Torn between her head and her heart, she eventually arrives at St Grace's over an hour late, to be greeted by sirens wailing and ambulance lights blazing. Her daughter has jumped off the roof of the school, apparently in shame of being caught. A grieving Kate can't accept that her daughter would kill herself: it was just the two of them and Amelia would never leave her alone like this. And so begins an investigation which takes her deep into Amelia's private world, into her journals, her email account and into the mind of a troubled young girl. Then Kate receives an anonymous text saying simply: AMELIA DIDN'T JUMP. Is someone playing with her, or has she been right all along?

Twelfth Night, Or, What You Will

It's show-and-tell time at Olivia's school and she's telling her class about the time she went to the circus and all the performers were sick... so Olivia had to do everything. She tamed the lions, balanced on stilts, juggled and even played the clown. 'Was that true?' Olivia's teacher asks. 'Quite true,' says Olivia. 'Are you sure Olivia?' 'To the best of my recollection,' she says.

Olivia Saves The Circus

"My name is Emma Cartwright. Three years ago I was Susan Webster, and I murdered my twelve-week-old son Dylan. I was sent to Oakdale Psychiatric Institute for my crime, and four weeks ago I was released early on parole with a new identity, address, and a chance to rebuild my tattered life. This morning, I received an envelope addressed to Susan Webster. Inside it was a photograph of a toddler called Dylan. Now I am questioning everything I believe because if I have no memory of the event, how can I truly believe he's dead?"--

I had simply resigned myself to living without his love, but still being a part of his life. Then, one terrible day, my best friend died. She died and we all struggled

to live life without her. Slowly, as the pain eased, our eyes opened and Devon finally saw me. This is a story about second chances and second choices. This is the story of how my life changed in the absence of Olivia.

The Absence of Olivia

The 1960s starlet, immortalized on the silver screen as Juliet, tells her story in this celebrity biography—with a forward by director Franco Zeffirelli. In 1968, sixteen-year-old Olivia Hussey became one of the most famous faces in the world, immortalized as Juliet in Franco Zeffirelli's classic film *Romeo & Juliet*. For a simple girl from Buenos Aires, Argentina, the role was an opportunity of a lifetime. But for Olivia, the role of movie star wasn't so easy to play. In this candid memoir, Hussey tells her story from her time as an "It Girl" in swinging 60s London through her three tumultuous marriages—including one with Dean Martin's son, Dino. Over the years, she experienced motherhood, stage-four breast cancer, debilitating agoraphobia, bankruptcy, and ultimately, a journey of self-discovery in India that led her on a path to fulfillment. Hussey shares intimate memories of the legendary performers she knew, loved, worked with, and battled, including The Beatles, Vanessa Redgrave, Bette Davis, Elizabeth Taylor, Frank Sinatra, Liza Minnelli, Anthony Perkins, Christopher Reeve, Lawrence Olivier, Ingrid Bergman, and more. Olivia also opens up for the first time about the trauma of being raped by her boyfriend just a year after *Romeo & Juliet* came out.

Best of Crimes

A Chilling True Story of Injustice David Parrish was in disbelief when he learned that nineteen-year-old Jon Bowie's body had been found hanged from a backstop at the local high school's baseball field and the death declared a suicide. David had known Jon and his twin brother since they were boys. He had coached them on the baseball field and welcomed them into his home for sleepovers with his own sons. However, when David learned how Jon's body was found, he felt compelled to find the facts behind the incomprehensible tragedy. Soon, David would learn of a brutal incident at a local motel where Jon and his brother had been severely beaten by police officers, the charges filed against those officers, and the months of harassment and intimidation Jon and his brother endured. Few in the utopian community of Columbia, Maryland, believed Jon could commit such a final act. Like many others, David wondered how a fateful night of teens blowing off steam could lead to such a tragic end. As law enforcement failed to find answers and seemed intent on preventing the truth from surfacing, David uncovered a system of cover-ups that could only lead to one conclusion—Jon's death was an act of murder. "A true page turner, filled with almost-too-unbelievable-to-be-true details of one community's fight to find justice for one of its own . . . the issues raised, particularly when it comes to questions of police brutality and cover-ups, are very much relevant today." —New York Times bestselling author Lisa Pulitzer Includes 8 Pages of Photographs Visit us at www.kensingtonbooks.com

Thomas and Viv Adler are the envy of their neighbors: attractive, successful, with well-mannered children and a beautifully restored home. In this inspiring collection of essays, acclaimed writer and critic Olivia Laing makes a brilliant case for why art matters, especially in the turbulent political weather of the twenty-first century. 'Never has a publication been more timely' - Dazed 'A brave writer whose books open up fundamental questions about life and art' - Telegraph *Funny Weather* brings together a career's worth of Laing's writing about art and culture, examining their roles in our political and emotional lives. She profiles Jean-Michel Basquiat and Georgia O'Keeffe, interviews Hilary Mantel and Ali Smith, writes love letters to David Bowie and Freddie Mercury, and explores loneliness and technology, women and alcohol, sex and the body. With characteristic originality and compassion, she celebrates art as a force of resistance and repair, an antidote to a frightening political time. We're often told art can't change anything. In *Funny Weather*, Laing argues that it can. It changes how we see the world, it exposes inequality, and it offers fertile new ways of living.

Olivia

From the USA TODAY bestselling author of *The Night Olivia Fell*—an “emotionally charged mystery” (Mary Kubica, New York Times bestselling author)—comes a thrilling new suspense novel about the insidious nature of family secrets...and their deadly potential. If you can't remember it, how do you prove you didn't do it? Eva Hansen wakes in the hospital after being struck by lightning and discovers her mother, Kat, has been murdered. Eva was found unconscious down the street. She can't remember what happened but the police are highly suspicious of her. Determined to clear her name, Eva heads from Seattle to London—Kat's former home—for answers. But as she unravels her mother's carefully held secrets, Eva soon realizes that someone doesn't want her to know the truth. And with violent memories beginning to emerge, Eva doesn't know who to trust. Least of all herself. Told in alternating perspectives from Eva's search for answers and Kat's mysterious past, Christina McDonald has crafted another “complex, emotionally intense” (Publishers Weekly) domestic thriller. Perfect for fans of Lisa Jewell's *I Found You* and Karin Slaughter's *Pieces of Her*, *Behind Every Lie* explores the complicated nature of mother-daughter relationships, family trauma, and the danger behind long-held secrets.

Den grimme ælling

Unfortunately, her four lunatic best friends disagree on that last one. The voices in her head disagree, too, and even her mother seems to think she's crazy. And sexyass will not take a goddamn no for an answer. One little dare leads to another, and before she knows it, London finds herself on stage with nothing but sparkly underwear on, and in a strip club, getting the lap dance of her life. Now what exactly is a girl to do against that?
