The Powerful Girl Journals will become irreplaceable treasures as you look back on your life! Here's the thing... In my many years of working with girls I have watched as one after another falters when you reach the "Real World." You start out with such great dreams. You are full of energy and hope - determined to make your mark on the world. Then you face the reality of unkind people; cruel words; failed attempts; unforeseen obstacles; and a myriad of other "Real Life" situations. Your dreams crumble before the onslaught. It doesn't have to be that way! If you are prepared; equipped; and strengthened by the stories of people who have come before, you can conquer everything that comes your way - making your dreams come true! If you have a safe place to write down your experiences and all the things you learn along the way - NOTHING will stop you from living the life you dream of right this minute! It's my honor to be part of your journey with you. Let's get with it! Ginny Dye
