JPS Illustrated Children's Bible

Acclaimed storyteller and Jewish scholar Ellen Frankel has masterfully tailored 53 Bible stories that will both delight and educate today's young readers. Using the 1985 JPS translation (NJPS) of the Hebrew Bible as her foundation, Frankel retains much of the Bible's original wording and simple narrative style as she incorporates her own exceptional storytelling technique, free of personal interpretation or commentary. Included in the volume is an "Author's Notebook," in which Frankel shares with rabbis, parents, and educators the challenges she faced in translating and adapting these stories for children, such as how she deals with adult language in the original Bible text and themes inappropriate for most young readers. With his enticing, full-page color illustrations of each Bible story, award-winning artist Avi Katz ignites readers' imaginations. His brush captures the vivid personalities and many dramatic moments in this extraordinary collection.

The Children's Bible in Colour

This Bible has been specially created for children. Carefully written text is suitable for reading aloud to young children or for older children to read independently. Illustrations bring stories from the Old and New Testament to life, and a comprehensive 'who's who in the Bible' helps children remember the characters and stories.

Illustrated Children's Bible

The Illustrated Bible for Little Ones

From Genesis to the writings of the prophets, all the key stories from the Hebrew Bible are beautifully and clearly told in this refreshed edition of the popular Children's Illustrated Jewish Bible. The book features all the key characters and tells their stories- Adam and Eve in the Garden of Eden; Cain and Abel; Noah on the Ark; the patriarchs Abraham, Isaac, Jacob; Joseph; Moses; King David - plus some of the less well-known figures, such as Joshua, Gideon, Ruth, Solomon, Elijah, Jeremiah, Jonah, and Esther. Psalms and poetry are also included. Plus pages on 'Life in Egypt' and 'Life in Canaan' along with glossaries of people and places in the Bible bring the stories of ancient tradition to life. In the book's foreword, the authors say that we are encouraged to think for ourselves- "The stories of the Bible ... can be understood in many ways and on many different levels. ... As we grow up and change, we can see new questions in each story. Why does God tell Adam and Eve about one tree but not another? Why does God ask Abraham to sacrifice his son?... To write the stories in this book, we looked at the Bible and asked many, many questions. How? What? When? Who? And of course, why? Why, why, why? And why not?" The authors' sensitive and perfectly pitched retellings aren't simply an introduction to the Bible - they inspire the next generation to carry on the tradition.
