Young people, I am speaking to you tonight, please pay attention.

An overview of part of the book of Romans.

Some hard truths in Romans.

Dad, that little boy is such a criminal." "No, you are as wicked.

I want to condemn you, that all of you will see something that makes you very sad.

Romans 3, if condemned, how can I be righteous?

Would you be ashamed for all of your thoughts to be revealed?

Why does Paul sit there condemning us as sinners? So you will run to the Savior.

Jesus Christ is your only hope.

Everyone has two major problems in the spiritual realm.

God disciplines us because of love, not because of His anger.

Teenager, are you living for the Lord?

What will heaven be like?

Holy Living in an Unholy World

Living holy in a world that promotes sin and pleasure at all costs is not easy. It is no secret that we struggle to subdue our fleshly desires and passions in the midst of immorality and irreverence. Does God still expect us to live holy anyway? Is it even possible? *Mandated to Live Holy* is an inspiring, heart searching and motivational book, which deals with holiness from all angles. It gives you a realistic and in-depth look at practical holiness, our mandate to live holy, what it is and how it can be accomplished. As you read, you will discover the truths, lies, myths and what God really says about living holy. You will also learn:

- The importance of self-identity for successful holy living
- The deceit of unholy living
- How to deal with sex and lust
- How to win over sin
- How to protect your body, soul, and spirit against the darkness of this world
- How holiness affects the core of your existence and quality of life
- How to live holy no matter what

This book is the ideal resource to take you from struggles to victory, from weakness to strength and from timidity to courage. Living holy is a blessing, not a shame. You can do it boldly and without apologies!

Revelation

In this hard-hitting and controversial book, the great Chinese writer and preacher Watchman Nee states that a Satanic power is behind every worldly thing and that the natural tendency of every worldly system such as politics, education, literature, science, art, and music is to move away from God and toward Satan.

Mandated to Live Holy

More than any other New Testament writing the Book of Revelation demands commentary. Its often-bewildering text is easily open to less than scholarly interpretation. Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message. He puts the work in its historical and social setting 'a first-century CE province of the Roman Empire' and explores its social and religious background and its literary character. Through Father Harrington we hear clearly the challenge of John, the prophet, to the Churches of his time 'and to ours' 'not to compromise the Gospel message.

Sacra Pagina: Revelation

How Much Willful Sin is a Part of Your Christian Testimony? Christians sending the wrong message to the world is a warning to all who profess to being Christians. Their actions speak volumes about their relationship with God. Satan and the world that he controls has made many Christians a part of his battle plan against God. What you say and more importantly what you do, demonstrates to the world the identity of your true master. As Christians, we are supposed to represent God and our Lord Jesus Christ to the world. Living in peace with the world has caused many of us to become collaborators with the world in unholy activities. In the book of Romans chapter 12 verse 18, the bible gives some general guidance on how we are to conduct ourselves. It states, If it be possible, as much as lieth in you, live peaceably with all men. The problem with this guidance is that people have gone way beyond religious tolerance and accepting ungodly behavior. Christians have forgotten the most important part to understanding what this scripture really means. The scripture Hebrews 12:14 sheds light on the application of the scripture in Romans 12:18. It states, Follow peace with all men, and holiness, without which no man shall see the Lord: Certainly we must try to live in peace with the world but at what cost? Christians cannot forsake living holy to have peace with the world. When we do, the world is watching and judging us as one of them. The question then becomes, whom do you serve? Do you serve God only in words and serve his enemy in actions and deeds? This is your Christian testimony to the world. It shows the world that you care more about living in peace with it than you do about living holy and obeying God. This book addresses the practice and acceptance of willful sin.

Revelation

Revelation offers a new way of viewing the world... When humans reject the divine order they misuse creation and thereby break the covenant with creation. The results of the breach of covenant include disease, suffering, famine and deprivation... Revelation is the unfolding of the significance of the cross through the witness of Jesus given by those who belong to him... The death, resurrection and ascension

of the witnesses (the church) identify them as the covenant people of God re-acting the full ministry of Jesus... To each church the message is the same: believers can only enter the new Jerusalem by faithfulness unto death... Evil, conquered by the cross, will finally be eliminated from human experience. New covenant believers will therefore experience the divine purpose and provision of life in a new Eden. --from William Dumbrell's New Covenant Commentary

Christians

In this book I try to describe, as clearly and simply as possible, the Christian journey from a life lived in worldliness and defeat to a life lived in and through the grace of God. I use the Biblical story of Israel's journey from Egypt to Canaan in an allegorical sense to show how God, through the activities and resources of the Holy Trinity, tries to bring us to that place of living in grace, and how the devil, through the unholy trinity (the world, the flesh, and demonic resistance) seeks to thwart that journey. I focus on three fronts in the battle between the two trinities. On the first front, the devil works indirectly through the world system (Egypt) to deny us our freedom that we have due to the atonement. Living under the illusion of pleasure, we end up in extreme bondage. On the second front, the devil works indirectly through our flesh (Amalek) to hinder us from following the leadership of the Holy Spirit as He attempts to guide us into God's grace. On the third front, we can expect to experience a more direct conflict with the devil and his spiritual forces (Canaan). These demonic forces will try to oppose and negate all the benefits of God's promised grace that comes into our lives through Christ. XXXXX

Revelation: Visions for Today

The investigation centres on the role of the Spirit in Revelation, which the author considers is best defined as the Spirit of Prophecy. A survey of scholarship on the pneumatology of the Apocalypse is followed by a study of intertextual connections. The author's own religious context within Pentecostalism then informs a possible hermeneutic that is faithful to the ethos of the movement. Biblical and literary studies are situated within the context of a Pentecostal community as attention is paid to the prophecy concerning the temple and the witnesses in Rev 11. This key passage is shown to form the theological as well as the literary centre of the Spirit's role in Revelation.

The Unholy Trinity

In Revelation's history, scholars have always assumed God's violence was judgment. In *Argument is War*, however, Clifford T. Winters demonstrates that the "war" is using a conceptual metaphor to envision the restoration of Israel and, through them, the whole world.

The Spirit in the Book of Revelation

The symbolism of Revelation has puzzled readers for centuries. Every generation falls prey to extreme views of interpretation. Even worse, they minimize the importance of John's Apocalypse by not teaching or preaching from it. Yet Revelation is a profound work of New Testament theology and warrants a close study. John expects and prepares believers to follow the Lamb through suffering and possible martyrdom. The problem is centered on what the symbols mean. Are they literal? Are they symbolic? Do the images refer to events and people in the first century, or to the last days of planet earth? Moreover, how is the book structured? Is it one vision, four visions, or more? Are the visions linear or recapped? *Lions, Locusts, and the Lamb: Interpreting Key Images in the Book of Revelation* demonstrates a way to unlock John's structure and unravel his symbols. The key is to follow a logical step-by-step interpretive approach that accents the historical, cultural, intertextual, extratextual, and particularly intratextual allusions and connections. The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers, preachers, and readers of Revelation.

Argument is War: Relevance-Theoretic Comprehension of the Conceptual Metaphor of War in the Apocalypse

"The testimony of Jesus is the spirit of prophecy" (Rev 19:10) and a prophetic perspective promotes purpose. Yet in a world swiftly growing callous, true purpose and meaning are fading. Many of Jesus' disciples today have "lost their first love," which is Jesus himself (Rev 2:4). And too many souls overall miss the wonder, inspiration, and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation: "Blessed are they who read and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near" (Rev 1:3). Neglect of

the Holy Spirit, slothfulness, fear, and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible. We must not forget that while the apostle John wrote the book of Revelation, its author is Jesus Christ, and he is not an author of confusion but of peace (1 Cor 14:33). This commentary presents a practical, discipleship-based perspective toward following Jesus into the very heart of his Revelation. So as the end of this clamorous age approaches, may we truly hear what the Spirit is saying to the churches!

Lions, Locusts, and the Lamb

The message of Revelation speaks to Christians for all times, and historically has especially encouraged persecuted groups. Today Christians in many parts of the world are also at opposition to the worldview of the time. Revelation gives strength to those who are oppressed, and John R. Yeatts' commentary attends to themes of martyrdom, suffering, service in the world, hope, the triumph of Christ, and the role of the church in bearing witness to the triumphant Christ. The commentary includes clear biblical commentary, relationships between various portions of Scripture, and applications drawn from the Anabaptist tradition and the larger Christian community.

The Revelation of Jesus Christ

Over the past fifty years, studies pertaining to the reality of the church in the Apocalypse have, for the most part, tended to be either selective or sketchy in their treatment of the relevant material of the book. Yet in all fairness to the seer of Patmos, his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work, so as to allow for that indispensable 'synoptic' overview of such intentionally correlated material. *Woman, Mother and Bride* is such a study. It re-examines the relevant imagery of the Apocalypse but from the perspective of the seer's ecclesial 'thought-world' and on the basis of his overriding pastoral concerns for the 'seven churches' without which his work will continue to puzzle and trouble at every page. The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity.

Revelation

As numerous scholars have noted, The Revelation was first received orally. Directed not merely to the intellect, its author deliberately employed different literary schemes and devices to evoke the imagination of his audience. In this new study, Joe Lunceford examines the specific use of parody and counterimaging in The Revelation, arguing that this often overlooked device was an essential means by which its author engaged the imagination of his readers and hearers. In light of the best of recent scholarship on The Revelation, Lunceford examines over thirty uses of this device--most notably the contrasting images of the evil trinity of dragon, beast from the sea, and beast from the earth and the Holy Trinity.

Woman, Mother, and Bride

I think, therefore I am. I do, therefore I exist. To be is to do. We all live! Do we know who we are? Do we know who God is? Do we really know what man is to God and the connection between man and God? This book will give answers to some of the hard question. Most of all, know why woman exists. Most are afraid to say why God made woman. Truth and facts are in this book. Do not be afraid to read and gain knowledge that you have never had and never heard before. This book gives understanding w

Parody and Counterimaging in the Apocalypse

The Christian faith presents a distinctive vision of last things: that God in Christ aims to reconcile the world to himself, and through his Spirit and a new people, to set all things to right. This good news is for all nations and peoples, but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church. In *All Things New*, leading theologians and biblical scholars from Africa, Asia, Latin America, and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope. The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church's vision of the eschaton.

Man is Spiritual Woman is Holy

No part of the Bible is more controversial than the book of Revelation, or, as it is often called, the Apocalypse. For eighteen hundred years it has given rise to conflicting interpretations, and in the late twentieth century it is as controversial as ever.

All Things New

The Joy of Exile presents a well-researched commentary on the last book of the Bible. It demonstrates Revelation's dependence on Old Testament imagery while exploring its transforming message for disciples in all times and places. The Joy of Exile encourages readers to see this often misunderstood and misrepresented book as an encouraging guide to faithful discipleship in a rebellious world.

Mysterious Apocalypse

The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament. It invites the reader to grapple with two interrelated questions along with the author: (1) What did the writers of the New Testament teach about the fate of the cosmos, and (2) can we synthesize their teachings into a coherent New Testament theology? By offering a close reading of key texts that inform the topic (most notably Matt 24:29–31; Mark 13:24–27; Luke 21:25–28; Rom 8:19–22; Heb 12:25–29; 2 Pet 3:4–13; and Rev 21:1–5), it is argued that one can, with certain qualifications, ascertain a clear and coherent New Testament message pertaining to the future of the cosmos. Along the way, new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos: God's judgment of the heavenly powers of evil as a key component to the cosmic transition. At present, these hostile powers hold the cosmos captive to death, but on the Day of the Lord they will be overthrown, setting the stage for a materially transformed world to emerge from the hand of God.

The Joy of Exile

David S. Young shows a biblical style of servant leadership and how it can be applied in concrete situations. He sees the spiritual dimension as key to renewal in the church. Servant leaders are attuned to God's movement and listen for God's direction to help a congregation find a plan for using the strengths of their church. Servant leaders formulate a renewal plan and implement it through prayer, teamwork, and resources. They learn to handle hardship. They are involved in faith formation. They serve by the transforming springs of God and call others to renewal and service.

The New Testament and the Future of the Cosmos

What becomes of the wicked? Hell—exile from God, subjection to fire, worms, and darkness—for centuries the idea has shaped the dread of malefactors, the solace of victims, and the deterrence of believers. Although we may associate the notion of hell with Christian beliefs, its gradual emergence depended on conflicting notions that pervaded the Mediterranean world more than a millennium before the birth of Christ. Asking just why and how belief in hell arose, Alan E. Bernstein takes us back to those times and offers us a comparative view of the philosophy, poetry, folklore, myth, and theology of that formative age. Bernstein draws on sources from ancient Egypt, Mesopotamia, Greece, Rome, and Israel, as well as early Christian writings through Augustine, in order to reconstruct the story of the prophets, priests, poets, and charismatic leaders who fashioned concepts of hell from an array of perspectives on death and justice. The author traces hell's formation through close readings of works including the epics of Homer and Vergil, the satires of Lucian, the dialogues of Plato and Plutarch, the legends of Enoch, the confessions of the Psalms, the prophecies of Isaiah, Ezekiel, and Daniel, and the parables of Jesus. Reenacting lively debates about the nature of hell among the common people and the elites of diverse religious traditions, he provides new insight into the social implications and the psychological consequences of different visions of the afterlife. This superb account of a central image in Western culture will captivate readers interested in history, mythology, literature, psychology, philosophy, and religion.

Servant Leadership for Church Renewal

This volume brings together a diverse group of scholars, including biblical, systematic, and historical theologians, to honor Gareth Lee Cockerill, longtime professor of New Testament at Wesley Biblical Seminary (Jackson, MS) and distinguished scholar of the book of Hebrews. The essays focus on various aspects of Hebrews' theology, ranging from the nature of "rest" in Hebrews to the interpretation

of Hebrews in early Methodism. Readers will find resources to hear and comprehend Hebrews afresh and will be challenged to draw near to the throne of grace with confidence (Heb 4:16).

The Formation of Hell

Do you want to find rest? Do you want to enter the place you belong? Jesus gives you grace to take the necessary steps. In *The Search for Home*, author Pastor Paul Delashaw presents an intriguing devotional and commentary that provides insights into John 1-4, and facilitates your path to maturity. While serving as a teaching aid for individuals and groups, it challenges you to grow and love God with all your heart, soul, mind, and strength. Offering a mix of one hundred devotionals and commentaries, *The Search for Home* introduces you to basic principles and vocabulary of inductive Bible study and helps you structure your devotional life. It focuses on John because it's the most unique of gospels. Written last, it's a product of careful reflection, and through the power of the Holy Spirit offers a way back to the true origin of life found only in Jesus Christ. A coming-of-age from a Christian perspective, Delashaw details practical steps for intellectual growth and character development: faith, hope, and love.

Listen, Understand, Obey

Barry Callen is a "church theologian" in the finest sense. In this book he once again brings the commitments nurtured by Pietist, Anabaptist, and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology. The result is a convincing reminder that Christian teachings about "ultimate things" (eschatology) are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future. His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful. Randy L. Maddox, Professor of Wesleyan and Methodist Studies, Duke University Divinity School In a day when fanciful end-times speculations abound, the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology. Barry Callen is such a voice. As he so forcefully declares, rather than focusing on dates and times, God calls us to be "faithful in the meantime." Stanley J. Grenz, Professor Emeritus of Theology, Ethics, Baptist Heritage, Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God. What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment. Here we have, thanks to Barry Callen, a responsible, informed, interesting, and up-to-date account of our blessed hope. Clark H. Pinnock, Professor Emeritus of Theology, McMaster Divinity College Barry L. Callen is University Professor and Vice President of Academic Affairs Emeritus, Anderson University, Editor of Aldersgate Press, author of *Radical Christianity* (1999), *Approaching Theology* (2015), *Heart of the Matter* (2016), and *Bible Stories for Strong Stomachs* (2017).

The Search for Home

In a world filled with destruction and moral decay, *Holiness in an Unholy Society* is a relevant book for our time, which gives a snapshot of where we are in our society. It is a spiritual call to believers to take a stand for righteousness. It moves you to think about where we are and encourages you to commend your heart back to God.

Faithful in the Meantime

Amidst the fervor for popular apocalyptic books and unfounded "end-times" theology, New testament scholar David deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read. A very helpful treatise, deSilva's *Unholy Allegiances: Heeding Revelation's Warning* explores the world of first-century Roman Asia, the context in which Revelation was written, explaining why John wrote such a graphic and startling message to the people of God. While many books today offer innovative "decodings" of Revelation, deSilva reminds us that John's letter is, in fact, not a historical blueprint for prophecy and prognosticism but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus—a warning that is apt today as it was almost two-thousand years ago. The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world. It's time to pay attention without playing ender's games. It's time to take Revelation seriously.

Holiness in an Unholy Society

Victory through Revelation: Overcoming the Antichrist Spirit is written for those of us who believe in the power of God to fashion our lives contrary to compromising influences and disturbing world events. As the title suggests, each of us can experience the revelation of Jesus Christ to bring us into complete victory, even over the most deceptive human philosophy. Many authors present the events described in the book of Revelation outside the context of the book. Victory through Revelation: Overcoming the Antichrist Spirit upholds the unity of Revelation, so we as servants of Christ can hear what He is saying to us in connection to the events seen by the apostle John. Because of the focus on God's power to transform us into His conquering people, Victory through Revelation also opens a fresh understanding of the last days. It introduces a paradigm to shift us as individuals and the church of the twenty-first century from living in struggle and defeat to experiencing victory upon victory. Victory through Revelation shows how achieving victory through the revelation of Christ is essential for living daily for God in an increasingly immoral and godless world, and it underscores the guarantee of our eternal victory no matter what transpires. Those of us who want the power of the revelation of Christ to raise us to life in order to escape the things that are about to come upon the world would do well to read Victory through Revelation: Overcoming the Antichrist Spirit.

Unholy Allegiances

Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, The Long Journey Home combines current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

Victory Through Revelation

Of all the books of the Bible, few are as fascinating or as intimidating as Revelation. Four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, the "mark of the beast." It's no wonder that these images have gripped the imagination of so many--and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet. Is the book of Revelation a blueprint for the future? A book of powerful symbolic imagery with warnings for the church? Is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse: Preterist – a historical interpretation, arguing that most of John's prophecies occurred in the first century, soon after his writing of them. Idealist – a spiritual or symbolic interpretation, arguing that the events in Revelation are not literal, and that apocalyptic literature requires a different approach than the Gospels or Epistles. Classical dispensationalism – a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history. Progressive dispensationalism – a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

The Long Journey Home

Get back to the roots on Revelation Through the centuries since its writing, the book of Revelation has captured the fascination of the Christian church. The earliest Christians were unanimous in understanding it along a premillennial view of Jesus' second coming, but other hermeneutical approaches began to emerge in the third century. These clouded, and added complexity to, the task of explaining the book's meaning. For most of the Christian era, consequently, many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An avalanche of interpretive literature has evidenced remarkable interest in the book's contents, but along with the interest has come widespread bewilderment. Written especially for the informed layman, student, and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and

grammatical hermeneutic and propounds a conservative, evangelical theology, but the reader will not get a narrow view on areas of disagreement. This commentary interacts with a range of major views, both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity, but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2-volume commentary are based on the original language of the text. Translations used are those of the author, and textual criticism and word study are included where appropriate. This in-depth commentary also includes extended excursions on important topics of theological and historical interest.

Four Views on the Book of Revelation

"When God chooses to come into the natural world to give revelation of the spiritual realm -- that is a visit to the gate of heaven. In that experience a life is transformed and the call of God becomes the passion of one's life."--Intro. p. 7

Revelation Exegetical Commentary - 2 volume set

The stories in Daniel and Revelation are among the most vivid in the Bible, but they are also among the most misunderstood. In *The Storyteller's Companion to the Bible Volume 8*, commentator Rick Lowery and storytellers Michael E. Williams and Fred A. Shaw show how the symbolism and imagery of these biblical stories offer comfort in times of distress and encouragement to hold fast in faith.

Visits to the Gate of Heaven

Revelation studies have been typically characterised by two very different types of study emanating from academia and the church. Academia has been engaged in historical critical and source critical studies which typically dissect the text. Whilst the methods used in the church treat Revelation as scripture and keep the text intact, these approaches often lack the tools for sound interpretation. Tõniste observes the need for a more holistic and thoughtful methodology to study Revelation. Tõniste develops an approach that respects Revelation as a part of Christian scripture composed by and for the church, whilst simultaneously making use of respected modern academic methods that support unity (literary, canonical, and narrative criticism, intertextuality, and canonical location) to arrive at theologically sensible and satisfying interpretations. The basic key to unlocking the mysteries of Revelation lies in its abundant use of intertextuality, an area that remains still under-researched. This integrated methodology is explored through a reading of Revelation 21-22.

The Storyteller's Companion to the Bible Volume 8: Daniel and Revelation

The Gospel of John The Apostle is all about presenting Jesus Christ as the Savior of the world. It also presents Jesus as the all-powerful Son of God who enables His disciples to do great work on this earth. This book is about modern day Christians "tapping" into the power of Jesus Christ to live more spiritually in the world today. This book will concentrate on the first six chapters of this Gospel which is focusing on living more spiritually in the Kingdom of God upon this earth by becoming a dedicated Christian Disciple for Jesus Christ. The subject of the book is: "Where Will You Live?" All Christians need to learn to live more spiritually in God and less carnally in this world. This book will examine in detail how to do this, and in its signature Chapter Four: "The Samaritan Woman at the Well"; the book will highlight the importance and necessity of all Christians witnessing to all lost sinners. Finally, the book will emphasize living with God in Heaven one day for all of eternity.

The Ending of the Canon

The book of Revelation is almost certainly the most controversial book of the Bible. Some believe the prophecies contained in the book can never be understood; they are a mystery that cannot be revealed and the reading of Revelation is therefore a waste of time. Many believe that the book tells of the coming tribulations that our generation or one of the succeeding ones will face, that the rapture will yet take place and that the millenium has not yet begun. Then there are those who fall in between the two extremes, saying that we are in the millenium, or that the rapture has already occurred; that the prophecies have all been fulfilled or that some have been and some are yet to be.

Where Will You Live?

In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book *A Divine Revelation of Hell*, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, "I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance...." Recently, God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day. *A Divine Revelation of Satan's Deceptions* contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various "keys to the kingdom" to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.

A Journey Through the Revelation to John

Elenchus of Biblica

More Than a Carpenter

He thought Christianity was a sham. Then it changed his life. Skeptic Josh McDowell thought Christians were out of their minds. He ridiculed and insulted them, then decided to combat them with his own thorough research to disprove the claims of Jesus Christ. To his surprise, he discovered that the evidence suggested exactly the opposite—that Jesus, instead of being simply a first-century Hebrew carpenter, truly was the God he claimed to be. Josh went on to write the inspirational work on Christian apologetics, *More Than a Carpenter*, which has sold over 15 million copies. In this revised and updated edition, with over 15 million copies in print since its original publication, *More Than a Carpenter* has changed countless lives. Now, in this revised and updated edition, Josh is joined by his son, Sean, as they tackle the questions that today's generation continues to ask: "Can I be spiritual without believing in God?" "How can I make sure that my life counts for something?" "Is it really possible to know anything for sure about God or Jesus?" This edition is an accessible read for seekers and a great evangelism tool.

More Than a Carpenter

Josh McDowell's timeless examination of the true nature of Christ and his impact on our lives is one of the bestselling Christian books ever (more than eight million copies in print worldwide!) As a college student, Josh McDowell thought Christians must be "out of their minds". He put them down and argued against their faith. But eventually he saw that his arguments wouldn't stand up, that Jesus really was God in human flesh. Josh became a speaker on college and university campuses, challenging those who were just as skeptical as he had been. Here Josh focuses upon the person who changed his life - Jesus Christ. A hard-headed book for people who are sceptical about Jesus' deity, his resurrection, and his claims on their lives. 128 pages, from Living Books.

Don't Check Your Brains at the Door

Examines common myths about God, religion, and life that contradict God's Word.

Did the Resurrection Happen . . . Really?

With over 40 million books sold, bestselling author Josh McDowell is no stranger to creatively presenting biblical truth. Now, partnering with fellow apologist Dave Sterrett, Josh introduces a new series targeted at the intersection of story and truth. The *Coffee House Chronicles* are short, easily devoured novellas aimed at answering prevalent spiritual questions. Each book in the series tackles a long-contested question of the faith, and then answer these questions with truth through relationships and dialogue in each story. In *Did the Resurrection Happen, Really?: A Dialogue on Life, Death, and Hope*, the college campus is rocked by a shooting spree that leaves nine students dead. Their up-close experience with mortality allies the coffee house discussion group together to really wrestle with the spiritual and eternal

ramifications of whether or not Jesus rose from the dead. The other two books in the series: *Is the Bible True, Really?* and *Who is Jesus, Really?* continue the unfolding story at the college campus and the coffee house down the road.

Telling the Truth

This thoughtful book provides cultural analysis, probes some of the most important turning-points of biblical theology, describes the experiences of those who are proving fruitful in contemporary evangelism, and exposes readers to those who are thinking hard both strategically and practically about reaching the postmodern world.

The Father Connection

A modern classic on father-child relationships is revised and redesigned, continuing its legacy of helping dads to lovingly raise their kids based on God's teaching.

Undaunted

Undaunted—both the book and movie—chronicles the riveting true story of a young farm boy named Josh who carried unspeakable memories of an alcoholic father and a farmhand's abuse, causing him to defy God's existence. Yet God redeemed a horrible situation with his unbelievable grace. Today Josh McDowell is one of the most popular evangelists in the world who defends the reality of Jesus Christ to millions through his presentations and classic book *More Than a Carpenter*. Undaunted unfolds the dramatic spiritual transformation in Josh's life when he faces his past head-on and puts everything entirely in God's hands. The result is an undaunted faith, a gift freely offered to everyone who seeks it.

The Unshakable Truth

The name Josh McDowell promises real-life, on-the-street Christian apologetics. McDowell, along with his son, Sean, draws on a lifetime of work to create this comprehensive handbook on what Christians believe, why they believe it, how it is relevant to life, and how they can pass it on to the next generation. The Unshakable Truth is uniquely positioned in the way it presents apologetics relationally, focusing on how right believing affects not only believers but also the people they encounter.

The Cape Town Commitment: A Confession of Faith, A Call to Action

The Cape Town Commitment, which arose from The Third Lausanne Congress on World Evangelization (Cape Town, 2010), stands in the historic line of The Lausanne Covenant (1974) and The Manila Manifesto (1989). It has been translated into twenty-five languages and has commanded wide acceptance around the world. The Commitment is set in two parts. Part 1 is a Confession of Faith, crafted in the language of covenantal love. Part 2 is a Call to Action. The local church, mission agencies, special-interest groups, and Christians in the professions are all urged to find their place in its outworking. This annotated bibliography of The Cape Town Commitment, arranged by topic, has been compiled by specialists in a range of fields. As such, it is the first bibliography of its kind. - Arranged in sections for graduate-level teaching - Equally useful for research students

Eternity in Their Hearts

Startling Evidence of Belief in the One True God in Hundreds of Cultures Throughout the World Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel? Don Richardson, author of the best-selling book *Peace Child*, has studied cultures throughout the

world and found within hundreds of them startling evidence of belief in the one true God. In *Eternity in Their Hearts*, Richardson gives fascinating, real - life examples of ways people have exhibited in their histories terms and concepts that have prepared them for the gospel. Read how Pachacuti, the Inca king who founded Machu Picchu, the majestic fortress in Peru, accomplished something far more significant than merely building fortresses, temples or monuments. He sought, reached out and found a God far greater than any popular god of his own culture. And there have been others throughout the world, like him, who've received the blessing of the gospel. Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself, bearing out the truth from Ecclesiastes that God has also set eternity in the hearts of men.

The Disconnected Generation

The real battle is not in the amoral and immoral influences of our culture, but in the hearts of our young people, says author and speaker Josh McDowell in *The Disconnected Generation*. And our young people are losing hope because they feel isolated and alienated from their parents. They are the disconnected generation. This book shows parents and youth workers how to understand and close the isolation gap to form nurturing, enduring relationships that can withstand cultural influences. As a companion to *The Disconnected Generation*, the video curriculum resources provides five video sessions from Josh McDowell offering practical steps that every adult can take to close the emotional gap between themselves and their children.

The Bare Facts

Sex is everywhere. And misunderstandings about it are even more pervasive. Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn—this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.

Who Moved The Stone

You don't have to be a super-parent to be a hero to your kids. All it takes is love, motivation and a workable plan. Josh McDowell and Dick Day offer a six-point, biblically-based plan for positive parenting that will set you on the path to being a hero to your child.

How to be a Hero to Your Kids

There is joy and triumph in the Christian life. The eternal God loves us and calls us to the highest good that we can enjoy. But that goal is achieved only by a fight. In this classic guide to the Christian life, John White introduces the key areas in which we must wrestle time and again, including prayer and Bible study, faith and temptation, relationships and holiness. He lets us see our enemies: the spirit of the age, our own sinful nature, and the powers of darkness. And he gives us the encouragement to persevere in the battle. New Christians who read this book will take their first steps in Christian living with confidence. Established disciples will find refreshing insights into the struggles and joys of life in Christ.

The Fight

This book is for those who genuinely desire to live life at its fullest and to appropriate the supplying possibilities of faith in Christ. Even with a virtual army of professionals and hundreds of volumes of Christian books carefully analyzing our emotional health, many of us still wrestle with deep, unresolved hurts, often still feeling overpowering needs to be loved, accepted, and secure. Why? Here in *Evidence for Joy* is Josh McDowell's answer: "Most of us simply don't know how to effectively apply what we believe to how we live!" Going beyond his best-selling *Evidence That Demands a Verdict*, Josh, with Dale Bellis, now presents a courageously articulated plan for bridging the application gap between

intellectual belief and heartfelt conviction. Here is a book that comes to grips with this age's epidemic of emotional fallout. Evidence for Joy is illustrated with case studies of real people caught in conflict, lively anecdotes from the author's own experiences, and pertinent scripture references. - Back cover.

Evidence for Joy

In *Straight Talk with Your Kids About Sex*, Josh and Dottie McDowell draw on their decades-long love and concern for youth. See Yourself As God Sees You

N. Katherine Hayles is known for breaking new ground at the intersection of the sciences and the humanities. In *Unthought*, she once again bridges disciplines by revealing how we think without thinking—how we use cognitive processes that are inaccessible to consciousness yet necessary for it to function. Marshalling fresh insights from neuroscience, cognitive science, cognitive biology, and literature, Hayles expands our understanding of cognition and demonstrates that it involves more than consciousness alone. Cognition, as Hayles defines it, is applicable not only to nonconscious processes in humans but to all forms of life, including unicellular organisms and plants. Startlingly, she also shows that cognition operates in the sophisticated information-processing abilities of technical systems: when humans and cognitive technical systems interact, they form “cognitive assemblages”—as found in urban traffic control, drones, and the trading algorithms of finance capital, for instance—and these assemblages are transforming life on earth. The result is what Hayles calls a “planetary cognitive ecology,” which includes both human and technical actors and which poses urgent questions to humanists and social scientists alike. At a time when scientific and technological advances are bringing far-reaching aspects of cognition into the public eye, *Unthought* reflects deeply on our contemporary situation and moves us toward a more sustainable and flourishing environment for all beings.
