Spot's Bedtime Storybook

New and uncollected tales of murder, mischief, magic and madness. Ruth Rendell was an acknowledged master of psychological suspense: these are ten (and a quarter) of her most chillingly compelling short stories, collected here together for the first time. In these tales, a businessman boasts about cheating on his wife, only to find the tables turned. A beautiful country rectory reverberates to the echo of a historical murder. A compulsive liar acts on impulse, only to be lead inexorably to disaster. And a wealthy man finds there is more to his wife's kidnapping than meets the eye. Atmospheric, gripping and never predictable, this is Ruth Rendell at her inimitable best. The stories are: Never Sleep in a Bed Facing a Mirror; A Spot of Folly; The Price of Joy; The Irony of Hate; Digby's Wives; The Haunting of Shawley Rectory; A Drop Too Much; The Thief; The Long Corridor of Time; In the Time of his Prosperity; and Trebuchet. Introduction from Sophie Hannah.

Spot Tells the Time

Is your child's bedtime a struggle? Is your child wanting to stay up late? Or they are having a hard time sleeping in their own bed? A Little Sleepy SPOT is a story about a little SPOT that shows two children the importance of getting a full night's rest and some tips on how to go to bed easier.

No Jumping on the Bed!

Discover the magic of fairyland in this enchanting picture book, which will provide hours of puzzle-solving fun. Search for pretty flower fairies in a secret garden, look for frog princes at fairy school and see if you can find bluebirds flying somewhere over the rainbow.

Merry Christmas, Spot!

Written specifically for bedtime, this story is full of magic, sparkle and rainbows... and one naughty little unicorn! Weaving a journey from lively beginning to gentle end, the 10 minute countdown to bed is at the heart of this enchanting story. But will Twinkle get to bed on time? This beautifully illustrated picture book is the perfect length for sending little ones off to sleep.
