Isaiah Chapter 3 The LORD's Judgment on Judah and Jerusalem

For behold, the Lord GOD of hosts is going to remove from Jerusalem and Judah both supply and support, the whole supply of bread and the whole supply of water.

The mighty man and the warrior, the judge and the prophet, the diviner and the elder, 3 the captain of fifty and the honorable man, the counselor and the expert artisan, and the skillful enchanter.

And I will make mere lads their princes, and capricious children will rule over them, 5 and the people will be oppressed

And the people will be oppressed, each one by another, and each one by his neighbor; The youth will storm against the elder and the inferior against the honorable.

Introduction to the Divine Council: Dr. Michael Heiser discusses extraterrestrial beings known as the Divine Council of the Elohim, pondering why their existence is often omitted in church teachings and suggesting that there may be efforts to suppress this information.

The Divine Council of Elohim and Aliens: Heiser highlights Deuteronomy 32, which he considers crucial for understanding the biblical worldview. This passage describes how, following the Tower of Babel event, God allocated nations under the stewardship of different celestial divine beings, labeled as "sons of God or Aliens".

The Tower of Babel The UFO Connection: The narrative connects to the Tower of Babel, explaining that in response to humanity's disobedience and possibly try to build a launch pad for UFOs, God decided to divide them, assigning each nation to the care of these extraterrestrial entities.

Establishment of New Extraterrestrials : Following the division, God chooses Abraham to start a new lineage, intending to create a people who would be directly under His guidance, contrasting with the nations overseen by other celestial Extraterrestrials.

Cosmic Governance and Israel's Role: Heiser discusses the expectation for these extraterrestrial entities to govern righteously, akin to their creator, and the failure leading to corruption. Israel was envisioned as a beacon for other nations, guiding them back to the divine, a plan that became increasingly complicated over time, hence all the major UFO sightings.
