"The Ugly Duckling: An MCQ Journey of Transformation" is more than a book; it's an invitation to connect with a cherished classic in a whole new way.

### Her Dearly Unintended (With This Ring? Collection)

1870s Missouri Heavy rain means trouble for Katie Ellen. With her parents away, she's left to take care of the mountaintop farm alone until Josiah Huckabee happens to check on her. She used to think him charming--used to--but before she can run Josiah off, a stranger appears. The bridge has washed out, stranding a weathered and threatening man with them. Immediately sensing danger, Josiah steps in and claims the place--and Katie Ellen--as his own. His farm, his wife, and this Silas Ruger character better be respectful. Furious, Katie Ellen is forced to play along. Readers of Regina's Ozark Mountain Romance series will love seeing favorite characters all grown up.

### Happy about My Job Search

A job search is never easy and a struggling economy only makes it harder. Everybody knows she or he needs to be smarter, faster and better in finding a job, but how? After all, a job search is synonymous with plenty of hard work and also plenty of rejection. Now, career transition expert "Barbara Safani" comes to every job seeker's rescue by addressing this pressing issue in a way that makes complete sense in today's economy. In "'Happy About My Job Search'," Barbara offers a candid perspective of what a job search is, and isn't. She offers plenty of practical hints for building better resumes and writing compelling cover letters. From her own experience, she freely shares an understanding of how to network during a job search, prepare strategies for interviews and negotiate a competitive

compensation package. As Barbara has noticed repeatedly, most of what occupies people in their job searches is really no more than busy work or wheel spinning. Job seekers often post endlessly on dead-end or random job boards, attend local career fairs whether or not they are useful, or simply hand out resumes to someone who promises to 'see what they can do'--but these search methods rarely yield fruitful outcomes. With expert insight and perspective, Barbara reveals the way to be well informed and better prepared for the journey ahead. And surprisingly, she shows that it's possible to even find some fun, joy, and happiness during your job search. With articulate grace, Barbara shows you how to enjoy and see success even in the most trying job search situation.

### New Public Diplomacy in the 21st Century

This book examines the concept of new public diplomacy against empirical data derived from three country case studies, in order to offer a systematic assessment of policy and practice in the early 21st century. The new public diplomacy (PD) is a major paradigm shift in international political communication. Globalisation and a new media landscape challenge traditional foreign ministry 'gatekeeper' structures, and foreign ministries can no longer lay claim to being sole or dominant actors in communicating foreign policy. This demands new ways of elucidating foreign policy to a range of nongovernmental international actors, and new ways of evaluating the influence of these communicative efforts. The author investigates the methods and strategies used by five foreign ministries and cultural institutes in three countries as they attempt to adapt their PD practices to the demands of the new public diplomacy environment. Drawing upon case studies of US, British, and Swedish efforts, each chapter covers national policy, current activities, evaluation methods, and examples of individual campaigns. This book will be of much interest to students of public diplomacy, foreign policy, political communication, media studies and international relations in general.

### Developing a Supernatural Lifestyle

In this powerful book Kris Vallotton reaches into God's arsenal and equips the Body of Christ with supernatural weapons of warfare that will destroy the works of darkness and catapult you into your divine destiny. If you have ever felt bored, powerless or overwhelmed by the world around you, this book is for you. Developing a Supernatural Lifestyle will teach you how to proactively grow the gifts of the Spirit in your life and show you how to have a Kingdom worldview that gives you timeless perspective.

### The Girl in the Triangle

There are 740 Days left until the fire that changes industrial history forever. It's 1909. Seventeen-year-old Ruth survived the Russian Revolution and is now finally reunited with her lost love in the New World. All she wants is peace and a new life with her family in New York. But when an uprising of 20,000 women vows to take down a greedy factory owner, can Ruth possibly stay away? Who will survive? And will they ever be the same again? Join the hundreds of readers who are raving about Joyana Peters' perfect prose and calling this Jewish fiction book a masterpiece. Find out why *The Girl in the Triangle* was awarded the SCBWI Spark Award for Best YA Fiction, the IBPA Ben Franklin Award for Best Historical Fiction, and was named a Top Five Finalist for Shelf Unbound's Best Indie Book of the Year! Click the BUY button and get your copy of this gripping, immigration story book now! What Readers and Critics are Saying: "The conversations among the characters led me to give this book 5 stars. They are raw and eye-opening even as the story buds. *"The Girl In The Triangle"* by Joyana Peters is simply a delight to read and will automatically tick the boxes of fans of historical fiction." - Reader Views "That is what historical fiction does for a reader, a slice of history wrapped up in a compelling story that teaches and makes us reflect on the words and our own lives in the stream of time." - Historical Fiction Press Awards "Looooved this book! I've been suffering from "readers block" lately and have been unable to really get into a book...until now!! My nose was stuck in this book for 3 days straight. I truly enjoyed Joyana's debut book, and am looking forward to her next!" - Kimberly Hamilton "THIS BOOK IS AMAZING! I want to go back to teaching social studies so I can share it with my students. Joyana Peters did an amazing job of bringing the immigrant experience to life. I loved this book!!!" - Alison Rager "Historical fiction fans and fans of women's fiction will enjoy *THE GIRL IN THE TRIANGLE*. A well-researched, educational, difficult-to-put-down read." - Elizabeth of Silver's Reviews "Because I love, LITERALLY LOVE this book.....well, as much as one can love a book based on a senseless tragedy." - Lactivist Anti-Vaccine Socialist Hippie "This fast paced novel is about love in a family no matter the circumstances. It's also about the lives of immigrants, the fight for rights for women and the working class and freedom and justice for all. This debut novel was so well written

that I'm looking forward to future books from this author." - Sue "An immigration story at the finest level, revealing the depths of tragedy many went through leaving a country of unspeakable suffering to another country where hope fills their hearts, yet the same sorts of inhumanity exist." - D.K. Marley "This is a well researched work and the author brings the era alive giving us a history lesson hidden within a gripping story of love, family, culture and the tragedy of the heartbreaking Triangle Shirt Fire." - Douglas W. Murray "I loved this book so much, I was so sad when it ended!" - Heaven Protsman "A fascinating historical fiction. The feelings and emotions of the characters are vibrantly detailed." - Emmeline Everdeen

### Theme Parks

Costumed characters transform ordinary amusement parks into magical settings where princesses, superheroes, and more come to life. This lively guide helps creative teens looking to mix fun and work become a part of this essential theme park experience. Teens will learn how to land a role-playing job, performing in character with guests or onstage. Also covered are the many areas in which teens can exercise their interests away from the spotlight. Readers will learn how to leverage such skills as acting, dancing, and sewing to nail an interview, audition, or future career in or out of the theme park environment.

### A Practical Wedding

A companion to the popular website [APracticalWedding.com](http://APracticalWedding.com) and *A Practical Wedding Planner*, *A Practical Wedding* helps you sort through the basics to create the wedding you want -- without going broke or crazy in the process. You'll discover: The real purpose of engagement (hint: it's not just about the planning) How to pinpoint what matters most to you and your partner DIY-ing your wedding: brilliant or crazy? How to communicate decisions to your family Why that color-coded spreadsheet is actually worth it Wedding Zen can be yours. Meg walks you through everything from choosing a venue to writing vows, complete with stories and advice from women who have been in the trenches: the Team Practical brides. So here's to the joyful wedding, the sensible wedding, the unbelievably fun wedding! *A Practical Wedding* is your complete guide to getting married with grace.

### Civil and Environmental Engineering: Concepts, Methodologies, Tools, and Applications

Civil and environmental engineers work together to develop, build, and maintain the man-made and natural environments that make up the infrastructures and ecosystems in which we live and thrive. *Civil and Environmental Engineering: Concepts, Methodologies, Tools, and Applications* is a comprehensive multi-volume publication showcasing the best research on topics pertaining to road design, building maintenance and construction, transportation, earthquake engineering, waste and pollution management, and water resources management and engineering. Through its broad and extensive coverage on a variety of crucial concepts in the field of civil engineering, and its subfield of environmental engineering, this multi-volume work is an essential addition to the library collections of academic and government institutions and appropriately meets the research needs of engineers, environmental specialists, researchers, and graduate-level students.

### Fair Play

A REESE'S BOOK CLUB PICK "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with."--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your

partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

### Working with Ministers

How do our patients come to be the way they are? What forces shape their conscious and unconscious thoughts and feelings? How can we use this information to best help them? Constructing psychodynamic formulations is one of the best ways for mental health professionals to answer questions like these. It can help clinicians in all mental health settings understand their patients, set treatment goals, choose therapeutic strategies, construct meaningful interventions and conduct treatment. Despite the centrality of psychodynamic formulation to our work with patients, few students are taught how to construct them in a clear systematic way. This book offers students and practitioners from all fields of mental health a clear, practical, operationalized method for constructing psychodynamic formulations, with an emphasis on the following steps: DESCRIBING problems and patterns REVIEWING the developmental history LINKING problems and patterns to history using organizing ideas about development. The unique, up-to-date perspective of this book integrates psychodynamic theories with ideas about the role of genetics, trauma, and early cognitive and emotional difficulties on development to help clinicians develop effective formulations. Psychodynamic Formulation is written in the same clear, concise style of Psychodynamic Psychotherapy: A Clinical Manual (Wiley 2011). It is reader friendly, full of useful examples, eminently practical, suitable for either classroom or individual use, and applicable for all mental health professionals. It can stand alone or be used as a companion volume to the Clinical Manual.

### Psychodynamic Formulation

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

### Los Angeles Magazine

Transplanted from India as a young child, Adira Naidu explores longing, the search to find her identity in America while honouring the ancient threads of her past. Beneath their spare eloquence these poems have a weight that will linger with you long after you have closed the pages of this book.

### To Spin the Universe Golden

Leading is hard enough without lying awake at 3 a.m. worrying that 'they' might find out you're not good enough. Or that you don't know as much as you should. Or that they might suss you're a fraud, you don't belong and got to where you are by accident or luck. There's a name for this: Imposter Syndrome - and it's time to ditch it! In this ground-breaking book, Clare Josa guides you through the revolutionary five-step strategy she has created over the past fifteen years of mentoring women in leadership roles, so that you can set yourself free from Imposter Syndrome, for good. With the inspirational, practical techniques Clare shares with you, you will learn how to: stop negative self-talk, without going to war with the inner critic voice in your head wave goodbye to the self-doubt, limiting beliefs, perfectionism and procrastination that sabotage your personal & professional success feel naturally resilient and bounce back from conflict and criticism - without pretending or losing sleep with midnight self-talk rants discover the power of true confidence finally feel safe to take off your secret masks, without having to 'fake it till you make it' feel happier, calmer and more in-flow, rather than feeling like life is an uphill struggle influence authentically and show up as the leader you were born to be, so you can make the difference you are really here to make in the world In Ditching Imposter Syndrome you'll discover why mindset-based, cognitive approaches haven't worked for you in the past and exactly how Imposter Syndrome affects your performance and causes so much stress - and worse. Clare's inspirational, practical exercises bring you the best from the worlds of practical psychology, NLP, Leadership Development, the neuroscience of performance, and demystified ancient wisdom.

This is blended into simple steps that mean you can spot and release Imposter Syndrome's deeply subconscious drivers, in a way that's fast, fun and forever. If you're hungry to move from the fear of being found out as a 'fraud leader' to becoming the 'thought leader' the world needs you to be, the practical strategies in *Ditching Imposter Syndrome* will help you to create breakthroughs in minutes, not months. Is it time to finally start ditching Imposter Syndrome? Buy your copy today! About The Author Clare Josa is considered the UK's leading authority on Imposter Syndrome, having spent the past fifteen years working with business leaders to help them to overcome it, as well as leading the landmark 2019 Imposter Syndrome Research Study and publishing her new book: *Ditching Imposter Syndrome*. An expert in the neuroscience and psychology of performance, her original training as an engineer means her inspirational approach is grounded in practical common sense, creating breakthroughs not burnout. She makes changing your life fast, fun and forever. She is the author of eight books and has been interviewed by the likes of *The Independent*, *The Daily Telegraph* and *Radio 4*, amongst others. Clare speaks internationally on how to change the world by changing yourself.

### Ditching Imposter Syndrome: How To Finally Feel Good Enough And Become The Leader You Were Born To Be

In October 1957, Screen Gems made numerous horror movies available to local television stations around the country as part of a package of films called Shock Theater. These movies became a huge sensation with TV viewers, as did the horror hosts who introduced the films and offered insight--often humorous--into the plots, the actors, and the directors. This history of hosted horror walks readers through the best TV horror films, beginning with the 1930s black-and-white classics from Universal Studios and ending with the grislier color films of the early 1970s. It also covers and explores the horror hosts who presented them, some of whom faded into obscurity while others became iconic within the genre.

### Hosted Horror on Television

It's a busy year for the Queen - she has lots of important events to attend. Meanwhile, a little girl is wondering what knickers Her Majesty will choose to wear on a school visit! Will they be her 'at home' knickers - adorned with corgis - or her 'garden party' knickers, or perhaps her woolly Balmoral ones...? Both children and adults will love this very special and endearing insight into a child's imagination, from the best-selling author-illustrator of *Father Christmas Needs A Wee* and *Jesus' Christmas Party*. Recently, the Queen visited a nursery in Norfolk and enjoyed a display based on the book: "...just to make it special, there was one element that was not quite so traditional: pants. These were not just any pants, either. They were the Queen's Knickers, and at Dersingham Infant and Nursery School, in Norfolk, they were put on special display in honour of their royal visitor" ~ Valentine Low, *The Times*

### The Queen's Knickers

What's worse than losing everything? Try driving a phallic-shaped RV across the country with a vile womanizing coworker. Copywriter Callie Murphy has a bad attitude, a vicious tongue, and a serious aversion to Shimura Advertising's resident manwhore, Walker Rhodes. Know where he can stick his good looks and Southern charm? She can think of a few creative places. Avoiding him wouldn't be a problem, except her boss threatens to fire her if she doesn't go with him on their RV client's cross-country tour. Burnt-out art director, Walker, is sick of his job, tired of women, and in a big old creative rut. The upcoming road trip is just what he needs to shake things up and rediscover his lost passion. But his plans go south when his partner drops out at the last minute, and Callie, the foul-mouthed tiny terror, takes her place. Unless he can find a way to thaw his icy coworker, he's looking at two month's of pure hell. On the road, they experience one hilarious misadventure after another and soon find themselves on a life-changing journey. But when their paths veer off in different directions, will they hit a dead end? *Road-Tripped* is a stand-alone novel and the first book in the *Ad Agency Series*.  
\*Adult language and situations.

### Road-Tripped

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

#### Common Worship: Times and Seasons President's Edition

Packaging Illustrations explores one of the most expressive forms of modern design: illustration. It covers a broad range of products that use both illustration and painting in their collateral, revealing how diverse and expressive artwork can be used to create a thematic experience through a brand's packaging. It includes projects from companies like 21st Amendment Brewing, Pizza Hut, Coca Cola, Trident Gum, and dozens of food, drink, cosmetic, household, and "miscellaneous" brands, such as packaging for jewelry studios and independent records. These examples follow designs from conceptual sketches through finalized artwork, making Packaging Illustrations an in-depth and inspirational resource for illustrators and innovative designers of any kind.

#### Packaging Illustrations

Hello, Star. I know you're scared, but you're not alone. When a young girl learns that a bright light in the sky is coming from a dying star, she promises to keep it company until the light goes out. Every night she reassures her friend that she's still there. As the years pass, the girl learns everything she can about planets, space, and the universe, inspired by her dimming friend - until she realises she needs to do something more. This touching tribute to stars, space, and science celebrates how a small act of compassion can flourish into a life full of meaning and wonder. Stunningly illustrated by #1 New York Times bestselling artist Vashti Harrison and written by Stephanie V.W. Lucianovic, Hello Star is an inspiring story about a love of science and the importance of empathy.

#### Hello Star

You recognize Spectickles from their huge glasses, but you remember them for their wet-your-pants, tears-rolling-down-your-face, hyperventilating humor. In newspapers, calendars (Mead, American Greetings), greeting cards (Hallmark) and dozens of other licensed products around the world.

#### Spectickles

The biggest trend to hit weddings in the past decade is the destination wedding. Whether on a Caribbean beach or in the Italian countryside, more and more couples throw their weddings far from home. The idea is an exciting one, but planning long distance can be complicated. In The Knot Guide to Destination Weddings, Carley Roney and JoAnn Gregoli break down the unique process of planning from afar—from deciding on your destination to whether or not you should fly in your officiant—and all the legal and practical considerations in between. Armed with a variety of experts on the subject, tips, and lessons from couples who have been through the experience, this book is jam-packed with checklists and practical, insightful advice from wedding people in-the-know. With so many intricacies to take care of, couples “wedding away” need a clear game plan. The Knot Guide to Destination Weddings ensures no detail, big or small, will fall through the cracks. The authors tackle: •picking out and booking the perfect location •listings of the top wedding spots worldwide •establishing the wedding budgets •hiring planners and/or vendors from a distance •the etiquette of destination weddings •countless ways to make your wedding unique •legal marriage requirements for foreign locales •planning a full weekend of events, including the reception, rehearsal dinner, and guest activities •using the Internet to coordinate the event

#### The Knot Guide to Destination Weddings

From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from

the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

## Ebony

The bestselling and infamous diary of a high-class call girl, as seen on the show starring Billie Piper. Belle de Jour is the nom de plume of a high-class call girl working in London. This is her story. From the summer of 2003 to the autumn of 2004 Belle charted her day-to-day adventures on and off the field in a frank, funny and award-winning web diary. Now, in her *Intimate Adventures*, Belle elaborates on those diary entries, revealing (among other things) how she became a working girl, what it feels like to do it for money, and where to buy the best knickers for the job. From debating the literary merits of Martin Amis with naked clients to smuggling whips into luxury hotels, this is a no-holds barred account of the high-class sex-trade, and an insight into the secret life of an extraordinary woman.

## The Night Bus Hero

Plan the perfect Wiggly party with this bowtiful Party Pack! Includes invitations, birthday bunting, photo booth props, Wiggly games, wrapping paper, posters, name plates, food ideas, food toppers, thank you tags, stickers, and so much more!

## The Intimate Adventures Of A London Call Girl

That One Cigarette by Stu Krieger A story of ordinary people making extraordinary ripples in the ocean of life That One Cigarette is a counterfactual history novel following four families from November of 1963 to January of 2009. In November '63, Ed Callahan is an assistant manager at the Texas School Book Depository in Dallas. His promise to his wife to quit smoking as soon as he finishes the pack in his pocket ends up changing the course of events on November 22. The fallout of this action alters the lives of the Scott family in Rochester, New York, the Kaufman/Goldman family in Los Angeles and the extended Kashat family in Baghdad, Iraq. It's not until the final chapters that all of these lives intersect, but along the way, That One Cigarette explores questions of fate, love, loyalty and the ability of each of us to make defining contributions to our world by simply being present in our own lives.

## The Wiggles Party Pack

"For introverts who panic at the idea of networking, Wickre's book is a deep, calming breath." —Sophia Dembling, author of *The Introvert's Way* Former Google executive, editorial director of Twitter, self-described introvert, and "the best-connected Silicon Valley figure you've never heard of" (Walt Mossberg, *Wall Street Journal*), offers networking advice for anyone who has ever canceled a coffee date due to social anxiety. Learn to nurture a vibrant circle of reliable contacts without leaving your comfort zone. Networking has garnered a reputation as a sort of necessary evil. Some people relish the opportunity to boldly work the room, introduce themselves to strangers, and find common career ground—but for many others, the experience is awkward, or even terrifying. The common networking advice for introverts are variations on the theme of overcoming or "fixing" their quiet tendencies. But Karen Wickre is a self-described introvert who has worked in Silicon Valley for thirty years. She shows you how to embrace your quiet nature and "make genuine connections that last, that we can nurture across the world for all kinds of purposes" (Chris Anderson, head of TED). Karen's "embrace your quiet side" approach is for anyone who finds themselves shying away from traditional networking activities, or for those who would rather be curled up with a good book on a Friday night than out at a party. With compelling arguments and creative strategies, this "practical, easy-to-use" (Sree Sreenivasan, former chief digital officer of Columbia University) book is a perfect guide.

## The London Journal: and Weekly Record of Literature, Science, and Art

In this charming book, Mary Norden shows how elegant details can make your wedding a memorable occasion. Five main sections focus on the essential elements of any wedding reception: table decor, flowers, favors, keepsakes and finishing touches. Interspersed with these sections are five very different wedding themes—Classic, Contemporary, Floral, Romantic and Country—each one packed with an array of ideas ranging from the exquisitely pretty to the coolly chic. Nothing is complicated—all of the details are fresh and pleasing, simple yet sophisticated, and are guaranteed to enchant and impress your guests. *Wedding Details* will help you make your wedding a magical, marvelous and truly special occasion.

## That One Cigarette

The principles of the public relations special events and marketing firm Harrison & Shriftman--whose remarkable parties have been featured in magazines like "InStyle" and "Vogue"--have teamed up to create the hippest yet most practical party-planning book around.

### Taking the Work Out of Networking

Part of a series of units as part of a year-long curriculum based in primary writing.

### Wedding Details

Big Data is the biggest game-changing opportunity for marketing and sales since the Internet went mainstream almost 20 years ago. The data big bang has unleashed torrents of terabytes about everything from customer behaviors to weather patterns to demographic consumer shifts in emerging markets. This collection of articles, videos, interviews, and slideshares highlights the most important lessons for companies looking to turn data into above-market growth: Using analytics to identify valuable business opportunities from the data to drive decisions and improve marketing return on investment (MROI) Turning those insights into well-designed products and offers that delight customers Delivering those products and offers effectively to the marketplace. The goldmine of data represents a pivot-point moment for marketing and sales leaders. Companies that inject big data and analytics into their operations show productivity rates and profitability that are 5 percent to 6 percent higher than those of their peers. That's an advantage no company can afford to ignore.

### Fête Accompli!

Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.
