[#loss of husband](#) [#grief and healing](#) [#learning to live again](#) [#finding strength after death](#) [#coping with bereavement](#)

This is a story about loss, specifically the loss of a husband. It details the journey of Nur, who, through the experience of her husband's death, navigates the complexities of grief and ultimately learns to live a full and meaningful life again. The narrative explores themes of resilience, acceptance, and the power of the human spirit to overcome even the most devastating circumstances.

Nur über seine Leiche

Ehrlich, witzig, selbstbewusst – der inspirierende Weg einer Frau, die nach einem Schicksalsschlag ihr Leben umkrempelt. Zehn Jahre lang versuchte Brenda Strohmaier, ihren Freund vom Heiraten zu überzeugen. Kaum hatte er endlich »Ja« gesagt, war sie plötzlich: Witwe. Mit 44. Fort war ihr kluger, schöner Mann, zurück blieb sie mit Trauerschmerz plus Bürokratieirrsinn. Und Fragen. Wie soll das gehen, so ein Leben und Lieben danach? Kann man mit Mitte 40 noch mal von vorne anfangen? Sie beschließt, der erzwungenen Rückkehr ins Single-Dasein ein paar neue Erkenntnisse abzutrotzen. Reist ein paar Monate durch die Welt, konsultiert Nachlassexperten, Meditationslehrer, Friseure, küsst eine Frau. Fazit ihrer irrwitzigen Odyssee: Bedingt lustig, dieses „verwitwet“. Aber verdammt lehrreich.

Nur über seine Leiche

"Alles war perfekt. Job. Haus. Hobby. Eine jahrelange Liebe. Dann kam der Gehirntumor – und mit ihm der Tod. Für mich begann eine Reise durch einen tiefen Tunnel und ein Leben, das ich so nicht gewollt hatte. Natürlich kann ich allein die Glühbirnen wechseln und für die streikende Spülmaschine den Techniker rufen. Aber wir werden nie wieder zusammen frühstücken, nie wieder zusammen ausreiten, nie wieder gemeinsam über das aktuelle Weltgeschehen reden. Der Tod ordnet das Leben neu. Wird es irgendwann Licht am Ende des schwarzen Tunnels geben?" Das fragte sich Dr. Martina Bergler als ihr Mann starb, und sie schrieb dieses Buch über das Leben. Ein Buch über immense Trauer und über die verzweifelte Versuche, Schritt für Schritt weiterzugehen. Im ersten, sehr persönlichen Teil schildert die Autorin Lebenssituationen aus 23 gemeinsamen Jahren. Um nicht zu vergessen und um Erinnerungen zu bewahren. Im zweiten Teil geht es um ihre Erfahrungen als Witwe, ihre unbändige Trauer und ihren langen Weg durch den Tunnel der Tränen in ein neues Leben.

Witwe mit 53

Das Gefühlschaos überstehen und weitermachen! Berührende Geschichten, die Trauernden Mut und Hoffnung geben. Der Tod eines geliebten Menschen kann plötzlich, oft aber nach einer längeren Krankheit eintreten. Der Abschied muss bewältigt werden, Kinder benötigen eine einfühlsame Begleitung und viele Erledigungen stehen an. Doch danach setzt der Alltag ein und mit der Trauer sind viele Hinterbliebene allein. In diesem Buch erzählen betroffene Frauen und Männer, wie sie mit dem Tod ihres Partners, ihrer Partnerin zurechtgekommen sind und wie sie es geschafft haben, ihr Leben neu zu gestalten. Dabei kann es auch eine Wendung nehmen, mit der viele gar nicht gerechnet haben ...

Weiter leben!

Lustig, tragisch, radebrechend – wie eine Frau in der Mitte des Lebens in Frankreich von vorne anfängt. Jahrzehnte lang gab Brenda Strohmaier alles für ihren Job, ihre Chefs, ihren Mann. Doch kurz vor 50 beschleicht sie die Angst, eine dieser verbitterten deutschen Frauen zu werden, die nach Giftmörderin aussehen. Als ihr jemand von Marseille vorschwärmt, fährt sie hin – und will sofort bleiben. Wegen des Lichts, der Leute und vor allem: der Langsamkeit. Sie lernt endlich Französisch, kauft eine Wohnung mit dem „Charme der Vergangenheit“ (= renovierungsbedürftig), kündigt mit großer Geste. Brenda Strohmaier ist wild entschlossen, den Kampf mit ihrem inneren Existenzangsthasen aufzunehmen. Und es gibt durchaus Chancen, dass sie ihn gewinnt.

Blick aufs Meer, Arsch auf Grundeis

Written between 1944 and 1947, *Minima Moralia* is a collection of rich, lucid aphorisms and essays about life in modern capitalist society. Adorno casts his penetrating eye across society in mid-century America and finds a life deformed by capitalism. This is Adorno's theoretical and literary masterpiece and a classic of twentieth-century thought.

Minima Moralia

Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions and thousands of Yali tribesmen in *Lords of the Earth*. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in *Lords of the Earth*.

An Anthology of German Literature

On 2 March 1998, ten-year-old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van. Hours later she found herself in a dark cellar, wrapped in a blanket. When she emerged eight years later, her childhood had gone. Here Natascha tells her amazing story for the first time: what exactly happened on the day of her abduction, her imprisonment in a five-square-metre dungeon, and the mental and physical abuse she suffered from her abductor, Wolfgang Priklopil.

Originally published in German in 1931 and in an expurgated English translation in 1932, this novel is the tale of Jacob Fabian, a Berlin advertising copywriter doomed in the context of economic, ethical, and political collapse by his characteristic mixture of detachment and decency. Fabian is a middle-of-the-road liberal, an Enlightenment rationalist, a believer that the public condition reflects prevailing private moralities, and a skeptic toward all ideological nostrums. Richly detailed and vividly plotted, Fabian remains an unparalleled personalization of the collapse of the Weimar Republic. This new edition restores the deleted sections considered too explicit for the original publication. It also includes Kastner's epilogue, which had been rejected by the original publisher, the preface added by the author to the 1952 German reissue, and an informative foreword by the scholar Rodney Livingstone.

Trost im Alter

This "gorgeously written" National Book Award finalist is a dazzling, heart-rending story of an oil rig worker whose closest friend goes missing, plunging him into isolation and forcing him to confront his past (NPR, One of the Best Books of the Year). One night aboard an oil drilling platform in the Atlantic, Waclaw returns to his cabin to find that his bunkmate and companion, Mátyás, has gone missing. A search of the rig confirms his fear that Mátyás has fallen into the sea. Grief-stricken, he embarks on an epic emotional and physical journey that takes him to Morocco, to Budapest and Mátyás's hometown in Hungary, to Malta, Italy, and finally to the mining town of his childhood in Germany. Waclaw's encounters along the way with other lost and yearning souls—Mátyás's angry, grieving half-sister; lonely rig workers on shore leave; a truck driver who watches the world change from his driver's seat—bring us closer to his origins while also revealing the problems of a globalized economy dependent on waning natural resources. High as the Waters Rise is a stirring exploration of male intimacy, the nature of memory and grief, and the cost of freedom—the story of a man who stands at the margins of a society from which he has profited little, though its functioning depends on his labor.

This study brings recent scholarly debates on oral cultures and literate societies to bear on the earliest recorded literature in German (800-1300). It considers the criteria for assessing what works were destined for listeners, what examples anticipated readers, and how for both modes of reception could apply to one work, exploring the possible interplay between them. The opening chapters review previous scholarship and the introduction of writing into preliterate Germany. The core of the book presents lexical and non-lexical evidence for the different modes of reception, taken from the whole spectrum of genres, from dance songs to liturgy, from drama and heroic literature to the court narrative and lyric poetry. The social contexts of reception and the physical process of reading books are also considered. Two concluding chapters explore the literary and historical implications of the slow interpenetration of orality and literacy. There is a comprehensive bibliographical index of primary sources.

Drawing on two and a half years of field work, Victor Turner offers two thorough ethnographic studies of Ndembu revelatory ritual and divinatory techniques, with running commentaries on symbolism by a variety of Ndembu informants. Although previously published, these essays have not been readily available since their appearance more than a dozen years ago. Striking a personal note in a new introductory chapter, Professor Turner acknowledges his indebtedness to Ndembu ritualists for alerting him to the theoretical relevance of symbolic action in understanding human societies. He believes that ritual symbols, like botanists' stains, enable us to detect and trace the movement of social processes and relationships that often lie below the level of direct observation.

Hollow World

Going to the Dogs is set in Berlin after the crash of 1929 and before the Nazi takeover, years of rising unemployment and financial collapse. The moralist in question is Jakob Fabian, “aged thirty-two, profession variable, at present advertising copywriter . . . weak heart, brown hair,” a young man with an excellent education but permanently condemned to a low-paid job without security in the short or the long run. What's to be done? Fabian and friends make the best of it—they go to work though they may be laid off at any time, and in the evenings they go to the cabarets and try to make it with girls on the make, all the while making a lot of sharp-sighted and sharp-witted observations about politics, life, and love, or what may be. Not that it makes a difference. Workers keep losing work to new technologies while businessmen keep busy making money, and everyone who can goes out to dance clubs and sex clubs or engages in marathon bicycle events, since so long as there's hope of running into the right person or (even) doing the right thing, well—why stop? Going to the Dogs, in the words of introducer Rodney Livingstone, “brilliantly renders with tangible immediacy the last frenetic years [in Germany] before 1933.” It is a book for our time too.

You're Never Too Young to Fight Censorship! In Ban This Book by Alan Gratz, a fourth grader fights back when From the Mixed-Up Files of Mrs. Basil E. Frankweiler by E. L. Konigsburg is challenged by a well-meaning parent and taken off the shelves of her school library. Amy Anne is shy and soft-spoken, but don't mess with her when it comes to her favorite book in the whole world. Amy Anne and her lieutenants wage a battle for the books that will make you laugh and pump your fists as they start a secret banned books locker library, make up ridiculous reasons to ban every single book in the library to make a point, and take a stand against censorship. Ban This Book is a stirring defense against

censorship that's perfect for middle grade readers. Let kids know that they can make a difference in their schools, communities, and lives! "Readers, librarians, and all those books that have drawn a challenge have a brand new hero.... Stand up and cheer, book lovers. This one's for you." —Kathi Appelt, author of the Newbery Honor-winning *The Underneath* "Ban This Book is absolutely brilliant and belongs on the shelves of every library in the multiverse."—Lauren Myracle, author of the bestselling *Internet Girls* series, the most challenged books of 2009 and 2011 "Quick paced and with clear, easy-to-read prose, this is a book poised for wide readership and classroom use."—Booklist "A stout defense of the right to read." —Kirkus Reviews "Gratz delivers a book lover's book that speaks volumes about kids' power to effect change at a grassroots level." —Publishers Weekly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Medieval Listening and Reading

A FINALIST FOR THE NATIONAL BOOK AWARDS IN TRANSLATED LITERATURE SHORTLISTED FOR THE SAIF GHOBASH BANIPAL PRIZE Abdel Latif, an old man, dies peacefully in a hospital bed in Damascus. Before he dies, he tells his youngest son Bolbol that his final wish is to be buried in the family plot in their ancestral village of Anabiya in the Aleppo region. Though Abdel Latif was not the ideal father, and though Bolbol is estranged from his siblings, he decides to persuade his older brother Hussein and his sister Fatima to accompany him and their father's body to Anabiya - only a two-hour drive from Damascus. But the country is a warzone. With the landscape of their childhood now a labyrinth of competing armies, whose actions are at once arbitrary and lethal, the siblings' decision to set aside their differences and honour their father's request quickly escalates from a dutiful commitment into an epic and life-threatening quest. Syria is no longer any place for heroes, and the trials that confront the family along their journey - while they are captured and recaptured, interrogated, imprisoned, and bombed - will prove to have enormous consequences for them all. A mixture of brutal, front-line reportage and surreal humor evocative of Beckett and Kafka, *Death is Hard Work* is an unforgettable journey into a contemporary heart of darkness.

The Hidden Life of Trees: What They Feel, How They Communicate

'Wonderfully dark, extremely funny' proclaimed ADAM KAY, author of the No.1 bestselling *This is Going to Hurt* 'A filmic romp with great characters, a jet-propelled plot, and a winning premise' said the GUARDIAN JASON MANFORD thinks it's 'Hilarious. You'll never look at Manchester the same way again.' The *Chronicles of St Mary's* series author JODI TAYLOR declared 'I loved this . . . great premise - great story - great characters . . . hugely enjoyable.' And THE TIMES called it 'ripping entertainment from start to finish.' There are dark forces at work in our world (and in Manchester in particular), so thank God *The Stranger Times* is on hand to report them . . . A weekly newspaper dedicated to the weird and the wonderful (but mostly the weird), it is the go-to publication for the unexplained and inexplicable. At least that's their pitch. The reality is rather less auspicious. Their editor is a drunken, foul-tempered and foul-mouthed husk of a man who thinks little of the publication he edits. His staff are a ragtag group of misfits. And as for the assistant editor . . . well, that job is a revolving door - and it has just revolved to reveal Hannah Willis, who's got problems of her own. When tragedy strikes in her first week on the job *The Stranger Times* is forced to do some serious investigating. What they discover leads to a shocking realisation: some of the stories they'd previously dismissed as nonsense are in fact terrifyingly real. Soon they come face-to-face with darker forces than they could ever have imagined. *The Stranger Times* is the first novel from C.K. McDonnell, the pen name of Caimh McDonnell. It combines his distinctive dark wit with his love of the weird and wonderful to deliver a joyous celebration of how truth really can be stranger than fiction. Readers love *The Stranger Times*: ***** 'A delight from start to finish - laugh out loud funny yet with plenty of thrills.' ***** 'Full of wit and humour, and knows how to keep the reader hooked.' ***** 'You'll soon fall in love . . . fans of Pratchett, Gaiman, Aaronovich will be blown away.'

This volume was published as a result of Fried winning the first International Publishers' Prize awarded by literary publishers from seven countries. Erich Fried's passionate cries for justice, compassion, tolerance and a better world are nowhere better expressed. Millions have read him in German, but internationally he is now almost as famous, and his British and American readers are increasingly numerous necessitating further printings.

The Wonderful Writing Machine

A mesmerizing debut novel for fans of Madeline Miller's *Circe*. Ariadne, Princess of Crete, grows up greeting the dawn from her beautiful dancing floor and listening to her nursemaid's stories of gods and heroes. But beneath her golden palace echo the ever-present hoofbeats of her brother, the Minotaur, a monster who demands blood sacrifice. When Theseus, Prince of Athens, arrives to vanquish the beast, Ariadne sees in his green eyes not a threat but an escape. Defying the gods, betraying her family and country, and risking everything for love, Ariadne helps Theseus kill the Minotaur. But will Ariadne's decision ensure her happy ending? And what of Phaedra, the beloved younger sister she leaves behind? Hypnotic, propulsive, and utterly transporting, Jennifer Saint's Ariadne forges a new epic, one that puts the forgotten women of Greek mythology back at the heart of the story, as they strive for a better world.

Going to the Dogs

Funny and heartbreaking, *Writers & Lovers* by Lily King is the bitingly clever story of Casey, a young writer who has lost her direction in life, until two men step into her world and offer her two very different futures. The New York Times Bestseller 'Captivating, potent, incisive, and wise' – Madeline Miller, author of *Circe* 'Extremely funny' – Sunday Times Recently out of a devastating love affair and mourning the loss of her beloved mum, Casey is lost. The novel she has been writing for six years isn't going anywhere, her debt is soaring, and at thirty-one, with all her friends getting married and having kids, she feels too old for things to be this way. Then she meets Silas. He is kind, handsome, interested. But only a few weeks later, Oscar – older, fascinating, troubled – walks into her life, his two boys in tow. Suddenly Casey finds herself at the point of a love triangle, torn between two very different relationships that promise two very different futures. And she's still got to write that book . . . 'Suffused with hopefulness and kindness' – Ann Patchett 'Exquisite' – Sunday Telegraph 'Funny and immensely clever' – Tessa Hadley 'Reading the book feels like waiting for clouds to break – a kind of gorgeous agony' – Guardian 'I loved this book' – Curtis Sittenfeld

Death Is Hard Work

From the award-winning author of *The Friendship* comes a shattering, brilliantly inventive novel based on the volatile true love story of literary icons Sylvia Plath and Ted Hughes. In 1963 Sylvia Plath took her own life in her London flat. Her death was the culmination of a brief, brilliant life lived in the shadow of clinical depression--a condition exacerbated by her tempestuous relationship with mercurial poet Ted

Hughes. The ensuing years saw Plath rise to martyr status while Hughes was cast as the cause of her suicide, his infidelity at the heart of her demise. For decades, Hughes never bore witness to the truth of their marriage--one buried beneath a mudslide of apocryphal stories, gossip, sensationalism, and myth. Until now. In this mesmerizing fictional work, Connie Palmen tells his side of the story, previously untold, delivered in Ted Hughes's own uncompromising voice. A brutal and lyrical confessional, *Your Story, My Story* paints an indelible picture of their seven-year relationship--the soaring highs and profound lows of star-crossed soul mates bedeviled by their personal demons. It will forever change the way we think about these two literary icons.

O wärst du mein!

Ida Brandt is the classic outsider. She is not accepted by the Danish aristocratic circle she was brought up around and is too moneyed for her nursing colleagues at the hospital. She is beautiful and gentle, generous and kind and her trusting nature is betrayed by the people around her. Herman Bang takes us into Ida's world, he does not comment, let alone criticise and leaves the reader to judge.
