Man and Woman He Created Them

Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Kandri Hinjuman was never meant to be a soldier. His brother Mektu was never meant for this world. Rivals since childhood, they are drafted into a horrific war led by a madwoman-Prophet, and survive each day only by hiding their disbelief. Kandri is good at blending in, but Mektu is hopeless: impulsive, erratic-and certain that a demon is stalking him. Is this madness or a second sense? Either way, Kandri knows that Mektu's antics will land them both in early graves. But all bets are off when the brothers' simmering feud explodes into violence, and holy blood is spilled. Kandri and Mektu are taken for contract killers and must flee for their lives-to the one place where they can hope to disappear: the sprawling desert known as the Land that Eats Men. In this eerie wilderness, the terrain is as deadly as the monsters, ghouls, and traffickers in human flesh. Here the brothers find strange allies: an aging warlord, a desert nomad searching for her family, a lethal child-soldier still in her teens. They also find themselves in possession of a secret that could bring peace to the continent of Urrath. Or unthinkable carnage. On their heels are the Prophet's death squads. Ahead lie warring armies, sandstorms, evil spirits and the deeper evil of human greed. But hope beckons as well-if the "Master Assassins" can expose the lie that has made them the world's most wanted men.

The Chips are Down

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
