Lawrence J. Ellison Founder & CEO, Oracle Corporation

Larry Ellison founded Oracle to develop the new technology of relational database programming
Growing pains...

You've run some pretty tough ads against your competition. Can that be too aggressive?

When did you decide to go into the computer business?

Landing the first job...

A personality formed in childhood...

You have a very serious side, and a seriously fun-loving side. Is that a paradox?

Facing fear...

Dealing with criticism...

How important is academic success?

Advice for the young...

Learning from history...

The American Dream...
