McCall's

All about your house series.

National Union Catalog

All about your house series.

Book Review Index

Take a walk down memory lane with this 1950s decorating classic, re-released for a whole new generation. The year is 1956. America is a mere decade past World War II. Richard Nixon is next in command to President Dwight Eisenhower, the Dow Jones soars above 500, and Norma Jean Mortenson legally changes her name to Marilyn Monroe. Two words described the decade, as John Updike wrote in the short story "When Everyone Was Pregnant": Fear and gratitude. And during this boom period, grateful young families thrilled to find themselves homeowners after the uncertainty of the Great Depression followed by a second Great War. Those empty rooms needed filling in order to make the house a home, and homeowners turned to the iconic Better Homes and Gardens brand. Better Homes and Gardens Decorating Book, the first edition of a title that would spawn ten editions over the years, became the new home bible for injecting class, style (and the occasional misguided cowboy wallpaper) into American homes. While exploring numerous styles, the main theme of the book is the on-trend mid-century modern sensibility, a style as appropriate today as it was six decades ago when the book was initially released. Filled with hundreds of full-color period photos, dozens of adorable illustrations, and decorating tips and tricks that are both helpful and nostalgic, the book remains a fun classic. With this welcome hardcover release, reproduced exactly as it looked and read in the 1950s, everything old is new again.

Books in Print

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Your Baths

Insights and ideas for the cook, as well as smart tips for the builder. Imaginative and detailed plans for outdoor kitchens in a variety of locations. Addresses both form and function to help homeowners assess their needs for cooking and storage space. Color photos provide inspiration on how to apply designs to any setting. Special section provides all-time favorite grilling recipes and tips for outdoor cooking from the Better Homes and Gardens experts.

Wiring Step-by-Step

Plan, sell, bid on, install, and upgrade home wiring for networked services. The industry explosion in whole-home wiring, also known as structured wiring, is a lucrative opportunity for cable installers, electricians, IT managers, and telecom equipment manufacturers to expand into the residential arena. Developed for BISC's internationally respected curriculum for Registered Residential Installers, Residential Network Cabling provides you with the most reliable residential network cabling manual available. This resource is compliant with NEC, FCC, ANSI/TIA/EIA, CEBus, Firewire, and Bluetooth standards and has been field-tested by tens of thousands of technicians in 85 countries. Here's all the information and step-by-step training advice you need to master, including: New installation Upgrades Integration for add-ons Much more

The Publishers Weekly

Helps the homeowner understand electricity and how it works, showing through detailed directions and clear illustrations how to make a variety of electrical repairs and improvements.

Monographic Series

A world list of books in the English language.

Library of Congress Catalogs

Better Homes and Gardens Porch and Sunroom Planner

Guides homeowners through choices to create better, more stylish outdoor rooms within budget. Current information on materials for foundations, furnishings, floor and wall coverings, and more. Practical information for wall construction, roofing types, drainage, site concerns, and other building details. Extraordinary photographs inspire homeowners to bump out and build up to bring the outdoors in. Handy worksheets combined with expert advice help homeowners avoid surprises.

Porches & Sunrooms

Tells how to make effective visual statements by using camera controls, exploring different viewpoints, isolating the subject, and using different patterns of organization.

Porches & Sunrooms

... The ultimate do-your-own decorating guide. Four books in one, it's a dream book, a workbook, a room-by-room planner, and a design primer.

Better Homes and Gardens New Decorating Book

Choose from 26 decks and patios--then see how to plan a location, adapt the design, and build it all yourself!

Better Homes and Gardens Deck & Patio Projects You Can Build

Teaches homeowners how to properly design, construct, and maintain a deck.

Better Homes and Gardens Stretching Living Space

Based on both "Carol Vorderman's Better Homes" and "Carol Vorderman's Better Gardens" TV shows, this text provides numerous before-and-after shots, maps, and plans used by the designers to realize their creations.

Deck & Patio Planner

Contains hundreds of easy projects, tips, and techniques to make your garden more beautiful and comfortable.

Carol Vorderman's Better Homes & Better Gardens

Illustrates decorative ideas for use throughout the year, and provides season-specific tips for designing with various color schemes and accessories.

Better Homes and Gardens Step

An inspiring collection of brilliant garden ideas from across the country Dream Gardens Across America offers practical instruction and great garden ideas from the most beautiful and creative home gardens in the United States. Perfect for seasoned home gardeners in search of new ideas, this book presents 80 outstanding home garden designs with inspirational stories and helpful advice on putting these ideas to work in your own home garden. The book covers charming country landscapes, cottage style gardens, formal florals, and even Asian-influenced designs. Each entry includes details on why the design works and simple, handy advice on personalizing these designs for your own use. Explores more than 80 beautiful gardens illustrated with more than 250 gorgeous full-color photos Organized by garden style, so it's easy to find the kind of design you're looking for Includes simple, helpful advice for growing your own dream garden based on these wonderful designs No matter what kind of garden you want to grow, Dream Gardens Across America provides the inspiration, insight, and advice you need to succeed spectacularly.

Step-by-step Yard & Garden Projects

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Better Homes and Gardens Decorating Year-round

Expert tips to spruce up the front of any home Anyone who buys or sells a home knows that, when it comes to real estate, books are judged by their covers. Creating curb appeal is a key way to accomplish preserving and protecting the value of what is most likely to be a family's biggest single investment. Unlike most books that focus on projects to enhance a home's backyard, Quick & Easy Curb Appeal focuses on projects that help make the front of the house more attractive. Pulls together information from Better Homes and Gardens' rich library of content Projects for tackling walkways, driveways, porches, and more Ten must-dos for re-selling a home from real estate pros Part inspiration and ideas, part resource guide, and part home maintenance reference, this book arms readers with everything they need to let their home give its guests a great first impression.

Better Homes & Gardens Dream Gardens Across America

This all-new edition of a perennial top seller is designed to lead readers through the process of planning a new deck—from dreaming to designing. Offers a unique comprehensive approach to deck-building

that ranges from design to construction. Quick-read advice from experts around the country on current trends in materials, finishes, railing styles, and outdoor lighting. Helps homeowners sort through the overwhelming array of deck options to design a structure that helps meet their needs, their budget, and the amount of space available. Filled with gorgeous photography and solid information to help readers create beautiful decks.

Planning & Building Paths

Building a new house begins with a home plan, but the two-dimensional drawings used by contractors are often difficult to interpret and challenging to visualize. In easy-to-understand language, Larry W. Garnett explains construction terminology and basic design principles, enabling you to expertly navigate every step of the home-building process. From selecting a plan to judging its room-by-room suitability and requesting modifications, Home Plan Doctor offers cost-effective suggestions and encouraging guidance so that you can create the house of your dreams.

Better Homes and Gardens Book of Home Plans

Better Homes and Gardens Inside Out lets you indulge your passion for living every day in the great outdoors. Whether it's a relaxing evening by the fire, an elegant dinner for friends, or even a day at the office, you'll find inspiring ideas and practical advice for creating any room outdoors -- including rooms for sleeping, eating, working, bathing, cooking, or entertaining. You'll learn what's needed to make any outdoor space a room and how to add the elements that make a room functional and stylish. And you'll get tips and ideas for incorporating materials and placing items to ensure your outdoor room will withstand the elements no matter where you live. Book jacket.

Better Homes and Gardens House Repairs

For help in making exteriors more inviting, this comprehensive guide contains tips on selecting color, design, and materials to help homeowners make their homes more inviting.

Quick & Easy Curb Appeal

This must-read planning tool covers fireplace building, layout, materials, accessories, and decorating. The revised edition provides updates on fireplace options that have come onto the market since the first edition was published. Easy-to-read, problem-solving text offers hundreds of helpful tips. Inspirational photos plus design ideas for indoor and outdoor hearth spaces. Secrets on how to update an aging fireplace and rearrange furnishings around the hearth. Technical information on fireplace maintenance and safety.

Better Homes and Gardens

500 color photos and more than 100 illustrations. All techniques for designing and shaping a landscape plan and common outdoor structures. Includes plant identification photos and charts.

Better Homes and Gardens Outdoor Projects You Can Build

Specifically geared toward the beginning stages of planning an addition. Breaks complex information on structural, system, and site concerns into doable strategies. Discusses options for materials as well as heating, ventilating, and air-conditioning needs. Dozens of real-life inspirational photographs and detailed illustrations. Easy-to-use charts streamline and organize planning and make it a pleasant task. Prepares homeowners to work comfortably with a contractor to meet design and budget parameters.

Better Homes and Gardens Step-by-Step Ultimate Yard and Garden

This essential resource will walk homeowners through the decision-making process for a kitchen or bath renovation to create the perfect space. This indispensable reference covers everything homeowners need to know about making over the two rooms that yield the most resale value. Information is included for all stages of a kitchen or bath remodel, from inspiring before-and-after images to tips on getting started, with easy-to-read lists and sidebars on topics such as setting a budget and hiring professionals. Chapters highlight floor plan ideas, decorating styles, storage solutions, and lifestyle design choices. Plus, a handy shopping guide helps renovators choose key products, from kitchen cabinetry and cooktops to bathroom sinks and lighting. Complete with an appendix of checklists, this go-to guide

is perfect for homeowners ready to update their spaces as well as those just looking for new ideas for renovations in the future.

Better Homes and Gardens Decks

Filled with inspiring ideas and dependable planning advice, this resourceful book takes readers through the process of choosing the right kind of outdoor space, creating a smart design, and selecting the best materials for the location and budget. Clear, detailed illustrations and photos visually instruct readers on how designs work to meet the requirements of different settings. Step-by-step overviews of constructing decks and patios ensures complete understanding of what is involved in the building process. Discussions of the pros and cons of a wide range of material choices help homeowners shop for supplies or work with contractors on selections. Expert design ideas for furnishings, lighting, cooking spaces, and more enhance any outdoor living area.

BETTER HOMES AND GARDENS: REMODELING IDEAS

Practical graphic book of landscaping ideas for homeowners. Applicable to a wide variety of climatic conditions and to lots of all sizes and shapes.

Better Homes and Gardens

Suggests ideas for large and small remodeling projects, offering case studies of projects including the addition of a second story, the restoration of a historic house, and the creation of a master suite.

Home Plan Doctor

Presents plans for creating a custom deck with do-it-yourself instructions.
