Bangkok in 3 Days

There are many types of tourist guide that introduce people to Bangkok, but this book will prove incredibly helpful thanks to its very high practical value. This guide was primarily designed for people who have to stay in the capital of Thailand for a few days only. It comes hardest for them to organize their visit in the city, because they literally have to make many choices and "condense" the beauty of a large city in a short time frame. However, this book is also useful for people whose stay in the capital is longer, but who don't know very well what is worth seeing most of all, what they should do in Bangkok to get around easily, and how they could save time as well as some money. While travelling on a budget is not the main focus of this guide, many recommendations can also prove effective from this point of view as tips that people should know about. Here is a preview of what you will learn in this guide: ï what makes Bangkok attractive for tourists and what is particular about it ï key information about the capital of Thailand ï how to get there ï tips on means of transport in the city ï advice on accommodation ï highly recommended tourist attractions that are a must even if you stay only 3 days ï tips on what and where to eat/drink if you want to experience a typical flavors or interesting places in the capital ï what you should see if you're interested in culture and entertainment ï recommendations for specific events that your stay can synchronize with This guide offers you information about the most important touristic highlights in Bangkok. Such places include historical monuments, places that have high architectural or artistic value, and social attractions. Many of these places are already landmarks, but this guide aims at helping you organize your trip by including only what is really a must-see attraction. This guide also provides many useful tips on what you shouldn't miss in Bangkok if you're interested in cultural life such as theaters, concerts, or art galleries. Moreover, it advises you on what you should consider from a practical perspective if you want to have a smooth ride through the city and not spend the highest amount of money. This short guide is designed for people of all ages and for this reason it presents a wide array of details and information that anyone can benefit from. This book also recommends a few basic facts to consider during your trip e.g. tipping habits. Bangkok offers a memorable experience to anyone who knows how to travel intelligently and save time and unwanted expenses. Enjoy it and make the best of your visit!

Bangkok Luxe City Guide, 15th Ed

Are you an adventurer asking what to do in bangkok? Somebody who is looking for extreme, unusual and crazy things to do in this city? Or do you know bangkok so well, that you're looking for new, unknown attractions? I have written a bangkok travel guide with 18 crazy things to do in bangkok. Most of these attractions are completely off the beaten track, far away from the main tourism. In this book you will find informations about abandoned buildings and airplanes, spooky museums, crazy markets, unusual restaurants and much more. Doing these things will make your stay in bangkok unforgettable, and you will definitely have something to talk about at home! The guide for people who want to live cheap and experience exciting things This city guide introduces amazing places to see in bangkok. It's a city full of surprises where you can have great adventures and unforgettable experiences at a very low price, or even for free! The ebook provides useful informations about these exciting things to do in bangkok. Some of them are dangerous, illegal and on your own risk. Explore abandoned buildings Bangkok has a lot of abandoned buildings due to the financial crash in 1997. Skyscrapers, malls and other buildings just couldn't be finished anymore. Now they are just ghost towers, spooky places. In the ebook I introduce such buildings and describe how to access them. Furthermore there is a chapter about an abandoned airplane in bangkok's suburb. Amazing places to explore! Extraordinary and unusual restaurants In bangkok there are so many crazy restaurants where the food even fades into the background sometimes! In the ebook I write about a complete dark restaurant, a café full of cats, a robot restaurant, a condom restaurant (yes, you heard it right!), a restaurant in central bangkok where you can catch your own seafood, places to eat insects and scorpions in bangkok and the second largest restaurant in the world! After reading you will definitely know what to do in bangkok when you become hungry! Cheap hostels, crazy markets, scary museums and much more! A train that drives directly through a market, so close that the groceries disappear under the train? A forensic museum with real prenatal cadavers preserved in glass boxes? A hostel for less than 3 dollars per night? That's what you can find in bangkok!

18 Crazy Things to Do in Bangkok

Bangkok is the capital and largest city of Thailand and, with a population of over eleven million inhabitants, by far its main city. Its high-rise buildings, heavy traffic congestion, intense heat and naughty nightlife do not immediately give you a warm welcome but don't let your first impression mislead you. It is one of Asia's most cosmopolitan cities with magnificent temples and palaces, authentic canals, busy markets and a vibrant nightlife that has something for everyone. Bangkok has become a national treasure and functions as the spiritual, cultural, political, commercial, educational and diplomatic center of Thailand. From the moment you arrive, Bangkok is a revitalizing assault on the senses. The heat, the noise and the smells will leave you stunned if you're not used to the madness of mega cities in Asia. It is certainly not a destination that many people will forget in a hurry. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.
