Magnetic Sponsoring is unlike anything you've ever seen or read before when it comes to building a network marketing or MLM business. This is NOT a book for people who want to follow the herd, or get average results handing out samples, holding home parties, or buying leads. It is for the few who want to become leaders in this industry. Who want to walk across the stage, and who want to earn 7-figures. It is for those who would rather be the hunted than the hunter. Who prefer to work smarter, instead of harder. Who want to build a life-long business, instead of an opportunity, and for those who value truth over hype. If you're tired of chasing your friends and family members, posting fliers on phone poles, cold calling leads, and handing out business cards, then Magnetic Sponsoring is exactly what you've been looking for. In this book, I will teach you... - How to get an endless number of prospects to call you, with credit card in hand ready to buy your product, or join your business. - How to create a life-long business with zero competition. - How to make income whether your prospects join your business or not. - How to legitimately produce endless leads for free. - How to create automated marketing systems that sell and recruit for you. - How to sponsor top industry leaders instead of tire-kickers. - How to become an Alpha man or woman that people respect and follow. - How I used these strategies to make over \$50 million online, and become the #1 residual income earner in my opportunity. The Revised and Expanded Edition includes a new forward by Tim Erway, access to BONUS chapters and action guide PDFs, a private online community, an attraction marketing success interview series, and a BRAND NEW interview with me, which will help you apply these powerful marketing strategies in your business as fast as possible. Thank you for your leadership.

THESE SIX DAILY PRACTICES WILL FUEL YOUR EFFORTS TO CREATE POSITIVE CHANGE IN YOUR LIFE AND CAREER The Miracle Morning for Salespeople brings you these Life S.A.V.E.R.S. as a guide for taking your sales to the next level. Get beyond the typical sales advice and get into a daily rhythm that will transform your career. Ryan Snow is a sales leader with 15 years of experience as a salesperson, teacher, trainer and business coach. He's on a mission is to help people achieve extraordinary results in life and in sales through personal and professional development. He has personally trained hundreds of sales professionals and spoken to thousands about techniques and practices to grow their businesses. It all starts with a Miracle Morning. GET ALL THE SKILLS AND INSPIRATION YOU NEED TO HIT SALES GOALS AT A WHOLE NEW LEVEL The Life S.A.V.E.R.S.-the principles, and the skills you'll find in this book-will help you to be present in every moment, to own your career and experience, and to get the most out of your life. You'll also- -Learn why mornings matter more than you think -Learn how to master your own self-leadership and personal growth -Learn how to manage your energy-physical, mental, and emotional -Learn how to apply your new skills to accelerate your career The Miracle Morning for Salespeople is your key to building a sales career that will influence and improve the rest of your life. TAKE THE NEXT STEP: CLICK 'BUY NOW' AT THE TOP OF THIS PAGE! And get an early start that will really make a difference! Most salespeople use these techniques daily, yet the majority still fail to achieve the results they want. So, what is the difference between -average- performers and the top 1% in your company or industry? Which strategies, mindsets, rituals, practices and systems do the top 1% maintain daily that got them to the top and continues to keep them there? The more you study the world's top salespeople, in any industry, the more you realize that their success is a result of who they are more than merely what they do. Thus, logic would have it that if you want to take your SALES to the next level, you must first figure out how to take your SELF to the next level (because it only happens in that order). That's exactly what this book will help you do, and faster than you ever realized is possible.

The Miracle Morning for Salespeople

All real estate agents share one thing in common: we're all striving to get to the NEXT LEVEL of personal and professional success. We want to take our lives, our businesses, and ourselves to the next level. What if you could get there, faster than you ever thought possible, by simply changing how you start your day? Five years after this sleeper hit took on the world of IT and flipped it on its head, the 5th Anniversary Edition of The Phoenix Project continues to guide IT in the DevOps revolution. In this newly updated and expanded edition of the bestselling The Phoenix Project, co-author Gene Kim includes a new afterword and a deeper delve into the Three Ways as described in The DevOps Handbook. Bill, an IT manager at Parts Unlimited, has been tasked with taking on a project critical to the future of the business, code named Phoenix Project. But the project is massively over budget and behind schedule. The CEO demands Bill must fix the mess in ninety days or else Bill's entire department will be outsourced. With the help of a prospective board member and his mysterious philosophy of The Three Ways, Bill starts to see that IT work has more in common with a manufacturing plant work than he ever imagined. With the clock ticking, Bill must organize work flow streamline interdepartmental communications, and effectively serve the other business functions at Parts Unlimited. In a fast-paced and entertaining style, three luminaries of the DevOps movement deliver a story that anyone who works in IT will recognize. Readers will not only learn how to improve their own IT organizations, they'll never view IT the same way again. "This book is a gripping read that captures brilliantly the dilemmas that face companies which depend on IT, and offers real-world solutions."—JEZ HUMBLE, Co-author of Continuous Delivery, Lean Enterprise, Accelerate, and The DevOps Handbook

The Phoenix Project

Learn how you can take charge and transform your day through a simple, minimum 5 minute morning routine. You will learn new ways to boost your energy in the mornings, how to build your morning routine and how to stick to the habit of morning routines. Krystian Szastok has written this book based on his research and practice of morning routines over many years, he has been coached and mentored by extremely successful entrepreneurs and life coaches to maximise his everyday success and bring a mix of self discovery and motivation to your morning. The book doesn't just cover morning routines, but also helps you discover your inner calling and add more purpose to your life. These qualities and accomplishments will bring you closer to others in your life, and help you grow new relationships. From inside of the book: "Imagine if you could wake up, get inspired, get some exercise, read, meditate, plan your day, hydrate, have your morning coffee, work on your side projects, and send messages to your loved ones - all before the majority of the world is even awake. I did all this today (as I'm writing this book) by waking up at 4am and just 'doing it'. You can accomplish these things too, just start waking up 15 minutes earlier than you would usually - take small steps. I used to wake up at 7am for a year, because that felt like my absolute earliest (due to climate I wasn't functioning well, it was way too hot in Asia for me)." Who is this book for? If you're someone who wants to achieve more in your life - this book is for you. If you're a freelancer or a business owner and you have a lot of daily responsibilities, this book is for you. If you're in a relationship and want to connect better with your partner, or if you're currently single, this is a book for you. Whatever stage of life you're at or lifestyle you're leading, adding morning routines will skyrocket your daily performance.

Be a Recruiting Superstar

Drawing from Buddhist and yogic precepts, this practical guide offers tools for becoming a better, more compassionate communicator at home, at work, and in the world Have you ever tried to tell someone what you want only to feel misunderstood and frustrated? Or hesitated to ask for what you needed because you didn't want to burden the other person? Or been stuck in blame or anger that wouldn't go away? Judith and Ike Lasater, long-term students of yoga and Buddhism, experienced dilemmas like these, too. Even though they had studied the yoga principle of satya (truth) and the Buddhist precept of right speech, it was not until they began practicing Marshall Rosenberg's techniques of Nonviolent Communication (NVC) that they understood how to live satya and right speech. In What We Say Matters, Judith and Ike describe their journey through NVC and how speech becomes a spiritual practice based on giving and receiving with compassion—everywhere, all the time—whether at home, at work, or in the world. Their writing is deeply personal, punctuated by their recounts of trial and

error, success and failure, laughter and challenge—even in writing this book! They guide you through an introduction to NVC with clear explanations, poignant examples, suggested exercises, and helpful resources. With practice, you'll learn new ways to:

- Extend empathy to yourself and others
- Distinguish between feelings and needs
- Make requests rather than demands
- Choose connection over conflict
- Create mutually satisfying outcomes

How to Become a Network Marketing ROCK STAR

Rock Your Network Marketing Business

Ari Meisel and Nick Sonnenberg recently launched a profitable Virtual Assistant (VA) business in just one day - challenging the startup mentality that every new venture requires months of planning and a large investment of capital. Their VA business was born from scribbled notes on a cocktail napkin during dinner and was an up-and-running less than 24 hours later. By following their 3 step process: Optimize, Automate, Outsource, they leveraged free, readily available digital tools and apps with no outlay of cash whatsoever. Meisel and Sonnenberg reveal tactics for building a scalable business in today's world. This fascinating and informative book chronicles their first year in business together. An essential read for any entrepreneur. It follows their journey from idea to execution, detailing a bold new approach to 21st century business based on a fearless ingenuity and a willingness to rewrite the rules.

IDEA TO EXECUTION

A great idea isn't a sudden light-bulb moment. It's taking something familiar and making it feel new. We've been told a lie about the nature of creativity. We're told stories about creative geniuses – the young Mozart who effortlessly overshadows the hardworking Salieri; Paul McCartney coming up with the tune for Yesterday in a dream one morning; JK Rowling finding inspiration for Harry Potter sitting on a train to London. What we aren't told is the actual story behind such hits. In fact there is a science and method for mainstream success, whether writing a popular novel, starting a company or creating an effective marketing campaign, and in this book Allen Gannett – data wizard and successful entrepreneur – reveals the four laws of creativity that are proven to work. New ideas are surprising at first, and slowly become familiar as we get used to them. Allan Gannett reveals there's a sweet spot between what feels familiar and safe to us, and what is innovative and new: the point of optimal tension between safety and surprise, similarity and difference. The people we think of as creative geniuses are people who understand this sweet spot instinctively; they know what people find familiar and reassuring, and they find ways to reinvent it fresh. Packed with stories and insights ranging from the team behind Dear Evan Hansen to the founder of Reddit, from the Chief Content Officer of Netflix to Michelin starred chefs, The Creative Curve will help you spend less time on ideas destined to fail and more time on ideas that really break out. This book is for everyone, whether you're a business leader, a creative artist or a budding entrepreneur – and will teach you the secret to conceiving great ideas that can achieve major success.

The Miracle Morning (Updated and Expanded Edition)

When was the last time you spoke to a stranger? In our cities, we barely acknowledge one another on public transport, even as rates of loneliness skyrocket. Online, we carefully curate who we interact with. In our politics, we are increasingly consumed by a fear of people we've never met. But what if strangers, long believed to be the cause of many of our problems, were actually the solution? In *The Power of Strangers*, Joe Keohane discovers the surprising benefits that come from talking to strangers, examining how even passing interactions can enhance empathy, happiness and cognitive development, ease loneliness and isolation, and root us in the world, deepening our sense of belonging. Warm, witty, erudite and profound, this deeply researched book will make you reconsider how you perceive and approach strangers, showing you how talking to strangers isn't just not a way to live, it's a way to survive.

The Power of Strangers

"One of the most provocative entrepreneurs of our time, who started EckM Unltd out of his parents' garage and turned it into a media empire, Marc EckM reveals his formula for building an authentic brand or business. Marc EckM began his career by spray-painting t-shirts in the garage of his childhood home in suburban New Jersey. A graffiti artist with no connections and no fashion pedigree, he left the safety net of pharmacy school to start his own company. Armed with only hustle, sweat equity, and creativity, he flipped a \$5,000 bag of cash into a global corporation now worth \$500 million. Unlabel is a success story, but it's one that shares the bruises, scabs, and gut-wrenching mistakes that every entrepreneur must overcome to succeed. Through his personal prescription for success--the Authenticity Formula--EckM recounts his many innovations and misadventures in his journey from misfit kid to the CEO. It wasn't a meteoric rise; in fact, it was a rollercoaster that dipped to the edge of bankruptcy and even to national notoriety, but this is an underdog story we can learn from: Ecko's doubling down on the core principles of the brand and his formula for action over talk are all lessons for today's entrepreneurs. Ecko offers a brash message with his inspirational story: embrace pain, take risks, and be yourself. Unlabel demonstrates that, like or not, you are a brand and it's up to you to take control of it and create something authentic. Unlabel is a groundbreaking guide to channeling your creativity, finding the courage to defy convention, and summoning the confidence to act and be competitive in any environment"--

#1 WALL STREET JOURNAL BESTSELLER * NEW YORK TIMES BESTSELLER New York Times finance editor David Enrich's explosive exposé of the most scandalous bank in the world, revealing its shadowy ties to Donald Trump, Putin's Russia, and Nazi Germany "A jaw-dropping financial thriller" —Philadelphia Inquirer On a rainy Sunday in 2014, a senior executive at Deutsche Bank was found hanging in his London apartment. Bill Broeksmit had helped build the 150-year-old financial institution into a global colossus, and his sudden death was a mystery, made more so by the bank's efforts to deter investigation. Broeksmit, it turned out, was a man who knew too much. In *Dark Towers*,

award-winning journalist David Enrich reveals the truth about Deutsche Bank and its epic path of devastation. Tracing the bank's history back to its propping up of a default-prone American developer in the 1880s, helping the Nazis build Auschwitz, and wooing Eastern Bloc authoritarians, he shows how in the 1990s, via a succession of hard-charging executives, Deutsche made a fateful decision to pursue Wall Street riches, often at the expense of ethics and the law. Soon, the bank was manipulating markets, violating international sanctions to aid terrorist regimes, scamming investors, defrauding regulators, and laundering money for Russian oligarchs. Ever desperate for an American foothold, Deutsche also started doing business with a self-promoting real estate magnate nearly every other bank in the world deemed too dangerous to touch: Donald Trump. Over the next twenty years, Deutsche executives loaned billions to Trump, the Kushner family, and an array of scandal-tarred clients, including convicted sex offender Jeffrey Epstein. Dark Towers is the never-before-told saga of how Deutsche Bank became the global face of financial recklessness and criminality—the corporate equivalent of a weapon of mass destruction. It is also the story of a man who was consumed by fear of what he'd seen at the bank—and his son's obsessive search for the secrets he kept.

What is this mysterious activity we call entrepreneurship? Does success require special traits and skills or just luck? Can large companies follow their example? What role does venture capital play? In a field dominated by anecdote and folklore, this landmark study integrates more than ten years of intensive research and modern theories of business and economics. The result is a comprehensive framework for understanding entrepreneurship that provides new and penetrating insights. Examining hundreds of successful ventures, the author finds that the typical business has humble, improvised origins. Well-planned start-ups, backed by substantial venture capital, are exceptional. Entrepreneurs like Bill Gates and Sam Walton initially pursue small, uncertain opportunities, without much capital, market research, or breakthrough technologies. Coping with ambiguity and surprises, face-to-face selling, and making do with second-tier employees is more important than foresight, deal-making, or recruiting top-notch teams. Transforming improvised start-ups into noteworthy enterprises requires a radical shift, from "opportunistic adaptation" in niche markets to the pursuit of ambitious strategies. This requires traits such as ambition and risk-taking that are initially unimportant. Mature corporations have to pursue entrepreneurial activity in a much more disciplined way. Companies like Intel and Merck focus their resources on large-scale initiatives that scrappy entrepreneurs cannot undertake. Their success requires carefully chosen bets, meticulous planning, and the smooth coordination of many employees rather than the talents of a driven few. This clearly and concisely written book is essential for anyone who wants to start a business, for the entrepreneur or executive who wants to grow a company, and for the scholar who wants to understand this crucial economic activity.

The bestselling author of *The Miracle Morning* shares the secret to unlocking your full potential—all day, every day. “A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, New York Times bestselling author of *The School of Greatness* Even after the incredible success of his book *The Miracle Morning*, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world’s top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is *The Miracle Equation*, and it couldn’t be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you’ll create results beyond what you believe to be possible. In *The Miracle Equation*, you’ll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the *Miracle Equation 30-Day Challenge* to guide your way, you’ll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for *The Miracle Equation* “The *Miracle Equation* isn’t just a book, it’s the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended.”—Lewis Howes, New York Times bestselling author of *The School of Greatness* “You’re only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The Miracle Equation*.”—Mel Robbins, bestselling author of *The 5-Second Rule*

“There’s so much to learn and so much to know. It’s good to keep moving forward. And yet whatever we have is, in a very profound way, absolutely complete and always enough.”—Kyogen Carlson Kyogen Carlson (1948–2014) was a Soto Zen priest whose writings, teachings, and commitment to interfaith dialogue supported and inspired countless Buddhist, Christian, and other spiritual practitioners. Set to the rhythm of the seasons, *You Are Still Here* is the first published collection of Carlson’s dharma talks. It illuminates key elements of contemporary Zen practice, such as the experience of zazen meditation, the pitfalls and intimacies of the teacher-student relationship and of sangha life, the role of community in personal practice, and the importance of interfaith dialogue reaching across political lines. Carlson’s teachings also underscore his commitment to lay Buddhist practice and women’s lineages, both significant contributions to American Buddhism. The beautifully distilled talks have been carefully edited and introduced by Sallie Jiko Tisdale, a respected writer, teacher, and Dharma heir to Carlson. Her masterful presentation highlights the significance of these illuminating teachings, while preserving Carlson’s distinct style of authenticity, humor, and conviction on the Zen path.
