Kashmir

After decades of instability, Kashmir – the undisputed jewel of the hippie trail – is back online and ready to welcome visitors with open arms. Whether you want to follow in the footsteps of Great Game heroes in Gilgit and Hunza, take a pilgrimage to the thriving Buddhist centre of Leh, scale K2, Nanga Parbat and Rakaposhi, or simply laze with a book on a house boat in Srinagar, few places on earth have such a concentration of remarkable sites and experiences. The region's improving security and infrastructure are covered by the guide in detail, along with practical advice on travel, accommodation and food, safety and bureaucracy. Description of Kashmir's history, culture and politics is vivid and informative, and the accompanying images leave the reader, like the Mughal Emperors before them, sure that Kashmir is indeed 'Paradise on Earth'.

Kashmir

Encompassing a vast stretch of land from the lush Kashmir Valley to the mountains and epic wilderness of Ladakh, the area now covered by the Indian state of Jammu and Kashmir has long astounded visitors with its beauty. Marvel at the views from the roof of the world at Khardung La, trek along the frozen Zaskar River, stroll through the Eden-like Shalimar Gardens, take a shikara ride through the lotus-bedecked lakes of Srinagar and join the monks at Thiksey Monastery for early morning prayers by candlelight. After decades of instability, Kashmir is back on the tourist scene and keen to make up for lost time. This, the only standalone mainstream guide to the state, makes the ideal companion whether you want to white-water raft on the Indus River, relax on a houseboat or explore Buddhist culture at shrines up and down the region.

Kashmir

Bradt's Ladakh, Jammu and Kashmir remains the only standalone guide in English available to this stunning region of mountain wilderness and lush valleys. Although Ladakh is becoming an ever more popular destination, Zaskar, the Kashmir Valley and Jammu are still off the beaten path and full of wonders waiting to be discovered. This book is the ideal companion to these contrasting and spellbinding regions whether you want to white-water raft on the Indus, travel in a jeep along nerve-wracking mountain roads, relax on a houseboat, explore Buddhist culture in tucked away Ladakhi monasteries or hike over the high passes. Fully updated, this new edition includes chapters on background and practical information and a dedicated chapter on trekking, with nine easy-to-follow chapters covering the whole area, including Leh, The Suru Valley and Zaskar, Srinagar and Gulmarg, The Kashmir Valley and Jammu amongst others. New for this edition are additional trekking information and trekking maps, plus new travel routes. Ladakh, Zaskar and the Kashmir Valley have long astounded visitors with their

epic Himalayan beauty. Marvel at the views from the roof of the world at the breathless Khardung La mountain pass, stroll through Eden-like Shalimar gardens, trek remote mountain trails through Ladakh and Zaskar, take a shikara ride across the lotus bedecked lakes of Srinagar and join the Buddhist monks at Thiksey Monastery for early morning prayers by candlelight. Other highlights include, the Buddhas of Kargil, the Mughal Road, Mubarak Mandi and the houseboats of Srinagar. Whatever your interest, Bradt's Ladakh, Jammu and Kashmir is an indispensable guide.

Kashmir and Ladakh

Leisure travel is more widespread and accessible than ever before, but the world faces the growing problem of its unintended consequences. The desire to explore the globe has led to an increase in tourism, with billions of individuals traveling to various destinations, fueling economic growth and infrastructure development. However, it has brought forth many challenges that demand our attention, including the unsustainable consumption of energy, environmental degradation, climate change, and the excessive cost of maintaining tourist hotspots. The high influx of visitors to many destinations has left more than just a negative imprint upon nature, it has also disrupted the daily lives and livelihoods of residents. To address these pressing issues, *Supporting Environmental Stability Through Ecotourism* presents one possible solution in the form of a comprehensive book on ecotourism and sustainable tourism. It delves deep into the transformative power of ecotourism, offering insights into its economic, social, and cultural impacts. This book provides a holistic model for ecotourism adaptation and explores its potential as a sustainable alternative to traditional tourism. By examining the consumption patterns of eco-tourists and providing theoretical and literature support, this book offers valuable resources for prospective research in the field.

Supporting Environmental Stability Through Ecotourism

Includes travel, lodging, restaurant, and sightseeing recommendations for travelers headed for the Indian state of Jammu and Kashmir

Kashmir, Ladakh & Zaskar

This trekking guidebook gives detailed descriptions of eight different treks across the Ladakh, Zaskar and Markha Valley in northern India. Ranging from moderate difficulty to very demanding, the treks vary between 6 to 12 days in length, each trek is broken down into multiple stages, and has information on difficulty, available accommodation and access, as well as the many combinations and alternative routes open to exploration. Trek 1: Kharnak, 148 km / 10 days. Starts in Kharu in the Indus Valley and ends in Pang, on the Manali-Leh road. Trek 2: Tsarab Chu, 174km / 12 days. Starts in Pang and ends in Padum, Zaskar. Trek 3: Darcha to Padum - the classic trek to Zaskar, 135km / 9 days. Starts in Darcha and ends in Padum. Trek 4: Round Sultanlango, 112km / 6 days. Starts in Padum and ends in Stongde, Zaskar. Trek 5: Padum to Lamayuru - the classic trek from Zaskar, 148km / 8 days. Starts in Padum and ends in Lamayuru on the Kargil-Leh road. Trek 6: Padum to Lamayuru via the Kanji La, 169km / 10 days Trek 7: Alchi - a circuit over five passes, 98km / 8 days. Starts in Alchi in the Indus Valley and ends in Phanjila, Wanla, Lamayuru, Nurla or Mangyu Trek 8: Markha Valley, 113km / 9 days. Starts in Spituk, southwest of Leh and ends in Hemis near the Indus Valley Known as Little Tibet; for both its landscape and culture, Ladakh lies at the northern tip of India. The region is bisected by the great River Indus and neighbours Tibet and Kashmir. This quiet corner of the Himalaya has developed a strong trekking culture over recent years for adventurous trekkers. Trekking in this remote, high-altitude region is extremely challenging, as paths are not signed and there are only a limited number of villages. However, its magnificent landscape (a huge area full of limitless trekking possibilities), hospitable people, rich heritage and limited number of tourists make Ladakh an amazing destination. The guide includes background information on local culture, history and religion, as well as all the planning detail you need on crucial aspects such as environmental responsibility, health and safety in the mountains, trekking practicalities and preparation for altitude.

Kashmir, Ladakh & Zaskar

This practical travel guide to India features detailed factual travel tips and points-of-interest structured lists of all iconic must-see sights as well as some off-the-beaten-track treasures. Our itinerary suggestions and expert author picks of things to see and do will make it a perfect companion both, ahead of your trip and on the ground. Kashmir, Ladakh & Zaskar

All the three regions of Jammu and Kashmir state viz., Jammu, Kashmir and Ladakh have contributed significantly to the development of the state. But due to lack of data no concerted efforts were made to analyse the role of different sectors in the development of the state economy. Jammu and Kashmir is a state in northern India, often denoted by its acronym, J&K. It is located mostly in the Himalayan mountains, and shares borders with the states of Himachal Pradesh and Punjab to the south. The Line of Control separates it from the Pakistani-administered territories of Azad Kashmir and Gilgit-Baltistan in the west and north respectively, and a Line of Actual Control separates it from the Chinese-administered territory of Aksai Chin in the east. The state has special autonomy under Article 370 of the Constitution of India. From Jammu and Kashmir's accession to India in 1947 to the various negotiations thereafter; Sheikh Abdullah's arrest to the framing of the Constitution of Jammu and Kashmir and the replacement of Sadar-i-Riyasat, this book impeccably documents the little-known constitutional history of the state. The picturesque valley of Kashmir situated on the northern extremity of India, occupies a position of unique and strategic importance in the sub-continent of India. It excels in beauty, art, architecture, culture and tradition, rivers, mountains, flora and fauna than several regions of the world. This book will prove useful and informative to the planners, policy makers in the government and to social researchers, students in academics.

The Tourist's Guide to Kashmir, Ladakh, Skardo, &c

A comprehensive guide to trekking in 'Little Tibet, ' as the high altitude mountainous region of northwest India is known. "Leh & Trekking in Ladakh" is a newly researched guide containing the most accurate and detailed maps of the region.

Jammu and Kashmir

Tourist Arrivals In The State Have Increased manifold Since Independence. It Has Shown Its All-Round Development. In This Book Author Examines Various Facets Of This Smokeless Industry In The State. For Travelers, Teachers, Students And Researchers The Book Embodies All The Information Relevant To The History, Growth And Development Of Tourism In Jammu And Kashmir State.

Trekking in Ladakh

In northern India, the diverse physiography of the state of Jammu and Kashmir, situated in the western Himalayas, exhibits the shape of a terrace having three steps of increasing elevation from south to north. The lower step comprises the sub-Himalayan Jammu, the middle is Himalayan Kashmir, and the upper as trans-Himalayan Ladakh. This varied surface configuration makes these regions quite distinct where Jammu is mostly hilly; Kashmir, a sizeable plain surrounded by mountains; and Ladakh, an area of towering landforms. By virtue of its latitudinal location, the state lies within the sub tropics, but such conditions here are altered by a varying altitude, restricting the sub tropical climate to southern parts of Jammu region. The northern parts of the Jammu and Kashmir valley experience temperate climate, while Ladakh is a cold highland desert. Consequently, each region is in possession of different environmental assets and constraints. This book provides a concise and coherent account of the geography of Jammu and Kashmir. It deals briefly with the political history of Jammu and Kashmir, and then traces the geological evolution of the state. The book includes chapters on the physical features of each region. It offers a clear understanding of the basics of the physical environment, presenting the weather and climate at the regional and the sub-regional level.

The Rough Guide to India: Travel Guide eBook

Srinagar in the Kashmir Valley is the summer capital of the Indian state of Jammu and Kashmir and the largest city in the Kashmir region. Most people visit the city in the summer months. The temperature at this time is cool to pleasant. Light sweaters may be needed for occasional cool nights in the summertime. In winter, you will need full winter gear and expect snow and few places to have hot water. For better views and a more peaceful ride in an area devoid of other tourists, walk up a fair bit of distance till you can see the fountain and ask the Shikara rider to take you for a ride to the fountain. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Jammu & Kashmir

Have you ever heard of Ladakh or know where it is located? Even India locals will answer, "No," when asked that question. Ladakh is situated in Northern India; a land of monasteries or "gompas" (as they are called here), surreal landscape, surrounded by the Zaskar range in the South, Ladakh range in the North and great Karakoram range in the Northwest. The Indus Valley civilization is one of the oldest in the world, dating back around 5,000 years. Centuries ago, trade caravans from Tibet, Kashmir and China passed through the Nubra Valley. Ladakh today is where in-the-know tourists come to hike, trek, take jeep excursions and sightsee because... Ladakh is downright cheap, exotic, and filled with friendly people who have kept their ancient customs. Let Travels With Sheila teach you how to Travel the World on a Budget, share exotic locations known only to locals, and most importantly, ease your fears about languages, currencies, personal safety and staying healthy. Follow her advice to avoid making mistakes she learned the hard way during four separate, in-depth visits. Few travelers know Ladakh better than Sheila. HERE'S SOME OF THE INFORMATION YOU'LL FIND INSIDE... - Important Tips for Traveling Into and Around Ladakh. - What to See and Do in Ladakh. - Trekking Information. - Learn About Important Festivals, and more.... Travelers don't have to trek or hike to enjoy Ladakh's many attractions. Attend a colorful Buddhist Festival. Visit untouched monasteries dating from the Tenth Century. Meditate. Spend days shopping in the Leh Bazaar. Go rafting on the Indus River. And, bring your children to this friendly country for a once in a lifetime experience. Buy your copy of Sheila's Guide to Ladakh and be one of only 18,000 Westerners who venture into exciting Ladakh each year!

Leh & Trekking in Ladakh

A new, thoroughly updated 12th edition of Bradt's Madagascar, the leading and most comprehensive guide to this unique island nation, written by Hilary Bradt, who first visited in 1976 and has returned roughly 35 times, and Daniel Austin, who has visited 12 times and continues to travel there annually. Bradt's Madagascar is by far the most thorough guide to the country in English and is written and updated by established experts whose unparalleled knowledge of Madagascar combines with contributions from over 50 experts in a book which has been the most authoritative guide to the country for three decades. It covers national parks and protected areas and includes itineraries to suit all interests and budgets, plus details of around 1,000 hotels and restaurants. Madagascar is like nowhere else on earth. It is fascinating not only zoologically and botanically, but culturally, linguistically, historically and geologically. This vast island is the fourth largest in the world and also the oldest. This is part of the reason why it has evolved into an incredible hotspot for biodiversity, with a truly unique flora and fauna that is more than 80% endemic to the island, and with new species being described virtually on a daily basis. Madagascar is also the only place where you can see wild lemurs. Almost a quarter of the world's 450-or-so primates exist only here. With Bradt's Madagascar you can visit tropical rainforest and seek out its incredible flora and fauna; explore the otherworldly eroded limestone spires, most famously at Tsingy de Bemaraha National Park - Madagascar's most striking landscape; discover the beach-fringed islands around Nosy Be with their fabulous scuba diving, snorkelling, kayaking, whale-watching and fishing opportunities; and make the most of a host of adventuring and sporting possibilities, including surfing, windsurfing, kitesurfing, rock climbing, tree climbing, caving, river trips, mountain biking, distance running, quad biking, trekking and hiking. Also covered are the UNESCO World Heritage Site of Ambohimanga; the renowned Avenue des Baobabs, one of the country's most photographed scenes, and information on the best birdwatching spots: Madagascar has almost 300 avian species, with a high proportion of endemics, including five whole endemic families.

Best Escapes - Jammu and Kashmir 1

'What Jimmy Cornell doesn't know about cruising isn't worth knowing' - Yachting World One of the most influential cruising yachtsmen writing today, Jimmy Cornell has sailed over 200,000 miles on all the oceans of the world, including three circumnavigations and voyages to the Arctic and Antarctic. His successful guide to sailing around the world, World Cruising Routes, has helped many aspirational voyagers turn their dreams into reality and follow in his footsteps. Here in its extensively revised edition is its partner, covering all the land-based essentials for cruisers. This substantial handbook profiles every cruising destination in the world, with information on cruising attractions, history, culture, climate (including average monthly temperatures and rainfall, plus tropical storm seasons), local laws, regulations and formalities, facilities available, plus public holidays and events, emergency telephone numbers, and much more. Everything the cruiser needs to know about. Lavishly illustrated throughout, it is not only a must-have onboard reference work for long distance sailors, but will undoubtedly inspire the adventurous to sail where they have never sailed before.

Jammu, Kashmir and Ladakh

Travelling across India on a motorcycle is an intimate way to get acquainted with its myriad cultures, each with their unique beliefs and lifestyle. One Life to Ride is based on a motorcycle journey from Pune to Ladakh and Kargil - a travel story which takes the reader through the hot and dusty plains of India to the higher mountains of the vast Himalayan range many covered in snow even in June. Weaving its way along coastal roads of western India, to Goa, with pig toilets and palm liquor, the tale winds through old and new stories - one from a holy-man cycling from Mumbai to Mecca, another about the meditation technique of Vipassana, yet another of a light-hearted con-game at a scout's camp in Rajasthan - the

tale finally takes you to the highest motorable road in the world - the fabled Khardung-La. You'll meet Sufi saints, fake fakirs and homesick soldiers. You'll get stuck in an icy road river and be miraculously rescued. You'll feel the stress an average Kashmiri experiences everyday. You'll see how blind and dangerous religion can be if it is only followed in rituals and illogical beliefs. You'll see how friendly and hospitable everyone is on the roads of India. You'll come away feeling exhilarated, entertained and yes, also exhausted by the physical arduousness of the motorcycle ride. Witty, reflective and honest, *One Life to Ride* is a daring real life adventure which will keep you turning the pages. Maybe even make you wish you were riding pillion.

Studies in Geography of Jammu and Kashmir

. The only guide dedicated solely to the new Republic of the Sudan. Explore entire pyramids and other ancient sites entirely free of tourist crowds. Drink in views over the Sudanese plains from the granite Taka Mountains. Dive the reef where Jacques Cousteau conducted his experiment in underwater living . Experience Sudan's cultural diversity among the 50 tribes of the Nuba Mountains. Read advice on where to stay/eat, travelling safely and cultural etiquetteAs a staple of bleak news headlines, Sudan has been slow to make its abundant attractions known to the outside world. Few foreigners have heard of the Kingdom of Kush, walked among the isolated pyramids of Meroë or witnessed the whirling dervishes of Omdurman. Yet those who do make it here are invariably enchanted by its easy-going nature, fascinating history and the warm welcome they receive from the Sudanese people. This, the only stand-alone guide to post-partition Sudan, leads you expertly from the labyrinthine souks of Khartoum to coral-bedecked wrecks off the Red Sea coast. Whether you're rushing through on the trans-Africa trail or whiling away weeks among rich archaeological sites, this fully revised third edition is your indispensable companion.

Madagascar

Separated from the north in 2011, South Sudan is the world's newest country and has emerged from decades of inaccessibility as a vibrant and diverse destination. Nature lovers are drawn to the region to experience one of the world's largest wetlands, the many tropical forests and the second-largest wildlife migration on earth. The tribal peoples such as the Dinka, Bari and Zande preserve unique cultures thousands of years in the making. Authors Sophie Ibbotson and Max Lovell-Hoare provide practical information on getting around this new country where the travelling is rugged but the rewards are immense. This stand-alone guide outlines tour operators, hotels, restaurants, suggested itineraries, and how you can give back to the community. The chapter on Sudanese culture provides in-depth coverage of its languages, people and culture. Divided into geographical regions with photographs and maps, South Sudan enables the intrepid traveller to explore the length and breadth of the country.

Know Your State J & K

This book has three sections; Poetry, Essay and Drama. The content provided in the Poetry section includes a brief biographical note on poet, summary of the poem followed by question/answers. The second section of Essays includes a short note on authors and all the brain storming question/answer divisions like 'Stop and Think', 'Understanding the Text', and 'Appreciation of the Text'. The final section, Drama includes a short bio-note of dramatist, simplified plot of the drama and the question/answer sections like 'Thinking about the Play', 'Talking about the Play' and 'Appreciation'.

World Cruising Destinations

This new, thoroughly updated second edition of the most practical guide to Central Asia's smallest and least understood country brings to life the 'Roof of the World': Tajikistan. Enhanced trekking details and maps are included, along with more detailed practical information than any other guidebook. Travelling to and entering Tajikistan is easier than ever before with improved transport infrastructure and a new airport terminal in the capital, Dushanbe. Accommodation options in the capital have also improved with new high-end hotels now open for business. This new edition includes details of all such changes and improvements. With this guide you can explore the Tajik side of the Wakhan Corridor, complete with

fortresses, petroglyphs, and stunning views of the Pamirs and Hindu Kush. Also covered are the Fann Mountains, easily the most accessible - and one of the most beautiful - mountain ranges in Tajikistan, the UNESCO World Heritage Sites of Sarazm and the Tajik National Park, the hot springs of Garm Chashma, and the Tajikistan section (which forms the majority) of the Pamir Highway, arguably the most spectacular drive in the world. Epic mountain landscapes, glacial lakes, and the mighty Amu Darya - the Oxus River of antiquity - encircle ancient Buddhist sites, Silk Road trading posts, medieval shrines, and planned Soviet cities alike. The modern population continues to draw upon its diverse heritage from Persia, China, Afghanistan and Russia, creating a complex and intriguing culture waiting to be discovered. With first-hand descriptions of everything from Sogdian ruins to playing the traditional sport of buz kashi, trekking on the Murghab Plateau and eating shashlik in garden tea houses, Tajikistan's expert authors bring the country alive in Bradt's new and fully updated edition.

Jammu & Kashmir
