Haunted Washington

• Most notorious Bigfoot sightings • UFO reports and cover-ups • Lake Okanagan's famous serpent Ogopogo • Ghosts of Lewis and Clark, Gen. Ulysses S. Grant, and Bing Crosby • Odd phenomena at Grand Coulee Dam, Olympic National Park, and Fort Vancouver

Haunted Washington

Among the Pacific Northwest's many treasures is the Evergreen State, a state rich in eerie events. Haunted Washington, a collection of stories of ghosts, mysteries, and paranormal happenings, will leave readers delightfully frightened. Haunted Washington includes dozens of stories, from the royal Native American ghost of Seattle's Pike Place Market to the haunted mansion that inspired horrormeister Stephen King's TV mini-series *Rose Red* – all of them guaranteed to send chills up the spines of even the most daring ghosthunters. Each story includes notes on historical significance and local lore so that readers and visitors can learn more about each ghostly locale. A bibliography, a resources list of contact information to visit the haunted sites, and a brief "Ghost Hunter's Guide" are also included, giving readers the resources to explore the haunted areas for themselves.

Haunted Histories in America

If you believe in ghosts, you're in good company. Haunted Histories brings America's most ghostly locales to life, illuminating their role in shaping U.S. history and detailing how they became the nation's most feared places. Haunted Histories takes readers on a state-by-state journey across the United States, exploring the nation's most feared places. Along the way, the text introduces readers to new ghostly tales and takes a fresh look at familiar stories and locations, with an eye to history. From well-known spooky spots like Salem, Massachusetts, to such lesser-known ones as the Shanghai

Tunnels of Portland, Oregon, where spirits are supposedly trapped, readers will discover not only where America's most haunted places are but also why they are said to be haunted. The ghosts of the doomed Donner Party allow readers to experience the arduous and often deadly journey of America's westward wagon trains, while different kinds of "spirits" haunting old distilleries allow readers to discover how whiskey almost derailed the new American nation before it was born. This book can be studied for academic purposes as a historical reference, used as a source for classroom assignments, or simply read for the pleasure of a great story.

State Oddities

State Oddities takes a different kind of look at the American nation, spotlighting the fun foibles, peculiarities, and twists in each of the 50 states that are (mostly) united under the Stars and Stripes. State Oddities is a fascinating trip through the 50 states for students studying America, teachers planning classroom activities, and general readers who will enjoy an eye-opening journey through the nation's fun side. It offers a compelling look at the character of America through the individuality of 50 very distinct states that together form the USA. This book paints a picture of the broad sweep of the American story, offering a gateway to the country as it developed into one nation filled with individual states that can be remarkably different from each other, yet unified under such national symbols as the American flag and "The Star-Spangled Banner." The author of State Oddities has become known as a master of "painless history," telling America's story in a sparkling style along with the historian's eye for fascinating detail. On the book's cross-country journey, the reader will find that it differs from other works by taking a fresh look at stories we think we know.

Strange Sights in the White House and Other Hauntings in Washington, D.C.

As the First Family sleeps, something spooky goes bump in the night. History knows the White House as the symbol of the American presidency. Could it also be America's most haunted house? Learn more about the White House's most talked-about ghosts and about other paranormal activity running wild in the nation's capital. Between these pages, readers will find just the right amount of scariness for a cold, dark night.

Ghost Stories of Washington

Enjoy this spooky romp through a world of restless spirits, from the ghost who warns hikers in the Cascades about a dangerous path, to the phantoms that roam the Seattle Underground. You'll read a fascinating account about a man wrongly lynched near Rockford. He swears revenge on the drunken vigilantes who strung him up--and they each die screaming. Another story tells of the spirits that ring the bells in the tower of Tacoma's Old City Hall--even after the bells have been made unusable.

Haunted West Virginia

Thrilling stories of supernatural spirits, ghosts, and phantoms in West Virginia.

Haunted Maryland

Tales of unexplained phenomena in Maryland, including vengeful ghosts and sea monsters.

Haunted Georgia

From Atlanta to the Coastal Plain, Georgia is rich with tales of the supernatural drawn from the state's historic past.

Piha Paranormal Investigations of Historic America

A paranormal guide to haunted museums, public historical sites and historical communities in Washington State. Travel with the "Grey Team" as they uncover the history, mystery and document actual evidence of paranormal events at these haunted historical sites.

Haunted Delaware

Tales of unexplained phenomena in Delaware. Includes information on local ghost tours.

Haunted Indiana

A selection of Indiana's bone-chilling stories of the paranormal.

Haunted Wisconsin

Wisconsin's leading authority on the paranormal presents strange stories from around the state.

Haunted Connecticut

Thrilling stories of supernatural occurrences in Connecticut.

Haunted Nevada

The Silver State's most bizarre and creepy stories of paranormal activity.

Haunted Everett, Washington

The historic mill town of Everett, abutting the deep, dark waters of Puget Sound, has been haunted since its founding. The Rucker family's spirits are said to linger near both their distinctive pyramid-shaped mausoleum and mansion by the bay, and the shadowy figures of former patrons and entertainers are purported to roam inside the Historic Everett Theater. Many believe the angry shades of laborers still riot, demanding freedom of speech just like on that horrible November night in 1916 when several lost their lives. Even the Everett Community College library is rumored to house ghosts reading their favorite books. Author Deborah Cuyle reveals the spooky history of the City of Smokestacks and the spirits that refuse to leave it.

Haunted Pennsylvania

Eerie stories of ghosts, spirits, and hauntings from across the Keystone State.

Haunted Idaho

"What lurks in Idaho's shadowy corners? You might be surprised to find out. Filled with stories that are fascinating, strange, and often downright terrifying, Haunted Idaho is spellbinding entertainment!" --Nate Kenyon, Award-winning author of Sparrow Rock, Diablo: The Order, and Day One A collection of frightening stories from the Gem State, including . . . Strange phenomena at a real-life Bates Motel Apparitions at Boise's Old State Penitentiary Pioneer spirits at an Oregon Trail ranch house The werewolf legend of Rose Hill Cemetery A ghostly miner who haunts a Sun Valley campground Phantom cries of the Bear River Massacre Bigfoot encounters in the Sawtooth National Forest

Haunted Washington, DC

Washington, DC can make a legitimate claim to being the most haunted city in America. With its rich history and the parade of passionate, colorful characters that have walked its streets over the past two centuries, it's amazing the district doesn't have more ghosts than it already does. Haunted Washington, DC, a collection of stories of ghosts, mysteries, and paranormal happenings in the nation's capital, will leave readers delightfully frightened.

Haunted North Carolina

Rich in Native American, Colonial, and Civil War history, North Carolina harbors ghosts from tidewater to mountains.

Washington's Haunted Hotspots

Washington provides more than just a ghost story or an eerie location--there's a haunted vacation brewing! From Port Townsend to Spokane, and everywhere in between, you will find directions from one haunted site to the next. Are you hungry? Dine with spirit of the former police chief of Centralia. Tired? Sleep at the Davenport Hotel where you may wake up with the woman in white. Visit with the miners in Roslyn or take a trip to Leavenworth, where ghostly music fills the air. Take in the sights at Lake View Cemetery where Bruce and Brandon Lee still haunt the grounds. Whether it's over a weekend, or a week, enjoy a haunted hotspot in Washington!

Haunted Virginia

The center stage for both the American Revolution and the Civil War, Virginia is one of the most haunted states.

Ghosts

This is a collection of tales and legends that have been handed down from generation to generation about the spirits of the great and near-great of Washington that still haunt the White House, the Capitol, St. John's Church, and many of its other public buildings and homes.

Washington's Haunted Past

From the halls of the Capitol Building to the Lincoln bedroom of the White House to the Presidential box at Ford's Theater, Washington is teeming with the ghostly specters of politicians and their cohorts from days gone by. The eerie apparitions of former presidents, their wives, mistresses, adherents and adversaries roam the halls of Washington's most famous institutions, haunting the buildings that have been the site of countless important events in United States history. In our nation's capital, the ghosts number as high as the politicians, and are often as mischievous and boisterous as their living counterparts. From Theodore Roosevelt to Richard Nixon, the presidential residents of the White House have had to contend with not only their living opponents but also the scores of spirits who still seek to press their agendas in the world of the living--a world they left long ago. Through author Pamela Apkarian-Russell's tales, we learn of chilling encounters with the ghosts of Abigail Adams, Andrew Jackson, Anna Surratt, Abraham Lincoln and more. Featuring stories of the spooky experiences of both believers in the paranormal and skeptics, Washington's Haunted Past contains a bevy of spectral lore sure to send a chill down the spines of D.C. residents and visitors alike

Haunted Ohio

Dead presidents, swamp monsters, and spying spaceships in tales from the Buckeye State.

Spooky Washington

Pull up a chair or gather 'round the campfire and get ready for twenty-five creepy tales of ghostly hauntings, eerie happenings, and other strange occurrences in the state of Washington. From the ghost of a Native American princess in the Pike Street Market to the story of teens in a graveyard and the sight that drove one of them mad, the stories in this entertaining and compelling collection will have you looking over your shoulder again and again.

Ghost Stories of Washington

Enjoy this spooky romp through a world of restless spirits, from the ghost who warns hikers in the Cascades about a dangerous path, to the phantoms that roam the Seattle Underground. You'll read a fascinating account about a man wrongly lynched near Rockford. He swears revenge on the drunken vigilantes who strung him up--and they each die screaming. Another story tells of the spirits that ring the bells in the tower of Tacoma's Old City Hall--even after the bells have been made unusable.

Supernatural Washington

Investigate the ghosts of the Pacific Northwest with this useful field guide to spectral haunts! Visit a community in Seattle built over top a children's graveyard, where unsuspecting homeowners report ghostly children in their homes. Read about ghastly happenings in Aberdeen where the ghost of Billy Ghol is still seen at the town pub. Take a stroll through Seattle's Pike Place Market and discover the many souls who have never left this tourist hotspot, such as the female barber who sang her victims to sleep in order to rob them. Have dinner in FDR's railroad car in Georgetown, where the staff has followed a beautiful mysterious lady into the back room, only to have her vanish before their eyes! Hunting ghosts in the Pacific Northwest is a haunting good time!

Pacific Northwest Haunts

Experience America's secret history in the untold phenomena of 1600 Pennsylvania Avenue... The scandals of the White House have always commanded attention, but little has been acknowledged of the documented paranormal events that have shaken its stately porticos for more than a century. They are in fact, part of declassified, substantiated records dating back from George Washington through

the Clinton administration. Now, complete with actual transcripts of channeling sessions and séances, the history of the paranormal presidency is revealed for the first time in a fascinating exploration of the country's most famous portal to the unknown. • What were the chilling revelations of the séances conducted by Mary Todd Lincoln, Martha Washington, and Eleanor Roosevelt? • What secrets did John F. Kennedy reveal—after his death? • Why was Hillary Clinton compelled to channel the spirits of past First Ladies? • Which presidents admitted in private to have had UFO encounters? • What's the source of the strange light emanating from the Rose Room? • Who—or what—is playing the haunted strains of phantom music in the private halls of the White House? Featuring a comprehensive see-for-yourself tour guide to the Presidential Haunted Places.

The Haunting of the Presidents

Washington gained statehood on November 11, 1889, making it one of the newer states and yet, the land that comprises the Evergreen State has been inhabited for centuries. Long before Europeans came to North America, indigenous people were living here in present day Washington's dense rich forests and coastal regions for at least 4,000 years. That in itself gives rise to a lot of ghostly tales; from the headless ghost of Col. Isaac Ebey, the ghosts of the Andelana, which mysteriously sank at Tacoma while anchored in Commencement Bay, the spectral little boy in blue, who inhabits the governor's mansion in Olympia, the old Greenwood Cemetery, to the ghostly victims of the wicked Linda Burfield Hazzard, Washington has its share of ghosts

The Big Book of Washington Ghost Stories

"Missouri is a place of great diversity and amazing beauty, stretching from the Mississippi River to the forests and rolling hills of the Ozarks, with caves, rivers, and rugged woodland in between. Out of this land comes scores of ghostly tales, from documented haunting to folk stories that have been passed along from one generation to the next."--Page 4 of cover.

Haunted Missouri

With a nearly three-hundred-year history, Prince William County has its share of haunted tales and scary spots. Ghosts still haunt the battlefield at Manassas, including the Ben Lomond Plantation, site of a Civil War-era hospital. The jailhouse in Brentsville keeps many of its captives in ghostly form. The Weems Botts House, home of George Washington's biographer, Parson Weems, is still haunted by the spirit of one of its owners. Local author and historian Andrew Mills narrates the best and creepiest tales of hauntings throughout the county.

Haunted Prince William County

In almost every town in America there are places where strange things happen. The perfect companion to The International Directory of Haunted Places, this revised and updated edition of Haunted Places is both a fascinating and unusual travel guide as well as an indispensable casebook for those interested in the paranormal. From buildings and parks believed to have resident ghosts and poltergeists to areas where Bigfoot or UFO sightings are most frequently reported, Haunted Places will lead you to more than 2,000 sites of paranormal activity across the United States. Organized alphabetically by state, each entry is referenced to an extensive bibliography of sources—with descriptions, addresses, phone numbers, Web sites, and travel directions provided for all locations.

Haunted Places

Bestselling author and ghost historian MJ Wayland explores America's haunted heritage. As well as visiting some of the most famous ghost cases of the time, the author also uncovers ghost stories that have never seen print in over a hundred and fifty years! From the downright chilling, to scary and the weird, this collection of REAL ghost stories is ideal for a Halloween thrill or an insight into a unique haunted history. The real life ghost cases include: Faces in the Windows The Haunted Bedstead The Ghost Clock of Boston Poor Bessie Brown The Jonah Three Stories of Hauntings Good News for Ghosts Des Moines's Plague of Ghosts Shooting a Ghost A Live Spook The Return of Dr. Jewel Forbes Manor Ghosts in the Capitol Jonelle Lambkin Rings the Bell Mrs. Warfield's Haunted House Mumler's Spirit Photography Scared to Death by a Ghost The Bones of Timothy Felt A Ghost Hunt of Louisville The Ghost of Henry Smith Giant Ghost of Benton A Real life Daphne and Velma - Sixty Years Before! The Big Joke Death by Ghost A Civil War Ghost Story AND MORE!"

50 Real American Ghost Stories

Includes chapters on the Virginia State Capitol, the Governor's Mansion, the Virginia Supreme Court building, Old City Hall, and Morrison Row.

Policing the Paranormal

Author and photographer Tim Scullion has done what's never been done before: he has researched the world's first study of ghosts through over 22,000 photographs captured in one of the most haunted states in America: Virginia. This third book of over 200 images takes a close haunted look at ghosts photographed from all over the state, and includes the presidents' homes. Visit the very haunted residences of presidents George Washington, Thomas Jefferson, and James Madison, along with discovering the intriguing, compelling background of each place and person that may explain the photographic evidence. Through historical information and strange and eerie apparitions of all kinds captured on camera, you will see images that are beautiful, and ugly--if not horrifying and bizarre--and simply defy explanation. Digital technology will be our eyes into a new world of the improbable, the unexplained, the impossible, the bizarre, and the biggest mystery of our existence--life after death! Find it in Virginia.

Breakthrough Ghost Photography of Haunted Historic Virginia

The world's leading psychiatric authority on demonic possession delves into the hidden world of exorcisms and his own transformation from cynic to believer over the course of his twenty-five-year career. Successful New York psychiatrist Richard Gallagher was skeptical yet intrigued when a hard-nosed, no-nonsense Catholic priest asked him to examine a woman for a possible exorcism. Meeting her, Gallagher was astonished. The woman's behavior defied logic. In an instant, she could pinpoint a person's secret weaknesses. She knew how individuals she'd never known had died, including Gallagher's own mother, who passed away after a lengthy battle with ovarian cancer. She spoke fluently in multiple languages, including Latin—but only when she was in a trance. This was not psychosis, Gallagher concluded. It was, in his scientific estimation, what could only be describe as paranormal ability. The woman wasn't mentally disturbed—she was possessed. This remarkable case was the first of many that Gallagher would encounter. Sought after today by leaders of all faiths—ministers, priests, rabbis and imams, Gallagher has spent a quarter-century studying demonic activity and exorcisms throughout history and has witnessed more cases than any other psychiatrist in the world today. In this eerie and enthralling book, Gallagher chronicles his most famous cases for the first time, including: A professional who claimed her spiritualist mother had “assigned” her a spirit who “turned on her.” A petite woman—“90 pounds soaking wet”—who threw a 200-pound Lutheran deacon across the room to the horror of onlookers in a church hall; And “Julia,” the so-called Satanic queen and self-described witch, who exhibited “the most harrowing” case, a “once-in-a-century” possession. Going beyond horror movies and novels, *Demonic Foes* takes you deep into this hidden world, sharing in full details of these true-life tales of demonic possession.

Demonic Foes

Visitors and New England natives alike will see a new side of the region through Thomas D'Agostino's road trip guidebook. He captures the reader's imagination with folklore and anecdotes, plus recommendations useful for any traveler. This guide uncovers lingering spirits across all six states in the region, from the victims of alchemy gone awry in the White Mountains, to wraiths in the Berkshires, to the ghosts of drowned sailors in Mystic, Connecticut. Enjoy these retellings of classic New England ghost stories and discover obscure ones, and then go visit the spooky sights for yourself.

A Guide to Haunted New England

From doors that won't stayed closed to vague images in human-like form gliding transparently down hallways, this book includes strange phenomena at Gettysburg, ghosts of the Franklin battlefield, Abe Lincoln still walsk at midnight and other Washington ghosts, and much more.

Blue & Gray Magazine's Guide to Haunted Places of the Civil War
