as my days keep rushing by me
 I seem to forget
 all the ways that life has guided me
 and I'm grateful for that
 faced with the unknown
 there's joy in every day
 I don't have to wait
 to look around and see
 the beauty here in this moment

I'm grateful for this life
it's easy to only notice
the bad times around
all I can do is shift my focus
and see the good as well
I don't know what my future holds
what I take for granted
life is full of wonder
the hard times I felt lost is when I found
my strength, my spirit, my authentic self
for the lessons I have learned
for the unexpected turns
every time I grew
I found happiness and my truth
I wanna say thank you
and enjoy the time I have
I'm grateful for the ones I love
those who lift me up when I am down
I'm grateful for the air in my lungs
