The Untold Story of Sita

The Untold Story of Sita supplements the traditional narrative of Sita's life as told in the Ramayana with Sita as she truly is -- an incarnation of the great Devi Narayani. Sita comes to Earth to join Sri Ram in setting the foundation for a new civilization at a time when humans are becoming separate from the natural world. She seeks to embed a great love for the forests and rivers, plant and animal life in the hearts and minds of the people, and to share the high spiritual accomplishments of the great women rishis and sages, many of whom you meet along Sita's journey. This is a story of a woman's wisdom, courage and strength, her love for the manifest and unmanifest worlds, and her selfless sacrifices for the welfare of all. So step into Sita's time and see what life was like during a more spiritually more advanced age, when there was an understanding of Dharma, not just as duty but as an alignment with the higher forces of love that make possible the preservation of our world.

The Untold Story of Seeta

Reading The Untold Story of Seeta a journey through fields, palaces and forests, is like traversing the journey of Seetas life, the wife of Ram, the legendary king of Kosala. Although the story follows the chronology of events in the famous epic the Ramayana, it is not a retelling of the Ramayana. Neeraja Phatak brings Seeta to life as she - Seeta tells her own story and of her love for Ram. Nagging questions around Seetas personality are viewed from a fresh perspective. Was Seetas greatest quality her ability to suffer in silence? Is it possible that the daughter of the great Janak, and a pupil of the great sage Gargi, had no opinion of her own? How could Ram, considered the best among men, have permitted his wife to go through a trial by fire? Or has Seeta been smothered under a veil of convenience? Nuggets of philosophy woven into every day conversations compel the reader to go within and ponder. For example, when Neeraja writes, Ram said, Happiness is a state of mind, it is subjective, and differs from person to person and is relative to a context... This riveting novel holds the readers attention and curiosity till the very end.

My Journey Through Time

My Journey Through Time is a spiritual memoir that sheds light on the workings of karma—the law of cause and effect that creates one's present circumstances and relationships—as we see it unfold through Dena's vivid memories of her previous births. We travel back in time as Dena learns of a life in early 20th century Russia, ranging from the overthrow of the Czar through Nazi Germany; then it's back further to a life in early 19th century America in the Deep South, and before that to a time in Africa in the early 18th century. Her lives in the East—in Persia, Japan, and India—go back to the 15th-17th centuries. With each past life, we can see the way in which it has impacted her present life, how it has stemmed from the end of the previous birth, and how it will influence her next life. Dena Merriam is the founder of an interfaith organization, the Global Peace Initiative of Women. A long-time disciplined meditator, Dena's access to her past lives brings a clearer awareness and purpose to her present life, and also overcomes any fear of death. The memories are triggered when Dena meets a new person or visits a new place in her current life. The memories bring remembrances of past suffering, but also recollections of spiritual teachers and wise guidance. She has not used and does not advocate past-life regressions or hypnosis as a way to prompt memories to return. Dena has decided to share her story, despite being a very private person, in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time.

Rukmini and the Turning of Time

The main story of Rukmini and the Turning of Time takes place before, during and after the Mahabharata War, an event that marked the ending of one era and the beginning of another – a time when spiritual knowledge was decreasing but material development increasing. The story begins in the ancient city of Dwarka, India and is told through the voice of a dancer of that time. It is a story about Rukmini, who is said to be the rebirth of Mata Sita, both of whom are avatars of the great deity Narayani. Although Rukmini is the consort of the much beloved Bhagavan Krishna, her story has been lost in time, but it is essential now to recall her as the energy and presence of the divine female incarnations is so critical for the healing and evolution of human society. As with all of Dena Merriam's books, this story explores the complex and wondrous workings of cause and effect, the law of karma, as it guides and shapes our lives. But it is also a story of love, one that transcends time and place and that persists from one incarnation to the next. As we leave one form and take another through the laws of rebirth, we bring with us our love, the relationships that have left deep impressions and that have helped in our awakening. This tale follows the dancer of Dwarka through a series of rebirths, as she unknowingly carries with her the love and teachings of Rukmini, who patiently and silently guides her evolution. It is a story that applies to each one of us, because we all participate in this great cosmic dance of love as the illusion of time keeps turning.

When the Bright Moon Rises

A compelling past-life memoir that will open you to the mysteries and promises of your own spiritual journey When the Bright Moon Rises is first and foremost a love story—love between the sages and the cosmic forces known as the deities, love of the sages for the people, and love between individuals seeking to express this universal force of love that exists within all of us. It is also a study of karma, the cosmic law of cause and effect. This narrative begins in Vedic India, around the 9th century BCE, with the meeting of two people and the seeding of a love that cannot be fulfilled but which comes to fruition nearly 10,000 years later during the Tang Empire in China, where they are reborn as the renowned poet Li Bai and his poet wife. The awakening of her memories of previous births initiates an inner struggle that is only resolved under the guidance of her Daoist Master. This is her story.

Sitayana

Countless retellings, translations, and reworkings of the Ramayana's captivating story exist-but none are as vivid, ingenious and powerful as Amit Majmudar's Sitayana. Majmudar tells the story of one of the world's most popular epics through multiple perspectives, presented in rapid sequence-from Hanuman and Ravana, down to even the squirrel helping Rama's army build the bridge. However, above all, Majmudar focuses on the fierce resistance of Sita, letting us hear her voice as we have never heard it before.

When the Bright Moon Rises

Valmiki's Ramayana is the story of Rama's exile and return to Ayodhya, of a triumphant king who will always do right by his subjects. In Volga's retelling, it is Sita who, after being abandoned by Purushottam

Rama, embarks on an arduous journey towards self-realization. Along the way, she meets extraordinary women who have broken free from all that held them back: husbands, sons, and their notions of desire, beauty and chastity. The minor women characters of the epic as we know it -- Surpanakha, Renuka, Urmila and Ahalya -- steer Sita towards an unexpected resolution. Meanwhile, Rama too must reconsider and weigh his roles as the king of Ayodhya and as a man deeply in love with his wife. A powerful subversion of India's most popular tale of morality, choice and sacrifice, *The Liberation of Sita* opens up new spaces within the old discourse, enabling women to review their lives and experiences afresh. This is Volga at her feminist best.

The Liberation of Sita

Sita by Bhanumathi-ji is deeply stirring and weaves an intricate tapestry of sensitivity with strength and wisdom as the story unfolds

Sita

Banished by his father to a dark forest, Prince Rama loses his wife Sita to the demon prince Ravana, but the Monkey King offers to help rescue her.

Rama and Sita

'One of the most strikingly lyrical voices writing about the lives of Indian women' -- Amitav Ghosh 'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita ... this inversion is a gift - it presents us with a way to know an already well-known story better and to love an already beloved story more' -- Arshia Sattar 'This inspired evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity. It brings to life the personalities and predicaments of the Ramayana' -- Namita Gokhale 'Among the many, many Ramayanas there are now even - thankfully - some "Sitayanas"

The Forest of Enchantments

A classic series edited by Dr. Julius Lipner, Univ. of Cambridge; this volume, #1, by a noted UK scholar.

Sita's Story

Sita has been sent to Valmiki's ashram, at Rama's command never to return. This extraordinary novel is her story---she who, as much as Rama, is the heart of Ramayana, one of the greatest living epics. It is also the story of Lakshmana, crushed by guilt on Sita's abduction; of Soorpanakha, shocked at Ravana's being struck by love, alien to the rakshasas' code; and of Rama's turmoil when confronted by public gossip about Sita, his beloved wife. Through the remembrances of these and other characters, Sita comes alive as a figure of womanhood. Inspired by myriad age-old and culturally diverse retellings, Vayu Naidu creates a rich, deeply moving and original work of fiction, *Sita's Ascent* illuminates the physical and emotive landscape of a woman in exile, who crosses the desert of loss and ascends the abyss of abandonment with the power of love that transforms the narrators and the listeners.

Sita's Ascent

The epic tale of victory and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcasts of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero. When the stories of great men are told, my voice maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The

ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is when that Ravana, by one action, changes the history of the world.

Asura : Tale of the Vanquished

As with all of Dena Merriam's books, To Dance with Dakinis is a study of the universal law of cause and effect, how events in our life, our deeds, thoughts and reactions impel the process of rebirth. The story begins in 12th century Tibet, with a woman's search for the Goddess and the deeper truths of life. A crisis that she encounters leads her to a great Master who helps awaken memories of her previous life in medieval France and a much earlier life in China, during which events were set in motion that led her to the crisis she now faced. The book follows her through death, the time between earthly rebirths and then her rebirth in India, where she brings to conclusion unfinished matters from her life in Tibet. In the process of her journey, great teachings are conveyed, teachings that we can all apply to our lives today.

To Dance with Dakinis

was Ravana really a demon? Was Rama the perfect hero? History is always written by the winner, who is a male. What kind of hardships were endured by his closest kin to make him one? His wife Sita was the most affected by his needs. Sita is the epitome of womanhood. She is an emotional pillar to her father in childhood and her husband after marriage. She is an ambassador of the values of Ayodhya during her captivity and is rewarded with rejection by her husband for all her struggles. This is the story of her emotional development from a love-struck teenager to an empty-nested single mother. She is greatly revered even today in the island nation of Sri Lanka. In the far northern reaches of Bihar and in Nepal daughters are never named Sita for fear of their struggling, like her through life.

Story of Sita

India, 3400 BCE. India is beset with divisions, resentment and poverty. The people hate their rulers. They despise their corrupt and selfish elite. Chaos is just one spark away. Outsiders exploit these divisions. Raavan, the demon king of Lanka, grows increasingly powerful, sinking his fangs deeper into the hapless Sapt Sindhu. Two powerful tribes, the protectors of the divine land of India, decide that enough is enough. A saviour is needed. They begin their search. An abandoned baby is found in a field. Protected by a vulture from a pack of murderous wolves. She is adopted by the ruler of Mithila, a powerless kingdom, ignored by all. Nobody believes this child will amount to much. But they are wrong. For she is no ordinary girl. She is Sita. Continue the epic journey with Amish's latest: A thrilling adventure that chronicles the rise of an orphan, who became the prime minister. And then, a Goddess. This is the second book in the Ram Chandra Series. A sequel that takes you back. Back before the beginning.

Sita

The character of Sita is the live example of ideal form of Indian woman. Chastity; fidelity; modesty; forbearance; humility and kindness are the root basis of her character. Today; the entire humanity strives to emulate these basic values of life in their lives. And at this point of time remembering Sita is natural and necessary too. Woman is the basis of moral life of the society. The more a society gives dignity to women; the more moral it becomes. Today's woman is becoming the poster attraction of flesh. Social and family dignities are being perished due to this business of commercialisation of woman's body. Woman becoming the attraction of life is today's prime need. May she nourish and inspire the life as a mother; sister; wife and beloved. Therefore; Sita's character is more relevant and important today.

Sita : The Divine Mother

He Is Eka-Vachani, A King Who Always Keeps His Word; Eka-Bani, An Archer Who Strikes His Target With The First Arrow; And Eka-Patni, A Husband Who Is Eternally And Absolutely Devoted To A Single Wife. He Is Maryada Purushottam Ram, The Supreme Upholder Of Social Values, The Scion Of

The Raghu Clan, Jewel Of The Solar Dynasty, The Seventh Avatar Of Vishnu, God Who Establishes Order In Worldly Life. Hindus Believe That In Stressful And Tumultuous Times Chanting Ram's Name And Hearing His Tale, The Ramayan, Brings Stability, Hope, Peace And Prosperity. Reviled By Feminists, Appropriated By Politicians, Ram Remains Serene In His Majesty, The Only Hindu Deity To Be Worshipped As A King.

The Book of Ram

Description The myth of Drishadvati appears in the Mahabharata as the 'story of the salvation of kings by a maiden.' While tales of surrogacy abound in the Indian epics, this is the first known example of a womb-on-rent. This strange story-of a girl whose fertility was bartered repeatedly in exchange for priceless horses-has intrigued modern scholars, playwrights and authors for its cultural significance. While earlier adaptations have cast its theme as the exploitation of a helpless woman, *Bride of the Forest* presents it as the story of girl who is surprisingly radical in her ultimate rejection of patriarchy. Staying true to the original myths and springing entirely from the world of the Mahabharata, the novel brings to life several other characters: Garuda, the divine bird who flies Lord Vishnu around the world; the proud kings of Ayodhya, Pratisthan and Kashi; the arrogant queen, Devayani, and her duplicitous maid-whose stories reveal an intricate tapestry of human and divine relationships. Intertwined in the tales of traditional rivalries is the age-old war between the asuras and the devas that gave rise to the perennial male quest for immortality, transmuted into the human desire for sons that lies at the root of commercial surrogacy even today. However, it is the story of Drishadvati, her sacrifice and her nobility, that will enchant the reader.

Sita's Story

In this book, the story of Rama has been told explicably and vividly in fictional style. It is a mythological novel written in autobiographical mode. The primary source of inspiration has been the Ramayana of Valmiki composed in Sanskrit in the 5th century BC, which goes into twenty-four thousand couplets in the present form. Having been transformed from epic poetry into fictional prose, the novel, written in a simple lucid style, provides an exhaustive account of the great epic character, in his own words. Rama is unquestionably one of the tallest figures in Indian history and culture while Sita represents the best of Indian womanhood. Both of them are, traditionally, treated as incarnations. And yet, the whole story has been presented rationally, from characterization to accounts of events, with a human perspective that can be of interest to a modern reader anywhere.

Bride of the Forest - THE UNTOLD STORY OF YAYATI'S DAUGHTER

Gender equity is woefully overdue—we cannot wait any longer. Yet gender equity will wait, just as it has for thousands of years, until women and men and people of all genders co-create it together. One-sided solutions are not enough, and shame and blame will get us nowhere. The new pathway to healing and creating right relations between the genders can only be forged by courageously confronting gender injustice from all sides, and moving through the ensuing 'collective alchemy' to transform gender injustice from the inside out. Inspired by the principles of Truth and Reconciliation developed by Archbishop Desmond Tutu in South Africa, the Gender Equity and Reconciliation International (GERI) process has been implemented over three decades for thousands of people on six continents. Guided by the twin powers of truth and love, and supported by skillful facilitation, the GERI process—as demonstrated in this book—creates safe forums to empower the unraveling of gender and sexual conditioning with alchemical depth and acumen, and initiate a whole new culture of gender relations and beloved community. With contributions from dozens of GERI participants, twelve distinguished world leaders in related fields, and special inserts from such notable persons as Stanislav Grof, M.D., Jetsunma Tenzin Palmo, and Peter Rutter, M.D., this book is an invaluable resource for laypersons and professionals, politicians and psychotherapists, educators and religious leaders, who are eager to discover new proven pathways to transform gender-based conflicts and address the needs of young and old in their homes, therapy practices, organizations, and congregations across the globe. Gender Equity is the one certain step to heal humanity. ... This book and the GERI program illuminates a path to do just that. —Justin Baldoni, author of *Man Enough* Inspiring and intersectional approach, ... underscores the transformative power of gender justice movements. —Latanya Mapp Frett, President and CEO of Global Fund for Women Magnificent heartfelt healing work, ... gifts us a map of deep positive transformation. —Jack Kornfield, author of *A Path With Heart* A groundbreaking guide for all

who want fulfilling relationships, and a more caring and equitable world. —Riane Eisler, author of *The Chalice and the Blade* and *Nurturing Our Humanity*

The Story of Rama

Pardwa - An Untold Story has a periodic biographical narration. The story covers the lives of a couple whose love was rejected by the whims and fancies of some relatives, and how the couple fought together and brought up their siblings and children. It's a lesson for the present generation that prefers nuclear families. With their sacrifices, the couple brought their siblings to succeed and reach a top position. Mohan has brilliantly covered each episode in detail by narrating the surrounding conditions of the places, lifestyles of the region from 1900 to 1985. Some of the episodes depict incidents in beautiful paintings for the readers' delight. The author's mother, Smt. Dwaraka, was a pious lady and she had darshan of Sri. Ragavendra Swami at Mantralayam. Mohan, as a small boy, had darshan of the Swami along with his mother, which is mentioned in one of the episodes. There were many such incidents in their life and it is an opportunity for the readers to have a different experience and travel along with the time of the story. The author also gives a historical story of how their surname, Nallan Chakravarthi, was bestowed by Lord Sri. Maha Vishnu Himself and their connections to Kancheepuram and Tirumala. These were also explained through wonderful paintings. It is a boon to all book enthusiasts and hope they encourage us to publish more monumental works of different fields.

Gender Equity & Reconciliation

This is a Kriya Yoga book intended to be read and practised by everyone, with/without initiation. Every word uttered by a Yogi has a special meaning that is totally unintelligible to even the highly intellectual people. This book is written in such a way that everyone can follow it up while trading the path of Kriya. People think that they are very intelligent, but if they try to understand very seriously, they realize perfectly that nothing is happening according to their intellect. Only those whose breath is not blowing in the left or right nostril are intelligent in this world. When breathing is faster, then in one day and one night respiration can flow up to 113,680 times. Normally during the same time, the figure is 21,600 times. During a day and night, if respiration is faster than usual, the breath can flow in and out 113,680 times. Normally, in the course of a day and night, there are 21,600 breaths. This figure is reduced by Kriya practice to 2,000 times. So, breathing 1,000 times in the day and 1,000 times in the night, in a normal course, provides greater Tranquility to a Yogi. One of his breaths takes about 44 seconds. Such a Yogi is matured in Kriya practice. Thoughts are inseparably related to breathing. So, when the number of breaths is reduced, thoughts are reduced proportionately. Eventually, with the tranquilization of breath, thoughts are dissolved. Thereby, the seeker can attain the After-effect-poise of Kriya, or eternal Tranquility, which is Amrita, nectar proper.

PARDWA - AN UNTOLD STORY

London-based restaurateur Arun and his assistant Ben are on a business trip. They stop at a roadside café in Himachal Pradesh and are astonished with its European looks and Italian menu. A cynical Arun samples a dish and is blown away by its authenticity. His astonishment turns into disbelief when he learns that the cook is Sita, a simple mountain girl who has never in her life stepped outside her village. Ever since her mother passed away, Sita started helping her deaf-mute father run their small tea stall. Sita loves cooking and when a travelling Italian chef gifts her a cookbook, the passion becomes an obsession. Aided by YouTube videos, Sita soon revamps the tea stall and turns it into an elfin café. Arun recognizes Sita's extraordinary talents and convinces her to move to London and become a chef at his restaurant. However, Sita's lack of professional training is soon apparent. Help comes in the form of Anwar Khan, a veteran butcher, who takes a floundering Sita under his wings. She embarks on a journey, navigating the cut-throat and often ugly world of gourmet chefs where gender conventions and racial undercurrents can make or break careers. As she strives to carve a niche for herself, Arun starts feeling differently towards Sita. Just when Sita starts believing in her special destiny, one incident alters her inside out and leads her to rediscovering herself.

Kriya Yoga Unlocked

A Thousand Seeds of Joy is a gem of a read! It is a conversation with ascended Goddesses Lakshmi and Saraswati about their many incarnations on Earth. These ascended Goddesses take us on a grand spiritual journey revealing new secrets about Buddhas, and Gods and Goddesses who have walked on Earth. Very insightful, informative and engaging!

Sita's Kitchen

This book tells the stories of five women of R m yaG who not only avenged themselves against the most powerful people of those times but also won justice for the weak and downtrodden. In the process, the book reimagines the events of past by removing the thick layers of fantasy and hyperbole. While keeping the stories realistic and reasonable, and passing the stringent tests of logic and credibility, the book answers several rarely asked questions. WHY and HOW did Ahalya mastermind the downfall of Indra - the most influential person of those times? Kaikeya take revenge against her adversaries - Kau[alya and Vasistha? ZkrpaGakh plot the death of her own brother? Mandodara protect her biggest rival, Sit ? T r engineer the murder of her own husband? The book challenges the popular perception of these five women. Step by step, it demolishes the false myths about them that have taken deep roots in our collective conscience. The book goes on to prove a singular fact - they were women of such substance that despite all obstacles, they managed to carve a significant and unique space for themselves in Indian history.

A Thousand Seeds of Joy

In an ancient age, when gods and goddesses walked with mortals... ..Sita is the kind-hearted and intelligent princess of the kingdom of Videha. Married to Rama, prince of Ayodhya, her journey in life takes her from exhilaration to anguish. Along the way, she has to leave behind the luxury of royal comforts and live the simple, harsh life of a forest dweller, where danger is lurking in every shadow. Ensnared in the evil plans of the wicked demon-king Ravana, Sita is abducted and hidden away in Lanka. Will Rama muster up a strong army to rescue Sita from the demon's clutches? Will Sita return to Ayodhya to become queen of the land... or is she destined to be mistrusted and live alone for the rest of her life? Adapted from the ancient Indian epic, the Ramayana, this is a touching tale of love, honor, and sacrifice that reveals one woman's shining strength in an unforgiving world.

The Brahmavadin

Sita Brahmachari is a World Book Day author for 2021 with gorgeous short story, The River Whale! Two children must risk everything to escape their fate and find the impossible . . . bold adventure, timely climate change themes and breathtaking writing, from award-winning author Sita Brahmachari. 'Lavishly written and full of love of the natural world.' - Sunday Times Shifa and her brother, Themba, live in Kairos City with their father, Nabil. The few live in luxury, whilst the millions like them crowd together in compounds, surviving on meagre rations and governed by Freedom Fields - the organisation that looks after you, as long as you opt in. The bees have long disappeared; instead children must labour on farms, pollinating crops by hand so that the nation can eat. The farm Shifa and Themba are sent to is hard and cruel. Themba won't survive there and Shifa comes up with a plan to break them out. But they have no idea where they are - their only guide is a map drawn from the ramblings of a stranger. The journey ahead is fraught with danger, but Shifa is strong and knows to listen to her instincts - to let love guide them home. The freedom of a nation depends on it . . . Endorsed by Amnesty International.
