The Life Of Saint Paul The Apostle - The Life Of Saint Paul The Apostle by Classic Catholic

Audiobooks 9,057 views 3 years ago 2 hours, 30 minutes - A short biography of Saint **Paul**, the Apostle of the Gentiles, from the time of his persecution of the Christians to his martyrdom.

Paul the Apostle, commonly known as Saint Paul and also known by his Hebrew name Saul of Tarsus (Hebrew: שאול תרסוס Sha'kl ha-Tars+; Greek: Παύλος Tarsēús),[7][Acts.was an apostle

(although not one of the Twelve Apostles) who taught the gospel of Christ to the first-century world.[8]

Paul is generally considered one of the most important figures of the Apostolic Age[7][9] and from the mid-30s to the mid-50s AD he founded several Christian communities in Asia Minor and Europe. He took advantage of his status as both a Jew and a Roman citizen to minister to both Jewish and Roman audiences.[citation needed]

According to the New Testament book Acts of the Apostles (often simply called Acts), Paul persecuted some of the early disciples of Jesus, possibly Hellenised diaspora Jews converted to Christianity,[10] in the area of Jerusalem prior to his conversion.[note 1] In the narrative of Acts, Paul was traveling on the road from Jerusalem to Damascus on a mission to "arrest them and bring them back to Jerusalem" when the resurrected Jesus appeared to him in a great light. He was struck blind, but after three days his sight was restored by Ananias of Damascus and Paul began to preach that Jesus of Nazareth is the Jewish Messiah and the Son of God.[Acts.21] Approximately half of the book of Acts deals with Paul's life and works.
