Ebony

Bestselling author Rebecca Solnit reminds us that activism has changed the world in remarkable ways.

Hope in the Dark

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

I Love Jesus, But I Want to Die

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are “Albion's Seed,” no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Albion's Seed

At the age of thirteen Madeleine Black faced more physical and emotional trauma than most ordinary people do in a lifetime... Violently gang raped and abused, Madeleine became haunted by these horrendous events and for years was unable to overcome the psychological demons which filled her with extreme anxiety and self-loathing. During this terrible period of her life, Madeleine was time and again made the victim, as she was taken advantage of in her fragile state. But Madeleine refused to let this terrible abuse define her life, instead she made a decision to move forward and make her life her own again through committing to the most tremendous act of courage; forgiveness. By choosing to forgive those who committed wrongs against her, Madeleine began to slowly, piece by piece, rebuild her life. This is a story of gut-wrenching adversity, overcome through sheer strength and determination.

Unbroken

This antiquarian volume contains a comprehensive treatise on democracy and education, being an introduction to the 'philosophy of education'. Written in clear, concise language and full of interesting expositions and thought-provoking assertions, this volume will appeal to those with an interest in the role of education in society, and it would make for a great addition to collections of allied literature. The chapters of this book include: 'Education as a Necessity of Life'; 'Education as a Social Function'; 'Education as Direction'; 'Education as Growth'; 'Preparation, Unfolding, and Formal Discipline'; 'Education as Conservative and Progressive'; 'The Democratic Conception in Education'; 'Aims in Education', etcetera. We are republishing this vintage book now complete with a new prefatory biography of the author.

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Democracy and Education

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

The Independent

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of *Utopia* are reminiscent of life in monasteries.

Fratelli Tutti

Helps those dealing with trauma, pain or hardship to better cope through the use of narrative therapy, a storytelling-based approach to recovery, that allows people to "re-member" and reclaim their experiences in a more positive light. Original.

Bulletin of the Atomic Scientists

The Navy SEAL, humanitarian and best-selling author of *The Heart and the Fist* draws on ancient wisdom and personal experience to counsel readers on how to promote personal resilience and overcome obstacles through positive action. 100,000 first printing.

Outlook

A collection of poems which won the 1990 Signal Poetry Award. The author also wrote the *Happy Families* series, *Ten in a Bed*, *Woof!*, *Please Mrs Butler*, *The Mighty Slide* and *Ha Ha Bonk Book*.

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser

Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Journal of Education

The pursuit of success can drive people to endlessly seek outside acceptance. Raises and praise from employers and social peer groups may be a sign of prosperity and progress but should not be mistaken for genuine achievement. According to Sheryl Towers, the founder of Life Enrichment Skills, only that which contributes to a person's overall happiness and enthusiasm can be considered true success. By using the metaphor of seeds blossoming into life, Towers adds a depth and personalization that transcends the standard step-by-step self-improvement guide. Through seventeen basic principles, or seeds, such as honesty, integrity, and faith, Towers lays the groundwork for a life of fulfillment. Each tenet, when cultivated and practiced, can enhance a person's sense of self and help them prepare a better future. Her view is a combination of realism and optimism. Seeking true success, she admits, can take time, patience, and resolve. As someone who has risen above negative conditioning to live by her own terms, Towers provides firm encouragement to support the reader through their journey. Words of wisdom from respected intellectuals, sports figures, and business executives combine with inspirational stories to guide those who wish to add true value to every aspect of their lives.

Utopia

Faith in a Seed contains the hitherto unpublished work The Dispersion of Seeds, one of Henry D. Thoreau's last important research and writing projects, and now his first new book to appear in 125 years. With the remarkable clarity and grace that characterize all of his writings, Thoreau describes the ecological succession of plant species through seed dispersal. The Dispersion of Seeds, which draws on Charles Darwin's theory of natural selection, refutes the then widely accepted theory that some plants spring spontaneously to life, independent of roots, cuttings, or seeds. As Thoreau wrote: "Though I do not believe a plant will spring up where no seed has been, I have great faith in a seed. Convince me that you have a seed there, and I am prepared to expect wonders." Henry D. Thoreau's Faith in a Seed, was first published in hardcover in 1993 by Island Press under the Shearwater Books imprint, which unifies scientific views of nature with humanistic ones. This important work, the first publication of Thoreau's last manuscript, is now available in paperback. Faith in a Seed contains Thoreau's last important research and writing project, The Dispersion of Seeds, along with other natural history writings from late in his life. Edited by Bradley P. Dean, professor of English at East Carolina University and editor of the Thoreau Society Bulletin, these writings demonstrate how a major American author at the height of his career succeeded in making science and literature mutually enriching.

Retelling the Stories of Our Lives: Everyday Narrative Therapy to Draw Inspiration and Transform Experience

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

Resilience

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah

Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

The Golden Rule

Your job is obedience. God's job is everything else. If you've ever found yourself wondering...What is God's plan for my life? or Can He really use me? you're not alone. Lysa TerKeurst has wrestled through those same questions. But she's also learned that we were absolutely created to participate in God's divine activity and experience His rich blessings. We just have to say yes to Him! Through her own struggles, doubts, and honest vulnerability, Lysa will equip you to: Reignite your passion for the Lord by discovering the incredible opportunities He's already placed in front of you and the courage to say yes. Know what God is speaking personally to you with practical ways to listen for His voice. Overcome the fear that you're not doing the Christian life right by learning it's about perfect surrender, not perfect performance. Apply key teachings to your own situation today with helpful study questions and reflection prompts. Get ready for a journey of joy and purpose—one that will radically bless you beyond what you can ask or imagine!

Prairie Farmer

What would happen if you started listening to your cravings instead of trying to silence them? If you're tired of the same old messages of eat less and move more, this book is what you've been missing. You know "how to" get healthy... but now there's finally a book to help you find your "want to"- the lasting emotional and spiritual motivation to meet your goals and stay healthy. The reality is we were made to crave. Craving isn't a bad thing. But we must realize God created us to crave more of him. Many of us have misplaced that craving by overindulging in physical pleasures instead of lasting spiritual satisfaction. New York Times bestselling author of *It's Not Supposed to Be This Way*, *Uninvited*, and *The Best Yes*, Lysa TerKeurst, invites you to find the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. In this book, Lysa will help you: Break the cycle of "I'll start again Monday" and feel good about yourself today. Stop agonizing over numbers on the scale and make peace with your body. Replace rationalizations that lead to failure with wisdom that leads to victory. Reach your healthy goals and grow closer to God through the process. This is not a how-to book. This is not the latest and greatest dieting plan. This book is the necessary companion for you to use alongside whatever healthy lifestyle plan you choose. This is a book and Bible study to help you find the "want to" in making healthy lifestyle choices.

Flowers in the Attic

This is the extraordinary novel that has captured millions in its spell!

Encyclopedia of Pulp Fiction Writers

Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works.

Extremely Loud And Incredibly Close

A funny, uplifting novel about a boy's journey through New York in the aftermath of September 11th from one of today's most celebrated writers. Nine-year-old Oskar Schell embarks on an urgent, secret mission that will take him through the five boroughs of New York. His goal is to find the lock that matches a mysterious key that belonged to his father, who died in the World Trade Center on the morning of September 11. This seemingly impossible task will bring Oskar into contact with survivors of all sorts of an exhilarating, affecting, often hilarious, and ultimately healing journey. With humor, tenderness, and awe, Jonathan Safran Foer confronts the traumas of our country's difficult history.

The Very Best of Paul Anka

Twenty vintage favorites, including Put your head on my shoulder, You are my destiny, Diana, etc.

A Forest of Stars

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

The Poisonwood Bible

New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop,

Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Pearl in the Mist

One of the most popular storytellers of all time, V.C. Andrews (*Flowers in the Attic*, *My Sweet Audrina*) continues an engrossing saga of psychological suspense with this second book of the Landry Family series—soon to be a Lifetime movie! Fate has whisked Ruby away from a simple life in the Louisiana Bayou but her new riches bring more treachery than happiness in this unputdownable and darkly evocative novel. Even a year removed from living in the bayou, Ruby still wonders at the splendor of her family's New Orleans mansion. She rejoices in the love of the father she had never known, even as true happiness remains as elusive as swamp mist. Her stepmother sneers at her backwater upbringing, and while discovering she has a twin sister should be a cause for joy, Gisselle has greeted Ruby with nothing but a bitter heart. When Ruby's father chooses an idyllic boarding school for his daughters' senior years, a fresh start with Gisselle seems possible. But Ruby's kind isn't welcome at Greenwood, and the legendarily strict headmistress plots with her stepmother to make life miserable. Worse, with her twin on a mission to break every school rule, Ruby is left to suffer the humiliating punishments. So when a terrible tragedy leaves Ruby alone in a world that never really wanted her, only her Cajun strength can give her daring escape plan any hope of success. The weather on the bayou was nothing compared to the storm about to tear through her family.

Nurse Matilda Goes to Town

Once upon a time there was a huge family of children, and they were terribly, terribly naughty ... Mr and Mrs Brown thought that their children had been cured of naughtiness by the inimitable, magical Nurse Matilda. But now, with Nurse Matilda gone, the children have slipped back into their wicked ways: Tora has put glue in the sandwiches; Emma has made a chocolate cake out of mud; David has put a toad in the milk jug; and Tim is tying Nanny's shoelaces to her chair! Their stay in London with their Great Aunt Adelaide seems set for disaster – until the arrival of Nurse Matilda ... This highly collectable new edition of a timeless classic is packed with episode after episode of mischief, mayhem and hilarity, all accompanied by Edward Ardizzone's beautiful original illustrations. From the series that inspired the much-loved film *Nanny McPhee*, starring Emma Thompson and Colin Firth, *Nurse Matilda Goes to Town* overflows with naughtiness, wit and timeless humour – the perfect book for mischief-makers both young and old!

Writing Back Through Our Mothers

For the first time in the literary tradition, the contemporary woman's historical novel (post-1970) is surveyed from a transnational feminist perspective. Analyzing the maternal (the genre's central theme) reveals that historical fiction is a transnational feminist means for challenging historical erasures, silences, normative sexuality, political exclusion, and divisions of labor. (Series: *Contributions to Transnational Feminism* - Vol. 5)

The Amorous Busboy of Decatur Avenue

Dear Reader, When we asked the beloved award-winning comedian and actor Robert Klein to write a book, you can imagine our utter surprise when he told us that he wanted to write about sixth-century Chinese pottery. Thankfully, he hit a creative brick wall (since he doesn't really know anything about pottery from China or anywhere else). Then came similar failures to write books about sea turtles, circumnavigation of the globe, building jet engines at home, the sociology of chickens, or fungi of the skin. Luckily, Mr. Klein's paramount concern was the consumer. He knew that if we, his publishers, were going to boldly ask you to purchase his book (see above for price), he would have to write something so good, so worthwhile, so meaningful as to make you want to send additional money to your bookseller in gratitude for having allowed you to partake in this reading experience. So Mr. Klein set out to write about what he knows best: himself. This book is about the adventures of a child who becomes a young man:

how he thinks and dreams and lusts and fears and laughs and handles adversity. From the beginning of his distinguished career as a comedian, Robert Klein established himself as a pioneer in observational humor and razor-sharp routines that are infectiously funny. Now -- for the first time -- Klein brings his trademark humor and honesty to the printed page. In this portrait of a comic as a young man, Klein takes us back to the people and streets of his Bronx neighborhood, the eccentric cast of characters in the Catskills hotels and bungalow colonies where he worked, the college dorms where he received more than an academic education, the 1964 World's Fair where he fell in love, New York City and Chicago in the 1960s as he developed his talent, and Los Angeles just as he was about to embark on a show business career. Throughout, Klein reveals the hilarity of growing up and explores the mysteries and his own foibles in sex and relationships. He recounts with wit and poignancy losing his virginity with a prostitute, bringing home a German girlfriend to his Jewish family, and the amorous adventures of the busboy he once was. With an ego more fragile than Chinese pottery, Robert Klein has written a funny and evocative coming-of-age memoir -- well worth the price (if we say so ourselves). Enjoy. All the best, The Publisher

Nurse Matilda Goes to Hospital

Once upon a time there was a huge family of children, and they were terribly, terribly naughty ... The Brown children are back, and they're naughtier than ever! This time, they have feigned illness and been taken to hospital ... but with the no-nonsense, magical Nurse Matilda running the show, they have little chance of keeping up their antics for long! This highly collectable new edition of a timeless classic is packed with episode after episode of mischief, mayhem and hilarity, all accompanied by Edward Ardizzone's beautiful original illustrations. From the series that inspired the much-loved film Nanny McPhee, starring Emma Thompson and Colin Firth, Nurse Matilda Goes to Hospital overflows with naughtiness, wit and timeless humour – the perfect book for mischief-makers both young and old!

Ponkapog Papers

The Ponkapog Papers is a book about travel. This fascinating book contains wonderful landscape descriptions of Ponkapog and Pesh of Massachusetts. Excerpt: "IN his Memoirs, Kropotkin states the singular fact that the natives of the Malayan Archipelago have an idea that something is extracted from them when their likenesses are taken by photography..."

The Man in the Window

A poignant, darkly comic novel by the author of Max Lakeman and the Beautiful Stranger. A disfigured man stays in the safety of his parents' house for 16 years--until a fateful accident causes him to meet the woman who changes his life. "A gentle romantic fantasy of piercing and eccentric beauty".--Boston Globe. Optioned for a film by Scott Rudin (Flatliners).

The Grasshopper King

This debut novel is a profoundly absurd campus satire about immortality, obsession, obscurity, and true love.

My Sweet Audrina

Contains excerpt of Whitefern, sequel to My sweet Audrina.

The Troublesome Offspring of Cardinal Guzman

The epic finale of the Latin American trilogy following The War of Don Emmanuel's Nether Parts and Senor Vivo and the Coca Lord While the economy of his small South American country collapses, President Veracruz joins his improbable populace of ex-soldiers, former guerrillas, unfrocked priests and reformed - though by no means inactive - whores, in a bizarre search for sexual fulfilment. But for Cardinal Guzman, a man tormented by his own private demons, their stupendous, hedonistic fiestas represent the epicentre of all heresies. Heresies that must be challenged with a horrifying new inquisition destined to climax in a spectacular confrontation... 'An extraordinary feat of imagination... a sensuous, often farcical and ultimately optimistic argument for spiritual sanity' Time Out

The Ark Sakura

'One of Japan's most venerated writers' David Mitchell In this unnerving fable from one of Japan's greatest novelists, a recluse known as 'Mole' retreats to a vast underground bunker, only to find that strange guests, booby traps and a giant toilet may prove even greater obstacles than nuclear disaster. 'As is true of Poe and Kafka, Abe creates an unexpected impulsion. One continues reading, on and on' New Yorker 'Abe's depiction of the deadly game of survival is hilarious but at the same time leaves us with a chilling sense of apprehension about the brave new world that awaits us' Los Angeles Times
Translated by Juliet Winters Carpenter

Book Lust

What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of litterateurs with "What If All (name the city) Read the Same Book," has devised reading lists that cater to every mood, occasion, and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African-American fiction from a female point of view, must-reads for kids, books on bicycling, "chick-lit," and many more. Pearl's enthusiasm and taste shine throughout.

Never Let a Fool Kiss You or a Kiss Fool You

What do Mae West, John F. Kennedy, Victor Hugo, and H. L. Mencken have in common? They all indulged in chiasmus—a literary device in which word order is reversed to hilarious or poignant effect. When Mae West said, "It's not the men in my life, it's the life in my men," she was using chiasmus; when John F. Kennedy said, "Ask not what your country can do for you, ask what you can do for your country," he was doing the same. Dr. Mardy Grothe has compiled hundreds of examples of chiasmus in this whimsically illustrated collection, bringing this witty and thought-provoking device out of obscurity and into the public imagination.

The Line of Polity

Outlink station Miranda has been destroyed by a nanomycelium, and the very nature of this sabotage suggests that the alien bioconstruct Dragon - a creature as untrustworthy as it is gigantic - is somehow involved. Sent out on a titanic Polity dreadnought, the Occam Razor, agent Cormac must investigate the disaster. Meanwhile, on the remote planet Masada, the long-term rebellion can never rise above-ground, as the slave population is subjugated by orbital laser arrays controlled by the Theocracy in their cylinder worlds, and by the fact that they cannot safely leave their labour compounds. For the wilderness of Masada lacks breathable air ... and out there roam monstrous predators called hooders and siluroynes, not to mention the weird and terrible gabbleducks.

Venus Envy

At thirty-five, Mary Frazier Armstrong, called "Frazier" by friends and enemies alike, is a sophisticated woman with a thriving art gallery, a healthy bank balance, and an enviable social position. In fact, she has everything to live for, but she's lying in a hospital bed with a morphine drip in her arm and a life expectancy measured in hours. "Don't die a stranger," her assistant says on her last hospital visit. "Tell the people you love who you are." And so, as her last act on earth, Frazier writes letters to her closest family and friends, telling them exactly what she thinks of them and, since she will be dead by the time they receive the letters, the truth about herself: she's gay. The letters are sent. Then the manure hits the fan in Charlottesville, Virginia, because the funny thing is, Frazier Armstrong isn't going to die after all.

The First King Of Shannara

50 MILLION TERRY BROOKS COPIES SOLD AROUND THE WORLD THE SHANNARA CHRONICLES IS NOW A MAJOR TV SERIES 'Terry's place is at the head of the fantasy world' Philip Pullman After the terrible misuse of magic during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences. But dark forces were on the move from the Northlands, and it was left to Bremen and those few who supported him in his work with the arcane arts to stand against the enemy's seemingly-invincible Troll army. For at the heart of the evil tide was an archmage and former Druid named Brona... Using the special skills he had acquired through his own study of Magic, Bremen was able to penetrate the huge camp of the Troll army and learn many of its

secrets. And he immediately understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite. But, even when united, they would need a weapon, something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might... Praise for Terry Brooks: 'A master of the craft . . . required reading' Brent Weeks 'I can't even begin to count how many of Terry Brooks's books I've read (and re-read) over the years' Patrick Rothfuss, author of *The Name of the Wind* 'I would not be writing epic fantasy today if not for Shannara' Peter V. Brett, author of *The Painted Man* 'If you haven't read Terry Brooks, you haven't read fantasy' Christopher Paolini, author of *Eragon* The original Shannara trilogy: *THE SWORD OF SHANNARA* *THE ELFSTONES OF SHANNARA* (now a major TV series: *THE SHANNARA CHRONICLES*) *THE WISHSONG OF SHANNARA*

Me of Little Faith

What do we believe? And in God's name why? These are the thorny questions that Lewis Black, the biting funny comedian, social critic, and bestselling author, tackles in his new book, *Me of Little Faith*. And he's come up with some answers. Or at least his answers. In more than two dozen essays that investigate everything from the differences between how Christians and Jews celebrate their holidays, to the politics of faith, to people's individual search for transcendence, Black explores his unique odyssey through religion and belief. Growing up as a nonpracticing Jewish kid near Washington, D.C., during the 1950s, Black survived Hebrew school and a bar mitzvah (barely), went to college in the South during the tumultuous 1960s, and witnessed firsthand the unsettling parallels between religious rapture and drug-induced visions (even if none of his friends did). He explored the self-actualization movements of the 1970s (and the self-indulgence that they produced), and since then has turned an increasingly skeptical eye toward the politicians and televangelists who don the cloak of religious rectitude to mask their own moral hypocrisy. What he learned along the way about the inconsistencies and peculiarities of religion infuriated Black, and in *Me of Little Faith* he gives full vent to his comedic rage. Black explores how the rules and constraints of religion have affected his life and the lives of us all. Hilarious experiences with rabbis, Mormons, gurus, psychics, and even the joy of a perfect round of golf give Black the chance to expound upon what we believe and why—in the language of a shock jock and with the heart of an iconoclast. "To put it as simply as I can," Black writes, "this is a book about my relationship with religion, where my—dare I say it?—spiritual journey has taken me...what it's meant and not meant to me, and why it makes me laugh." By the end of *Me of Little Faith*, you'll be a convert.

Nothing's Sacred

Comedian Lewis Black unleashes his trademark subversive wit while recounting his own life story in his New York Times bestselling memoir. You've seen him on *The Daily Show* with Jon Stewart offering up his trademark angry observational humor on everything from politics to pop culture. You've seen his energetic stand-up performances on HBO, Comedy Central, and in venues across the globe. Now, for the first time, Lewis Black translates his volcanic eruptions into book form in *Nothing's Sacred*, a collection of rants against stupidity and authority, which oftentimes go hand in hand. With subversive wit and intellectual honesty, Lewis examines the events of his life that shaped his antiauthoritarian point of view and developed his comedic perspective. Growing up in 1950s suburbia when father knew best and there was a sitcom to prove it, he began to regard authority with a jaundiced eye at an early age. And as that sentiment grew stronger with each passing year, so did his ability to hone in on the absurd. True to form, he puts common sense above ideology and distills hilarious, biting commentary on all things politically and culturally relevant. "No one is safe from Lewis Black's comic missiles." (New York Times) You have been warned....

Plotting History

Balanced precariously between fact and fiction, the historical novel is often viewed with suspicion. Some have attacked it as a mongrel form, a "bastard son" born of "history's flagrant adultery with imagination." Yet it includes some of the most celebrated achievements of Russian literature, with Alexander Pushkin, Nikolai Gogol, Leo Tolstoy, and scores of other writers contributing to this tradition. Dan Ungurianu's *Plotting History* traces the development of the Russian historical novel from its inception in the romantic era to the emergence of Modernism on the eve of the Revolution. Organized historically and thematically, the study is focused on the cultural paradigms that shaped the evolution of the genre and are reflected in masterpieces such as *The Captain's Daughter* and *War and Peace*. Ungurianu examines the variety of approaches by which Russian writers combined fact with fiction and explores the range of subjects that inspired the Russian historical imagination. Outstanding Academic

Title, Choice Magazine “Ungurianu has produced a most valuable work for literary scholars.”—Andrew M. Drozd, Slavic and East European Journal “[Ungurianu’s] overwhelming knowledge, impeccable documentation, erudite notes, and valuable addenda make for a treasure house of information and keen analysis. . . . Essential.”—Choice

Murther and Walking Spirits

Murther & Walking Spirits is available as an eBook for the first time. “I was never so amazed in my life as when the Sniffer drew his concealed weapon from its case and struck me to the ground, stone dead.” So begins the unusual story of Connor “Gil” Gilmartin when he catches his wife in flagrante with the Sniffer, his former colleague and now his murderer. Though he is struck dead in the very first line of this novel, death is only the first indignity Gil is about to suffer. For he lingers on as a ghost, and from this bleak vantage—made even less endurable by the fact that he must spend the afterlife sitting beside his killer at a film festival—he is forced to view the exploits and failures of his ancestors, from the forerunners who sailed up the Hudson to Canada during the American Revolution right up to his university-professor parents.

Year of Wonders

“Plague stories remind us that we cannot manage without community . . . Year of Wonders is a testament to that very notion.” – The Washington Post An unforgettable tale, set in 17th century England, of a village that quarantines itself to arrest the spread of the plague, from the author The Secret Chord and of March, winner of the Pulitzer Prize When an infected bolt of cloth carries plague from London to an isolated village, a housemaid named Anna Frith emerges as an unlikely heroine and healer. Through Anna’s eyes we follow the story of the fateful year of 1666, as she and her fellow villagers confront the spread of disease and superstition. As death reaches into every household and villagers turn from prayers to murderous witch-hunting, Anna must find the strength to confront the disintegration of her community and the lure of illicit love. As she struggles to survive and grow, a year of catastrophe becomes instead annus mirabilis, a “year of wonders.” Inspired by the true story of Eyam, a village in the rugged hill country of England, Year of Wonders is a richly detailed evocation of a singular moment in history. Written with stunning emotional intelligence and introducing “an inspiring heroine” (The Wall Street Journal), Brooks blends love and learning, loss and renewal into a spellbinding and unforgettable read.

Little Boy Blues

For Malcolm Jones, his parents’ disintegrating marriage was at the center of life in North Carolina in the 1950s and 60s. His father, charming but careless, was often drunk and away from home; his mother, a schoolteacher and faded Southern belle, clung to the past and hungered for respectability. In Little Boy Lost, Jones—one of our most admired cultural observers—recalls a childhood in which this relationship played out against the larger cracks of society: the convulsions of desegregation and a popular culture that threatens the church-centered life of his family. He richly evokes a time and place with rare depth and candor, giving us the fundamental stories of a life—where he comes from, who he was, who he has become.

The Second Greatest Story Ever Told

Born in 1970 in Cooperstown, New York, Ilona Ann Coggswater reveals herself to be God’s daughter in 1988, and sets out to spread her Father’s message to the people of the late twentieth century, in a humorous story of the Second Coming

Re-Thinking Europe

Re-Thinking Europe sets out to investigate the place of the idea of Europe in literature and comparative literary studies. The essays in this collection turn to the past, in which Europe became synonymous with a tradition of peace and tolerance beyond national borders, and enter into a critical dialogue with the present, in which Europe has increasingly become associated with a history of oppression and violence. The different essays together demonstrate how the idea of Europe cannot be thought apart from the tension between the regional and the global, between nationalism and pluralism, and can therefore be re-thought as an opportunity for an identity beyond national or ethnic borders. Engaging contemporary discourses on hybrid, postcolonial, and transnational identity, this volume shows how

literature can function as both a vital tool to forge new identities and a power subversive of such attempts at identity-formation. Like Europe, it is always marked by the tension between integration and resistance. The book will be of interest to students and scholars of modern literature, comparative literature, and European studies, as well as people concerned with cultural memory and the relation between literature and cultural identity.

The Condor's Feather

English aristocrat, Cynthia "Thia" Beresford is everything a Victorian lady shouldn't be - outspoken, strong-willed and a champion of feminist issues long before they came to the fore. When she becomes bored with the demands of nineteenth century society she decides to forego the luxuries of Huntingley and embark on a riding expedition across the wild open pampas of Patagonia. Accompanied by her father, brother, his friend and her Newfoundland dogs, Thia joins the ship in Liverpool. On board, she is intrigued by a mysterious Welshman, Euan Davies and when the group disembarks in South America she is delighted when Davies agrees to ride with them. But after only a week in the saddle the stranger's disturbing secret starts to unfold and Thia's party soon find themselves embroiled in a deadly game of cat and mouse with a group of dangerous prison escapees. Beset by Indians, inhospitable terrain, pampas winds and mountain lions, is it possible this mismatched party of travellers can survive?

Fire Shut Up in My Bones

A respected journalist describes the abuse he suffered at the hands of a close family relative, the effect this had on his formative years and how he overcame the anger and self-doubt it left behind. 75,000 first printing.

The History of White People in America

The bestselling and infamous diary of a high-class call girl, as seen on the show starring Billie Piper. Belle de Jour is the nom de plume of a high-class call girl working in London. This is her story. From the summer of 2003 to the autumn of 2004 Belle charted her day-to-day adventures on and off the field in a frank, funny and award-winning web diary. Now, in her Intimate Adventures, Belle elaborates on those diary entries, revealing (among other things) how she became a working girl, what it feels like to do it for money, and where to buy the best knickers for the job. From debating the literary merits of Martin Amis with naked clients to smuggling whips into luxury hotels, this is a no-holds barred account of the high-class sex-trade, and an insight into the secret life of an extraordinary woman.

Great Hatred, Little Room

How to develop a perfect memory
