In this video we are going to know everything about the **Industrial Revolution**,. As we always tell you, it is ...

The Industrial Revolution is the stage of history that goes from 1780 to 1850 and began in England. During the Industrial Revolution, the rural society dominated by the nobility stopped being as important as it was and the urban society dominated by the bourgeoisie started to appear.

The workers, also called proletarians, were the people who did not have wealth.
