When We Are Stimulated in a Negative Way by Somebody Who Has a Negative Energy if You Will and They Don't Want To Be New-Agey with You but I Think You Understand What I Mean You Know What's Our Natural Tendency To Do It's To Put Up Our Defenses and Get into this Attack Mode but if You Pause and Process this and Have no Response because a Lot of People When They'Re Having this Interaction with You It's Not Even about You Something Has Gone on Bad in Their Life that Day That Actually Is Affecting How They'Re Even Functioning and Oftentimes Their Interaction with You Isn't about You and if You Don't Have a Reaction That They Expect Which Justifies Their Behavior It Oftentimes Allows the Situation To De-Escalate and if in every One of the Interactions

And It Was Describing a Person He Lives Two Hours from His Work so He Can Afford a House Drives Two Hours in He Works 10 Hours of Work To Drive Two Hours Back To Spend the Money on the Car and the Insurance To Buck the House Which He Only Goes To Sleep in and What Kind of Life Is that Right and the Question I Think You Have To Ask Yourself and this Is a Problem of the West Is What Is It that You Were Striving for What Do You Get at the End of the Day by Killing Yourself because as I Described You and I Know Many People Who Have Nominally Everything That Says You Are Success in Society

It's Not a Journey by Yourself It's a Journey of Connection to Others and You Know Having a Being a Billionaire and Having all of this Money at the End of the Day and Flying Around in Private Jets if You'Re Lonely and Unhappy and Haven't Helped a Single Person That's Not a Meaningful Life It's a Horrible Life Having a Okay Income yet You Do Something That You'Re Passionate about and that You Care about and that You'Re Positively Affecting People Where People Love You They Love To See You They Love To Interact with You They Want To Be around You and You Can Teach People and Mentor People That's What Will Give You Health and Wellness and It's What Will Give You a Meaningful

We Have the Most Expensive Health Care We Have the Most Dissatisfied Group of People in Regard to that Health Care and It Is a Travesty To Have the Highest Infant Mortality Rate of all Industrialized Country and the Highest Level of Childhood Poverty but if each of Us Commits Ourselves Again To Try To Help One Person That's all You Have To Do To Volunteer To Embrace another Person That Starts Changing Everything That Changes the World and When People See People Doing these Types of Things It Motivates Them To Be Kind and that's Really Really the Key at the End of the Day
