A Girls Guide to Surviving the Startup

So, you've decided to become an entrepreneur? Congrats and welcome to the tribe. Whether you're just getting started or you're a few years into the startup, Hilary Johnson has just the book for you. The journey of a budding entrepreneur is fraught with challenges, whether you're learning how to run the business or developing a mindset that weathers the inevitable ups and downs. Hilary understands the challenges women entrepreneurs face because she has experienced them firsthand through launching, growing, and selling multiple businesses. Despite those challenges, however, Hilary insists becoming an entrepreneur was the best decision she's ever made for her life. Through a series of vignettes, Hilary delivers no-nonsense advice that any female entrepreneur can apply in her own life. Each engaging bit offers a lesson about navigating the startup phase with your mind, body, and soul intact. Hilary helps you add practical skills to your toolbox while delivering a giant dose of encouragement and inspiration. Running a business might not be the easiest journey, but it's a lot of fun when you develop strong work habits and make sure to take care of your entire self.

The Little Girl's Guide to Entrepreneurship

The Little Girl's Guide to Entrepreneurship is designed to help all girls, women, little boys, men, - people - who are embarking on the entrepreneurial journey by providing inspiration, guidance, and encouragement to start and grow an entrepreneurial venture. It is the goal of this book to make it easier for someone to better understand, and eventually decide, whether being an entrepreneur is an option worthy of further pursuit, and to know the right questions to ask. It is often said: "If I knew then what I know now"... - well, now you will know.

Surviving a Startup

Steve Hoffman, CEO of Founders Space, prepares entrepreneurs to avoid mistakes, overcome obstacles, and master the skills necessary to make the right choices along their path to success. The fact is, over 90 percent of all new startups fail. Every entrepreneur must face this harsh reality and learn to master it if they hope to survive and wind up on top. In *Surviving a Startup*, Hoffman brings readers on a wild ride, sharing with them the tumultuous journey of launching a venture-funded startup and revealing what it takes to make it. In this one-of-a-kind guide, you will learn: A deep analysis and insights into the major challenges every entrepreneur faces when launching a business. How to make the best possible decisions and deal with crisis situations. Strategies for raising capital and growing a business, even when it seems impossible. Secrets on how to manage difficult employees, demonstrate leadership, and overcome disasters. Essential traits that enable startup founders to survive and succeed. The best way to develop innovative products, conduct guerilla marketing campaigns, obtain PR, and outmaneuver competitors. How to recruit the best talent, manage highly efficient teams, and motivate employees, even with little to no money. The steps necessary to transform an idea into a robust, rapidly growing business. As the captain of one of the world's leading startup incubators and accelerators, Steve knows what it's like to be on the front lines, how tough it can get when the battle turns against the entrepreneur, and what it takes to taste victory and overcome seemingly impossible odds. *Surviving a Startup* is a must read for entrepreneurs considering taking the best first steps for a new venture.

Startup Smart the Girls' Guide to Entrepreneurship

"Startup Smart: The Girls' Guide to Entrepreneurship" is a comprehensive resource designed for young, aspiring female entrepreneurs. The guide offers a detailed exploration of startups, innovation, and business fundamentals, providing readers with essential tools and knowledge to pursue their entrepreneurial ambitions. The book breaks down complex business concepts into understandable segments,

ensuring they resonate with its youthful audience. Additionally, it integrates stories of successful female entrepreneurs, offering both inspiration and practical lessons. With a focus on interactive activities, real-life examples, and actionable advice, "Startup Smart" stands as a foundational text for emerging female business leaders.

Surviving the Dick Clique

Surviving the Dick Clique is finally here! This book opens with a very strong and colorful definition of the dick clique that will lead you into chapters about Holly Caplan's experiences as she rose through the male dominated corporate ranks in the medical device industry. It reviews her 20 years of stories, lessons and rules for the coming generation of women who dive into the deep waters of this still uncharted territory of the dick clique. Let her experiences and rules apply to whatever male dominated industry you may be venturing into or living in now. It is raw, honest and sexy -- and will definitely make you laugh.

The City Girls Guide to Surviving the Apocalypse

Grow your start-up into a global influence with real-world impact Scaling Global Change provides social entrepreneurs with the strong organizational foundation they need to change the world. Through the story of Room to Read, one of the fastest-growing nonprofits in the last 18 years, this book features clear, real-world lessons for growing a non-profit or social enterprise, with special insight into girls' education and literacy programming in lower-income countries. By outlining theories of program, operational, and system-level change, the discussion delves into the meat of the entrepreneurial spirit and applies it directly to everyday strategic decisions. The book begins with an overview of essential communication, vision, and execution fundamentals, and then dives into a discussion of metrics, monitoring, planning, leadership, and more. Clear guidance on internal operations, fundraising, team building, management, and other central topics provides a roadmap for new and experienced leaders, while further exploration of influence, strategy, and government funding relates the wisdom of experience from the perspective of a successful organization. Cross the chasm from start-up to mature organization with worldwide impact Gain insight into the theoretical and practical underpinnings of nonprofit success Adopt new perspectives on effectiveness, excellence, and influence Translate ideas into action in a way that will change the world Social entrepreneurship has taken off more than ever, and the market is crowded with optimistic leaders wanting to change the world. How do you differentiate your organization from the pack? How can you stand out, stand up, and make a real impact? These lessons are gained through experience and building a strong organizational culture; Room to Read has treaded this path and found itself at the heights of success. With Scaling Global Change, you reap the benefit of experiential lessons while applying them to the success of your own organization. **All Royalties from the sale of Scaling Global Change will be donated directly to Room To Read**

Scaling Global Change

Welcome to middle school. These few years can be full of surprises. Some of them may be awesome while others may be a bit scary, but not to worry: This book has answers to all of the questions every middle school girl wonders about. Full color.

Ultimate Guide to Surviving Middle School

"This fun and informative book shows aspiring young women how to build their own businesses from the ground up...and stand as tall as a Manhattan highrise." —Barbara Corcoran, author of If You Don't Have Large Breasts Wear Ribbons in Your Pigtails "This book will do for business what The Joy of Cooking did for the culinary world." —Ella Brennan, owner, Commander's Palace The Girl's Guide to Starting Your Own Business is a must-read guide for any woman who wants to ditch the cubicle and join the growing ranks of aspiring female entrepreneurs. Revised and updated to reflect a post-financial crisis and Twitter world, this essential business handbook by Caitlin Friedman and Kimberly Yorio offers candid advice, frank talk, and true stories that will help every woman with a great business plan achieve her dream.

The Girl's Guide to Starting Your Own Business

Sensitive and encouraging, Puberty Survival Guide for Girls is an easy-to-read resource for young girls who are anticipating the many physical and emotional changes that accompany puberty. Author and

practicing gynecologist Dr. Eve Ashby, offers practical and reassuring answers to the many questions that a girl will have as she enters this often confusing and tumultuous time of her life. A veritable "owners manual" for the young female body, *Puberty Survival Guide for Girls* deals with the issues of self-image and hygiene in a tactful and supportive manner. In a question-and-answer format, Dr. Ashby approaches a variety of topics, including: Acne Menstruation Height and weight spurts Female anatomy Diet and exercise Interspersed with quotes and questions from girls Dr. Ashby has met through her medical practice, *Puberty Survival Guide for Girls* gives voice to the uncertainties faced by adolescent girls. With clear explanations of sensitive and sometimes embarrassing issues, *Puberty Survival Guide* is an excellent educational tool that will help any young woman gain a better understanding of the changes she will encounter during puberty.

Puberty Survival Guide for Girls

Create Your Own Women Owned Business Startup "...a guide for smart, ambitious women who want to make their mark on the world...a practical step-by-step journey to shifting your mindset and calling on your own resilience and resourcefulness."? Rachel Beider, bestselling author of *Massage MBA: Run Your Practice, Love Your Life* and globally recognized small business expert *The Fearless Woman's Guide to Starting a Business* is a book for freedom-seeking female entrepreneurs and solopreneurs who want to know how to connect with their true passions, skills, and desires. It's a book for startup business women who get honest with themselves about their reasons for wanting to start a business. Learn what type of new business you want to lead. Through a combination of data, neuroscience, true stories, humor, and the type of frankness that you would expect from your best girlfriend, this book helps you determine the real reasons and motivations behind starting a business —and then dares you to dream big about what being the head of a woman-owned business can do for you. Find real tools for real women in business. When creating a start-up, it can be difficult to stay the course —to choose yourself and stay motivated on the hardest days. Amée Quiriconi, author and entrepreneur behind the *One Broken Mom* podcast, has your back. In *The Fearless Woman's Guide to Starting a Business*, learn about: The main reasons business owners report why they closed their businesses —and how you can avoid failure Specific techniques and insights needed for building a startup and brand that is authentic to who you are How to turn your side hustle or hobby into a money-making endeavor Strategies for navigating the sometimes-hostile world business women live and work in every day Readers of business books and entrepreneurship books for women like *Girl on Fire* by Cara Alwill Leyba, *Fear is my Homeboy*, *Believe It*, or *Boss Up!* will love *The Fearless Woman's Guide to Starting a Business*.

The Fearless Woman's Guide to Starting A Business

A Real Girls College Survival Guide is a tips and tricks book to help any girl make it through college as a typical broke college kid without sacrificing their style. Some tips and tricks include teeth whitening on a budget, non-orange self-tanning, as well as some great everyday and party make-up looks. Stop guessing about what to do, how to find answers and who can help you on this journey. This is your road map to achieve success. ARE YOU READY?

Putting the Pieces Together

This book has it all - now with updated content and illustrations! It's an insightful, age-appropriate guide to boys, a top topic for girls today, and provides straight talk on what to do when everyone's wondering "who likes who?" The book explores being friends, going out, breaking up, being yourself, and much more. Letters from girls and advice on boys, along with quizzes and tips, help a girl get her brain back on track when her heart's in a wreck.

A Smart Girl's Guide

"Insight, hope, and strategies for building a business and a family at the same time"--Jacket.

For Better Or for Work

More than a movie rental guide, this book is arranged to address universal themes such as love complications, troubled friendships, family strife, body image angst, and more--a true manual for finding the answers to life's questions through film. Two-color illustrations throughout.

The Ultimate Girls' Movie Survival Guide

Companion workbook for the Startup Smart: Girls' Guide to Entrepreneurship. Includes chapter activities and supplemental projects to enhance learning.

Startup Smart: the Girls' Guide to Entrepreneurship

Teenage life doesn't come with a rule book, so here is the next best thing. Let's face it: growing up is confusing. You're expected to get good grades at school, maintain an insta-worthy social life and somehow also hone a range of life skills which you definitely don't want to ask your parents about... This book is here to act as your go-to guide on everything from social media to sexting and from body image to self-esteem. Acting as your personal cheerleader, this book will teach you everything you need to navigate your teens with sass and style. Remember, there is nothing more awesome than being you.

A Girl's Guide to Being Awesome

Is everyone around you taking life too seriously and stressing you out? Your parents probably gave you this book and you're wondering what's in it for you. Why would they even think you need an advice book? Maybe you think they need an advice book. But guess what? By the time you finish reading, you'll be managing your parents like a pro. Use this guide well and you'll become a chill goddess who handles family, friendships and romantic relationships with ease. That's because your relationship with yourself will change. You'll gain confidence and begin the journey of self-mastery. Best of all... you'll actually enjoy this book! These are big promises, but we're confident we can deliver because we know teens. We've been writing for you for decades. We've got a unique perspective on the world, and we're

pretty darned funny. One day you might say, "This book got me through high school." We've heard that before, and nothing pleases us more. Ready to crack the code to a happy, successful life? Read on! Yvonne Collins and Sandy Rideout met as young teens while working in a library. They've kept each other laughing through nine books, a few screenplays and several decades.

Totally Me: The Teenage Girl's Survival Guide

Geared toward the unique challenges faced by self-employed businesswomen—and updated for the social media-driven, post-financial crisis world—The Girl's Guide to Starting Your Own Business offers solutions and advice for handling a range of issues, including how to write a business plan, how to secure funding, and how to hire (and fire) employees. Caitlin Friedman and Kimberly Yorio share practical information drawn from their own extensive experience in the public relations, marketing, and consulting fields. Their concise and engaging advice is explained through entertaining tips, lists, and quizzes that speak directly to women who are dreaming of starting, or have already started, their own businesses.

The Girl's Guide to Starting Your Own Business (Revised Edition)

Starting in high school, you will be faced with a daunting series of decisions that will affect the rest of your life. Even decisions that may seem trivial now—such as which classes to take or who to spend time with—can have long-lasting positive or negative effects down the road. You'll still have plenty of opportunities to have fun and even make a few mistakes, but if you want to build a happy and successful future, you must start working on it now. *Blueprint* is a short, information-packed life manual and survival guide to help girls and young women plot a course through their high school and college years. Drawing on the author's personal experience, it offers detailed examples and advice to help you avoid common pitfalls in life. Some of the key topics discussed include *Dating Bad Boys and Behaving Badly*, *The Golden Rule of Girl Code*, *Let's Talk About Not Having Sex*, *A Secret Is Not a Secret If You Share It*, *This Is Not Bikini Bottom*, and *Date the Future Him*. The book features no-nonsense advice delivered in a blunt and direct style. If you're ready to live a life that you, your parents, and your community can be proud of, then this is the book for you. Buckle up and get ready to live your best life with no apologies and no regrets. Contributing Editor Robert Macias

Blueprint

Learn how to invest your hard-earned money in numismatic coins, gold and silver bullion and NOT lose your life savings! Read this book and discover: * What it takes to get started* Where to go for the best deals* What not to do * And more....BLACK AND WHITE VERSION is at 5681379

A Survival Guide to Getting Started Investing in Numismatic Coins and Bullion

In *Shine: A Girl's Guide to Thriving (Not Just Surviving) in Real Life*, Mary Doherty and Siobhan Hackett have mined their experience as teachers and counsellors and, with feedback from their students past and present, have written a book to let every teenage girl know that they don't need to be the best at everything - they just need to be the best at being themselves. From coping with exam stress to examining negative thoughts, along with insights on body confidence and self-esteem, tips on how to deal with bullies (online and in real life), break-ups, sex, anxiety and including helpful advice for parents, *Shine* shows girls how they can shine from the inside out and navigate the teenage years by being confident, strong and independent. 'This book is for all the future movers and shakers, the dreamers, the poets, the athletes, the musicians, the healers, the brain surgeons, the mothers and the CEOs. Don't let the anxieties, worries, or doubts get you down. Allow yourself to do what you can do best: let yourself shine!'

Shine

Marriage is harder than uncooked grits. Annabelle offers advice for newlyweds on how to handle those times when they wonder what in tarnation they got themselves into. In this down-home, hilarious handbook, Annabelle Robertson dishes up creative solutions for those annoying male habits that drive wives stark-raving mad. In true Southern Girl style, she deciphers the nuances of male-speak and addresses marital challenges—from disguising their designer shampoos and conditioners, to videotaping embarrassing habits for the family reunion—not to mention the no-fail method for motivating

a man to do housework. Armed with these charm-infused tactics-and some delicious recipes-newly married gals everywhere will be on their way to matrimonial bliss!

The Southern Girl's Guide to Surviving the Newlywed Years

It comes a time when a girl is faced with desperate choices, alone & afraid on the streets, with no money to her name. Somehow, through survival, physical & sexual abuse, harrassment, you have to learn how to fall back down and get back up again. It's in your timing and not anybody's elses. You need more faith in "yourself" then in the corners of 4 walls and a lifelong commitment. Keep your head up, girl.

Modesty, A 2020 Black Girl's Guide on Survival

Moonbeam Children's Book Awards - Silver Medal Winner Nautilus Silver Book Award Winner Purple Dragonfly Book Awards - First Place "Never be ashamed of being different: it is this difference that makes you extraordinary and unique." This essential go-to guide gives you all the advice and tools you'll need to help you flourish and achieve what you want in life. From the answers to everyday questions such as 'Am I using appropriate body language?' and 'Did I say the wrong thing?', through to discussing the importance of understanding your emotions, looking after your physical and mental health and coping with anxiety and sensory overloads, award-winning neurodiversity campaigner Siena Castellon uses her own experiences to provide you with the skills to overcome any challenge. With practical tips on friendships, dating, body image, consent and appearance, as well as how to survive school and bullying, The Spectrum Girl's Survival Guide gives you the power to embrace who you are, reminding you that even during the toughest of teen moments, you are never alone.

The Spectrum Girl's Survival Guide

This is the inside scoop on the transition from the single life to life with a husband, filled with savvy advice for adjusting to a mate's quirks, as well as how marriage affects friendships, sexuality, and career goals.

Good Girl's Guide to Public Relations, Publicity and Marketing

Are you a girl? Are you in your twenties? Are you smart? Okay, okay, you don't actually have to be smart, just mildly motivated to read a book. And hey, you've gotten this far Even though you most definitely have a million other things to do, you've found time to pick up a book, and that, my dear, should be congratulated. So go on, get reading. You're just seven steps away from knowing everything you need to know about surviving and thriving throughout the most transformative decade of your life. Okay, maybe not everything, but at least the important stuff, such as: -Finding your dream job -Embracing minimalism -Taking control of your finances -Staying fit -Eating healthy -Finding (and keeping) relationships -Traveling the world This quick, fun read will fully prepare you to take on this very exciting stage of life that is being in your twenties.

Hitched

The Survival Guide to Journalism is aimed not only at undergraduate and post-graduate students of Journalism, but indeed anyone from any background who is interested in making a living (full or part-time) either through their writing and editorial ability. In it you'll find some traditional journalistic principles as well as up-to-date information on where the best opportunities are today. My advice is deliberately hands-on and straight to the point, and I have included useful tips from top working professionals. There are exercises to try out and short Q&A sessions to help clear up any uncertainties there may be about each chapter. Where possible, I have included useful links and contacts to organisations that specialise in helping aspiring journalists to survive through those difficult first months and years. Because it pays to have the right survival skills, The Survival Guide to Journalism sums up the state of the industry today and how to establish yourself in it, as well as including practical guidelines on news and feature writing. The Survival Guide to Journalism concentrates on freelance journalism with the emphasis on practicalities such as sending an invoice or dealing with tax issues. More specialist areas of writing have also been covered such as arts reviewing, travel writing and blogging and the book highlights some of the exciting opportunities created by new media.

The Smart Girl's Guide to Surviving Her Twenties

This lesson guide is one in a series for teachers and counselors on teaching problem-solving interventions and coping skills to troubled youth. The series is aimed at training adolescents to succeed while empowering them to avoid the social pressure to drop out of school. The goal of this guide is to convince students they need an education to survive in the new millennium. A list of computer-related terms, a job skill matrix, and earning potential table is included. Contains 20 ready-to-use lesson plans with handouts. Selected lesson titles are: "So, Which Millennium Will You Be Ready For?" "Will Your Skills--Or You--Work in the New Century?" "Are You Cool or a Fool if You Decide to Finish School?" "Will Yesterday's Skills Work Tomorrow?" "The More You Learn, The More You Earn." "Buddy, Can You Spare a Mind?" "Get Ready to Travel to the New Millennium." Includes a descriptive list of additional resources available from Youth Change. (JDM)

The Survival Guide To Journalism

Most technology startups never make it to the funding stage, and only a small percentage of those that are venture-backed generate a positive return for their investors. An even smaller number of startup founders enjoy a truly prosperous exit. Bernd Schoner cofounded his tech startup during the dot-com bust, navigated it through market crises and internal turmoil, brought it through the global financial meltdown intact, and eventually sold it to a multibillion-dollar, multinational public technology company. In *The Tech Entrepreneur's Survival Guide*, Bernd shares what he learned and what he wished he knew at the time. He explains the major phases in a technology company's life cycle, helping entrepreneurs avoid common pitfalls and survive crises when they strike. He guides readers from the initial bootstrapping process through venture-capital financing and provides valuable advice on how to sell a technology company profitably--even in a challenging economic environment. Every chapter presents solutions to realworld issues that could otherwise have fatal consequences for a tech venture. Aspiring tech entrepreneurs will learn to: Set up shop: build the team, assemble necessary startup assets (including technology and intellectual property), get legal and financial affairs in order Secure capital: ask for money, nail the term sheet, ask for more money Get out: know when to sell, who to sell to, and how to make it a happy exit for all stakeholders, including the employees Written with deep insight, refreshing candor, and a dash of humor, this comprehensive guide to the often harsh realities of startup life is indispensable for entrepreneurs at any stage. PRAISE FOR THE TECH ENTREPRENEUR'S SURVIVAL GUIDE: "A genuine narrative from the field, with battle scars and self-reflection. Reading this book will help you avoid many pitfalls." -- Nicholas Negroponte, professor at the Massachusetts Institute of Technology Media Lab "There's a lot of great insights and practical advice for the entrepreneur in this book, stuff you normally won't read or hear unless you buy some hard-bitten company founder a few drinks. If you are launching a technology startup, reading this book is the thing you should do first." -- Mark Roberti, founder and editor in chief of RFID Journal "I wish I had read Bernd's book when we founded The Echo Nest. Bernd touches on all the major issues in the initial formation stages of a tech company and many of the problems that come up when the company matures. If you are thinking of founding your own tech startup, read this book first." -- Tristan Jehan, cofounder of The Echo Nest "A visceral, behind-the-scenes guide to technology entrepreneurship. Bernd tells it like it is and presents a universe of solutions to tricky startup situations that can significantly improve the odds of success. Indispensable." -- Larry Begley, cofounder and managing director at .406 Ventures "The best-laid business plans never survive contact with reality. Bernd has provided a comprehensive guide to anticipating the unexpected in the life of a startup." -- Neil Gershenfeld, professor and director of the Massachusetts Institute of Technology Center for Bits and Atoms

Education Don't Start the Millennium Without It

Offers girls advice on how to make the most of their college experience, providing tips on everyday things they need to know to survive college.

The Tech Entrepreneur's Survival Guide: How to Bootstrap Your Startup, Lead Through Tough Times, and Cash In for Success

Everything You Need to Start and Succeed in Your Own Venture Trevor Blake built three successful startups and sold them for more than \$300 million. Now he's written a complete instruction manual that covers everything the budding entrepreneur or existing business owner needs to know to build the career or business of their dreams. Unlike the many theoretical guides out there, this is a practical handbook based on Blake's wildly successful in-the-trenches experience. It incorporates leading-edge strategies that cover every aspect of running a business — including funding, developing systems,

and marketing. Blake presents in-depth insight into managing effectively, maintaining cash flow, and adapting to the changing needs of customers in volatile economic times. One of his most innovative contributions is an emphasis on cultivating the right mindset, and he tells you exactly how to do that. "The secret to success isn't in the plan," he writes. "It's in the person holding it." His proven methods will give you the confidence to take the entrepreneurial leap and turn your winning idea into an efficient, profitable company.

A Girl's Guide to College

CultureShock! Thailand is the complete guide for those who wish to make sense of the fascinating, manifold and often contradictory aspects of this ancient kingdom. Can you tell your tom yum goong from your tom kha kai? Do Buddhist monks eat meat? Why do Thais all seem to call each other "Khun"? When introduced to someone, do you shake hands, wai or do both? What is Buddhist Lent? What is a farang to make of the famous Thai Smile? Whether you're in Bangkok for business, Hua Hin to soak up the sun, or on a retreat at a forest wat to find inner peace, get the most out of your stay with this essential guide written by an old hand to the intriguing mass of contradictions that is Thailand – the country with so much that is often both calming yet infuriating, passionate yet passive, and chaotic yet beautiful.

Secrets to a Successful Startup

As a teen girl, you are likely feeling pressure and stress from every direction. Having good, healthy relationships with friends you can count on makes all the difference. In this guide, psychologist and teen expert Lucie Hemmen offers ten tips to guide you toward creating and maintaining the social life you want. Even better, the real experts that make this guide special are older teen girls who have recently been where you are now—and have plenty to say about it. As you move through this fun and engaging guide, you will get a sense of who you are as a friend, appreciate authentic qualities you can share with others, and get moving toward expanding the quality and quantity of your social connections. Before you know it, small steps will lead to big changes and you will find yourself more confident, connected, and happy. Grounded in evidence-based cognitive behavioral therapy (CBT), the ten tips guide you in developing yourself in both simple and significant ways. You will engage in thought-provoking exercises and take fun quizzes spaced between tips to get you thinking more deeply about yourself and others. If you're ready to get going on your social life, this book will show you the way.

CultureShock! Thailand: A Survival Guide to Customs and Etiquette

I can do everything through him who gives me strength. (Philippians 4:13) Think it takes a professional actor to have a puppet ministry? Think again. This book gives you a step-by-step plan and tons of tips on using puppets to tell children all about Jesus while entertaining them at the same time! Puppets are a wonderful teaching tool. They can be whatever you want them to be. Puppets can take on different personalities, exhibit various character traits, teach different lessons. Kids are drawn to puppets, opening doors and establishing instant trust. Tell a conventional story to kids and watch as their eyes glaze over. Their short attention spans cause them to squirm and by the end they've missed out on the whole point of the story. Use puppets to tell the story and suddenly every eye is on the stage. Your audience stays with you all the way through and weeks later you're still be hearing about the memorable things the puppets said and did--just like kids act when they're talking about their favorite videos or TV shows. Everything you need to start a new puppet ministry or breath new life into an existing one is in this book. The author, Susan Parsons, relates many firsthand experiences she has had during her substantial career as a playwright and puppeteer. Learn about creative ways of making puppets from all sorts of unconventional things. Find out how to build a nifty, professional-looking stage out of PVC pipe--lightweight, easy to work with and affordable. Get pointers on writing and presenting skits, on staging and lighting them, on recruiting people to help you! Also, the book contains puppet patterns and ready-to-present skits which you can use for practice or incorporate right into your ministry! After reading this book you won't just survive as a puppeteer--you'll thrive! Product Update It has come to our attention that page 59 of The Official Puppet Ministry Survival Guide contains an error in the instructions for constructing the PVC stage. This error will be corrected when the book is next reprinted. Our apologies for the mistake. The correct numbers and dimensions of pieces appear below. 2.5 ft (8 pieces) 2 ft. 9 in. (8 pieces) 3.5 ft. (2 pieces) 4.5 ft. (6 pieces) 6 ft. (2 pieces) Also, page 60 incorrectly lists a 7 ft., 3 in. piece of pipe.

The Teen Girl's Survival Guide

Every smart girl knows when to ask for advice, and this book is an indispensable companion to growing up. Addressing all those cringey questions about periods, boys and boobs that adults squirm at answering, Anita Ganeri's sensible, light-hearted advice will calm the fears of any worried young woman.

The Official Puppet Ministry Survival Guide

One woman's journey through menopause, middle age and madness - through anecdotes, research and a recently revived sense of humour. At the tender age of only 52, Sheila Wenborne was told by her GP that the reason she felt so dizzy-headed, grumpy, fat, sexually redundant, liable to burst into tears at the drop of a hat and totally depressed was all due to the menopause. This diagnosis was a shock! "It can't be! I'm far too young for that!" "Gosh! The last thirty something years have flown by." Is it really time to say, "goodbye 'G' string, hello Grandma knickers?" Are the best years really behind me? While many women can blame the menopause for things they might not otherwise do - such as using their partners' toothbrush to clean the toilet or forgetting to send their Mother-in-law a birthday card - Sheila Wenborne honed in on the positive and used 'the change' to start a new chapter in her own life. So ... That's why I'm Bonkers! Is filled with interesting facts, laugh out loud anecdotes and helpful information that will make every girl's journey through the desert of the menopause that much more easy.
