take a full body stretch

bring the feet to the outer edges of your mat

lift your pelvis

soften through the bowl the pelvis

use your breath as a barometer

lengthening the exhale

begin to heel toe heel

scoop the knees slowly up towards the heart

scoop the tailbone up again lengthening through the lower back body

get a little massage in the lower back

massage through the sacrum

scoop the tailbone

start with the feet

activating from the crown of the head to the soles

press the soles of the feet back down to the earth

inhale slide your right leg all the way up towards the sky

bending the knee and then straightening the leg

interlace the fingertips behind my right thigh

peel the crown of the head up towards the sky

lengthen through the back of your neck

find all four corners of the right foot and lift

interlace the fingertips behind the left thigh

interlace behind the right thigh lifting the right chin

bring the hands to the backs of the thighs

spread your palms

open the heart towards the front tailbone

draw your chin to your chest navel

draw the shoulders away from the ears

lift the earth up to you with a block or pillow

inhale fill your back with air

send the crown of the head to the left

shift to the left crown of the head to the right

drawing the right knee all the way up
pulling gently back on the right hip crease
begin to curl the left toes
shift our weight onto our left hip
send your seat towards the front edge of your mat
melt the knees over towards the left
put a pillow or a block between the legs
melting the knees right on to the right
tuck your chin to your chest lengthen
roll around on the earth
