But Prudence is a part-time cow—she is also a scientist, an architect, and an inventor, studying and building and dreaming and creating. At first Prudence tries to fit in, suppressing all her scientific smarts and imaginative inventing. A Book of Golden Deeds (EasyRead Super Large 18pt Edition)

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. Life and Times of Frederick Douglass

"The Book of the Courtier" by Baldassarre conte Castiglione is a lengthy philosophical dialogue on the topic of what constitutes an ideal courtier or court lady, worthy to befriend and advise a Prince or political leader. Castiglione set the narrative of the book in his years as a courtier in his native Duchy of Urbino. It offers a poignantly nostalgic evocation with a reverent tribute to the friends of Castiglione's youth.

The Book of the Courtier

The Hudson River Valley, 1769: A man mysteriously disappears without a trace, abandoning his wife and children on their farm at the foot of the Catskill Mountains. At first many believe that his wife, who has the reputation of being a scold, has driven her husband away, but as the strange circumstances of his disappearance circulate, a darker story unfolds. And as the lines between myth and reality fade in the wilderness, and an American nation struggles to emerge, the lost man's wife embarks on a desperate journey to find the means to ensure her family's survival . . .

The Longest Journey is a bildungsroman by E. M. Forster, first published in 1907. It is the second of Forster's six published novels, following *Where Angels Fear to Tread* (1905) and preceding *A Room with a View* (1908) and *Howards End* (1910). It has a reputation for being the least known of Forster's novels, but was also the author's personal favourite and one of his most autobiographical. It is the only one of Forster's novels not to have received a film or television adaptation.

The Longest Journey

Fall in love with Jilly Cooper, one of Britain's most popular authors, in this up-beat and unmissable rom-com. Octavia is used to having anything (or anyone) she wants - but will she get her just desserts this time? Perfect for fans of Jojo Moyes, Marian Keyes, Dolly Alderton and Jane Fallon. 'Jilly is about bringing joy into your life: daft, silly, boozy joy ... There is no one else like Cooper' -- Guardian 'The Jane Austen of our time' - HARPERS & QUEEN 'Joyful and mischievous' -- Jojo Moyes 'Fun, sexy and unputdownable' -- Marian Keyes 'Outstanding read. If I could have given this book ten stars, I would have.' -- ***** Reader review 'Utterly timeless! Love it!' -- ***** Reader review 'Guaranteed to lift the spirits of every female who reads it. Brilliant!!' -- ***** Reader review 'Couldn't put it down' -- ***** Reader review ***** As soon as Octavia catches a glimpse of Jeremy in the nightclub, she knows she just has to have him. It doesn't matter that he's just got engaged to an old school friend of hers: good natured Gussie. His look suggested bed rather than breakfast, and made her weak at the knees... Rich and stunning, Octavia is used to men falling in love with her at a moment's notice and an invitation to join Gussie and Jeremy for a cozy weekend on a canal barge comes like a gift from the gods. How can she fail to hook Jeremy? But the

other part of the foursome is whizz-kid business tycoon Gareth Llewellyn, a swarthy Welshman with all the tenderness of a scrum-half...definitely not Octavia's type! And one way and another, he certainly manages to thwart her plans...

A touching and timeless story about finding friendship in unlikely places from the award-winning creator of Extraordinary Jane Rupert is a rhinoceros of refined sensibilities. Levi, the new tickbird in class, is not. He burps the alphabet, tells corny jokes, and does really embarrassing air guitar solos. Worse, he lands right on Rupert and is determined to be Rupert's symbiotic best pal! Rupert wants him gone. But when Levi finally does bug off, Rupert finds the peace and quiet a little boring. It turns out, Rupert could really use a friend like Levi. This sweet and moving friendship story shares an important message of acceptance for every reader--whether they're a Rupert or a Levi.
