The Little Book of Love

Gibran was never more insightful than when he wrote about love and now for the first time, illustrated with the poet's own paintings, his reflections on love and friendship have been gathered together in one volume, capturing the essence of love in all its forms and moods.

The Little Book of Love

The Little Book of Love is the perfect gift for a loved one, someone you are in love with or anyone looking for love. This book will inspire us to nurture our relationships through passionate and thoughtful thinking and will remind us that love is not only out there, but all around us. From inspiring quotes to practical exercises and advice, this book guides us through the many forms that love takes shape throughout

our lives and reminds us that true love takes time to find and patience to grow. But above all, it teaches us that if we respect our commitments and bonds to our loved ones—our loving relationships can last a lifetime.

God's Little Book of Love

God's Little book of Love features inspiring thoughts and quotes each set on a background illustration and accompanied by references to relevant Bible passages for further reading and encouragement.

A Little Book of Love Poems

The editors of O, The Oprah Magazine have combed through the publication's extensive archives to create O's Little Book of Love and Friendship, featuring the very best writing on those topics from fifteen years of O. Among the highlights: a frank, funny and freewheeling conversation between two of the world's great BFFs, Oprah Winfrey and Gayle King; Lisa Kogan on ghost-writing her pals' dating profiles; Amy Bloom on the tricky parts of love; Julie Orringer on knowing you've found The One; Meg Wolitzer on her glorious gang of four; Paige Williams on coming to terms with the tragic deaths of her sorority sisters; and more. A perfect gift for anyone's nearest and dearest, O's Little Book of Love and Friendship is destined to become a treasured volume that readers will turn to again and again.

O's Little Book of Love and Friendship

Teachings from the Buddhist tradition on opening the heart and deepening relationships, written with unusual clarity, simplicity, and warmth—for readers of any background. This short, practical, and inspiring book presents Buddhist wisdom on love, relationships, and finding true contentment in life. Love is far more than merely an emotion we feel toward our partners, families, and friends; it is a way of being awake in the world, of living beyond the ego. Moh Hardin offers key insights and practices from the Buddhist tradition for awakening, deepening, and expanding love in our lives, starting with ourselves, then moving outward to our partners and children, and ultimately reaching even strangers, perceived enemies, and all living beings.

A Little Book of Love

When words just aren't enough, this quirky collection of puns, quips, puzzles, and verbal and visual fun does the talking. And since hearts must be handled with care, it comes with a distinctive padded cover.

The Little Book of I Love You

It's easy enough to say I love you. But lovers often want more creative ways to express their passion, explore their devotion, and communicate their affection. These two Welcome Enterprises titles—A Little Book of Love Poems and Letters and A Little Book of Love Stories and Recipes—will give them just the right place to start. Within the pages of these two delightful small books, readers will find the most intimate letters by some of the world's most romantic lovers, the best classic love poems of all time, aphrodisiac recipes for meals, and excerpts from some of the finest love-oriented literature. A previous format, The Little Book of Love sold more than 50,000 copies. These new editions should be even more popular.

A Little Book of Love Poems and Letters

Little Book of Love Book 6 in the Little Book Series A poetry collection by Claire Buss Love isn't just romance and flowers. Sometimes it's tears and anguish. This collection of twenty-five poems from author and poet Claire Buss take you on a journey of love from delight to heartbreak, including pets, children and those we've lost. Love is everywhere and affects everyone but sometimes we can't say what we feel. Hopefully, these poems will inspire you to spread a little love in your life. Little Book of Love is the sixth poetry collection in the Little Book Series.

Little Book of Love

- 'What is the first rule of love, and what the last?' - 'How can love or friendship be good if it must end?' - 'Is a book as good a companion as a person?' - 'Is it sensible to love at all?' India's most beloved writer collects his own observations and those by some of his favourite authors and artists in this brilliant

anthology on love, fellowship and togetherness. This is a book to gift yourself and every companion who has ever walked with you.

A Little Book of Love and Companionship

Experience the miracle called love... What is the purpose of love? Is the storm of ecstasy that we call love simply a biological urge that eventually passes--or the first stage in something much more? Is it possible for love to last, literally, forever? In this extraordinary book, philosopher Jacob Needleman explores the greatest works of philosophy, myth, and sacred wisdom to offer a bold new interpretation of why two people are brought together in the first place. The radiant poetry of the great Sufi mystic Rumi, the revelations of St. Paul, the moving tale of Philemon and Baucis, and the words of the world's sages become, with Needleman's gentle guidance, an enthralling journey of discovery--one that reveals the secret to finding love...and staying together for a lifetime. Resonating with hope and wisdom, A Little Book on Love shows us how true love can transcend time and the difficulties of daily life. It is a precious resource for anyone who wants a relationship to last a lifetime--and beyond. From the Trade Paperback edition.

A Little Book on Love

A beautifully designed series of small gift books filled with inspirational quotes from well known public figures to lift the spirit in challenging times.

Pocket Book of Love

One of the world's favourite poets, Kahlil Gibran was never more profound than when he wrote on love. Now, for the first time, his reflections on love and friendship have been gathered together in one volume. In this beautiful collection of quotations from both poetry and prose, illustrated with the poet's own original paintings, Gibran celebrates love in all its forms and moods, with the same simplicity and lyrical beauty that made The Prophet loved by people around the world. Inspiring and moving, Gibran's words on love will speak to friends and lovers everywhere.

Gibran's Little Book of Love

"At the touch of a lover, everyone becomes a poet." —Plato "Who, being loved, is poor?" —Oscar Wilde Love is all around us, and it has inspired the most moving words ever spoken or set to the page. Inside The Little Red Book of Love, you'll find a broad range of sentiments and musings on the topic of love. Love affects everyone in different ways. Inspire yourself and others with the words of: • Dr. Seuss • Dr. Martin Luther King Jr. • Mother Teresa • Marilyn Monroe • Jane Austen • Robert Frost • John Lennon • And many, many more!

The Little Red Book of Love

The ties that bind us don't have to be physical. Every time we meet someone, we forge a bond, a spiritual cord that ties us together. Us can be two, three, or more! The Little Book of Us is a collection of 150 inspiring quotes and practical exercises that capture the spirit of togetherness. Whether celebrating friends, family, or 'the one', let this book guide you through the many forms of love, with tips on how to meet your soul mate, explanations of romantic gestures, and an exploration of traditions and marriage customs from around the world.

Little Book of Us

The definitive guide for harnessing the power of colour to improve your happiness, wellbeing and confidence Wouldn't you like to boost your confidence simply by slipping on 'that' yellow jumper? Or when you get home after a stressful day, be instantly soothed by the restful green of your walls? The colours all around us hold an emotional energy. Applied Colour Psychology specialist, Karen Haller, explains the inherent power of colour; for example, looking closely at the colours we love or those we dislike can bring up deeply buried memories and with them powerful feelings. A revolutionary guide to boosting your wellbeing, *The Little Book of Colour* puts you firmly in the driver's seat and on the road to changing the colours in your world to revamp your mood and motivation. Illuminating the science, psychology and emotional significance of colour, with key assessments for finding your own true colour compatibility, this book will help you to rediscover meaning in everything you do through the joy of colour. Purple Ronnie's Little Book of Poems to Say I Love You

Some of the most influential people in history have made themselves heard despite their quiet voices and personalities, such as Gandhi, Nelson Mandela, and Bill Gates. *The Little Book of Quiet* takes a broad look at the need for, and the benefits of, achieving more quiet in your life. It will teach introverts how to harness their many positive qualities, and help extroverts to allow more quiet into their lives. Now that everyone is connected digitally 24/7, more emphasis is being placed on achieving higher emotional intelligence (EQ) to empathize and negotiate with others. The ability to be quiet is not only a key people skill, and a basic requirement of being a good listener, but it is also known to reduce stress, and help you find inner calm as it brings your focus back to the present world around you. *The Little Book of Quiet* explores the different ways of achieving more quiet in our lives, through tips, exercises, inspirational quotes and through the teachings of mindfulness.

"Most folks are as happy as they make up their minds to be." - Abraham Lincoln Happiness is contagious, and it can change our emotions even when we're feeling sad. More than just a passing mood, it can sometimes feel out of reach as we become bogged down in daily stresses and become consumed by negativity. *The Little Book of Happiness* will show you how to live in the moment, flourish as an individual, and improve your wellbeing. Through uplifting tips, positive quotes, and simple exercises, learn how to let go and reclaim your smile.

The Little Book of Quiet

Bringing together invaluable words of wisdom, tips and tricks in celebration of everything we cherish about our mothers.

The Little Book of Happiness

Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here are more than 40 fables or

teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality—much like a painting by Hieronymus Bosch or Chaucer's *Canterbury Tales*. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw—intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."--Rumi

Scientific evidence has proven that kindness changes the brain, impacts the heart and immune system, is an antidote to depression, improves relationships and even slows the ageing process. Yet, more than this, kindness can power real and lasting change in the world. This little guide shows how the practice of kindness can increase our happiness, improve our health, help us to forge stronger connections with others and positively affect the world we live in. In *The Little Book of Kindness*, kindness expert Dr David R Hamilton reveals the science of kindness and teaches us how, by using easy-to-follow tools, strategies and exercises, we can harness its power to improve all aspects of our lives and the lives of the people around us.

The Little Book of Crystals

Friendships are essential to human happiness and well-being. They can bring laughter, joy, stimulation as well as provide support, comfort and solace, but like all relationships they need to be nurtured to grow and survive. Like the other little books in this series this is a book to offer help and advice, packed with inspiring quotes and practical tips about nurturing your friendships and how to form new ones. The nuances of friendships can be hard to grasp, to be a good friend is a skill to be learned, so this book in itself can be a friend to turn to.

The Little Book for Plant Parents

How did she turn a side hustle into a game-changing business, and at the same time, achieve happiness and fulfillment in her life? For Charlotte, it all came down to one thing-jeong. One of the most important Korean cultural values, jeong is a feeling of loyalty and of strong emotional connection to people and places. It goes deeper than love and friendship and grows stronger with time. In South Korea, jeong is critical for success in every facet of daily life, from cultivating hobbies to developing careers and relationships. In The Little Book of Jeong, Charlotte shares how jeong changed her own trajectory in life, landing her a job opportunity in Seoul and giving her the fuel she and her husband Dave needed to launch a ground-breaking digital skin care platform and skin care line. A personal story that centers around the deep bond she built with Korea, Charlotte reveals how jeong can radically change our relationships with our loved ones, our work, and the world around us, and challenges us to cultivate jeong in our own lives.

The new book from James and street cat Bob. 'One thing I've known about Bob from the very beginning is that he possesses a wisdom that is unusual, even in cats. In the decade since we met he's grown even wiser in my eyes. This book is a collection of the insights I've gained during my years with Bob.' In the spring of 2007, busker James Bowen came across an injured ginger tom cat in the hallway of his shelter in north London. What he didn't know was that this would be the start of a friendship that would turn both their lives around, and lead to A Street Cat Named Bob, the international bestseller that tells the story of their friendship. The Little Book of Bob is a collection of the wisdom James has learnt from Bob throughout the years, as they go through thick and thin together. From the power of friendship to staying calm and finding the joys in a simple life, let Bob be your guide on how to navigate the ins and outs of life like a wise street cat. The Little Book of Kindness will teach you how to be kind to yourself, to strangers, to those you love, to the world - every day, at every opportunity. Prompted by the seeming hopelessness of the world around her, Bernadette Russell undertook a pledge to be kind to a stranger every day for a year. The experience left her wanting to inspire others. The Little Book of Kindness is packed with fun ideas, practical tips and interactive exercises that encourage you to 'be kind' in every area of life - online, to strangers, to the environment, in your community, to yourself - and change the world, one act of kindness at a time.

Essential RUMI Quotes Now at Your Fingertips! This little book covers Rumi's most profound quotes on life, love, god, poetry, etc. Makes for a unique gift to those who appreciate profound ideas Highly quotable lines you can use (or take inspiration) for your own writing "To love is human. To feel pain is human. Yet to still love despite the pain is pure angel." "Be a lamp, or a lifeboat, or a ladder. Help someone's soul heal. Walk out of your house like a shepherd." "Practice patience; it is the essence of praise. Have patience, for that is true worship. No other worship is worth as much. Have patience; patience is the key to all relief." "And don't think the garden loses its ecstasy in winter. It's quiet, but the roots are down there riotous."
