Kimberley Freeman: author Q&A - Kimberley Freeman: author Q&A by Hachette Australia Books 1,178 views 9 years ago 3 minutes, 40 seconds - Kimberley Freeman,, author of EVERGREEN FALLS, talks grasshoppers, creating amazing characters, and her favourite books ...

Can you tell us something hardly anyone knows about you?

What is your greatest fear?

What was the defining book of your life so far?

What has been the defining song, music or band of your life so far?

What book character would you want to be, and why?

What would your ten-year-old self say to you now?

Who is your greatest influence?

If you could read only one book for the rest of your life, what would it be?

Who is your favourite author?

What is your favourite word and why?

The Good Daughters

They were born on the same day, in the same small New Hampshire hospital—but Ruth Plank and Dana Dickerson are different in nearly every way. Ruth is an artist, a romantic with a rich, passionate, imaginative life—the fifth daughter born to a gentle, caring farmer and his stolid wife. Raised by a pair of capricious drifters, Dana is a scientist and realist whose faith is firmly planted in the natural world. From the 1950s to the present, the lives of the “birthday sisters” parallel and oddly intersect, as each struggles to find her place in a world in which she has never truly felt she belonged. Sharing little except a birth date—and a love for Dana’s wild and beautiful older brother, Ray—two virtual strangers will travel alternate paths winding through first love, first sex, marriage, parenthood, divorce, and tragic loss...until both are forced to reevaluate themselves and each other when past secrets and forgotten memories unexpectedly come to light.

The Good Daughters

“A story of choices and events so intimate I felt I was part of it. The novel is wrenching, the emotions radiant, and it will leave readers transformed” —Luanne Rice, author of *The Deep Blue Sea for Beginners* “Joyce Maynard has outdone herself in this beautifully written story you’ll find hard to put down and impossible to forget.” —Elizabeth Berg, author of *The Last Time I Saw You* Bestselling author of the critically acclaimed *Labor Day*, Joyce Maynard now brings us *The Good Daughters*, a spellbinding novel about friendship, family secrets, and the strange, unexpected twists of fate that shape our lives. The story of two women born the same day in the same hospital, but raised in vastly different emotional environments, *The Good Daughters* is another high note in Maynard’s already distinguished writing career.

The Good Daughters LP

The bestselling author of *Labor Day* returns with a spellbinding novel about friendship, family secrets, and the strange twists of fate that shape our lives *The Good Daughters* They were born on the same day, in the same small New Hampshire hospital, into families that could hardly have been less alike. Ruth Plank is an artist and a romantic with a rich, passionate, imaginative life. The last of five girls born to a gentle, caring farmer and his stolid wife, she yearns to soar beyond the confines of the land that has been her family’s birthright for generations. Dana Dickerson is a scientist and realist whose faith is firmly planted in the natural world. Raised by a pair of capricious drifters who waste their lives on failed dreams, she longs for stability and rootedness. Different in nearly every way, Ruth and Dana share a need to make sense of who they are and to find their places in a world in which neither has ever truly felt she belonged. They also share a love for Dana’s wild and beautiful older brother, Ray, who will leave an indelible mark on both their hearts. Told in the alternating voices of Ruth and Dana, *The Good Daughters* follows these “birthday sisters” as they make their way from the 1950s to the present. Master storyteller Joyce Maynard chronicles the unlikely ways the two women’s lives parallel and intersect—from childhood and adolescence to first loves, first sex, marriage, and parenthood; from the deaths of parents to divorce, the loss of home, and the loss of a beloved partner—until past secrets and forgotten memories unexpectedly come to light, forcing them to reevaluate themselves and each other. Moving from rural New Hampshire to a remote island in British Columbia to the ‘70s Boston art-school scene, *The Good Daughters* is an unforgettable story about the ties of home and family, the devastating force of love, the healing power of forgiveness, and the desire to know who we are.

Count the Ways

In her most ambitious novel to date, New York Times bestselling author Joyce Maynard returns to the themes that are the hallmarks of her most acclaimed work in a mesmerizing story of a family—from the hopeful early days of young marriage to parenthood, divorce, and the costly aftermath that ripples through all their lives Eleanor and Cam meet at a crafts fair in Vermont in the early 1970s. She’s an artist and writer, he makes wooden bowls. Within four years they are parents to three children, two daughters and a red-headed son who fills his pockets with rocks, plays the violin and talks to God. To Eleanor, their New Hampshire farm provides everything she always wanted—summer nights watching Cam’s softball games, snow days by the fire and the annual tradition of making paper boats and cork people to launch in the brook every spring. If Eleanor and Cam don’t make love as often as they used to, they have something that matters more. Their family. Then comes a terrible accident, caused by

Cam's negligence. Unable to forgive him, Eleanor is consumed by bitterness, losing herself in her life as a mother, while Cam finds solace with a new young partner. Over the decades that follow, the five members of this fractured family make surprising discoveries and decisions that occasionally bring them together, and often tear them apart. Tracing the course of their lives—through the gender transition of one child and another's choice to completely break with her mother—Joyce Maynard captures a family forced to confront essential, painful truths of its past, and find redemption in its darkest hours. A story of holding on and learning to let go, *Count the Ways* is an achingly beautiful, poignant, and deeply compassionate novel of home, parenthood, love, and forgiveness.

At Home in the World

New York Times bestselling author of *Labor Day* With a New Preface When it was first published in 1998, *At Home in the World* set off a furor in the literary world and beyond. Joyce Maynard's memoir broke a silence concerning her relationship—at age eighteen—with J.D. Salinger, the famously reclusive author of *The Catcher in the Rye*, then age fifty-three, who had read a story she wrote for *The New York Times* in her freshman year of college and sent her a letter that changed her life. Reviewers called her book "shameless" and "powerful" and its author was simultaneously reviled and cheered. With what some have viewed as shocking honesty, Maynard explores her coming of age in an alcoholic family, her mother's dream to mold her into a writer, her self-imposed exile from the world of her peers when she left Yale to live with Salinger, and her struggle to reclaim her sense of self in the crushing aftermath of his dismissal of her not long after her nineteenth birthday. A quarter of a century later—having become a writer, survived the end of her marriage and the deaths of her parents, and with an eighteen-year-old daughter of her own—Maynard pays a visit to the man who broke her heart. The story she tells—of the girl she was and the woman she became—is at once devastating, inspiring, and triumphant.

My Mother's Daughter

Personal memories of the sort her *Chatelaine* readers adored — a remarkable life story seen through the window of her relationship with her mother. Every woman's relationship with her mother is special. Yet everyone will recognize some parts of another woman's story, especially if it is told as honestly and as sensitively as Rona Maynard tells it here. As a little girl, Maynard soon came to see that her family was not an ordinary one. Her father, Max, was an artist and an alcoholic. Her mother was Fredelle Maynard, a brilliant academic who could not get a teaching job because she was a woman. Instead she became a writer — the author of *Raisins and Almonds* — and, above all, a driving, loving, ambitious, overpowering mother. In her shadow (and that of younger sister Joyce, who went off at eighteen to live with J.D. Salinger) Rona took time to blossom as a writer and editor in Toronto. This book takes us through her career, step by step, including the miseries of being accused by her son's teachers — and her own mother — of being a bad mother, overly concerned with her own career. Rona's strong, direct style will ring true for every working woman. Through the magic of her writing, she gives a clear-eyed and affectionate account of her relationship with a demanding, loving mother. I said to my father, "You don't live here any more. This is Mother's house, not yours. It's time for you to go." My father cursed me. He shook his fist. Then he left and never came back. —From *My Mother's Daughter*

The Best of Us

The San Francisco Chronicle's Best of the Year List Indie Next Pick "For Reading Groups" From New York Times bestselling author Joyce Maynard, a memoir about discovering strength in the midst of great loss—"heart wrenching, inspiring, full of joy and tears and life." (Anne Lamott) In 2011, when she was in her late fifties, beloved author and journalist Joyce Maynard met the first true partner she had ever known. Jim wore a rakish hat over a good head of hair; he asked real questions and gave real answers; he loved to see Joyce shine, both in and out of the spotlight; and he didn't mind the mess she made in the kitchen. He was not the husband Joyce imagined, but he quickly became the partner she had always dreamed of. Before they met, both had believed they were done with marriage, and even after they married, Joyce resolved that no one could alter her course of determined independence. Then, just after their one-year wedding anniversary, her new husband was diagnosed with pancreatic cancer. During the nineteen months that followed, as they battled his illness together, she discovered for the first time what it really meant to be a couple—to be a true partner and to have one. This is their story. Charting the course through their whirlwind romance, a marriage cut short by tragedy, and Joyce's return to singleness on new terms, *The Best of Us* is a heart-wrenching, ultimately life-affirming reflection on coming to understand true love through the experience of great loss.

The Joyce Maynard Collection

From New York Times bestselling author Joyce Maynard comes three poignant and unforgettable novels. *Labor Day*—The story of a mother and son forever changed during a long summer weekend when a mysterious man comes into their lives. *Labor Day* is a beautiful, poignant tale of love, sex, adolescence, and devastating treachery as seen through the eyes of a young teenager—and the man he later becomes. *The Good Daughters*—A spellbinding novel about friendship, family secrets, and the strange, unexpected twists of fate that shape our lives. The story of two women born the same day in the same hospital, but raised in vastly different emotional environments, *The Good Daughters* is another high note in Maynard's already distinguished writing career. *After Her*—Loosely inspired by the Trailside Killer case, *After Her* is part thriller, part love story—a suspenseful and painfully real family saga that traces a young girl's first sexual explorations, the loss of innocence, the bond shared by sisters, and the tender but damaged relationship between a girl and her father that endures even beyond the grave.

After Her

Marin County, California, summer, 1979. When young women start turning up dead on the mountain behind the home of Rachel and her devoted eleven-year-old sister, Patty, their father—a larger-than-life, irresistibly handsome (and chronically unfaithful) detective—is put in charge of finding the "Sunset Strangler." Watching her father's life slowly unravel as months pass and more women are killed, Rachel embarks on a dangerous game to catch the killer. Her actions will destroy her father's career and alter forever the lives of everyone she loves. Thirty years later, believing that the wrong man was arrested for the crimes, leaving the true killer at large, Rachel constructs a new strategy to smoke out the Sunset Strangler and vindicate her father—and discovers more than she bargained for. Loosely inspired by the Trailside Killer case, *After Her* is part thriller, part love story—a poignant, suspenseful, and painfully real family saga that traces a young girl's first sexual explorations, the loss of innocence, the bond shared by sisters, and the tender but damaged relationship between a girl and her father that endures even beyond the grave.

Under the Influence

The New York Times bestselling author of *Labor Day* and *After Her* returns with a poignant story about the true meaning—and the true price—of friendship. Drinking cost Helen her marriage and custody of her seven-year-old son, Ollie. Once an aspiring art photographer, she now makes ends meet taking portraits of school children and working for a caterer. Recovering from her addiction, she spends lonely evenings checking out profiles on an online dating site. Weekend visits with her son are awkward. He's drifting away from her, fast. When she meets Ava and Swift Havilland, the vulnerable Helen is instantly enchanted. Wealthy, connected philanthropists, they have their own charity devoted to rescuing dogs. Their home is filled with fabulous friends, edgy art, and dazzling parties. Then Helen meets Elliott, a kind, quiet accountant who offers loyalty and love with none of her newfound friends' fireworks. To Swift and Ava, he's boring. But even worse than that, he's unimpressed by them. As Helen increasingly falls under the Havillands' influence—running errands, doing random chores, questioning her relationship with Elliott—Ava and Swift hold out the most seductive gift: their influence and help to regain custody of her son. But the debt Helen owes them is about to come due. Ollie witnesses an accident involving Swift, his grown son, and the daughter of the Havillands' housekeeper. With her young son's future in the balance, Helen must choose between the truth and the friends who have given her everything.

Dream Catcher

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.

Domestic Affairs

DIVDIVAn unforgettable collection of essays on the everyday thrills and challenges of marriage and motherhood, from one of America's best-loved memoirists/**divDIV /divDIV**Witty and insightful, Domestic Affairs is an extension of Joyce Maynard's celebrated, widely syndicated newspaper column of the same name that ran from 1984 to 1990. Each essay gives an unfiltered look at the ups and downs of family life and a remarkable window into the challenges of modern motherhood. Topics range from babysitter woes to family visits to coping with a child's burgeoning independence. These collected writings represent nine years' worth of stories about the greatest adventure of Maynard's life, or, as she writes, "the difficult, exhausting, humbling, and endlessly gratifying business of raising children, of ensuring the health of both body and soul."/**divDIV /divDIV**This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection./div/div

Labor Day

Collection of skits, readings, poems & information for holidays.

Where Love Goes

From the author of *To Die For* comes this poignant, stirring, and occasionally hilarious story of a woman's attempt to remake her life after a searing divorce. Maynard's novel captures love as one approaches middle age in contemporary America.

Looking Back

A memoir of what it was like to be a teenager in a tumultuous era, from the New York Times–bestselling author of *The Best of Us*. Joyce Maynard was eighteen years old when her 1972 New York Times Magazine cover story catapulted her to national prominence. Published one year later, *Looking Back* is her remarkable follow-up—part memoir, part cultural history, and part social critique. She wrote about diving under her desk for air-raid practice during the Cuban Missile Crisis, the Beatles' first appearance on *The Ed Sullivan Show*, and catching the first glimpse (on the cover of *Life* magazine) of a human fetus in utero. Extraordinarily frank, sincere, and opinionated, Maynard seemed unafraid to take on any subject—including herself. But as she reveals in a poignant and candid new foreword, she carefully kept her inner life off the page. She didn't write about her difficult relationship with her mother, or her father's alcoholism, or the fact that her best friend at college had struggled with the knowledge that he was gay. And she did not mention the most important part of her life at the time she was writing this book: her relationship with reclusive author J. D. Salinger, who read and corrected every page, even as he condemned her for writing it. In this special anniversary edition, Maynard's candid introductory reflections on the girl behind the girl who wrote *Looking Back* lend a new dimension to this iconic analysis of a generation. This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection.

The Good Daughter

The stunning No. 1 Sunday Times bestselling thriller from the critically acclaimed author.

Loving Lindsey

Winner - 6th Annual Beverly Hills Book Award for Relationships and Parenting & Families Award Finalist in the "Parenting & Family" category of the 2017 Best Book Awards Finalist, 2018 Next Generation Indie Book Awards in the category of Memoirs—Overcoming Adversity/Tragedy Linda Atwell and her strong-willed daughter, Lindsey—a high-functioning young adult with intellectual disabilities—have always had a complicated relationship. But when Lindsey graduates from Silverton High School at nineteen and gets a job at Goodwill, she also moves into a newly remodeled cottage in her parents' backyard—and Linda believes that all their difficult times may finally be behind them. Life, however, proves not to be so simple. As Lindsey plunges into adulthood, she experiments with sex, considers a tubal ligation, and at twenty quits Goodwill and runs away with Emmett, a man more than twice her age. As Lindsey grows closer to Emmett, she slips further away from her family—but Linda, determined to save her daughter, refuses to give up. A touching memoir with unexpected moments of joy and humor, *Loving Lindsey* is a story about independence, rescue, resilience, and, most of all, love.

Baby Love

DIVDIVMaynard's captivating novel of four teenage girls, bound together by early motherhood and forever changed by the arrival of two women in their small New England town/divDIV /divDIVIn their New Hampshire community, Sandy, Jill, Tara, and Wanda are different from other teenage girls. Jill is pregnant, while the other three are already mothers. Sandy, at eighteen, is married. Tara, the product of a broken family, is raising her baby alone. Wanda, with her three-month-old, still manages to date despite the demands of motherhood. Though their situations are different, the girls are united by their baby love. When two childless women arrive from out of town, the young mothers quickly capture their attention. But just as the women's worlds begin to intertwine, a catastrophe threatens to sweep through town—and change their lives forever./divDIV /divDIVThis ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection./div/div

The Usual Rules

It's a Tuesday morning in Brooklyn---a perfect September day. Wendy is heading to school, eager to make plans with her best friend, worried about how she looks, mad at her mother for not letting her visit her father in California, impatient with her little brother and with the almost too-loving concern of her jazz musician stepfather. She's out the door to catch the bus. An hour later comes the news: A plane has crashed into the World Trade Center---her mother's office building. Through the eyes of thirteen-year-old Wendy, we gain entrance to the world rarely shown by those who documented the events of that one terrible day: a family's slow and terrible realization that Wendy's mother has died, and their struggle to go on with their lives in the face of such a crushing loss. Absent for years, Wendy's real father shows up without warning. He takes her back with him to California, where she re-invents her life: Wendy now lives more or less on her own in a one-room apartment with a TV set and not much else. Wendy's new circle now includes her father's cactus-grower girlfriend, newly reconnected with the son she gave up for adoption twenty years before; a sad and tender bookstore owner who introduces her to the voice of Anne Frank and to his autistic son; and a homeless skateboarder, on a mission to find his long-lost brother. Over the winter and spring that follow, Wendy moves between the alternately painful and reassuring memories of her mother and the revelations that come with growing to know her real father for the first time. Pulled between her old life in Brooklyn and a new one 3,000 miles away, our heroine is faced with a world where the usual rules no longer apply but eventually discovers a strength and capacity for compassion and survival that she never knew she possessed. At the core of the story is Wendy's deep connection with her little brother, back in New York, who is grieving the loss of their mother without her. This is a story about the ties of siblings, about children who lose their parents, parents who lose their children, and the unexpected ways they sometimes find one another again. Set against the backdrop of global and personal tragedy, and written in a style alternately wry and heartbreaking, *The Usual Rules* is an unexpectedly hopeful story of healing and forgiveness that will offer readers, young and old alike, a picture of how, out of the rubble, a family rebuilds its life.

Because I Love Her

This profound and poignant collection highlights some of the best literary writers of our time in an era when the roles of mothers and daughters are constantly being questioned and redefined. *Because I Love Her* explores the deepest bonds and truths of motherhood by sharing stories and secrets of becoming a mother and grandmother. Ranging from established and bestselling authors to exciting new voices, these women reveal what their mothers taught them, what they in turn hope to impart to their daughters and, finally, what they've learned as a bridge between the two.

How I Learned to Cook

A collection of writings by women on the tangled bonds they share with their (often) less-than-perfect mothers. Every woman has something to say on the subject of her mother. In fact, many of us spend our lives trying to figure out just how we are like-or unlike-them. And yet, as intricate as the ties that bind mothers and daughters can be, most women never let go of the desire to really know their mothers. In *How I Learned to Cook and Other Writings on Complex Mother-Daughter Relationships*, women authors explore what is perhaps the most complicated of family relationships. In this elegant collection of writings, daughters describe their relationships with mothers whose own lives sometimes stood in the way of their ability to fill society's ideal of what a good mother should be. With critically acclaimed authors—including Jamaica Kincaid, Paula Fox, and Alice Walker—sharing the page with emerging writers, *How I Learned to Cook* proves that every daughter has much to discover and understand about her mother.

The Light Above

The Light Above is a memoir told through the unfolding stories of two proud daughters of New England—Margaret Fuller, American transcendentalist, women's rights champion, and public intellectual, alive in the first half of the nineteenth century; and Maria Dintino, the author, daughter of a first-generation Italian American and longtime New Hampshire resident. A literary enthusiast, Dintino encounters Fuller and discovers that her stories shed light on her own. Fuller becomes Dintino's guide and teacher, and Dintino gradually deepens in understanding and trust of her own life story. A memoir that reveals the impact of shared stories, extending beyond the limits of time and place.

Internal Combustion

Recounts the 2004 hatchet killing of Bob Seaman, an auto industry engineer and softball coach, describing the arrest of his wife of more than thirty years, as well as the contradictory testimonies of their two sons.

The Good Daughters

The lives and fortunes of two New Hampshire families, the Planks and the Dickersons, are entwined through the youngest daughters of each family, who were born on the same day in the same hospital.

Mamalita

This gripping memoir details an ordinary American woman's quest to adopt a baby girl from Guatemala in the face of overwhelming adversity. At only 32 years old, Jessica O'Dwyer experiences early menopause, seemingly ending her chances of becoming a mother. Years later, married but childless, she comes across a photo of a two-month-old girl on a Guatemalan adoption website — and feels an instant connection. From the get-go, Jessica and her husband face numerous and maddening obstacles. After a year of tireless efforts, Jessica finds herself abandoned by her adoption agency; undaunted, she quits her job and moves to Antigua so she can bring her little girl to live with her and wrap up the adoption, no matter what the cost. Eventually, after months of disappointments, she finesses her way through the thorny adoption process and is finally able to bring her new daughter home. *Mamalita* is as much a story about the bond between a mother and child as it is about the lengths adoptive parents go to in their quest to bring their children home. At turns harrowing, heartbreaking, and inspiring, this is a classic story of the triumph of a mother's love over almost insurmountable odds.

A Sultan in Palermo

The fourth novel in Tariq Ali's 'Islam Quintet' charts the life and loves of the medieval cartographer Muhammed al-Idrisi. Torn between his close friendship with the sultan and his friends who are leaving the island or plotting a resistance to Norman rule, Idrisi finds temporary solace in the harem; but his conscience is troubled... *A Sultan in Palermo* is a mythic novel in which pride, greed, and lust intermingle with resistance and greatness. It echoes a past that can still be heard today. Praise for the *Islam Quintet*: "A richly woven tapestry that even before its completion merits comparison with Naguib Mahfouz's Cairo trilogy." *Kirkus Reviews*

Letters to J. D. Salinger

Despite J. D. Salinger's many silences—from the publication of *The Catcher in the Rye* to his absence from the public eye after 1965 to his death in 2010—the unforgettable characters of his novel and short stories continue to speak to generations of readers and writers. *Letters to J. D. Salinger* includes more than 150 personal letters addressed to Salinger from well-known writers, editors, critics, journalists, and other luminaries, as well as from students, teachers, and readers around the world, some of whom had just discovered Salinger for the first time. Their voices testify to the lasting impression Salinger's ideas and emotions have made on so many diverse lives.

Lorna Mott Comes Home

"A comedic novel about an American woman leaving her 20-year marriage to her French husband, returning to her native San Francisco to pick up the life she left behind, and the entwining lives of her children and grandchildren"--

Nine Stories

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. The stories: A Perfect Day for Bananafish Uncle Wiggily in Connecticut Just Before the War with the Eskimos The Laughing Man Down at the Dinghy For Esmé--with Love and Squalor Pretty Mouth and Green My Eyes De Daumier-Smith's Blue Period Teddy

Bad Girls

Women writers celebrate and meditate on their acts of defiance, from using well-chosen expletives and engaging in less-than-ideal parenting techniques to getting back at an ex and wearing a stolen Girl Scout badge.

The Border of Paradise

Tells the story of the neurotic David Nowak who lives with his wife and children in the Northern California wilderness giving his family an insular and idyllic existence.

The Salt God's Daughter

"Beautifully evokes scenes of two girls adrift in the . . . bohemian beach culture . . . a breathtaking, fiercely feminine take on American magical realism." —Interview Magazine Set in Long Beach, California, beginning in the 1970s, *The Salt God's Daughter* follows Ruthie and her older sister Dolly as they struggle for survival in a place governed by an enchanted ocean and exotic folklore. Guided by a mother ruled by magical, elaborately-told stories of the full moons, which she draws from *The Old Farmer's Almanac*, the two girls are often homeless, often on their own, fiercely protective of each other, and unaware of how far they have drifted from traditional society as they carve a real life from their imagined stories. Imbued with a traditional Scottish folktale and hints of Jewish mysticism, *The Salt God's Daughter* examines the tremulous bonds between sisters and the enduring power of maternal love—a magical tale that presents three generations of extraordinary women who fight to transcend a world that is often hostile to those who are different. "Indeed, Ruby has written a complicated, multi-layered work that shifts shapes to bridge the relationship between tragedy and redemption." --The Huffington Post "Three generations of indelibly original women wrestle with the confines of their lives against a shimmering backdrop of magic, folklore, and deep-buried secrets . . . To say I loved this book is an understatement." --Caroline Leavitt, New York Times bestselling author "The selkie myth lies at the heart of Ruby's second novel . . . This is a bewitching tale of lives entangled in lushly layered fables of the moon and sea." --Kirkus Reviews

After Her

"From the New York Times bestselling author of *Labor Day* and *The Good Daughters* comes a new novel of family, friendship, and suspense"--

Lots of Candles, Plenty of Cake

In *Lots of Candles, Plenty of Cake*, New York Times bestseller and winner of the Pulitzer Prize Anna Quindlen shares the events of her own life to illuminate our own. From childhood memories to manic motherhood to middle age, Quindlen tells life as she has lived it. She acknowledges the passing years, from the generational shrinking of underwear to facing the fact that her knees make 'this noise like Rice Krispies' when she exercises. Despite its downsides, she says, aging brings wisdom, and a perspective that makes life satisfying and even joyful. Honest, witty and moving, this irresistible memoir celebrates all our lives.

Brave Girl Eating

"One of the most up to date, relevant, and honest accounts of one family's battle with the life threatening challenges of anorexia. Brown has masterfully woven science, history, and heart throughout this compelling and tender story." —Lynn S. Grefe, Chief Executive Officer, National Eating Disorders Association "As a woman who once knew the grip of a life-controlling eating disorder, I held my breath reading Harriet Brown's story. As a mother of daughters, I wept for her. Then cheered." —Joyce Maynard, author of *Labor Day* In *Brave Girl Eating*, the chronicle of a family's struggle with anorexia nervosa, journalist, professor, and author Harriet Brown recounts in mesmerizing and horrifying detail her daughter Kitty's journey from near-starvation to renewed health. *Brave Girl Eating* is an intimate, shocking, compelling, and ultimately uplifting look at the ravages of a mental illness that affects more than 18 million Americans.

Handle with Care

"Every expectant parent insists the same thing: they simply want a healthy baby. Charlotte and Sean O'Keefe wanted the same but instead, their lives are made up of sleepless nights, mounting bills, pity from other parents, and haunting what-ifs. Yet, in other ways, their daughter Willow is a perfect child. Smart as a whip, beautiful, brave, and kind, Willow is Willow, in sickness and in health. Everything changes, though, after a series of events forces Charlotte and Sean to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow's illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more: what constitutes a valuable life?"--from amazon.com

After Her

"From the New York Times bestselling author of *Labor Day* and *The Good Daughters* comes a new novel of family, friendship, and suspense"--

The Honeymoon's Over

In the bestselling tradition of *The Bitch in the House* comes a provocative collection of essays by prominent women writers on their own marriages-and why they chose to leave or stay. Isabel Rose saw red flags before her marriage, but everyone thought she'd made a perfect match. Ann Hood's relationship with her husband had the usual bumps, until the tragic death of her young daughter forged their bond for life. When Terry McMillan went through her public divorce, the trauma affected everyone in her life. While Joyce Maynard cared for her dying mother, her children's babysitter took even better care of her husband. Andrea Chapin, after years of money battles with her musician husband, realized she had to become the mogul in the family. Annie Echols found her marriage on the rocks when an unexpected pregnancy upset her family's delicate balance. In *THE HONEYMOON'S OVER*, women candidly discuss the good times, the bad times, and what makes or breaks a marriage in essays that will resonate with readers-married, single, or divorced.

In Search of Silence

Winner of Red Magazine's Book of the Year 2019 'Raw, poetic and breathtaking' Fearne Cotton 'It is rare to find an author who writes with such authenticity, empathy and humour. I couldn't recommend this read enough. It will enrich your life' Will Young 'Poorna's beautiful, thoughtful writing is a gift of calm, laughter and stoic contemplation in an increasingly anxious world. Simultaneously earthed and sometimes ephemeral, this book is absolutely delightful, compassionate, tender and a lesson to us all in self-love and nurture. I read it in a matter of days and started over again' Jack Monroe Poorna Bell was sold the fairytale of life. That love wins the day. That marriage is the rescue to an otherwise unhappy existence. That children are the natural progression of any relationship. But really, is it? Are

we actually being honest with ourselves about the expectations we have set for ourselves? Are we able to distinguish between what we really need from life, from everything that we have been conditioned to want? Because the current rhetoric doesn't prepare you for the reality. In 2015 Poorna Bell became a widow after her husband Rob took his own life on a winter's night, having battled depression and addiction. Her situation was unusual when compared to a lot of people, but she was left figuring out exactly the same things. Will she ever be happy? Will she find love again? Who will rescue her from her sadness? Two years on and Poorna is rebuilding her life. And it is from this place – as she works towards choosing what she does and doesn't want from society, that she will explore a different conversation around fulfillment and self-worth. Cutting across the landscapes in India, New Zealand and Britain, Poorna Bell explores the things endemic in our society such as sadness and loneliness, to unpick why we seek other people to fix what's inside of us. In *Search of Silence* is the recognition of the echo chamber we find ourselves in, in terms of what constitutes a successful, fulfilling life. This is a heartfelt, deeply personal journey which asks us all to define what 'happiness' truly means. 'Rich with achingly beautiful language that transports the reader to the streets of Bangalore, the mountain-topped peaks of Nepal and the long and winding roads of New Zealand, I adored absolutely everything about *In Search of Silence*. A book that will speak to anyone who has grown tired of London, who has lost, who has loved, who has lamented the loss of a loved one, it is a beautiful, life-affirming read that explores solitude, silence and sadness and is underpinned with hope and happiness for the future' *The Literary Edit*

The Seven Imperfect Rules of Elvira Carr

'Wonderful' – Rosie Walsh, author of *The Man Who Didn't Call*. Funny, heart-warming and ultimately triumphant, *The Seven Imperfect Rules of Elvira Carr* by Frances Maynard is a story for anyone who doesn't quite fit in – and for everyone who chooses not to. Perfect for fans of Eleanor Oliphant is Completely Fine. Elvira Carr is twenty-seven, neuro-atypical, and has never lived alone. But her father – who she suspects was in the secret service – is dead, and when her mother has a stroke and is taken into care, Elvira suddenly finds herself home alone. In order to cope, Elvira – who knows a lot about biscuits and supermarkets, but not much about life – develops Seven Rules for interacting with others. Not even her rules can help her, however, when she's faced with solving a mystery she didn't know existed . . . 'Big-hearted and charming' – James Hannah, author of *The A to Z of You and Me*.
