Kierkegaard's Writings, IX, Volume 9

Prefaces was the last of four books by Søren Kierkegaard to appear within two weeks in June 1844. Three Upbuilding Discourses and Philosophical Fragments were published first, followed by The Concept of Anxiety and its companion--published on the same day--the comically ironic Prefaces. Presented as a set of prefaces without a book to follow, this work is a satire on literary life in nineteenth-century Copenhagen, a lampoon of Danish Hegelianism, and a prefiguring of Kierkegaard's final collision with Danish Christendom. Shortly after publishing Prefaces, Kierkegaard began to prepare Writing Sampler as a sequel. Writing Sampler considers the same themes taken up in Prefaces but in yet a more ironical and satirical vein. Although Writing Sampler remained unpublished during his lifetime, it is presented here as Kierkegaard originally envisioned it, in the company of Prefaces.

In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the

view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

The Rejection of Consequentialism

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

This is the first book-length study to use Spanish language sources in documenting the original Indian inhabitants of West Florida who, from the late 16th century to the 1740s, lived to the west and the north of the Apalachee. Previous authors who studied the forebears of Creeks and Seminoles from the Chattahoochee Valley have relied exclusively on English sources dating from the second half of the 18th century, with the exception of John R. Swanton, who had limited access to Spanish records for his classic works from 1922 to 1946. In this history of the region's Native Americans, Hann focuses on the small tribes of West Florida--Amacano, Chine, Chacato, Chisca and Pansacola--and their first

contacts with Spanish explorers, colonists, and missionaries. He also gives significant perspective to the forebears of the Lower Creeks, with an emphasis on the late 17th century, when Spanish documents recorded the important events of the interior regions of the Southeast. As Hann's fifth study of Florida natives, this book includes chapters on the Yamasee War and its aftermath and the early 18th-century dissolution of many societies and withdrawal of Spaniards from the region. This volume will be of great interest to archaeologists working in the Lower Southeast, historians and ethnohistorians specializing in Native American or Spanish colonial history, Latin American and Caribbean scholars concerned with Spanish colonial contexts, and anyone interested in Native Americans or Florida history.

Tells the remarkable tale of Edwin Land's one-of-a-kind invention-from Polaroid's first instant camera to hit the market in 1948, to its meteoric rise in popularity and adoption by artists such as Ansel Adams, Andy Warhol, and Chuck Close, to the company's dramatic decline into bankruptcy in the late '90s and its unlikely resurrection in the digital age.

Rational persuasion and appeal to an audience's emotions are elements of most literature, but they are found in their purest form in oratory. The speeches written by the Greek Orators for delivery in law-courts, deliberative councils and assemblies enjoyed an honoured literary status, and rightly so, for the best of them have great vitality.

Understanding Early Christian Art is designed for students of both religion and of art history. It makes the critical tools of art historians accessible to students of religion, to help them understand better the visual representations of Christianity. It will also aid art historians in comprehending the complex theology, history and context of Christian art. This interdisciplinary and boundary-breaking approach will enable students in several fields to further their understanding and knowledge of the art of the early Christian era. Understanding Early Christian Art contains over fifty images with parallel text.

Accompanying the artist's first full-scale survey exhibition, this generously illustrated book explores Doug Aitken's work across mediums, disciplines, and themes. From photography to architecture, and from video to spoken word, Doug Aitken has delved into a variety of art forms to create a provocative body of work. This volume surveys the full scope and depth of Aitken's work: sound pieces, sculpture, architectural experiments, land art and happenings, which embrace a collaborative spirit across disciplines and beyond walls, to re-imagine the nature of what a work of art can be. Interspersed with hundreds of color illustrations, the book's essays examine the plethora of ideas the artist tackles--from environmental decay to the end of linear time--and explain how and why Aitken challenges many artistic barriers.

Amber's Donkey is an inspirational story about overcoming adversity. 'The first time Shocks saw Amber coming, he lowered his head so she could wrap her arms around his nose. It was as if they understood each other's pain. Like two broken beings, helping each other.' When Shocks the donkey was left for dead on a farm in Ireland, no one ever thought he would make a full recovery. When Amber and her twin sister Hope were born 26 weeks premature, it was Amber who was separated from family and rushed into theatre for an emergency tracheostomy. Her parents were given the devastating news that she had Cerebral Palsy and would be unlikely to walk or talk. Then Amber met Shocks at the Donkey Sanctuary and their lives were changed for good. This is their touching story of recovery through friendship.

Bride of the Lamb

"Acharnians" is the earliest of the existent comedies of Aristophanes, produced in 425 BCE. It is a direct attack on the folly of war. The story deals with an Athenian farmer, Dikaiopolis, who surprisingly obtains a private peace treaty with the Spartans and enjoys the benefits of peace despite resistance from some of his fellow Athenians. This drama is celebrated for its absurd humor and its innovative appeal for an end to the Peloponnesian War.

The Bhagavad Gita is nowadays acknowledged as one of the world's great spiritual classics. Many translations and commentaries have been written about it from many diverse points of view - monist and dualist; pantheist and theist. This commentary by Sri Krishna Prem is written with his experience that "the Gita is based on direct knowledge of Reality, and of the Path that leads to that Reality." His perspective and interpretation is that the Gita is a textbook of Yoga, by which he means "the Path by which man unites his finite self with Infinite Being." Sri Krishna Prem (1898-1965) was born Ronald Henry Nixon in England and became a widely acclaimed saint in India. When he passed away in 1965, he was hailed by then President of India Sarvepalli Radhakrishnan as a "great soul" or mahatma. His interpretation of the Gita is not only inspiring and thought provoking but also a helpful guide to all spiritual seekers.

Exploring Christian Heritage provides students and teachers with a rich and substantial introduction to the texts that have shaped the Christian faith. Including works by Augustine, Aquinas, Martin Luther, John Wesley, John Calvin, and Karl Barth, among others, this collection also highlights essential movements--from the second to the twenty-first centuries--often glossed over in primary source readers. From Pentecostalism and Baptists to feminism and religious liberty movements, Exploring Christian Heritage succinctly joins together the most influential voices of Christian history and theology with those that have been forgotten and sometimes ignored. Now in its second edition, voices ancient and modern have been added to deepen and widen the story of Christianity in varied forms. Exploring Christian Heritage, second edition also contains additional classroom resources, including new textual introductions and over ninety new quizzes.

Jesu, Priceless Treasure

This newly rediscovered gem of a novel by one of Russia's finest writers explores some of the thorniest issues of the early twentieth century. And reviewers have hailed the translation as "a coup" and "a remarkable achievement." An absent-minded professor and a glamorous yet bumbling spy struggle over a powerful secret formula in this tale filled with eccentric personalities, wild dialogue, improbable sounds, bristling images and vivid colors. In *The Moscow Eccentric*, Andrei Bely challenges readers not only with his ideas, but by presenting them in a what he called an "epic poem in prose format." Built on a rhythmic backbone of metered prose that supports a wondrous array of literary devices, both poetic and prosaic, Bely's language play is breathtaking. He is as brilliant on a huge canvas

depicting spectacular swaths of city life as he is in detailing the patterns of snow on a small stretch of sidewalk. He surprises and thrills readers with constant tonal and stylistic variation, moving effortlessly from lyrical descriptions of nature to slapstick physical and verbal parody of Russia's social milieu. Brought into English for the first time by award-winning translator Brendan Kiernan, and peppered with original illustrations by Katya Korobkina, this is a stunning, poetic, and powerful novel by the author of *Petersburg*, which Vladimir Nabokov called one of the four best novels of the twentieth century.

Noddy at the Seaside

Following on the heels of the *The Song of Roland*, Montrealer Michel Rabagliati returns to the childhood story of his famous semi-autobiographical character. It's 1970 and Paul's family watches the news with anxiety as bombs are going off around Montreal. But Paul is more interested in flying his kite, comics, and his first kiss. Soon Paul joins the Scouts and heads off to camp. Away from his parents and extended family he discovers self worth in a troop of like-minded and enthusiastic boys. Things take a turn, however, when the troop gets mixed up in the terrifying events of the FLQ crisis. Paul Joins the Scouts is a coming of age story which takes an historical approach to both the Baden Powell scouting movement and the October Crisis, but humanizes these incidents for both a YA and adult audience. It is original, sincere, captivating, and a little bit retro.

The Yoga of the Bhagavat Gita

Kate Winter teaches dog owners how to train their canine companions. During her spare time, accompanied by her Lab, Dakota, she explores the woods and beaches on foot or horseback. She's worried that something's happening in her relationship, but she can't get her girlfriend Trish to talk to her about it. Faith Hutchins recently lost her sight after a terrible outdoor accident. She's dealt with her anger, depression, and blindness primarily on her own. A seeing-eye dog would help alleviate her reliance on anyone else, but the guide dog school has been unsuccessful in providing her with one. On a mission to find someone who will train a dog specifically for her, she ultimately zeroes in on Kate. They say lightning never strikes the same place twice. But positive lightning is notoriously unpredictable and can ignite a fire when and where least expected . . . no matter who's in its path."

IN 1945, Germany underwent a radical political transformation, moving certainty and irreversibility from dictatorship to freedom under a model federal constitution. But despite this remarkable public success, and the economic revival that accompanied it, the experience of war remains current in the imagination of Germans. Indeed, so total was their defeat, so complete was their culpability, that Germany's obvious dynamism has coexisted with the always open wound of their history. The fact that this wound exists and has been felt so deeply for more than half a century, has altered what has usually been thought of as the German character.

The essays in this book lay bare the dynamics of cultural confrontation between Europe and the Mediterranean world from medieval to modern times.

Tramp - Volume 11 - Storm Warning

Official hero of the great rebellion, Owen Deathstalker fought impossible odds to throw down the Empress Lionstone XIV and destroy the corrupt Empire. That should have been enough to be feted, honored, and finally retired. Unfortunately, the new Parliament has some different ideas. There's no rest for a Deathstalker. As newly appointed Imperial bounty hunter, Owen tracks down the most dangerous war criminals. His current target: Valentine Wolfe, depraved right hand of the Empress and so-called "butcher of Virimonde." Valentine's latest atrocities are both staggering and deeply personal to Owen, but revenge may have to wait. Humanity faces extermination from enemies new and old, while the fledgling Parliament struggles to maintain control. Worse still, something is alive and beginning to stir in the Darkvoid. The odds are stacked against him again, but Owen Deathstalker will have to face his destiny one more time...or forever damn the future of mankind. Deathstalker: Honor is the fourth book in New York Times bestselling author Simon R. Green's beloved space opera series.

GTO Volume 4

The stunning sequel to the Goodreads Choice Finalist *Stolen Songbird*. Beneath the mountain, the king's reign of tyranny is absolute; the one troll with the capacity to challenge him is imprisoned for treason. Cécile has escaped the darkness of Trollus, but she learns all too quickly that she is not beyond the reach of the king's power. Or his manipulation. Recovered from her injuries, she now lives with her mother in Trianon and graces the opera stage every night. But by day she searches for the witch who has eluded the trolls for five hundred years. Whether she succeeds or fails, the costs to those she cares about will be high. To find Anushka, she must delve into magic that is both dark and deadly. But the witch is a clever creature. And Cécile might not just be the hunter. She might also be the hunted.

A Taint in the Blood

In this spell-binding novel, *A Taint in the Blood*, Kate's confrontation with thirty years of secrets and regret-and murder-in one of Alaska's most powerful families shows award-winning crime writer Dana Stabenow at the top of her game. Thirty-one years ago in Anchorage, Alaska, Victoria Pilz Bannister Muravieff was convicted of murdering her seventeen-year-old son William. The jury returned a quick verdict of guilty, believing the prosecutor's claims that she had set fire to her own home with both her sons inside; William died and the other, Oliver, narrowly escaped. Victoria was sentenced to life in prison without parole, and though she pled not guilty at the trial, she never again denied her guilt. Now her daughter, Charlotte Muravieff, has hired Kate Shugak to clear her mother's name. Her daughter has always believed in her innocence, and now that Victoria has been diagnosed with terminal cancer, Charlotte wants her free. Kate is the only p.i. Charlotte can find who's willing to take such a long-shot case. Kate, on the other hand, is only willing because she's suddenly a single parent to a teenager, a teenager she hopes will decide to go to college. Besides, it can't be bad to do a favor for the Bannister family, one of the wealthiest and most prominent families in Alaska's short history. As Kate begins an investigation, Victoria protests, refusing to cooperate. But soon it seems she isn't the only one who wants to leave the past in the past.

A taint in the blood

100 years of bad blood between two Alaskan villages come to a boil when the body of a young Kushtaka man is found wedged in a fish wheel. Sergeant Jim Chopin's prime suspect is a Kuskulana man who is already in trouble in both villages for falling in love across the river. But when he disappears Jim calls on Kate Shugak for help.

Bad Blood

KATE SHUGAK is a native Aleut working as a private investigator in Alaska. She's 5 foot 1 inch tall, carries a scar that runs from ear to ear across her throat and owns half-wolf, half-husky dog named Mutt. Resourceful, strong-willed, defiant, Kate is tougher than your average heroine – and she needs to be to survive the worst the Alaskan wilds can throw at her. **WHISPER TO THE BLOOD.** A mining company has discovered a rich mineral deposit in Alaska's enormous Iqaluk Wildlife Refuge. Politicos see dollar signs for the state, but Ninilta residents, who live near the proposed site, are split: Will outsiders take the jobs? Will the environment be harmed by pollution? Will roads disintegrate . . . tourists invade? As the new chairperson of Ninilta's Native Association, a job she never wanted, Kate is embarrassingly ill-equipped to handle the questions. Nor is she prepared when two individuals associated with the company turn up dead.

Whisper to the Blood

New York Times bestseller Dana Stabenow returns with her most outstanding novel yet, teaming up two of her most beloved characters, Aleut private investigator Kate Shugak and Alaska state trooper Liam Campbell, in the same story for the first time. Alaska aviation entrepreneur Finn Grant died in the fiery crash of his Piper Super Cub. Someone sabotaged his engine, and virtually everyone in southwestern Alaska has a motive, including his betrayed wife, his bullied children, and Liam's wife, bush pilot Wyana Chouinard. With few places to turn, Liam asks his former mentor Niniltna post commander Sergeant Jim Chopin, for help, and Jim quickly brings Kate onto the case. Working undercover as—of all things—a waitress at Bill's Bar and Grill, Kate learns over beer and burgers that Grant's business had expanded meteorically over the last two years. After buying the closed Air Force base south of town from the federal government at a bargain-basement price, he became a fixed-base operator running his fishing, hunting, and flight-seeing business, servicing planes flying through the area, and most interestingly and lucratively, getting into the air freight business. But what kind of freight was he moving, and where? The answers involve Kate in her most challenging case to date, one that starts with murder and quickly sprawls into a much larger conspiracy ranging from the darkest family secrets to treason and beyond. *Restless in the Grave* is a treat for fans and another outstanding addition to Dana Stabenow's acclaimed and award-winning series.

Restless in the Grave

KATE SHUGAK is a native Aleut working as a private investigator in Alaska. She's 5 foot 1 inch tall, carries a scar that runs from ear to ear across her throat and owns half-wolf, half-husky dog named Mutt. Resourceful, strong-willed, defiant, Kate is tougher than your average heroine – and she needs to be to survive the worst the Alaskan wilds can throw at her. *THE SINGING OF THE DEAD*. Kate Shugak joins the staff of a political campaign to work security for a Native woman running for state senator. The candidate has been receiving anonymous threats, and Kate is to become her shadow, watching the crowds at rallies and fund-raisers. But just as she's getting started, the campaign is rocked by the murder of their staff researcher. To track the killer, Kate will have to delve into the past, in particular the grisly murder of a 'good-time girl' during the Klondike Gold Rush of 1915. Little can she guess the impact a ninety-year-old unsolved case might have on a modern-day psychotic killer...

The Singing of the Dead

In *A Deeper Sleep*—her first novel since *Blindfold Game*, the stand-alone political thriller that made Dana Stabenow a New York Times bestseller—Stabenow returns to the popular and award-winning Kate Shugak series. Kate, a private investigator, has been working on a case for the Anchorage District Attorney involving the murder of a young woman by her husband, a man named Louis Deem. Deem has been the subject of investigations before, and he's never been convicted of a crime. But Kate and her on-again, off-again lover, state trooper Jim Chopin, who arrested Deem, are convinced that this time it's different, and he'll finally be punished for his actions. When the jury returns a verdict of not guilty, Kate and Jim are devastated, and like the rest of the citizens of Niniltna, Alaska, certain that a man has gotten away with murder. They can't help but think that it's only a matter of time before he's in the frame for another killing. Sure enough, a few weeks later a shooting leaves two dead in an apparent robbery. But this time Kate and Jim have a witness, and they're not going to let Louis Deem get away again. Or will he? Dana Stabenow, Edgar Award–winning author and New York Times bestselling thriller writer, delivers a gripping page-turner about one town's search for justice—at any cost.

Resourceful, strong-willed, defiant, Kate is tougher than your average heroine – and she needs to

be to survive the worst the Alaskan wilds can throw at her. **A FINE AND BITTER SNOW.** Tensions run high when Kate's friend and chief park ranger, Dan O'Brien, is asked to take early retirement. Could it have something to do with his opposition to plans to drill for oil? Kate rallies the troops to fight for his job, but before she can really start throwing her weight around, a longtime resident, a friend of Kate's grandmother, is found brutally murdered. Alaska State Trooper Jim Chopin enlists Kate in the investigation, and it isn't long before she discovers that when it comes to the beauty and danger of living and dying in Alaska, nothing is as simple as it seems...

A Fine and Bitter Snow

Following *A Deeper Sleep*, her most successful Kate Shugak novel to date, the Edgar Award winner and New York Times bestselling thriller writer Dana Stabenow delivers a nail-biting, all-too-real novel of international suspense in *Prepared for Rage*. A terrorist with a most personal grudge, an FBI analyst challenged to be three steps ahead of the intelligence, a Coast Guard captain assigned to keep watch on that very American of symbols from the water, an astronaut who takes her job very seriously—the paths of all of these characters converge on one clear morning in Florida. NASA is preparing to launch the space shuttle, this time with a high-paying visitor on board as a guest, and the FBI and the Coast Guard are doing everything they can to help the launch go off without a hitch. But one Pakistani man with a bottomless personal grudge and the commitment of many zealous men behind him is determined to strike back at the most visible target he can find. Once again Dana Stabenow, who researched this gripping scenario by spending weeks living on board a Coast Guard cutter as it conducted its mission in the eastern Pacific, delivers an action-driven thriller with an ingenious, frightening, straight-from-the-headlines plot, certain to be her next bestseller.

Prepared for Rage

'Fans will hope this series goes on forever' Publishers Weekly. ... though there is no fixed line between wrong and right, There are roughly zones whose laws must be obeyed. It is New Year's Eve, nearly six weeks into an off-and-on blizzard that has locked Alaska down, effectively cutting it off from the outside world. But now there are reports of a plane down in the Quilak mountains. With the National Transportation Safety Board unable to reach the crash site, ex-Trooper Jim Chopin is pulled out of retirement to try to identify the aircraft, collect the corpses, and determine why no flight has been reported missing. But Jim discovers survivors: two children who don't speak a word of English. Meanwhile, PI Kate Shugak receives an unexpected and unwelcome accusation from beyond the grave, a charge that could change the face of the Park forever. And throw their worst the wilds have: Kate and Mutt have both been shot.

Less Than a Treason

Kate Shugak guides a group of big game hunters. But she rapidly discovers that some in the party may have more than four-legged prey on their trophy list.

Hunter's Moon

"Last March, two men disappeared whilst loading supplies on a remote island in the Bering Sea: two million square miles of dark capricious ocean and tempestuous squalls. Their Skipper, Harry Gault, should have been fired, at the least. But six months later he's still aboard the Avilda, and the families of the missing men are making noises about corruption. With the crew backing his version of events, what the authorities need is an investigator who can survive the torturous conditions on an Alaskan fishing trawler"--

Dead in the Water

Alaskan investigator Kate Shugak becomes entangled in bitter tribal rivalries in her twentieth murder case.

she may have found him. Finding out what happened will lead Kate to a right-wing religious sect, a conspiracy of silence and a smouldering evil.

Play With Fire

"In Alaska, PI Kate Shugak investigates the death of a fisherman whose selfish ways made him hated by other fishermen, so much so he was stabbed, beaten, strangled and drowned. The novel looks at fishing communities whose livelihood is threatened by big business"--

Killing Grounds

From the New York Times bestselling author of the Kate Shugak series, *Second Star* is the first thrilling novel in the hit *Star Svensdotter* trilogy by Dana Stabenow. Esther 'Star' Svensdotter's job is overseeing the completion of the American Alliance's first O'Neill cylinder - a massive space hub capable of supporting thousands of colonists. It's just weeks away from commissioning, and she'll be damned if Luddite terrorists, squabbling bureaucrats, military takeovers or rogue AI will stand in the way. Frontier justice on Ellfive sometimes involves an airlock - you don't want to be on the wrong side of justice. Or the wrong side of *Star Svensdotter*. The first in Dana Stabenow's *Star Svensdotter* trilogy, *Second Star* is a tale of first contact, declarations of independence, and new frontiers.

Second Star

The Edgar Award-winning, New York Times-bestselling series by Dana Stabenow set in Alaska. The discovery of a dead body and a brutal bear attack may be linked, and it's up to Kate Shugak to investigate in *Breakup*. The first day of Spring: a bad day to be in Alaska. *Breakup*: the time of year when Alaska awakens from its Arctic slumber. Snows melt. Rivers flood. Winter's secrets emerge. This spring, the retreating ice reveals a corpse, and a starving she-bear mauls a woman to death. The corpse matches the description of a man missing since last year, the woman has been so badly mutilated she's barely recognisable. Investigator Kate Shugak will dodge bullets, bears and a plane crash before she realizes that, somehow, there is a connection between the two deaths. Reviewers on Dana Stabenow's Kate Shugak series: 'An antidote to sugary female sleuths: Kate Shugak, the Aleut private investigator.' New York Times 'Crime fiction doesn't get much better than this.' Beijing, 1322: 16-year-old Wu Johanna is the granddaughter of the legendary trader Marco Polo. In the wake of her father's death, Johanna finds that lineage counts for little amid the disintegrating court of the Khan. Johanna's destiny--if she has one--lies with her grandfather, in Venice. So, with a small band of companions, she takes to the road--the Silk Road--that storied collection of routes that link the silks of Cathay, the spices of the Indies and the jewels of the Indus to the markets of the west. But first she must survive treachery and betrayal on a road beset by thieves, fanatics and, warlords.

Silk and Song

Alaska State Trooper Liam Campbell is on the hunt for a serial killer. Newly promoted to corporal, Liam Campbell is slowly making a home for himself in Newenham. With just DUIs and domestic disputes to disturb the peace, life is relatively tranquil - until Campbell's girlfriend, Bush pilot Wyonet Chouinard, delivering a shipment of mail to a remote post office, finds the postmistress murdered. At first it seems a random assault; but then another woman disappears after her husband is killed at their gold mining claim. When Campbell connects the crimes with a twenty-year-old string of missing women, he knows he's facing a serial killer.

Nothing Gold Can Stay

KATE SHUGAK is a native Aleut working as a private investigator in Alaska. She's 5 foot 1 inch tall, carries a scar that runs from ear to ear across her throat and owns half-wolf, half-husky dog named Mutt. Resourceful, strong-willed, defiant, Kate is tougher than your average heroine – and she needs to be to survive the worst the Alaskan wilds can throw at her. *A TAINT IN THE BLOOD*. A daughter hires Kate to clear her mother's name. Twenty years ago, her mother was convicted of arson and murder, of setting fire to the family home while her two sons were inside. One died, and one was maimed. Her

daughter has always believed in her innocence, though the mother herself had accepted the verdict and the life sentence without protest. Now the mother is terminally ill, and her daughter wants her free. But as Kate begins the investigation, it seems the mother isn't the only one who wants to leave the past alone.

A Taint in the Blood

It seems the past has caught up with Alaska State Trooper Liam Campbell. After a party of hunters stumbles upon a desiccated human hand clutching an incredibly rare 'double-eagle' gold coin, Liam Campbell is led to the broken remains of a World War II-era transport plane emerging from the face of a calving glacier. For some sixty years the glacier has held its secrets close: Who was on the ill-fated flight? What were they doing? 74-year-old Newenham matriarch Lydia Tompkins might have had the answers Campbell is looking for, but now she's dead too, murdered in her own home. And she won't be the last to die as a once-buried secret returns to haunt the present.

Better to Rest

When mayhem descends on a tiny logging town, former sheriff Cork O'Connor is called upon to investigate a murder in this "wonderful page-turner" (The Denver Post) that "prolongs suspense to the very end" (Publishers Weekly) by Edgar Award-winning author William Kent Krueger. Not far from Aurora, Minnesota (population 3,752), lies an ancient expanse of great white pines, sacred to the Anishinaabe tribe. When an explosion kills the night watchman at wealthy industrialist Karl Lindstrom's nearby lumber mill, it's obvious where suspicion will fall. Former sheriff Cork O'Connor agrees to help investigate, but he has mixed feelings about the case. For one thing, he is part Anishinaabe. For another, his wife, a lawyer, represents the tribe. Meanwhile, near Lindstrom's lakeside home, a reclusive shipwreck survivor and his sidekick are harboring their own resentment of the industrialist. And it soon becomes clear to Cork that danger, both at home and in Aurora, lurks around every corner...

Purgatory Ridge

Private investigator Kate Shugak is 5 foot 1 inch tall, carries a scar that runs from ear to ear across her throat and owns a half-wolf, half-husky named Mutt. Orphaned at eight years old, Kate grew up to be resourceful, strong willed and defiant. She is tougher than your average heroine – and she needs to be to survive the worst the Alaskan wilds can throw at her. Kate investigates murders. She's worked under cover in the Arctic Circle, gone to sea, signed up as a bodyguard, tracked missing tribal relics and she continues to fight for the Aleut way of life. In this epic box set, Kate will witness the violent death of her closest friend and she'll face extreme peril herself. She'll even end up adopting a teenage boy. Just as well that she'll have Mutt at her side throughout it all. And with this Box Set, you'll save over 50% compared to buying the books individually.

The Kate Shugak Investigation - Box Set

Locations play an important role in every story, but in British and American contemporary crime fiction, they are often inextricable from the narrative. This work examines the city, the countryside and the wilderness as places ripe with literary significance and symbolism. Using works by authors like Robert Galbraith, Ian Rankin, Denise Mina, Chris Brookmyre, John Knox, Peter Robinson, Linda Barnes, Dana Stabenow, Nevada Barr, Les Roberts, Philip R. Craig, and others, this work offers a fresh assessment of how place and space are employed in contemporary crime fiction. Highlighted are similarities and differences among the authors' approaches to setting, and how they relate to the history of crime fiction and to the general literary representation of place. Going beyond mere literary geography, the book engages the sociocultural dimensions of the communities affected by crime. Chapters also analyze the reader's perception, recognition and appreciation of place and community.

The Place It Was Done

Patience Thumm, the adventurous daughter of an NYPD inspector, teams up with actor Drury Lane to solve the mystery of a senator's murder. Patience Thumm has just traveled the world. She turned heads in London, sipped absinthe in Tunis, and debated philosophy on the Left Bank of Paris. When she returns home to New York with a smuggled copy of *Lady Chatterley's Lover* in her bag, her father, the NYPD's Inspector Thumm, is quite unprepared to handle her. At first, it seems they have nothing in common—but the two soon discover a shared appetite for murder. When a corrupt senator is stabbed

to death in his study, Patience can't resist hunting for the killer. With the help of her father's old friend Drury Lane, the legendary Shakespearean actor, she will find that all the exotic cities of the world can't offer anything as exciting as a New York homicide.

The Tragedy of Z

In Thailand, two men hire a pair of international pirates to smuggle them, a small team of mercenaries, and some equipment aboard a freighter at a Russian port. It's frighteningly easy, and the ship sails east, toward the western coast of North America. The crew onboard the U.S. Coast Guard cutter Sojourner Truth, stationed in the Bering Sea along the Maritime Boundary Line, is busier than usual, catching fishing vessels on the wrong side of the line, but it's not enough to cause undue alarm. In Washington, D.C., a CIA analyst has been hearing rumors about the sale of radioactive material and military equipment on the black market in deep Russia but can't get it confirmed. The analyst, Hugh Rincon, originally from Alaska and more keenly aware than most in Washington of Alaska's vulnerability with its air force base and proximity to the Far East, begins to piece it all together. He can't get anyone to take him seriously, however, least of all the director of the CIA. Then Hugh learns that his estranged wife, Sarah Lange, is second in command on the Sojourner Truth in the Bering Sea at the heart of the potential conflict. And the chase is on. The first stand-alone thriller from the pen of Dana Stabenow, Edgar Award-winning author of many crime novels, delivers a nail-biting, action-packed read in *Blindfold Game*, international in scope and frighteningly real.

Blindfold Game

Librarian Greer Hogan matches wits with a deviously clever killer in M.E. Hilliard's chilling series debut, ideal for fans of Louise Penny and Dorothy L. Sayers. Greer Hogan is a librarian and an avid reader of murder mysteries. She also has a habit of stumbling upon murdered bodies. The first was her husband's, and the tragic loss led Greer to leave New York behind for a new start in the Village of Raven Hill. But her new home becomes less idyllic when she discovers her best friend sprawled dead on the floor of the library. Was her friend's demise related to two other deaths that the police deemed accidental? Do the residents of this insular village hold dark secrets about another murder, decades ago? Does a serial killer haunt Raven Hill? As the body count rises, Greer's anxious musings take a darker turn when she uncovers unexpected and distressing information about her own husband's death...and the man who went to prison for his murder. She is racked with guilt at the possibility that her testimony may have helped to convict an innocent man. Though Greer admires the masters of deduction she reads about in books, she never expected to have to solve a mystery herself. Fortunately, she possesses a quick wit and a librarian's natural resourcefulness. But will that be enough to protect her from a brilliant, diabolical murderer? And even if Greer manages to catch the Raven Hill killer, will living with her conscience prove a fate worse than death?

The Unkindness of Ravens

Alaskan State Trooper Liam Campbell investigates the death of a young archaeologist, murdered at their own dig site. What the archaeologist claimed to have unearthed has Alaska natives, real estate developers and oil and gas companies up in arms. Campbell will have to find the killer before the situation spirals out of control.
