Manuscript Found in Accra

The latest novel from #1 internationally bestselling author Coelho is a classic of inspiration and reflection. A novel of philosophical reflection set in Jerusalem during the time of the Crusades. Here a community of Christians, Arabs, and Jews who have long lived together harmoniously have been warned of an imminent attack and certain destruction.

Manuscript Found in Accra

A beautiful book of simple yet powerful wisdom for anyone who loved THE SECRET or THE CELESTINE PROPHECY, by the author of THE ALCHEMIST. 'Only he who gives up is defeated. Everyone else is victorious.' After lying undiscovered for over 700 years, a manuscript holding the answers to a city's final questions is unearthed. Centuries before, on the eve of the invasion of Jerusalem, the citizens gathered. A man stood before them and invited the people share their fears that he might offer hope and comfort. His extraordinary insights on courage, solitude, loyalty and loss were transcribed and passed on. A timeless and powerful exploration of personal growth, everyday wisdom and joy.

Aleph

The stunningly personal new non-fiction work from one of the world's most inspiring and intuitive authors, Paulo Coelho.

Manuscript Found in Accra - Limited Edition

A deluxe limited edition--signed by the author, with a silk ribbon marker, illustrated endpapers, and foil-stamped case, in a special presentation box--of the latest novel from the #1 internationally best-selling author of The Alchemist. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it--just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates. There, inside the ancient city's walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." * * * Now, these many centuries later, the wise man's answers are a record of the human values that have endured throughout time. And, in Paulo Coelho's hands, The Manuscript Found in Accra reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us.

Like the Flowing River

A breathtaking collection of reflections from one of the world's best loved storytellers, Paulo Coelho.

A Necklace of Souls

"In a hidden kingdom a mysterious Guardian protects her people with the help of a magical necklace. But evil forces are also seeking the power of the necklace, and as the Guardian grows weaker these forces threaten to destroy the kingdom. With the help of her best friend, Will, and the enigmatic N'tombe, Dana, the rightful heir, must claim the power of the necklace and save her people. But the necklace

takes a terrible toll on whoever wears it - a toll that Dana may not be prepared to face"--Publisher information.

Eleven Minutes

The bestselling novel from international literary phenomenon Paulo Coelho, author of *The Alchemist*.

Secrets: Day Planner 2020

A 2020 agenda based on the writings of Paulo Coelho, one of the world's most beloved and inspirational authors. World-renowned author Paulo Coelho has inspired millions with bestselling classics like *The Alchemist*, *The Pilgrimage*, *Manuscript Found in Accra*, *Adultery*, *The Spy* and most recently, *Hippie*. Now, with this 2020 day planner, the same wisdom that draws readers to his books time and time again can serve as a source of daily inspiration year round. Available in English and Spanish, *Secrets* (*Secretos*) features moving and revealing quotes by internationally beloved author Paulo Coelho. More than your average planner, readers can begin each day with a word of wisdom, receive spiritual food-for-thought as they navigate through their everyday lives, and have Coelho be their guide as they plan and embark on their own travels and personal journeys.

Life

This is a treasury of selected quotations from one of the world's best-loved spiritual writers, Paul Coelho.

The Bottom Billion

In the universally acclaimed and award-winning *The Bottom Billion*, Paul Collier reveals that fifty failed states--home to the poorest one billion people on Earth--pose the central challenge of the developing world in the twenty-first century. The book shines much-needed light on this group of small nations, largely unnoticed by the industrialized West, that are dropping further and further behind the majority of the world's people, often falling into an absolute decline in living standards. A struggle rages within each of these nations between reformers and corrupt leaders--and the corrupt are winning. Collier analyzes the causes of failure, pointing to a set of traps that ensnare these countries, including civil war, a dependence on the extraction and export of natural resources, and bad governance. Standard solutions do not work, he writes; aid is often ineffective, and globalization can actually make matters worse, driving development to more stable nations. What the bottom billion need, Collier argues, is a bold new plan supported by the Group of Eight industrialized nations. If failed states are ever to be helped, the G8 will have to adopt preferential trade policies, new laws against corruption, new international charters, and even conduct carefully calibrated military interventions. Collier has spent a lifetime working to end global poverty. In *The Bottom Billion*, he offers real hope for solving one of the great humanitarian crises facing the world today. "Set to become a classic. Crammed with statistical nuggets and common sense, his book should be compulsory reading." --*The Economist* "If Sachs seems too saintly and Easterly too cynical, then Collier is the authentic old Africa hand: he knows the terrain and has a keen ear.... If you've ever found yourself on one side or the other of those arguments--and who hasn't?--then you simply must read this book." --Niall Ferguson, *The New York Times Book Review* "Rich in both analysis and recommendations.... Read this book. You will learn much you do not know. It will also change the way you look at the tragedy of persistent poverty in a world of plenty." --*Financial Times*

Hippie

Traducere i note de Simina Popa În noul s u roman autobiografic, Paulo Coelho reînvie visul de iubire i pace universal al genera iei hippie de la începutul anilor 1970. Paulo, un brazilian de 23 de ani care î i dore te s devin scriitor, str bate lumea în c utarea libert ii i a sensului profund al existen ei. La Amsterdam o întâlne te pe Karla, o tân r olandez care î i a teapt înso itorul predestinat pentru a ajunge în Nepal. Drumurile lor se încrucieaz în Pia a Dam, unde hot r sc s plece împreun cu legendarul Magic Bus, urmând o bine-cunoscut rut hippie. C l toria lor prin Europa marcheaz începutul unei pove ti de dragoste i al c ut rii de sine. La Istanbul, Paulo trece printr-o serie de experien e ini iatice care îi dau posibilitatea s descopere valori i principii ce-l vor ghida întreaga via . Hippie, romanul în care Paulo Coelho între ese aventura, filozofia i întâmpl ri semnificative din propria tinere e, este o carte important i relevant pentru vremurile în care tr im.

The Alchemist

An Andalusian shepherd boy named Santiago travels from his homeland in Spain to the Egyptian desert in search of a treasure buried in the Pyramids. Along the way he meets a Gypsy woman, a man who calls himself king, and an alchemist, all of whom point Santiago in the direction of his quest. No one knows what the treasure is, or if Santiago will be able to surmount the obstacles along the way. But what starts out as a journey to find worldly goods turns into a discovery of the treasures found within.

The Spy

'Beautifully written and gripping'. Sunday Mirror When Mata Hari arrived in Paris she was penniless. Soon she was feted as the most elegant woman in the city. A dancer who shocked and delighted audiences, as a confidante and courtesan she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917 she was arrested in her hotel room on the Champs Elysees and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to break the conventions of her time, and paid the price.

The Archer

From the #1 best-selling author of *The Alchemist* comes an inspiring story about a young man seeking wisdom from an elder, and the practical lessons imparted along the way. Includes stunning illustrations by Christoph Niemann. "A novelist who writes in a universal language." —The New York Times In *The Archer* we meet Tetsuya, a man once famous for his prodigious gift with a bow and arrow but who has since retired from public life, and the boy who comes searching for him. The boy has many questions, and in answering them Tetsuya illustrates the way of the bow and the tenets of a meaningful life. Paulo Coelho's story suggests that living without a connection between action and soul cannot fulfill, that a life constricted by fear of rejection or failure is not a life worth living. Instead one must take risks, build courage, and embrace the unexpected journey fate has to offer. With the wisdom, generosity, simplicity, and grace that have made him an international best seller, Paulo Coelho provides the framework for a rewarding life: hard work, passion, purpose, thoughtfulness, the willingness to fail, and the urge to make a difference.

Paulo Coelho The Deluxe Collection

The spellbinding novel from one of the world's best-loved authors, Paulo Coelho, recounting the story of *Brida*, and her pursuit of wisdom.

Brida

Richard Reed built Innocent Drinks from a smoothie stall on a street corner to one of the biggest brands in Britain. He credits his success to four brilliant pieces of advice, each given to him just when he needed them most. Ever since, it has been Richard's habit, whenever he meets somebody he admires, to ask them for their best piece of advice. If they could tell him just one thing, what would it be? Richard has collected pearls of wisdom from some of the most remarkable, inspiring and game-changing people in the world - in business, tech, philanthropy, politics, sport, art, spirituality, medicine, film, and design. From Hollywood greats like Judi Dench and Richard Curtis, to entrepreneurial legends like Richard Branson and Simon Cowell; from sports stars and TV personalities like Andy Murray and James Cordon to political activists and born survivors like Mandela's Comrades and Katie Piper, Richard has picked some of the world's most interesting brains to give you a lesson in how to live, how to love, how to create and how to succeed.

If I Could Tell You Just One Thing...

For teachers We know that the Common Core State Standards are encouraging you to reevaluate the books that you assign to your students. To help you decide which books are right for your classroom, each free ebook in this series contains a Common Core-aligned teaching guide and a sample chapter. This free teaching guide for *The Alchemist* by Paulo Coelho is designed to help you put the new Common Core State Standards into practice. Every few decades a book is published that changes the lives of its readers forever. *The Alchemist* is such a book. With over a million and a half copies sold around the world, *The Alchemist* has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable will enchant and inspire students for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in

search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with The Alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

A Teacher's Guide to The Alchemist

An international bestseller this novel follows an unforgettable journey from the demure gentility of turn-of-the-twentieth-century England into the heart of darkness. In 1904, the young lepidopterist Thomas Edgar arrives home from a collecting expedition in the Amazon. His young wife Sophie is unprepared for his emaciated state and, even worse, his inability - or unwillingness - to speak. Sophie's genteel and demure life in Edwardian England contrasts starkly with the decadence of Brazil's rubber boom, as we are taken back to Thomas's arrival in the Amazon and his search for a mythical butterfly. Up the river, via the opulent city of Manaus - where the inhabitants feed their horses champagne and aspire to all things European - Thomas's extraordinary, and increasingly obsessed, journey carries him through the exotic and the erotic to some terrible truths. Back home, unable to break through Thomas's silence, Sophie is forced to take increasingly drastic measures to discover what has happened. But as she scavenges what she can from Thomas's diaries and boxes of exquisite butterflies, she learns as much about herself as about her husband.

The Sound of Butterflies

An early collection of Kahlil Gibran's writings, showcasing the many styles of this prolific thinker, all profoundly beautiful Kahlil Gibran reveals his vision of the soul and understanding of the world—past, present, and future—in this rich sampling of more than twenty works. Prose tales, fables, and poems evoke the mystic East and form a world at once powerful, tender, joyous, and melancholy. This collection, penned when Gibran was still a young writer, reveals many of the themes and styles plumbed throughout his life, including his lifelong struggle against injustice in "The Crucified," his heart-wrenching lament for a Lebanon shackled by tradition and politics in "My Countrymen," and his masterful use of symbolism and simile in "The Secrets of the Heart." A writer with infinite abilities, Gibran continually seeks true beauty, no matter the form.

The Secrets of the Heart

From the acclaimed author of *The Sparrow* comes a new, extraordinarily imaginative SF novel which continues the powerful, moving story of Emilio Sandoz, the charismatic Jesuit priest who led the well-intentioned but catastrophic mission to the distant planet of Rakhat, and journeyed to the furthest reaches of the human soul. Now, in *Children of God*, Father Emilio Sanchoz returns and - against his will - is forced to continue his quest for the meaning, if any, of God's plan. Dazzlingly imaginative, philosophically provocative and immeasurably entertaining, *Children of God* is a must-read for fans of *The Sparrow*, and a startlingly fresh adventure for newcomers to Mary Doria Russell's special literary magic.

Children Of God

'I am with you always, even unto the end of the world . . .' Peter Leigh is a missionary called to go on the journey of a lifetime. Leaving behind his beloved wife, Bea, he boards a flight for a remote and unfamiliar land, a place where the locals are hungry for the teachings of the Bible - his 'book of strange new things'. It is a quest that will challenge Peter's beliefs, his understanding of the limits of the human body and, most of all, his love for Bea. *The Book of Strange New Things* is a wildly original tale of adventure, faith and the ties that might hold two people together when they are worlds apart. This momentous novel, Faber's first since *The Crimson Petal and the White*, sees him at his expectation-defying best. WINNER OF THE SALTIRE BOOK OF THE YEAR AWARD SHORTLISTED FOR THE ARTHUR C. CLARKE AWARD AS HEARD ON BBC RADIO 4

The Book of Strange New Things

Revealing interviews with the author of *The Alchemist* and *Veronika Decides to Die*

Paulo Coelho

In intimate and eloquent interviews, including the last he gave before his suicide, the writer hailed by A.O. Scott of The New York Times as “the best mind of his generation” considers the state of modern America, entertainment and discipline, adulthood, literature, and his own inimitable writing style. In addition to Wallace’s last interview, the volume features a conversation with Dave Eggers, a revealing Q&A with the magazine of his alma mater Amherst, his famous Salon interview with Laura Miller following the publication of *Infinite Jest*, and more. These conversations showcase and illuminate the traits for which Wallace remains so beloved: his incomparable humility and enormous erudition, his wit, sensitivity, and humanity. As he eloquently describes his writing process and motivations, displays his curiosity by time and again turning the tables on his interviewers, and delivers thoughtful, idiosyncratic views on literature, politics, entertainment and discipline, and the state of modern America, a fuller picture of this remarkable mind is revealed.

David Foster Wallace: The Last Interview

In this new edition of *Nkrumah and the Ghana Revolution*, C. L. R. James tells the history of the socialist revolution led by Kwame Nkrumah, the first president and prime minister of Ghana. Although James wrote it in the immediate post-independence period around 1958, he did not publish it until nearly twenty years later, when he added a series of his own letters, speeches, and articles from the 1960s. Although Nkrumah led the revolution, James emphasizes that it was a popular mass movement fundamentally realized by the actions of everyday Ghanaians. Moreover, James shows that Ghana’s independence movement was an exceptional moment in global revolutionary history: it moved revolutionary activity to the African continent and employed new tactics not seen in previous revolutions. Featuring a new introduction by Leslie James, an unpublished draft of C. L. R. James’s introduction to the 1977 edition, and correspondence, this definitive edition of *Nkrumah and the Ghana Revolution* offers a revised understanding of Africa’s shaping of freedom movements and insight into the possibilities for decolonial futures.

Nkrumah and the Ghana Revolution

This is a modern-day adventure story featuring Paulo’s supernatural encounter with angels – who appear as warrior women and travel through the Mojave desert on their motorbikes.

The Valkyries

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Mahabharata, one of the greatest epics in the history of civilization, from multiple vantages:-The inevitability of Kurukshetra war-Kunti's death and Lakshagraha-The sacrifice of Bheema's wife Hidim-

ba-The perspective of foot soldiers and dasis-Krishna's life experiences and their relation to his utterance of Geeta-Shalya, the uncle of Nakul and Sahadeva, siding with the Kauravas-The rage of Rudravatar Ashwatthama and many others... ̂ This book is a tribute to Krishna Dwaipayana Vyasa, the original one. This is just an interpretation of what he had created. This is just a footnote in the rich history of our civilization which is full of stories that continue to cast magic upon us. This is Mahabharata. ...Refreshingly different because it examines from multiple perspectives the motivations, obligations, dilemmas and feelings of characters as they are drawn into this internecine war- Ashok Soota A lot of grey than black and white ̂ Heroes falter and villains triumph ̂ one of the most insightful recollection of the past- A.S. Singh Ex-Member Secretary Indian Council of Historical Research (ICHR) Mahabharata is such a great narrative ̂ recreating it with a contemporary façade is a huge challenge ̂ The Myth of Hastinapur faces this challenge wonderfully well and turns it into a great reading - V.N. Rai Eminent Author & Columnist (Hindustan) Retired IPS & Ex-Vice Chancellor A compelling story, imaginatively told- Sujit Bhattacharyya Co-founder and COO, CL Educate Ltd. (parent company of 'Career Launcher') IIT-IIM Alumnus

The Myth of Hastinapur

A world-class thinker counts the 100 ways in which humans behave irrationally, showing us what we can do to recognize and minimize these “thinking errors” to make better decisions and have a better life. Despite the best of intentions, humans are notoriously bad—that is, irrational—when it comes to making decisions and assessing risks and tradeoffs. Psychologists and neuroscientists refer to these distinctly human foibles, biases, and thinking traps as “cognitive errors.” Cognitive errors are systematic deviances from rationality, from optimized, logical, rational thinking and behavior. We make these errors all the time, in all sorts of situations, for problems big and small: whether to choose the apple or the cupcake; whether to keep retirement funds in the stock market when the Dow tanks, or whether to take the advice of a friend over a stranger. The “behavioral turn” in neuroscience and economics in the past twenty years has increased our understanding of how we think and how we make decisions. It shows how systematic errors mar our thinking and under which conditions our thought processes work best and worst. Evolutionary psychology delivers convincing theories about why our thinking is, in fact, marred. The neurosciences can pinpoint with increasing precision what exactly happens when we think clearly and when we don’t. Drawing on this wide body of research, *The Art of Thinking Clearly* is an entertaining presentation of these known systematic thinking errors—offering guidance and insight into everything why you shouldn’t accept a free drink to why you SHOULD walk out of a movie you don’t like it to why it’s so hard to predict the future to why shouldn’t watch the news. The book is organized into 100 short chapters, each covering a single cognitive error, bias, or heuristic. Examples of these concepts include: Reciprocity, Confirmation Bias, The It-Gets-Better-Before-It-Gets-Worse Trap, and the Man-With-A-Hammer Tendency. In engaging prose and with real-world examples and anecdotes, *The Art of Thinking Clearly* helps solve the puzzle of human reasoning.

The Art of Thinking Clearly

shrewd, and determined and a story of revenge, treachery, and lust ... a shockingly good read' THE SUN

Guilty Women

Persecuted for their beliefs, one family must travel the globe for a place to call home... Geneva, 1688. Jeanne is barely scraping by on meager earnings from weaving. She dreams of her previous life as a wealthy merchant's wife before Louis XIV's soldiers ran her family out of France for refusing to renounce their faith. But even in Geneva, Jeanne and her son aren't anywhere close to free from persecution... Jacob hopes his letters make it to Jeanne from the other side of the ocean. As he bides his time as an indentured servant on a Caribbean plantation, tragedy strikes in the form of shipwreck and pirates. The former merchant desperately searches for a way back to his wife... If Jeanne and Jacob can't rise above a world that's closing all its doors, then they may never be reunited again... Voyage of Malice is the second book in the Huguenot Connection, a trilogy of historical fiction novels set during a time of religious persecution. If you like vividly accurate historical details, seafaring adventures, and heartwarming tales of family loyalty, then you'll love Paul C.R. Monk's rousing novel. Read Voyage of Malice to find a way home today!

Voyage of Malice

Amanda Leduc's brilliant new novel, woven with fairy tales of her own devising and replete with both catastrophe and magic, is a vision of what happens when we ignore the natural world and the darker parts of our own natures. Heather is sleeping peacefully after the birth of her twin daughters when the sound of the world ending jolts her awake. Stumbling outside with her babies and her new husband, Brendan, she finds that their city has been destroyed by falling meteors and that her little family are among only a few who survived. But the mountain that looms over the city is still green--somehow it has been spared the destruction that has brought humanity to the brink of extinction. Heather is one of the few who know the mountain, a place city-dwellers have always been forbidden to go. Her dad took her up the mountain when she was a child on a misguided quest to heal her legs, damaged at birth. The tragedy that resulted has shaped her life, bringing her both great sorrow and an undying connection to the deep magic of the mountain, made real by the beings she and her dad encountered that day: Estajfan, a centaur born of sorrow and of an ancient, impossible love, and his two siblings, marooned between the magical and the human world. Even as those in the city around her--led by Tasha, a charismatic doctor who fled to the city from the coast with her wife and other refugees--struggle to keep everyone alive, Heather constantly looks to the mountain, drawn by love, by fear, by the desire for rescue. She is torn in two by her awareness of what unleashed the meteor shower and what is coming for the few survivors, once the green and living earth makes a final reckoning of the usefulness of human life and finds it wanting. At times devastating, but ultimately redemptive, Amanda Leduc's fable for our uncertain times reminds us that the most important things in life aren't things at all, but rather the people we want by our side at the end of the world.

The Centaur's Wife

From New York Times bestselling author Jeff VanderMeer comes the one-volume reissue of his cult classic Ambergris Trilogy: City of Saints and Madmen, Finch, and Shriek: An Afterword. Before Area X, there was Ambergris. Jeff VanderMeer conceived what would become his first cult classic series of speculative works: The Ambergris Trilogy. Now, for the first time ever, the story of the sprawling metropolis of Ambergris is collected into a single volume, including City of Saints and Madmen, Finch: An Afterword, and Shriek.

Ambergris: City of Saints and Madmen; Shriek: An Afterword; Finch

He purakau whakamiharo te pukapuka a Paulo Coelho mo Hanatiako, mo tetahi taitama hepara no Anaruhia e koino ana ki te haereere ki te kimi i nga kura huna o te ao. I roto i tana haerenga, ka kite ia i etahi kura tino rereke nei i tana i pohewa ai e ea ai tana koino. Ka whakaako mai Te Ruanuku i te pumanawa o te whakarongo ki o tatou ngakau, o te kite i nga huarahi, o te ako hoki ki te whakamaori i nga tohu ka puta mai i te wa o te ora me te akoranga nui katoa o te whai i o tatou moemoea. Nuku atu i te waru tekau ma rima miriona nga pukapuka kua hokona puta noa i te ao, a, he nui ake hoki te whakawhitihia o te pukapuka nei ki reo ke i to etahi atu pukapuka na tetahi kaituhi e ora tonu ana. Kua noho mai a Te Ruanuku hei pukapuka e kore nei e herea e te wa, penei i te reo Maori e newanewa nei tona rere i roto i tenei whakamaoritanga na Hemi Kelly. Paulo Coelho's masterpiece

tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different &— and far more satisfying &— than he ever imagined. The Alchemist teaches us about the essential wisdom of listening to our hearts, of recognising opportunity and learning to read the omens strewn along life's path. And, most importantly, to follow our dreams. With over eighty-five million copies sold around the world and translated into more languages than any other book by a living author, *The Alchemist* has established itself as a modern classic, now brilliantly translated into te reo Maori by Hemi Kelly.

Te Ruanuku

Cruelty is such a ubiquitous and at the same time disturbing phenomenon that we take for granted that we understand what it is, and how it impacts the ways in which we think about our humanity as a moral condition—how we understand our moral significance. *Cruelty: A Book About Us* offers an accessible interrogation of cruelty and humanity, and, most critically, it provides a groundwork for us to raise questions collectively; it is an invitation for us all to join in the dialogue. Through academic studies, literary works, and personal stories and observations, this book provokes deeper insights into why cruel acts trouble our usual ways of articulating and addressing wrongness. Mining interdisciplinary sources, it excavates what we may not know we don't know and guides us in conversations about this profoundly evocative and often uneasy subject.
