Everything You Need to Ace World History in One Big Fat Notebook

It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace World History . . . kicks off with the Paleolithic Era and transports the reader to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in marker colors. Definitions explained.

Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

Study Guide for World History I

World History: Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day. By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters. In this volume, chapters are divided into three parts as follows: PART 1. EMERGENCE (Human origins to 500 CE) PART 2. ORDER (1 CE-1500 CE) PART 3. CONNECTIONS (500-1600 CE) The expanded new edition features an impressive full-color design with a host of illustrations, maps and primary source excerpts integrated throughout. Chapter opening timelines supply context for the material ahead, while end of chapter questions and annotated additional resources provide students with the tools for independent study. Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study.

Church History 1805 to 1832. This volume is the first of three on Church History and the Doctrine and Covenants. It covers Church history and the revelations in the Doctrine and Covenants from the birth of Joseph Smith in 1805 through the beginnings of the Kirtland and Missouri periods. We learn concerning the First Vision, the coming forth of the Book of Mormon, the restoration of the priesthood, and many early revelations given to individual members of the Church. We study the organization of the Church in 1830 and the migration of the Saints to Kirtland, Ohio, where the law and order of the Church is given, the law of consecration begins, and spiritual gifts are manifested. We also read concerning the early events in Missouri, where the land of Zion is dedicated for the gathering of the Saints. In all, it covers 27 years of Church History, and covers sections 1-99 of the Doctrine and Covenants and the Joseph Smith History in the Pearl of Great Price. The cover features "Young Joseph," a painting of the Prophet Joseph Smith pondering in the Sacred Grove, by Walter Rane.

McGraw-Hill's 500 World History Questions, Volume 1: Prehistory to 1500: Ace Your College Exams

Exam board: Pearson Edexcel Level: GCSE (9-1) Subject: History First teaching: September 2016 First exams: Summer 2018 Endorsed for Pearson Edexcel qualifications Discover a fresh approach to Pearson Edexcel GCSE History, developed by bestselling author Ben Walsh while working with hundreds of students and teachers across England. Unlike other textbooks, which were written before the 9-1 GCSEs had been taught, this book is rooted in real classroom experience, so it tackles the big challenges head on. You can rely on Ben Walsh History to: Do the hard work for you. The large amount of content has been turned into a manageable and logically structured GCSE course, which teachers and students can easily follow in the time available Use good history practice as the vehicle for exam success. This book doesn't just teach to the test; it progressively builds students' skills and conceptual understanding, turning them into accomplished historians who will approach their exams with confidence Hook students in and make history memorable. Ben's trademark mix of rich narrative and interesting sources will engage students of all abilities and provide suitable challenge to move them up the grades Focus on what really matters. All of the features in the book are designed to help students to consolidate their knowledge and remember the key content - from 'Focus tasks' and regular 'Retrieval practice' questions to end-of-chapter revision tasks Give straightforward exam advice. 'What does it mean?', 'Jargon buster' and 'Myth buster' boxes explain the exam requirements and question types. 'Top tips', 'Success criteria', annotated model answers and simplified 'thumbs up' mark schemes ensure that students understand how to answer questions effectively This book covers the following units: Period study Modern depth study This book is fully aligned with Issue 3 of the specification (April 2021), including the amendments to The American West period study.

Human Heritage

This guide integrates concisely the conventional narratives of history with the stories of the continents and communities of Asia, Africa and Latin America.
