But It's the Way that He Escaped and He Sliced through His Cell Bars with a Hacksaw and He Dressed Up as a Woman and Left the Jail and He Was on the Run for 74 Days before He Will Caught Again but Again Quaint Ingenious and the Fact that He Was at Large Again Caused Great Problems in Dublin and London and Again Added to these Fears that the Germans Really Were Still like They'Re Still on the Run and that because It Was on the Run They Didn't Quite Know Where He Was They Didn't Know Exactly What He Was Doing and Who He Was Talking To So Again It Caused a Great Alarm It's It's Not Entirely Clear but There Are a Lot of Things Going On in His Head and There Are a Lot of Things Going On in His Life He Met Up with a Number of the Ex Pi's after the War in Dublin and Did Say to Them that He Did Not Want To Go Back to Germany He Said He Feared Going Back to Germany and this Was a Big Thing He Was Almost Obsessed about Being Sent Back to Germany and at this Stage the Irish Authorities Didn't Quite Know What To Do with the Spies That They Had in Custody

You Will See an Awful Lot of of Coverage and There Was a Question to His Death with Basically Said He Died through the Swallowing of the Poison and Now the Good Story Does Not End There It Continues To Make Headlines Even in His Death Three Days after His Death His Funeral Takes Place in Ireland a Cried of a Right 800 People Turn Up Now this Is 1947 There's a Mixture of Friends and Supporters and It Really Was an Extraordinary Sight and if You Look Closely You Can See a Swastika on the Coffin a Service Took Place He Was Buried at Dean's Grange Cemetery but Again that Is Not the End of the Court

What I Talk about It Be Based Very Much on the Book Which Is the Injustice Referred to Probably When I Talk about It Would Be the Sir Preparations for the Blitz the Expectations of Areas Thing Players Have Brief Account of Lee Creates Themselves and Again They Comment on the Overall Impact of the Place the First Slide Here Is of the Gentlemen Focus on Here Is the Woman's Opinion those Desi Mcdermott Who's Already Been Referred to by Him Who Is the Minister for Security from June 1940 and He Commented on the Preparations He Was Responsible in that Office for Preparing the Reason for German Tanks for Areas

It Was Increasingly Vulnerable because the Sort of Turning Point There Was the Fall of France in the 22nd to June 1940 Subsequently the Fact that the Luftwaffe Could Use the Northern France Said Bases Adults of Holland and Therefore the Scale of any Subsequent Attack on Belfast Would Be There's So Much Creator Light Engine Which Is So Much Greater and Also They Could Adopt Different Routes for Example I Could Go up to the Irish Sea Hugging the Coast Apparent the Reasons I Think for the Lack of Preparedness Certainly Initially Nationally a Lot of It Was Dying to the Presumed Remoteness of North Are from Germany
