Discovering Lusaka

This comprehensive travel guidebook offers tips and recommendations for all travelers, from backpackers to those seeking a luxury safari experience, and is based on the authors' time living and working in Zambia for a combined six and a half years as Peace Corps Volunteers. Their deep understanding of Zambia will help travelers discover the best that Zambia has to offer while encouraging real connection with the people and culture of this beautiful country along the way. Containing sample itineraries, packing lists, information on the local culture, and reviews of places to stay, restaurants, and activities, this guidebook will help take travelers off the beaten path and into the heart of Zambia.

ZAMBIA (OTHER PLACES TRAVEL GU

These acclaimed travel guides feature a dramatic full-color section at the front, design elements to make them easier to use, up-to-date information on restaurants and accommodations, meticulously detailed maps, transportation tips and discussions on geography, natural wonders, landmarks, itineraries, cultural facts and other valuable tips for travelers.

The Rough Guide to First-Time Africa

In a part of the world where you truly depend on your guidebook, the Rough Guide is designed to work as a life support system and cultural companion whether you're here on business, taking a short holiday, or on an overland trip. Covering the entire region from Cape Verde to Cameroon, the Rough Guide finds off-the-beaten path attractions and writes up facilities in places that are barely on the map, as well as giving you practical advice on how to survive -- and enjoy -- cities such as Lagos, Abidjan, Dakar and Yaounde. The Observer, London: "Informative, erudite, useful and insightful." Financial Times: "The best guidebook."

The Rough Guide to West Africa

For over 25 years Bradt's Zambia Safari Guide has been widely acknowledged as the best guidebook to this African country, and it is now the only dedicated guide to Zambia's world-renowned safari destinations. Combining in-depth reviews of lodges, camps and other accommodation (from a stately home to a contemporary woven treehouse), detailed descriptions of safari locations and operators, extensive practical details, local insights, a brand new 48-page colour wildlife guide and curated coverage of the main access points of Lusaka and Livingstone, this is the 'must-have' guidebook to travel planning and exploring the country's wildlife-rich safari regions. Lying in the heart of the continent, Zambia is deepest, darkest Africa at its most appealing. Many visitors are drawn initially to the majestic Victoria Falls. Others come for the glory of Zambia's stellar national parks: the South Luangwa, the Lower Zambezi and Kafue. For seasoned safari goers, Zambia is the home of the walking safari; for adventurous travellers, it is about canoeing past hippos on the Lower Zambezi – or diving into a whole

new world of freshwater fish in Lake Tanganyika. Experienced travel writers Chris and Susie McIntyre – both Africa experts, with Susie having grown up in Zambia – use their decades of safari experience and in-depth knowledge of the Zambian safari scene to provide accurate, honest and upbeat descriptions, anecdotes and advice. To help readers make informed choices, the authors explain where to find top-quality guiding and detail Zambia's top spots for wildlife and wilderness (including GPS co-ordinates for those who prefer self-drive holidays). They advise on the best walking safaris plus the 'silent safaris' available in electric vehicles and boats, and suggest how best to combine different safari experiences into a fulfilling itinerary in a country where nearly one-third of the land area is reserved for wildlife. Whether you are a wildlife enthusiast or Africa addict, an escapist seeking wilderness or a family craving adventure; and whether you prefer a local operator to make your arrangements or independent travel, Bradt's Zambia Safari Guide is the perfect travel companion.

Zambia Safari Guide

With this dependable Zambia Travel Guide 2023, set off on a memorable adventure across the beautiful landscapes and dynamic culture of Zambia. This thorough book is your entryway to an exceptional African experience unlike any other, whether you're an experienced traveler or a first-time adventurous. Find out more about this magical country, which is known for its beautiful natural beauty, amazing animals, and kind people. Zambia provides a wide variety of activities for any tourist, from the famous Victoria Falls, one of the most breathtaking waterfalls in the world, to the vast wilderness of South Luangwa National Park, where exciting encounters with lions, elephants, and hippos await. This book gives you all the resources you need to organize your ideal vacation, including carefully crafted itineraries, insider knowledge, and current information. Find out where to go on the greatest animal safaris, take exhilarating river cruises down the mighty Zambezi River, learn about the rich cultural legacy of the local tribes, and get a taste of Zambia's dynamic cities. You may discover the following information in Zambia Travel Guide 2023: - Important safety advice to guarantee a pleasant and worry-free trip. - Comprehensive coverage of Zambia's finest sights, such as its national parks, wildlife reserves, historical monuments, and hopping marketplaces. - Insider tips on where to stay, eat, and travel, with suggestions for every budget and travel preference. - Interesting stories that humanize Zambia's history, wildlife, and culture to foster a stronger sense of place. Zambia Travel Guide 2023 is your go-to guide for an amazing journey, whether you're looking for exhilarating experiences, tranquil retreats, or cultural interactions. As you travel across its wide landscapes, come face to face with its magnificent animals, and make experiences that will last a lifetime, let Zambia's beauties unfold before your eyes. Start your remarkable African vacation off right by immersing yourself in Zambia with the ideal traveling partner. Get a copy of Zambia Travel Guide 2023 right now and begin making travel arrangements for a lifetime!

Zambia Travel Guide 2023

The handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to experience the major highlights that Zambia and Victoria Falls have to offer. The foldout map of Zambia and Victoria Falls is ideal for tourists and visitors.

Lonely Planet's South Africa, Lesotho & Swaziland is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Fill your days with beaches and wineries in Cape Town, spot wildlife galore in Kruger National Park, and hike past majestic mountains in the Drakensberg region – all with your trusted travel companion.

Lonely Planet South Africa, Lesotho & Swaziland

A second edition of the first English-language travel guide to Mali, full of practical information and cultural background for the independent traveler.

Mali

More than an overview of the colorful sights and sounds, these easy-to-follow chapters paint a vivid picture of the psyche of a people who have been shaped by their geography and history, and who are notable for their warmth, outgoing nature, and zest for life. In this large, landlocked country named after the mighty Zambezi River, the "real Africa" of old mixes comfortably with the new. Mineral-rich, with vast untapped agricultural, water, energy, and human potential, Zambia sits on the investor's leader board for Africa. David Livingstone, the Victoria Falls, Lake Kariba—such magical names, together with the spectacular wealth of bird and wildlife make Zambia the upscale safari destination of choice. A nation made up of more than 70 ethnic groups, Zambia has moved through diverse tribal histories, European colonization, socialist philosophy and rhetoric, and, finally, a gung-ho charge into multiparty capitalism.

Zambia - Culture Smart!

Zambia

For over 25 years Bradt's Zambia Safari Guide has been widely acknowledged as the best guidebook to this African country, and it is now the only dedicated guide to Zambia's world-renowned safari destinations. Combining in-depth reviews of lodges, camps and other accommodation (from a stately home to a contemporary woven treehouse), detailed descriptions of safari locations and operators, extensive practical details, local insights, a brand new 48-page colour wildlife guide and curated coverage of the main access points of Lusaka and Livingstone, this is the 'must-have' guidebook to travel planning and exploring the country's wildlife-rich safari regions. Lying in the heart of the continent, Zambia is deepest, darkest Africa at its most appealing. Many visitors are drawn initially to the majestic Victoria Falls. Others come for the glory of Zambia's stellar national parks: the South Luangwa, the Lower Zambezi and Kafue. For seasoned safari goers, Zambia is the home of the walking safari; for adventurous travellers, it is about canoeing past hippos on the Lower Zambezi – or diving into a whole new world of freshwater fish in Lake Tanganyika. Experienced travel writers Chris and Susie McIntyre – both Africa experts, with Susie having grown up in Zambia – use their decades of safari experience and in-depth knowledge of the Zambian safari scene to provide accurate, honest and upbeat descriptions, anecdotes and advice. To help readers make informed choices, the authors explain where to find top-quality guiding and detail Zambia's top spots for wildlife and wilderness (including GPS co-ordinates for those who prefer self-drive holidays). They advise on the best walking safaris plus the 'silent safaris' available in electric vehicles and boats, and suggest how best to combine different safari experiences into a fulfilling itinerary in a country where nearly one-third of the land area is reserved for wildlife. Whether you are a wildlife enthusiast or Africa addict, an escapist seeking wilderness or a family craving adventure; and whether you prefer a local operator to make your arrangements or independent travel, Bradt's Zambia Safari Guide is the perfect travel companion.

Zambia Safari Guide

The untouched wilderness areas of Namibia and Botswana have until recently been the preserve of a privileged few. Now they are opening up. This guide provides all the information you need to plan and make the most of your trip including: when and how to book ahead, hiring a vehicle and planning a route, comprehensive details on individual safari camps, and much more.

Guide to Zambia

Quirimbas Archipelago, Lake Niassa, Chimanimani Mountains, Lake Malawi, Mt Mulanje, Lilongwe and more.

Tanzania Safari Guide

A substantial and beautifully illustrated wildlife guide covering all major habitats of southern Africa for safari enthusiasts.

Zambia, Mozambique & Malawi

This new edition of Bradt's Botswana remains the only full-blown, standalone guide to one of Africa's most popular and rewarding safari destinations. Acclaimed by tour operators and travel writers alike, this is the only guide to focus on the most popular tourist areas of Botswana: the Okavango Delta, Chobe National Park and the Northern Kalahari, and this new edition includes a new full-colour wildlife guide, backed up by detailed flora and fauna information for each safari area. Fully updated, from top lodges in the Okavango Delta to small guesthouses (including many new to this edition), also included are detailed maps, comprehensive GPS coordinates (invaluable to self-drivers), and coverage of Livingstone and the Victoria Falls, ideal as an add-on trip to a safari in Botswana. With this guide, explore one of the world's most stunning wildlife destinations, read up on superb safari lodges with excellent guiding, from traditional tented camps to those offering five-star luxury and top-class cuisine, and make the most of the excellent birding (almost 600 species identified). Also included are details of how to arrange mobile safaris around the national parks and reserves with your own guide, often staying in private campsites; boat cruises on the Chobe River, where herds of elephant cross every evening; and when and how to view one of the great gatherings of zebra in Makgadikgadi National Park. Botswana's wilderness is pristine. The permanent waters of the Okavango Delta attract year-round wildlife, now including all the 'big five' - for the rhinos are back thanks to a successful re-introduction programme. Spreading out from the Delta, Botswana has tremendous variety, from the arid Kalahari to lush, well-watered forest glades and the broad Chobe River. And then there's Botswana's rich history, from the ancient rock paintings at Tsodilo, to Stone Age arrowheads on the Makgadikgadi Pans. Written and updated by experts, Bradt's Botswana is the definitive companion to discovering this enchanting destination.

Southern African Wildlife

This new seventh edition of Bradt's Mozambique remains the most established and only standalone guide to this alluring country. Complete with in-depth coverage of transport, wildlife, history, culture and accommodation, plus invaluable practical advice and regional and local maps, this honest handbook will help you plan the perfect visit. Particularly useful is the selection of reputable local tour operators. Mozambique is very much a country of two halves. The tourism-savvy south offers palm-lined tropical beaches, luxury lodges and diving to rank with the best in the world, plus the capital Maputo, a city oozing with Afro-Mediterranean flair. The undeveloped northern mainland, by contrast, is one of Africa's last frontiers, with thrillingly vast game reserves and stunning coastal panoramas that draw intrepid travellers to those hankering after barefoot luxury. With economy-boosting oil and natural gas potential on the horizon, Mozambique is on its way to reclaiming its standing as one of Africa's top destinations. However, despite being one of Africa's fastest developing tourist countries, it still offers the opportunity to experience the 'quintessential Africa'. Having once stood in the ranks with South Africa, over twenty years of post-civil war development and one of Africa's highest growth rates are drawing tourists back to its 2,500km of pristine, palm-fringed coastline. Best visited between May and October, Mozambique is dotted north to south with natural, historical, cultural, and architectural wonders remnant of its varied and notable past history of exploration, trade, and cultural fusion. Highlights include the UNESCO world heritage site, Ilha de Moçambique, a 16th-century Arab and Portuguese trading post, ancient rock art at Chinghamapere Hill, tea plantations and an exploration of Mount Namuli from the highland mountain town of Gurué, while the coast - home to more than 2,000 species of marine fish and five of seven endangered sea turtle species - boasts a plethora of delights, from windsurfing in Pemba and surfing in Tofto to diving and snorkelling off the islands of Bazaruto Archipelago (Bazaruto National Park), not to mention some of the richest coral reefs in the world., home to over 1,200 species and five of seven endangered sea turtles. With in-depth coverage and practical advice for all budgets, the Bradt guide leads the way.

Botswana Safari Guide

The only travel guide to the six major safari countries--Kenya, Tanzania, Zambia, Botswana, Namibia and South Africa--that's written specifically with disabled and older travellers in mind.

Mozambique

Written by an insider and Albania enthusiast, the Bradt guide to Albania takes a fresh look at how and where to explore the heritage of this hidden corner of eastern Europe.

Note: The digital edition of this book is missing some of the images found in the physical edition

Sierra Leone

National parks game viewing markets pristine tropical beaches and surfing are just some of the highlights of Benin that are readily available Z99 aid of this guide which caters to cultural and historical visitors those tracing their roots in Benin

Lonely Planet Southern Africa

The definitive guide for adventurers crossing the continent since its first edition in 1991.

Benin

A travel guide to Zanzibar. It includes a chapter on Mafia Island in addition to Zanzibar and Pemba Islands.

Africa Overland

This new, thoroughly updated second edition of the most practical guide to Central Asia's smallest and least understood country brings to life the 'Roof of the World': Tajikistan. Enhanced trekking details and

maps are included, along with more detailed practical information than any other guidebook. Travelling to and entering Tajikistan is easier than ever before with improved transport infrastructure and a new airport terminal in the capital, Dushanbe. Accommodation options in the capital have also improved with new high-end hotels now open for business. This new edition includes details of all such changes and improvements. With this guide you can explore the Tajik side of the Wakhan Corridor, complete with fortresses, petroglyphs, and stunning views of the Pamirs and Hindu Kush. Also covered are the Fann Mountains, easily the most accessible - and one of the most beautiful - mountain ranges in Tajikistan, the UNESCO World Heritage Sites of Sarazm and the Tajik National Park, the hot springs of Garm Chashma, and the Tajikistan section (which forms the majority) of the Pamir Highway, arguably the most spectacular drive in the world. Epic mountain landscapes, glacial lakes, and the mighty Amu Darya - the Oxus River of antiquity - encircle ancient Buddhist sites, Silk Road trading posts, medieval shrines, and planned Soviet cities alike. The modern population continues to draw upon its diverse heritage from Persia, China, Afghanistan and Russia, creating a complex and intriguing culture waiting to be discovered. With first-hand descriptions of everything from Sogdian ruins to playing the traditional sport of buz kashi, trekking on the Murghab Plateau and eating shashlik in garden tea houses, Tajikistan's expert authors bring the country alive in Bradt's new and fully updated edition.

Zanzibar

This new guide is the ideal companion for trekkers or sightseers, providing concise coverage of the plants and animals they are most likely to encounter. A colorful and very readable guide, catering to the ardent wildlife enthusiast and the curious armchair traveler alike.

Tajikistan

A second edition of the first English-language travel guide to Mali, full of practical information and cultural background for the independent traveler.

Peruvian Wildlife

The Bradt guide to Svalbard (Spitsbergen), including Franz Josef Land and Jan Mayen, is a unique, standalone guidebook to this evocative Arctic archipelago, a place that is plunged into darkness for four months each year and where there are 4,000 snow scooters for a population of just 2,500. This new sixth edition has been thoroughly updated throughout and offers new material on everything from adventure tours to accommodation, environmental change to restaurants. Also covered are the restoration of Barentsburg and the opening of Svalbard's historic mines to visitors. Newly updated and amended, this edition reflects important recent changes in the archipelago, making it the perfect guide to a quintessential bucket-list destination. Possibly the most remote destination in the developed world, Svalbard is as off the beaten track as you can get in Europe today. A destination where there are more polar bears than people, Svalbard is the planet's most northerly settled land and the top (if not the end) of the world. It was on and around Svalbard that most of David Attenborough's 'Frozen Planet' was filmed. A trip to Svalbard easily lends itself to notching up geographic superlatives (most northerly kebab, most northerly souvenir shop, etc) and adventurous travellers seek out experiences such as husky driving and hikes across the permafrost, charmed by the island law that requires everyone to carry a rifle anywhere outside of Longyearbyen, a constant reminder of Svalbard's 3,000-strong polar bear population. The main tourist period falls in Svalbard's brief summer, from June to August, when it's light around the clock and not very cold. However, increasingly popular for winter sports - especially because the next few years will enjoy unusually high Northern Lights activity - are the so-called 'light winter' months (March-May), when there is both sunlight and snow. The winter season itself (November/December-March) offers many possibilities for outdoor adventure - and the polar night is an experience in itself. Despite winter temperatures that can drop to over 40 below zero, Svalbard's glorious mountains, majestic fjords and sprawling valleys are the perfect setting for adventurous journeys out to the back of beyond, giving visitors a unique vantage point on a unique tourist destination. This brand-new edition of Svalbard provides all of the practical and background information you'll need to explore this wild place, turning the hostile into the hospitable. Bradt's Svalbard is written by Roger Norum, an expert in the region who writes regularly on northern Norway for the press and who teaches Norwegian language and translation at University College London. He is also a Research Fellow at the University of Leeds, where he carries out research on the links between tourism, travel writing and environmental change in the European Arctic.

Mali

Welcome to The Travel Club, and our inaugural e-zine! Cue the trumpet blasts and laser displays. You're now a member not only of what we hope will become the essential club for those who are serious about travel, but of a club within that club – the group of travellers who were there with us from the outset. Thank you for joining us on this journey. In some ways, The Travel Club has been a long burn. We've discussed establishing a community of this sort on many occasions, but we've never quite got round to doing it. There always seemed something else ahead of it in the queue. Now, as we sit in lockdown, a club like this feels especially important. Of course, your support is hugely precious to us at this time, and we're so very grateful for it. But first and foremost our aim is to create something special, something with genuine, long-term value. Something you'll be pleased and proud to be part of. We want this e-zine to focus on travel features with real colour and passion, indulgent articles that represent a 'warm bath' of a reading experience. We want you to look forward to receiving it each month. And we want to involve you as far as possible, whether by offering unique competitions to enter and puzzles to solve or simply inviting your feedback on what we could do to make the e-zine better. And so, without further ado, I'll leave you to dive right in. Thanks once more for signing up to The Travel Club. Please do let us know what you think. In this month's Travel Club e-zine: GETTING LOST by Hilary Bradt "Standout memories become a bit of a jumble if you've been travelling for 60 years. But one experience jumps out clearly as setting the benchmark for travel misery – the time I got lost for three days in the densest jungle in the world..." LITERARY LOCKDOWN by Helen & Neil Matthews "With imagination, you can go anywhere. The Chilterns and Thames Valley has inspired storytellers to create many of the world's best and most beloved tales – come with us as we join Matilda, Will Stanton, Ratty and Mole on a literary adventure!" WORLDLY APPETITES: AJVAR Try your hand at recreating this Balkan speciality – the perfect accompaniment to a summer garden picnic! FROM THE ARCHIVES: YUGOSLAVIA by Hugh Brune We go back to 1989, in the company of Hilary Bradt and author Piers Letcher, to learn the fascinating story behind our first guide to Yugoslavia. Cue retro photos, glasses of home-made Šljivovice and tales of the dark arts of coding Slavic accents. HOPS, SKIP AND A JUMP by Rupert Wheeler & Ted Bruning Britain has some of the world's best breweries. The expert authors of our brand-new Britain in a Bottle book pick out a few of the very finest. COMPETITION: WIN A BREWERY TOUR AT SHEPHERD NEAME We've teamed up with Britain's oldest brewery to offer one lucky winner (and three friends) an award-winning tour and tasting experience. THE BRADT TRAVEL TEASER Suffering from a case of lockdown brain? Get those cogs whirring again with our tricky travel crossword.

Svalbard

This highly praised guide is written by Chris McIntyre, a tour operator who specialises in southern Africa. His unbeatable knowledge of the country is augmented by ecologist Jonathan Hughes who describes how animals and plants survive the desert conditions. Namibia is the ideal country for a self-drive holiday, so this book is predominantly aimed at those travellers. Fifty clear maps and detailed listings of the lodges, guest farms and bushcamps make this guide the essential purchase.

Zanzibar

This pocket-sized, easy-to-use guide to the birds of Zambia features 425 birds likely to be seen in the region, plus a few 'specials' sought after by birders. It is an invaluable introduction and guide for visitors to Zambia with its 20 national parks and 42 Important Bird Areas. Features include: an informative introduction to birding in the region, including habitat descriptions and a glossary; full-colour photographs illustrating diagnostic features and plumage differences; concise identification text, including key ID pointers, call description and favoured habitat of each species; up-to-date distribution maps. Lightweight and handy for use in the field, this will be an excellent guide for anyone interested in the birds of Africa. Sales points: compact, easy to use, for birders of all levels; colour photographs of all 425 featured species; distribution maps for each species; authors are regional experts.

The Travel Club

This new 7th edition of Bradt's Cape Verde (Cabo Verde) has been fully revised and updated and remains the most comprehensive English-language guidebook available to the islands of this alluring Atlantic archipelago, described by some as 'Africa light'. The guide includes well-researched history and cultural sections, with a particularly strong section on music, and brings an honest approach to reporting the fragile balance between tourist development and protecting the environment. This new edition reflects the many changes since the previous one, including the introduction of charter flights

from the UK to Sal and the first casino-hotel on Sal, as well as providing full information on how to make the most of the less developed islands away from the main tourist hotspots. Stable and peaceful, quietly isolated by its mid-Atlantic location, Cape Verde continues to grow economically and to develop its tourist infrastructure at a leisurely pace. With few natural resources, the islands are heavily dependent on imports, foreign remittances and still to some extent on foreign aid. The reduction in the latter has heightened the focus on the importance of tourism as an economic driver and visitor numbers continue to rise. Year-round sunshine makes Cape Verde a particularly appealing destination. The archipelago is diverse, particularly in terms of its tourist infrastructure. Sal and Boavista, the oldest of these volcanic islands are flat with white-sand beaches that rival anything in the world. Consequently, they attract 95% of Cape Verde's visitors, leaving the other seven inhabited islands undeveloped. Hikers and those curious to discover something authentic are drawn to them, spending their time walking amongst the jaw-dropping mountainous landscapes of Fogo or Santo Antão, taking some true time-out in tiny Brava or mellow Maio or enjoying the cultural fusion of African, Portuguese and Brazilian influences in the cities of Praia and Mindelo. The adventurous will find adrenalin rushing as they profit from windsurfing and kitesurfing opportunities, fuelled by strong breezes and Atlantic waves, while for culture, Mindelo is the attraction with a constant backdrop of seductive music, the thread which ties together the islands scattered across the mid-Atlantic.

Namibia

This brand new Bradt Guide to The Gambia provides all the background and practical information you need to explore the beaches and interior of Africa's smallest - and arguably most welcoming - country.

Pocket Guide Birds of Zambia

Describes the geography, climate, wildlife, natural resources, history, politics, culture, economy, and government of Zambia.

Cape Verde

East Africa comprises a range of habitats that provide living space for more than 360 diverse species of mammal. These vary in size from the massive elephant to the tiniest bats, shrews and mice. This compact guide covers all of the common and some of the less common mammal species of the region. For each species it offers: • key identification features, behaviour, diet, breeding biology, occurrence and size • clear, full-colour photographs • track illustrations • silhouettes to indicate size relative to human figure • distribution map A section on droppings/dung of many of the animals, as well as that of relative tracks, conclude the book. Compact and easy-to-use, this is the ideal companion both for regulars and visitors to the region.

The Gambia

Liberia has once again emerged as the adventurer's choice destination after decades of instability. Founded by freed American slaves in 1822, Africa's oldest republic is now embracing tourism. Whether tracking down the last of the world's pygmy hippos or surfing along stretches of deserted beaches, Liberia will entice curious and adventurous visitors. Bradt's Liberia is a unique title being the only dedicated travel guide to the country. With a detailed section on forest hikes, including first-hand advice, and chapters on history and culture, it is the definitive guide for backpackers and business travellers alike. Author Anne Kennedy is a communications consultant who currently lives and works in West Africa.

Zambia in Pictures

Friendly, English-speaking and hassle-free: such qualities make Ghana the ideal destination for first-time visitors to Africa. Highlights range from painted mud houses in the Upper East Region to bleached white beaches and lush rainforests along the Atlantic coastline. Furthermore, independent-minded travellers can enjoy a country free from the trappings of mass tourism and rich in little-visited national parks, forest reserves, cultural sites and scenic waterfalls. Ghana is on the cusp of a travel renaissance, and this fully updated fourth edition contains all the information you need to explore every corner of this emerging destination with confidence.

Pocket Guide to Mammals of East Africa

This new, thoroughly updated edition of Bradt's Senegal continues to offer far and away the greatest depth of coverage for this increasingly popular part of West Africa. With over 350 pages of detailed description and 40 maps, this remains the definitive source of information to a country that is often described as the whole of West Africa in microcosm. This new edition includes details of the rapidly changing transport situation, notably the opening of the new international airport and the first bridge to span the Gambia River. All regions of the country are covered, including detailed information on access to Senegal's national parks, with detailed maps, itineraries, and practical information on transport, accommodation and eating for each region. Senegal boasts a variety of landscapes and cultures that belie its compact size. Northern desert wilds give way to the rain-soaked Casamance, fringed by hundreds of kilometres of pristine beaches and the fantastically frenetic capital city, Dakar, surrounded by ocean and proudly perched at the westernmost point on the African continent. This smorgasbord of landscapes is all accessible within a day's travel, making Senegal the perfect choice for anyone looking to sink their teeth into West Africa, for the first time or the hundredth. Natural assets aside, Senegal is home to a world of man-made delectations: Dakar's nightclubs throb well into the morning hours and offer a rare chance to dance yourself silly with superstar musicians on their home turf. With one of Africa's most prolific arts scenes, Senegal attracts numerous visitors for its cultural attractions, and this book provides a thorough and accessible introduction to the music, art, film, and literature of this most creative of countries. Beyond the capital, Saint-Louis' charm is an enchanting throwback to the colonial glamour of the 19th century, and sleepy Île de Gorée is a haunting testament to colonial horror, as visitors peer through the door of no return, where thousands destined for the Americas glimpsed their homes for the final time. With all new first-hand research, Bradt's Senegal is the only guide ready to take you to all corners of this enchanting land.

Liberia

More than an overview of the colorful sights and sounds, these easy-to-follow chapters paint a vivid picture of the psyche of a people who have been shaped by their geography and history, and who are notable for their warmth, outgoing nature, and zest for life. In this large, landlocked country named after the mighty Zambezi River, the "real Africa" of old mixes comfortably with the new. Mineral-rich, with vast untapped agricultural, water, energy, and human potential, Zambia sits on the investor's leader board for Africa. David Livingstone, the Victoria Falls, Lake Kariba—such magical names, together with the spectacular wealth of bird and wildlife make Zambia the upscale safari destination of choice. A nation made up of more than 70 ethnic groups, Zambia has moved through diverse tribal histories, European colonization, socialist philosophy and rhetoric, and, finally, a gung-ho charge into multiparty capitalism.

Ghana

Tanzania has grown to be one of the top safari destinations in Africa. This new edition of Northern Tanzania focuses solely on the northern region and Zanzibar. This area accounts for a tiny fraction of the country's surface area but around 95% of tourist developments. Written by Africa expert Philip Briggs, the guide reflects the growing trend away from large lodges towards small exclusive eco-friendly camps in remote parts of the Serengeti and other major reserves. This edition is more critically selective than previous editions, detailing the best on offer in all price brackets. It includes new chapters on the North Coast and on the Usambara Mountains both of which offer good off-the-beaten-track travel opportunities, as well as an expanded chapter on Lake Victoria. There is in-depth coverage of Tanzania's wildlife including where to see tree-climbing lions, and a full-colour wildlife guide. Philip Briggs keeps readers up-to-date with the highly controversial proposal to build a highway through the Serengeti. Northern Tanzania is an essential travel companion for both first-time visitors and seasoned safari-goers.
