fragments is an event—an unforgettable book that will redefine one of the greatest icons of the twentieth century and that, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity. Marilyn's image is so universal that we can't help but believe we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety—and by the way the camera fell helplessly in love with her. Beyond the headlines—and the too-familiar stories of heartbreak and desolation—was a woman far more curious, searching, witty, and hopeful than the one the world got to know. Now, for the first time, readers can meet the private Marilyn and understand her in a way we never have before. *Fragments* is an unprecedented collection of written artifacts—notes to herself, letters, even poems—in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. Jotted in notebooks, typed on paper, or written on hotel letterhead, these texts reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny, and impossibly charming. The easy grace and deceptive lightness that made her performances indelible emerge on the page, as does the simmering tragedy that made her last appearances so affecting.

Marilyn: Her Life In Her Own Words

"You Are The First One I'm Telling This To. I'll Tell You All. . ." No one looked like her. No one walked like her. No one talked like her. Sexy yet vulnerable, and unexpectedly talented, she was no ordinary screen goddess. Few really knew her. What others wrote, she called "Lies! Lies! Lies!" Here, at last, is Marilyn Monroe's account, in her own singular voice. It was June 1, 1962, her thirty-sixth birthday. Famed photographer and reporter George Barris had come to see Marilyn on the set of what would be her final, unfinished, film. They had met eight years earlier, became friends, and planned to do a picture book and autobiography. Now the time was right. For the next six weeks Barris photographed and interviewed the actress. "Don't believe anything you read about me except this. . ." she told Barris. And so she began to confide the truth about herself. Barris last talked to Marilyn on August 3, less than twenty-four hours before she was found dead in her apartment. At their last meeting, she was effervescent and eager to embrace life. "I feel I'm just getting started," she said. Barris firmly believes that murder, not suicide, caused Marilyn's untimely end and he could not bring himself to publish her thoughts or the haunting photos of that summer--until now. Marilyn: Her Life In Her Own Words is a candid memoir enhanced by 150 black-and-white and color photos, many never before published. A highlight is "The Last Photo Shoot" where Marilyn appears luminous without makeup on the beach at Santa Monica and in a North Hollywood house. This moving book brings Marilyn Monroe back--beautiful, flirtatious, and sweet as a first kiss--for one rare and radiant farewell. George Barris has worked as a photojournalist for many of the country's major magazines, from Life to Cosmopolitan.
