Bruised Passports

As young kids, SAVI and VID, as they are popularly known to their followers, dreamt of travelling the world together. In 2013, they turned this dream into reality with the launch of their travel blog, BRUISED PASSPORTS. And now, countless flights, dreamy destinations and beautiful pictures later, the OG couple of travel has decided to reveal the secret of their carefree and footloose life. But this isn't just a book filled with dreamy stories of travel, people and culture; in these pages, Savi and Vid share their insights on how you, too, can live a life full of memories, adventure and the excitement of discovering a new place. With tips, plans and advice inspired by the hurdles and successes they have faced, Savi and Vid tell you how to be successful digital nomads in a post-pandemic world. From financial planning to, risk analysis, to taking that leap of faith, to how to create a brand of your own, BRUISED PASSPORTS promises to be a treasure trove for anyone who wants to take the plunge and set off on a journey to live life on their own terms.

How to Travel the World on \$50 a Day

UPDATED 2017 EDITION New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like locals, your trip doesn't have to break your bank, nor do you need to give up luxury. *How to Travel the World on \$50 a Day* reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to:

- * Avoid paying bank fees anywhere in the world
- * Earn thousands of free frequent flyer points
- * Find discount travel cards that can save on hostels, tours, and transportation
- * Get cheap (or free) plane tickets

Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

Ten Years a Nomad

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* Ten Years a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

The Rough Guide to Iceland

Iceland has never been so hot. Let The Rough Guide to Iceland show you the very best this unspoilt country has to offer: from the party capital, Reykjavík, with its white nights and northern lights, to the vast glaciers of the uninhabited interior. Come eye to eye with the giants of the sea on a whale watching tour or take a dip in the geothermal waters of the Blue Lagoon - Iceland is Europe's most unusual destination. The Rough Guide to Iceland includes full colour pictures to inspire your travels through this vivid country of lavafields and bubbling mudpools, detailed maps to help you on your way and expert background on everything from smorgasbords to sagas. With The Rough Guide to Iceland in your hand, you'll soon realise that Iceland offers superb value for money following the currency crash of 2008 and is just waiting to be discovered. Make the most of your time with The Rough Guide to Iceland. Now available in ePub format.

Walking and Trekking in Iceland

This walking and trekking guidebook offers a total of 49 of the best day walks and 10 multi-stage treks set right across the magnificent country of Iceland. With three national parks including the mighty Vatnajökull, it is a country of incredible beauty, and its capital, Reykjavík, is an established and easy-to-get-to destination. Including popular, such as the classic Laugavegur Trail from Landmannalaugar to Þórsmörk, as well as lesser-known trails, the guide is split into 12 sections that cover all the best walking and trekking to be had in and around Iceland's amazing and awe-inspiring volcanic, glacial landscapes. The routes range in difficulty from easy walks to challenging treks and give readers all the information they need to experience this wonderfully unique destination on foot. Venturing inland to the remote interior and captivating ice caps, and across glaciers, past lakes and around coastlines and geothermal areas, Paddy Dillon's guide to this 'Land of Ice and Fire' encourages visitors to explore all that Iceland has to offer, and will inspire lovers of the great outdoors to return time and time again. The guide gives lots of tips for travellers on a budget as well as details on public transport and accommodation.

Journey to the Centre of the Earth

Journey to the Centre of the Earth has been consistently praised for its style and its vision of the world. It explores the prehistory of the globe, but can also be read as a psychological quest, for the journey itself is as important as arrival or discovery. Professor Lidenbrock and his nephew Axel travel across Iceland, and then down through an extinct crater towards a sunless sea where they enter a living past and are confronted with the origins of man. A classic of nineteenth-century French literature, the novel's distinctive combination of realism and Romanticism has marked figures as diverse as Sartre and Tournier, Mark Twain and Conan Doyle. This new translation of the complete text is faithful to the lyricism, verve, and humour of the original. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Rough Guide to Iceland

Iceland attracted 0.9 million visitors in 2014 (Source: www.ferdamalastofa.is), Rough Guide have sold over 30,000 copies of the previous edition to Iceland. Since 2014 there has been a 30% increase of UK visitors to Iceland Gatwick have just launched daily flights to Iceland so visitor numbers are set to increase. Now in full-colour with inspirational photography, improved mapping, clearer chapter labelling and suggested itineraries, Rough Guides was the No.3 travel publisher in 2014, worth over £3 million (Nielsen Bookscan, 2014)

Top 10 Iceland

The Little Capital with The Big Heart: Reykjavik Travel Many tour guides begin with lengthy and uninteresting chapters about Reykjavik's and Iceland's history, however because we're going to discover the city and most of the countryside, I am best going to provide you with a few basic pieces of statistics right here. Reykjavik is the northernmost capital city inside the global and is the middle of the Republic of Iceland. Our primary goal for this experience is Reykjavik, but because it's now not a big city like most capitals, we're going to additionally find out the country, the home of the natural beauty of Iceland. In case you visit Iceland from a massive town, you'll discover Reykjavik to resemble a huge town in place of a capital: its population is circa 130,000, which is about 60 percentage of the entire country's populace. I'm certain that those who stay in towns of hundreds of thousands of souls will find it to be peaceful and a relaxing exchange of tempo. There are six towns which can be a part of Reykjavik. You can locate that this city is smaller than what you're used to, but it's a colorful residing area where every generation can discover a laugh. Epic Drives of the World

The great Icelandic novel by the Nobel Prize-winning novelist Halldór Laxness 'There are good books and there are great books and there may be a book that is something still more: it is the book of your life' New York Review of Books First published in 1946, this is a humane, epic novel set in rural Iceland. Bjartur is a sheep farmer determined to eke a living from a blighted patch of land. Nothing, not

merciless weather, nor his family, will come between him and his goal of financial independence. Only Asta Solillja, the child he brings up as his daughter, can pierce his stubborn heart. As she grows up, keen to make her own way in the world, Bjartus's obstinacy threatens to estrange them forever. Written by the Nobel prize-winner dubbed the 'Tolstoy of the North', this is a magnificent portrait of the eerie Icelandic landscape and one man's dogged struggle for independence. 'I defy anyone to finish Halldór Laxness's Independent People without wetting the pages with tears' Jonathan Franzen, Guardian 'The greatest Icelandic novel and surely one of the best books of the 20th century' Hallgrímur Helgason, Guardian

Independent People

Lonely Planet's Best in Travel 2020

THE LITTLE CAPITAL WITH THE BIG HEART With a population of one hundred twenty,000, Reykjavík isn't a windstorm metropolis. Few skyscrapers grace the skyline, traffic jams are rare and faces are acquainted. However do not be deceived—a steady beat of energy and events keeps the town alive and pulsing excitedly. Sunny days want spontaneous holidays in Reykjavík. Sunbathers and picnickers fill Austurvöllur, the inexperienced sq. ahead of Parliament; locals and tourists alike stroll up and down Laugavegur, the most drag, shopping, stopping for occasional, and folks look. The thirsty jockey for thin out of doors seating at bars as time of day rolls around. Crooning buskers line

the sidewalk; performance artists stage surprise acts; perhaps a march band seems from the ether. something will happen. Downtown Reykjavík (also proverbial by its postcode as 101) is that the nucleus of Iceland's wealthy culture and humanities scene. By day, café-culture rules supreme. a gradual hum of language keeps the city's many cafés spirited. With free local area network and refills on java being fairly common, Reykjavík's café-goers prefer to linger till they are sufficiently buzzed on the sturdy, dark elixir. As day turns into night, individuals begin filing into several of the cities glorious restaurants. Throughout one hundred and one, devilish murals and street art testify to the city's sense of creative thinking and fun. Art galleries like the Reykjavík Art repository and also the National Gallery showcase the works of classic Icelandic artists, whereas smaller freelance galleries show the comes of with-it, up to date Icelandic and international artists.
