Prayer for Mercy for Poor Sinners

... I call upon You and I beg Your **mercy**, for poor sinners.

O Jesus, be mindful of Your own bitter Passion and do not permit the loss of souls redeemed at so dear a price of Your most precious Blood.

O Jesus, when I consider the great price of Your Blood, I rejoice at its immensity, for one drop alone would have been enough for the salvation of all sinners.

Heaven and earth may change, but God's **mercy**, will ...

... they may glorify Your **mercy**, throughout endless ages.

End of Mercy

Charlie's secret puts them all in danger!The treacherous journey has ended and Charlie is finally safe behind the walls of The Mercy Research Hospital. Yet, even as she feels the relief of safety, something's not right inside this secure world. More is revealed about the research conducted in The Dead Forest, and the role she plays flips her world on its head and makes her question everything she knows as truth. And even as Charlie allows herself to relax, she meets Dr. Drake, the medical researcher who insists she's creating a better world. Of course, once you've fought off Draghoul and all the stuff of nightmares, a doctor with questionable motives is just one more challenge to take on.Once again, with much against her, Charlie must act for Star, Thomas, and all those she's come to care about to prevent the destruction of everything...and everyone...remaining in the forest.

Mercy

Special Agent Atlee Pine's quest to find her missing sister reaches an explosive climax in Mercy, the gripping follow up to Long Road to Mercy and Daylight, from one of the world's most favourite thriller writers, David Baldacci. The hunt is finally over. FBI agent Atlee Pine is at the end of her long journey to discover what happened to her twin sister, Mercy, who was abducted when the girls were just six years old – an incident which destroyed her family and left Atlee physically and mentally scarred. She knew her sister and parents were out there somewhere. And she had to find them. Dead or alive. Atlee and her assistant, Carol Blum, discover the truth. But the truth hurts. And hurt makes you tough. So how tough do you have to be to forgive? As they uncover a shocking trail of lies, greed, fear and revenge, they must face one final challenge. A challenge more deadly and dangerous than they could ever have imagined . . .

A Time for Mercy

THE SUNDAY TIMES BESTSELLER Jake Brigance, lawyer hero of A Time to Kill and Sycamore Row, is back, in his toughest case ever. 'A new Grisham legal thriller is always an event, but this one is exceptional as the author is returning to Jake Brigance, the hero of his very first book, A Time To Kill . . . There is a lot of Grisham in Brigance - they were both street lawyers on the side of the people, not big corporations. It gives the book an emotional core that burns with a white heat' - Daily Mail 'A master of plotting and pacing . . . suspenseful' - New York Times CAN A KILLER EVER BE ABOVE THE LAW? Deputy Stuart Kofer is a protected man. Though he's turned his drunken rages on his girlfriend, Josie, and her children many times before, the police code of silence has always shielded him. But one night he goes too far, leaving Josie for dead on the floor before passing out. Her son, sixteen-year-old Drew, knows he only has this one chance to save them. He picks up a gun and takes the law into his own hands. In Clanton, Mississippi, there is no one more hated than a cop killer - but a cop killer's defence lawyer comes close. Jake Brigance doesn't want this impossible case but he's the only one with enough experience to defend the boy. As the trial begins, it seems there is only one outcome: the gas chamber for Drew. But, as the town of Clanton discovers once again, when Jake Brigance takes on an impossible case, anything is possible ... Starring the same hero and setting that featured in John Grisham's multi-million-selling bestsellers A Time to Kill (adapted as a film starring Samuel L. Jackson and Matthew McConaughey) and Sycamore Row, A Time for Mercy is an unforgettable thriller you won't be able to put down. 'When Grisham gets in the courtroom he lets rip, drawing scenes so real they're not just alive, they're pulsating' Mirror 'A superb, instinctive storyteller' The Times 'Storytelling genius ... he is in a league of his own' Daily Record 350+ million copies, 45 languages, 10 blockbuster films: NO ONE WRITES DRAMA LIKE JOHN GRISHAM

Long Road to Mercy

Number one bestseller Long Road to Mercy is the heart-pounding first novel in the FBI Special Agent Atlee Pine series by bestselling author David Baldacci. FBI Special Agent Atlee Pine has learnt three lessons in life: Some wounds never heal. Atlee's twin sister, Mercy, was abducted from their bedroom over thirty years ago, and Atlee has spent every day since wondering what happened to her. Time doesn't lessen your pain. The prime suspect, notorious serial killer Daniel James Tor, is in a high-security prison, but with no confession, Atlee continues to search for her sister, even as Tor taunts her from jail. But she can always make a difference. Wracked by survivor's guilt, Atlee joined the FBI to hunt down killers like Tor. Assigned to the remote wilds of the Western United States, she has spent years honing her skills and building her endurance, always with one eye on the ultimate goal. Now, Atlee Pine is tasked with an investigation which begins with a missing person in the Grand Canyon. And ends with a discovery much more sinister and far-reaching. Continue the gripping series with A Minute to Midnight.

Darkest Mercy

The fifth and final breathtaking instalment in the darkly seductive and best-selling WICKED LOVELY series, about the collision of mortal and faery worlds...

No Mercy

Family always comes first. Until now. Get ready for the ultimate summer read with the explosive new novel from Sunday Times No.1 bestseller and 'undisputed queen of crime writing' (Guardian) Martina

Cole. Diana Davis has been head of the family business since the death of her husband, an infamous bank robber. She's a woman in a man's world, but no one messes with her. Her only son, Angus, is a natural born villain, but he needs to earn Diana's trust before she'll allow him into the business. Once he's proved he has the brains to run their clubs in Marbella, he is given what he's always wanted. It's the beginning of a reign of terror that knows no bounds. But Angus has a blind spot: his wife, Lorna, and their three kids, Angus Junior, Sean and Eilish. And as the next generation enters the business, Angus has a painful truth to learn. Even when it comes to family, he must show no mercy... 'She's a total one-off' Guardian 'The stuff of legend' Mirror 'Superstar crime writer' This Morning 'There really is only one Martina Cole' Closer 'The undisputed Queen of crime writing' Erwin James

A Mercy

'A beautiful and important book' The Times On the day that Jacob, an Anglo-Dutch trader, agrees to accept a slave in lieu of payment for a debt from a plantation owner, little Florens's life changes irrevocably. With her keen intelligence and passion for wearing the cast-off shoes of her mistress, Florens has never blurred into the background and now at the age of eight she is uprooted from her family to begin a new life with a new master. She ends up part of Jacob's household, along with his wife Rebekka, Lina their Native American servant, and the enigmatic Sorrow who was rescued from a shipwreck. Together these women face the trials of their harsh environment as Jacob attempts to carve out a place for himself in the brutally unforgiving landscape of North America in the seventeenth century. 'Toni Morrison is the greatest chronicler of the American experience that we have ever known' Tayari Jones, New York Times BY THE NOBEL PRIZE-WINNING AUTHOR OF BELOVED Winner of the PEN/Saul Bellow award for achievement in American fiction

Sisters of Mercy

Sisters of Mercy by Caroline Overington is the haunting crime novel story of two sisters - one has vanished, the other is behind bars... Snow Delaney was born a generation and a world away from her sister, Agnes. Until recently, neither even knew of the other's existence. They came together only for the reading of their father's will - when Snow discovered, to her horror, that she was not the sole beneficiary of his large estate. Now Snow is in prison and Agnes is missing, disappeared in the eerie red dust that blanketed Sydney from dawn on September 23, 2009. With no other family left, Snow turns to crime journalist Jack Fawcett, protesting her innocence in a series of defiant letters from prison. Has she been unfairly judged? Or will Jack's own research reveal a story even more shocking than the one Snow wants to tell? With Sisters of Mercy Caroline Overington once again proves she is one of the most exciting new novelists of recent years.

Mercy: an Atlee Pine Novel 4

Mercy is the gripping follow up to Long Road to Mercy, A Minute to Midnight and Daylight featuring Special Agent Atlee Pine from one of the world's most favourite thriller writers, David Baldacci. THE HUNT IS FINALLY OVER. FBI agent Atlee Pine is at the end of her long journey to discover what happened to her twin sister, Mercy, who was abducted when the girls were just six years old - an incident which destroyed her family and left Atlee physically and mentally scarred. She knew her sister and parents were out there somewhere. And she had to find them. Dead or alive. Atlee and her assistant, Carol Blum, discover the truth. But the truth hurts. And hurt makes you tough. So how tough do you have to be to forgive? As they uncover a shocking trail of lies, greed, fear and revenge, they must face one final challenge. A challenge more deadly and dangerous than they could ever have imagined.

Not Without Mercy

"I highly recommend, Not Without Mercy. First, it is a story of faith and family during one of the world's darkest chapters – the Black Death. Many of the challenges the Beorn family faced in this book will parallel the challenges our own families will endure in the coming days of trial. Secondly, Phill's story is unique because it is based on numerous dreams and visitations wherein the characters of his book appeared at his bedside and told them their stories firsthand. Phill later learned that these characters were his family members who lived during the mid-1300s in Bristol, England. The story they said is very timely for our day and the desolating pestilence that has been foretold. Furthermore, this story demonstrates that the veil is thin and that the hearts of the fathers have turned towards the children. I believe in the administration of angels. Who would have a more vested interest in administering to us than our own family? Not Without Mercy is a beautiful testament that family bonds do not end in the

grave." Michael B. Rush, author of, A Remnant Shall Return, Daniel 11, Revelation, The Vision of John The Devine and Delight in Plainness.

De Immensa Dei Misericordia. End. Thus endeth this boke of the mercy of god, in many places better amended than it was before. Translated by G. Hervet. Eng. B.L.

Mercy

When twelve-year-old Sidney Henderson pushes his friend Connie off the roof of a local church in a moment of anger, he makes a silent vow: Let Connie live and I will never harm another soul. At that very moment, Connie stands, laughs, and walks away. Sidney keeps his promise through adulthood despite the fact that his insular, rural community uses his pacifism to exploit him. Sidney's son Lyle, however, assumes an increasingly aggressive stance in defense of his family. When a small boy is killed in a tragic accident and Sidney is blamed, Lyle takes matters into his own hands. In his effort to protect the people he loves -- his beautiful and fragile mother, Elly; his gifted sister, Autumn; and his innocent brother, Percy -- it is Lyle who will determine his family's legacy.

Mercy Among the Children

Daylight is the gripping follow up to Long Road to Mercy and A Minute to Midnight featuring Special Agent Atlee Pine, from one of the world's most favourite thriller writers, David Baldacci. The hunt Ever since Mercy was abducted aged six, Atlee has been relentless in her search for her. Finally, she gets her most promising breakthrough yet – the identity of her sister's kidnapper. The capture As Atlee and her assistant, Carol Blum, race to track down the suspect, they run into Pine's old friend and fellow agent, John Puller, who is investigating the suspect's family for another crime. The kill Working together, Pine and Puller must pull back the layers of deceit, lies and cover-ups that strike at the very heart of global democracy. And the truth about what happened to Mercy will finally be revealed. That truth will shock Atlee Pine to her very core. Continue the gripping series with Mercy.

Daylight

In telling her dramatic journey from grief to forgiveness, Bosco presents compelling arguments to why the death penalty does not work and morally is wrong. "Choosing Mercy" is timely, gut-honest, and inspiring.

Choosing Mercy

"Never underestimate the power of a group of women. Fierce, thoughtful and dramatic—this is a story of true courage." —Susan Wiggs, New York Times bestselling author She would stop at nothing to protect the women under her care. Inside a century-old row house in Brooklyn, renegade Sister Evelyn and her fellow nuns preside over a safe haven for the abused and abandoned. Gruff and indomitable on the surface, warm and wry underneath, little daunts Evelyn, until she receives word that Mercy House will be investigated by Bishop Hawkins, a man with whom she shares a dark history. In order to protect everything they've built, the nuns must conceal many of their methods, which are forbidden by the Catholic Church. Evelyn will go to great lengths to defend all that she loves. She confronts a gang member, defies the church, challenges her own beliefs, and faces her past. She is bolstered by the other nuns and the vibrant, diverse residents of the shelter—Lucia, Mei-Li, Desiree, Esther, and Katrina—whose differences are outweighed by what unites them: they've all been broken by men but

are determined to rebuild. Amidst her fight, Evelyn discovers the extraordinary power of mercy and the grace it grants, not just to those who receive it, but to those strong enough to bestow it.

Psalm CXXV to CL

In this sequel to *The Kinder Poison*—which *People* magazine proclaimed a "delicious high-stakes adventure"—the magical kingdom of Orkena is on the brink of war, and the only person who can save it is Zahru, the girl they once doomed to death. After surviving the Crossing, Zahru has sworn off adventures. While Crown Prince Jet navigates the looming threat of war, she's content to simply figure out what the future holds for them. But they're dealt a devastating blow when prince Kasta returns with a shocking claim: he's the true winner of the Crossing and the rightful heir, and he bears the gods' mark as proof. Even more surprising—he's not the only one. Somehow, Zahru possesses the very same mark, giving her equal right to the throne. The last thing she wants is to rule beside her would-be executioner, but she can't let Orkena fall into his merciless hands. So Zahru, Jet, and their allies must race against the clock to find a way to stop Kasta, because once he's crowned, there's no telling what horrors he'll unleash to win the war. Zahru will do whatever it takes to keep Kasta from taking the throne...but to stop a villain, is she willing to become one herself?

Mercy House

"Please do everything to save his life." It is always heard at any place where care is given, although it is not said in each and every situation. Nowadays, the doctor's decision about his or her patients has become a dilemma. Is it the doctor's duty to relieve pain and suffering even by taking the patient's life? Or should she or he respect human life and stand back, waiting for the nature to take its course? Some people argue that in certain circumstances killing someone to relieve his or her suffering should be considered as a mercy killing, while others believe that letting someone die naturally is a matter of respecting human life. This book presents a simplistic way of thinking in a very complicated debate. It is about euthanasia, a topic which has been generally ignored and, unfortunately, in many countries has been misused or neglected. In fact, this book will show the exact meaning of the term "mercy killing" and the various types that exist. It will also describe the attitudes of many countries and the beliefs of different religions, as well as medical and social views about euthanasia.

The Treasury of David; Containing an Original Exposition of the Book of Psalms, a Collection of Illustrative Extracts ... Homiletical Hints ... and Lists of Writers on Each Psalm

Maddie Layne's life hasn't been the same since her sister was murdered. The police never found Greta's body so all Maddie was left with was unanswered questions - and her orphaned nephew, Zac, to look after. She works hard to make sure Zac has everything he needs; she even tends graves for some extra cash. Maddie isn't looking for any trouble. Lucy Rivers died decades ago under suspicious circumstances and the people responsible believe the entire affair is over. And then the mysterious Cato hires Maddie to tend to Lucy's neglected grave. Maddie starts asking innocent questions, but when she learns that the deaths of her sister and Lucy are linked she knows she must dig deeper. Lena Gissing, matriarch of one of the East End's most vicious families, has a vested interest in making sure the truth stays buried. She's not about to let a nobody like Maddie Layne get in the way . . .

The Cruellest Mercy

Is mercy more important than justice? Since antiquity, mercy has been regarded as a virtue. Yet by the end of the eighteenth century, mercy had been exiled from political life. In this book, Malcolm Bull analyses and challenges the Enlightenment's rejection of mercy. Political realism, Bull argues, demands recognition of the foundational role of mercy in society. If we are vulnerable to harm from others, we are in need of their mercy. By restoring the primacy of mercy over justice, we may constrain the powerful and release the agency of the powerless. An important contribution to political philosophy from an inventive thinker, *On Mercy* makes a persuasive case for returning this neglected virtue to the heart of political thought.

Euthanasia

"These eighteen essays span more than thirty years of Lavina Fielding Anderson's concerns about and reflections on issues of inclusiveness in the Church of Jesus Christ of Latter-day Saints, including her own excommunication for "apostasy" in 1993, followed by twenty-five years of continued attendance

at weekly LDS ward meetings. Written with a taste for irony and an eye for documentation, the essays are timeless snapshots of sometimes controversial issues, beginning with official resistance to professionally researched Mormon history in the 1980s. They underscore unanswered questions about gender equality and repeatedly call attention to areas in which the church does not live up to its better self. Compassionately and responsibly, it calls Anderson's beloved religion back to its holiest nature"--

No Mercy

Transcribing the journal entries of a victim of the Salem witch trials, Lauren realizes that the secrets of Mercy's story extend beyond the pages of her diary, and forces her to take a startling new look at her own life.

On Mercy

On January 11, 2003, Illinois Governor George Ryan--a Republican on record as saying that "some crimes are so horrendous . . . that society has a right to demand the ultimate penalty"--commuted the capital sentences of all 167 prisoners on his state's death row. Critics demonized Ryan. For opponents of capital punishment, however, Ryan became an instant hero whose decision was seen as a signal moment in the "new abolitionist" politics to end killing by the state. In this compelling and timely work, Austin Sarat provides the first book-length work on executive clemency. He turns our focus from questions of guilt and innocence to the very meaning of mercy. Starting from Ryan's controversial decision, *Mercy on Trial* uses the lens of executive clemency in capital cases to discuss the fraught condition of mercy in American political life. Most pointedly, Sarat argues that mercy itself is on trial. Although it has always had a problematic position as a form of "lawful lawlessness," it has come under much more intense popular pressure and criticism in recent decades. This has yielded a radical decline in the use of the power of chief executives to stop executions. From the history of capital clemency in the twentieth century to surrounding legal controversies and philosophical debates about when (if ever) mercy should be extended, Sarat examines the issue comprehensively. In the end, he acknowledges the risks associated with mercy--but, he argues, those risks are worth taking.

Mercy Without End

Esther Amariah always knew she was different. At 6 years old she accepted Christ into her life and so followed a series of painful years in public school with bullying after she was horrifically bitten by a dog the same day her dad was hit by a drunk driver. After learning to accept herself for who she was in Christ, she moved on with her life getting married and having children after moving out of her home state. 12 years of marriage ended up leaving her homeless with two toddlers, moving back in with her parents to start all over with nothing while her husband cheated. Soon after, Esther's father had a widow maker heart attack, leaving the whole family to survive on small child support payments, no jobs, no vehicles...no hope. See how God provided!!

The Shape of Mercy

The #1 New York Times bestselling author and "master...at targeting hot issues and writing highly readable page-turners about them" (The Washington Post) weaves an unforgettable and moving novel of a small town gripped by a shocking and controversial murder trial. Cameron McDonald, the police chief of his small New England town, is forced to make the toughest arrest of his life when his cousin Jamie confesses that he has killed his wife. He claims that since she was suffering from a terminal disease, he ended her life out of mercy. Now, a heated murder trial plunges the town into upheaval, and drives a wedge into a contented marriage: Cameron, aiding the prosecution in their case against Jamie, is suddenly at odds with his devoted wife, Allie, who believes Jamie so loved his wife, he granted her wish to end her life. And when an inexplicable attraction leads to a shocking betrayal, Allie faces the hardest questions of the heart: when does love cross the line of moral obligation? And what does it mean to truly love another? Praised for her "personal, detail-rich style" (Glamour), Jodi Picoult infuses this page-turning and evocative novel with heart, warmth, and startling candor.

Journey's End

"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded

the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship - and transformed his understanding of mercy and justice forever."--Back cover.

Mercy on Trial

In this Tuesdays with Morrie-type book, a pastor reveals lessons for living he's learned from the dying. What would you do with your life, if you knew it was going to end soon? Mercy is a pastor's recording of the life lessons he's discovered as a result of sitting at the bedsides of courageous people facing death's certainty. Peter Roebbelen explores the gifts that people have given him, the wisdom that he's gleaned from them, almost as if he's been the one being counseled, rather than the other way around. This joyful and instructive book will encourage anyone who reads it to live to the fullest in the present, and to love the people around them as never before.

Mercy and Grace

It is the spring of 1767 and Erasmus Kemp has brought back fugitive settlers from America, among them Sullivan, an Irish fiddler. As Sullivan sits in jail, charged with playing a role in the loss of Kemp's father's ship, he makes a solemn vow to gain his freedom and personally deliver the news of a shipmate's passing to his family.

Mercy

Will you side with mother or daughter? When Mercy Mulcahy was 40 years old, she was accused of killing her elderly and tyrannical father. Now, at the end of her life, she has written a book about what really happened on that fateful night of Christmas Eve, 1989. The tragic and beautiful Mercy has devoted her life to protecting Star, especially from the father whose behavior so blighted her own life. Yet Star vehemently resists reading her manuscript. Why? What is Mercy hiding? Was her father's death, as many believe, an assisted suicide? Or something even more sinister? In this book, nothing is what it seems on the surface and everywhere there are emotional twists and surprises. ("Breathtaking, and I mean literally -- actual gasps will happen" said one reader review). Set in Ireland and California, Blue Mercy is a compelling novel that combines lyrical description with a page-turning style to create an enthralling tale of love, loss and the ever-present possibility of redemption.

Just Mercy

Winner of the 2016 Alex Award Best Book of 2015 —Kansas City Star In this intricate novel of psychological suspense, a fatal discovery near the high school ignites a witch-hunt in a Southeast Texas refinery town, unearthing communal and family secrets that threaten the lives of the town's girls. In Port Sabine, the air is thick with oil, superstition reigns, and dreams hang on making a winning play. All eyes are on Mercy Louis, the star of the championship girls' basketball team. Mercy seems destined for greatness, but the road out of town is riddled with obstacles. There is her grandmother, Evelia, a strict evangelical who has visions of an imminent Rapture and sees herself as the keeper of Mercy's virtue. There are the cryptic letters from Charmaine, the mother who abandoned Mercy at birth. And then there's Travis, the boy who shakes the foundation of her faith. At the periphery of Mercy's world floats team manager Illa Stark, a lonely wallflower whose days are spent caring for a depressed mother crippled in a refinery accident. Like the rest of the town, Illa is spellbound by Mercy's beauty and talent, but a note discovered in Mercy's gym locker reveals that her life may not be as perfect as it appears. The last day of school brings the disturbing discovery, and as summer unfolds and the police investigate, every girl becomes a suspect. When Mercy collapses on the opening night of the season, Evelia prophesies that she is only the first to fall, and soon, other girls are afflicted by the mysterious condition, sending the town into a tailspin, and bringing Illa and Mercy together in an unexpected way. Evocative and unsettling, The Unraveling of Mercy Louis charts the downfall of one town's golden girl while exploring the brutality and anxieties of girlhood in America.

Mercy

Mercy...My world shattered when my father died. The last thing I wanted was to live with my mother and stepfather. My eighteenth birthday was only one week away though. I was forced to tough it out.I was

used to my mother being a bitch but her husband was ten times worse. He was an asshole. He was the enemy. He pissed me off around every corner. So how did I end up fucking him against the wall on my eighteenth birthday? Dame... Coming home to find my wife's teenage daughter sleeping on my couch was the last thing I wanted to see. She was a brat with a bad attitude. I couldn't imagine being around her another second. So waiting a week for her to turn eighteen would be torture. She was annoying. She was a hell spawn. She defied me every chance she got. So how did I end up deep inside of her and begging for Mercy every chance I got?

The Quality of Mercy

Forged in Fire: A Testimony in Fact or Fiction? The Search for the Narrow Road, Vol. I By: Edgar French, Jr. Take an adventurous and exciting ride with an auspicious and audacious inner-city youth while unlocking the secrets of the universe, and traversing the hazardous pitfalls of society's nomenclature and political correctness. This story gives the reader an intense and highly emotional glimpse behind the hidden veil of different realities dividing the dimension between this reality and the realm of Angels, Demons, and Giants. The protagonist unwittingly uncovers secret evil plans hatched by a breakaway civilization to conceal Secret Life Extension Technology from mankind, and to kill 99.9% of the population, alongside the planet as a whole. Through hardships and pitfalls, our young hero learns how to prevent the inevitable destruction of mankind.

Blue Mercy

This landmark volume presents the first-ever English translation of the ancient Israelite Samaritan version of the Pentateuch, or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations. Benyamim Tsedaka's expert English translation of the Samaritan Pentateuch is here laid out parallel to the more familiar Masoretic Text, highlighting the more than 6,000 differences between the two versions. In addition to extensive explanatory notes in the margins throughout, the book's detailed appendices show affinities between the Samaritan and Septuagint versions and between the Samaritan and Dead Sea Scroll texts. Concluding the volume is a categorical name index containing a wealth of comparative information.

The Unraveling of Mercy Louis

In A Little Book of God's Mercy, you'll see how God reveals His plan to be merciful to all those who live until the end of the world. This includes billions of people who will never be saved. In fact, the Bible reveals that only a small number of all those alive on the last day will be saved. Some of what you find in this book will be familiar if you were a Family Radio listener for a while before May 21, 2011 and heard the late Mr. Harold Camping teach about the Bible's timeline. Although many people have now dismissed his teachings, you will see that he actually came very close to correctly understanding what the Bible reveals about the last days. And if you are not familiar with Mr. Camping's teachings, you will find in A Little Book of God's Mercy a coherent solution to many questions that have puzzled Christians for centuries. This claim is based on the Bible, because the Lord reveals that only in the last days will the elect understand certain truths. This was God's promise to the prophet Daniel when He spoke to him about the "time of the end." Daniel didn't understand. When he asked for more information, the Lord told him that the words were "closed up and sealed till the time of the end." Even though what Daniel heard was sealed until our day, the Bible actually shows pictures of this information being unsealed. We find them in Revelation, recorded by the apostle John about 600 years after Daniel finished recording his book. Revelation is the last book of the Bible and is God's final word to mankind. It describes many visions seen by John when he was on the island of Patmos near the end of the first century A.D. Many people have heard some references to Revelation, but they may have no idea what they mean. The seven seals, the four horsemen of the Apocalypse, and the battle of Armageddon are often mentioned in discussions about the end of the world. In A Little Book of God's Mercy, you will find these visions explained along with several lesser known visions from Revelation (such as those about the two witnesses and the little book that John ate), and see how they relate to certain other passages from elsewhere in the Bible, such as Joseph's coat of many colors, the parable of the ten virgins, Balaam's talking ass, Satan's head wound, and Jacob's deathbed prophecies about his twelve sons - from whom are descended the twelve tribes of Israel. You'll find all these explained in A Little Book of God's Mercy, along with a discussion of hell and the question of whether there is punishment after death for the unsaved (there isn't!). And you'll see how God reveals that Israel spent 430 years in

Egypt. Many Jewish scholars reject this number because it doesn't seem to agree with other numbers God provides. However, when we correctly analyze all numbers given in the account, we find that Israel did indeed spend 430 years in Egypt. You'll find discussions about all these subjects in this book, but you won't find a prediction for the end of the world. The Bible reveals we cannot know that date. It does, however, reveal the purpose for which the Lord has provided so much time information. It allows us to calculate that Creation was in the year 11,013 B.C., and Noah's flood in 4990 B.C. - and it allows us to understand that salvation ended in 2011. Yes, it was for the purpose of proclaiming the approaching end of salvation that God has given us so much information about time. We find support for this conclusion in several passages where God reveals that the elect remain here even after salvation has ended. For example, in Ecclesiastes 12 we see the elect pictured as a dragging grasshopper. This chapter is a picture of today: the period between the date when salvation is over and the last day. And when will that day arrive? All we know is that there is a long delay after salvation ends. However, some people who are living today will live long enough to see the Lord return. You may be among them!
