

Hegel And Christian Theology

[#Hegel Christian Theology](#) [#Philosophy of Religion](#) [#German Idealism Christianity](#) [#Hegelian Thought Theology](#) [#Absolute Spirit Doctrine](#)

Explore the profound and often controversial relationship between Hegel's philosophical system and Christian theology. This analysis delves into how German Idealism, particularly concepts like the Absolute Spirit and dialectic, shaped and challenged modern religious thought, influencing interpretations of core Christian doctrines and the very nature of faith and reason.

Repentance in Christian Theology

This volume is a major resource for the interpretation, theology, and practice of communal and individual penitence. It gives teachers, preachers, and serious students of theology an exhaustive source of information and inspiration for renewing the initial call of Jesus to "Repent and believe in the Gospel" (Mark 1:15).

The Doctrine of Repentance

This study provides a fresh perspective on the concept of repentance in early Christianity. Alexis Torrance focuses on writings by several ascetic theologians of the fifth to seventh centuries, and also examines texts from Scripture, early Christian treatises and homilies, apocalyptic material, and canonical literature.

Repentance in Late Antiquity

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Gospel Principles

This work is written with a law enforcement officer's investigative mindset and from the perspective of a prisoner. I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance, but most only touched on the topic. The only author who had anything to say about repentance beyond a mere mention was Charles G. Finney in Finney's Systematic Theology. This 600-page work transformed my thinking and influenced my investigation. This book discusses spiritual leadership without bashing any spiritual leader. It points out carnality without castigating any particular ministry or denomination. Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality. These illustrations, like parables, contain revolutionary truths that are true to Scripture, reason, and life, so that Repentance: The Doctrine of God may become one harmonious revelation! Warning: As you read this book, you will encounter deep-seated carnality residing within the blackened depths of your soul, and it will not want to be exposed! But take heart! Almighty God will accompany you on this journey for the complete regeneration of your soul.

Vol 1: Repentance: The Doctrine of God and the Knowledge of Salvation (in the Old Testament)

In gospel proclamation today, the critical New Testament element of repentance can be far too often ignored, minimalised or dismissed. Yet John the Baptist, Jesus himself, and those he commissioned to spread his gospel all spoke of the urgent need to repent. Michael Ovey was convinced that a gospel without repentance quickly distorts our view of God, ourselves and one another by undermining grace and ultimately leading to idolatry. Only when we grasp the need for true repentance as consisting of a real change -- a transforming work of the Spirit of God -- can we fully understand the gospel Jesus preached. With care and clarity, Ovey focuses first on the relevant biblical material in Luke-Acts, examining who repents and who does not, and the characteristics of both groups. He surveys the 'feasts of repentance' of Jesus with Levi, the Pharisees, and Zaccheus, and in the parable of the Lost Son. He then moves to more systematic-theological aspects of repentance, in relation to idolatry and to salvation; and finally to pastoral theology in the corporate life of the people of God today, with regard to self-righteousness, hypocrisy, humility, forgiveness and justice.

The Feasts of Repentance

All people have sinned and broken God's law. None of us are good (Rom. 3:10). And as a result of our sin, God commands us to repent. But what does repentance look like? In this booklet, Dr. R.C. Sproul looks at several people in the Bible and how they give us a model of repentance. Dr. Sproul explains that true repentance is not simply a religious ritual or the resolve to do better next time. Rather, it's a spiritual conversion in which we turn from our sin and to God in faith. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

What Is Repentance?

The theme of repentance is evident in almost every Old and New Testament corpus. However, it has received little sustained attention over the past half-century of scholarship. In this New Studies in Biblical Theology volume, Mark Boda offers a comprehensive overview of the theological witness of Scripture to the theme of repentance, a return to intimate fellowship with the triune God, our Creator and Redeemer.

'Return To Me'

"How Repentance Became Biblical explores the rise of repentance as a concept within early forms of Judaism and Christianity and how it has informed the interpretation of the Hebrew Bible, or Old Testament. It develops alternative accounts for many of the ancient phenomena identified as penitential"--

Repentance

Self-serving lackey, self-deceiving puppet, Swiss Protestant partisan, or sensible Erasmian humanist: which, if any, was Thomas Cranmer? For centuries historians have offered often bitterly contradictory answers. Although Cranmer was a key participant in the changes to English life brought about by the Reformation, his reticent nature and lack of extensive personal writings have left a vacuum that in the past has too often been filled by scholarly prejudice or presumption. For the first time, however, this book examines in-depth little used manuscript sources to reconstruct Cranmer's theological development on the crucial Protestant doctrine of justification. The author explores Cranmer's cultural heritage, why he

would have been attracted to Luther's thought, and then provides convincing evidence for the Reformed Protestant Augustinianism which Cranmer enshrined in the formularies of the Church of England. For Cranmer the glory of God was his love for the unworthy; the heart of theology was proclaiming this truth through word and sacrament. Hence, the focus of both was on the life of on-going repentance, remembering God's gracious love inspired grateful human love.

How Repentance Became Biblical

"The theme of repentance is evident in almost every Old and New Testament corpus. However, it has received little sustained attention over the past half-century of scholarship, which has been largely restricted to word studies or focused on a particular text or genre. Studies of the overall theology of the Bible have typically given the theme only passing mention. In response, Mark Boda offers a comprehensive overview of the theological witness of Scripture to the theme of repentance. The key to understanding is not simply to be found in word studies, but also in the broader meaning of texts as these communicate through a variety of words, images and stories. The importance of repentance in redemptive history is emphasized. It is fundamentally a return to intimate fellowship with the triune God, our Creator and Redeemer. This relational return arises from the human heart and impacts attitudes, words and actions."--Back cover.

Thomas Cranmer's Doctrine of Repentance

Reconciliation is at the heart of the Christian faith. It is what God accomplishes by the incarnation of his Son, by Jesus' cross, resurrection, and exaltation: that all people be drawn to God in Christ, and, in being so drawn, drawn into fellowship with one another. The good news of reconciliation is, therefore, also a call to repent and to receive forgiveness, and then, concomitantly, to forgive. The present volume endeavors to reexamine these most fundamental Christian claims. These essays, which were first presented at the 2017 annual Pro Ecclesia conference, return to the biblical sources to help us understand reconciliation afresh. The authors raise questions about repentance and forgiveness from various perspectives: Jewish, Roman Catholic, Orthodox, and Protestant. They also consider our present-day context, what has been called the "technoculture," as well as the practice of repentance and forgiveness. With contributions by: Stephen Westerholm Ellen T. Charry Dominic Langevin, O. P. Peter C. Bouteneff Brent Waters John P. Burgess

Return to Me

When you finish reading this practical work by Zachary Crofton on biblical repentance, you might say to yourself, "I've never repented." That's the kind of impact he is going to have on you if you read this work even in a cursory manner. In order to have a deeper walk with Christ, repentance is at the heart and life of the sinner who walks comfortably with God. However, repenting, reordering and realigning your fallen mind to sit in connection with God's will, is not as simple as praying a prayer, as some would have you believe. Crofton says that repentance is a "sense of, and sorrow for sin, as committed against God." The sinner must spread himself before the Law of God to survey the entire course of his own life. He needs to weigh himself in the balance of God's perfection. The Gospel-sinner knows he is imperfect, and in view of God's Law, which shows him his sin, he comes away not just lacking in some spiritual and moral goodness, but sees the utter viciousness of his nature against God's prescription for holiness. He then sentences himself as accursed of God, agreeing that the Law is right and good, and he knows that he is "bound" to experience God's Divine fury for his sin in hell by God's justice which is just and good. He not only sees that he is a true sinner before God, but sorrows under his understanding of sin, and is "ashamed of such a sad and sinful state." He comes to learn that repentance is a supernatural gift given to him from God, and that he must turn from sin and confess his sin. This kind of repentance is necessary to remove the wrath and judgment of God and to "answer the call of the gospel," which requires everyone to repent. Crofton explains the characteristics of true biblical repentance from 2 Corinthians 7:11. There are eight characteristics that he covers: godly sorrow, care, clearing of ourselves, indignation, fear, vehement desire, zeal and revenge against sin. And, finally, Crofton demonstrates 10 points which show how you, reader, might gain godly repentance, completely soaking the sinful heart in the blood of Jesus, with great speed, and earnestly looking for repentance only at the hands of God. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

Repentance and Forgiveness

Out of the Protestant Reformation came several important doctrines, including a renewed understanding of repentance. Instead of viewing repentance as a one-time confession, the reformers began to teach what the Bible teaches—that it is both radical and perpetual. In this redesigned, concise volume Sinclair Ferguson examines how the Bible defines repentance and how the doctrine has fared in today's evangelical churches. He finds many sorely lacking in proper theological understanding: "Once again we need to proclaim the full-orbed doctrine of repentance within an evangelical world that has begun to manifest symptoms of the same medieval sickness." This reversion to a kind of medieval theology includes the viewing of repentance as an isolated, emotional event. Ferguson combats this trend by pointing us toward repentance in the Bible. As we embrace continual confession and turning from sin, we will find our spiritual walk transformed and our fellowship with Christ renewed. This is an important book for every Christian who wants the grace of repentance to regain rightful prominence in evangelical churches.

The Nature, Necessity and Character of True Repentance

"The tears of repentance wash away no sins. It is bad theology to say that they do. That is the office, that the work of the blood of Christ alone. Contrition makes no atonement for transgression. It is wretched theology to say that it does. It can do nothing of the kind. Our best repentance is a poor, imperfect thing—and needs repenting over again. Our best contrition has defects enough about it to sink us into hell. "We are counted righteous before God only for the sake of our Lord Jesus Christ, by faith, and not for our own works or deservings," not for our repentance, holiness, almsgiving, sacrament receiving, or anything of the kind. All this is perfectly true. But still it is no less true that justified people are always penitent people, and that a forgiven sinner will always be a man who mourns over, and loathes his sins. God in Christ is willing to receive rebellious man, and grant him peace, if he only come to Him in Christ's name however wicked he may have been. But God requires, and requires justly, that the rebel shall throw down his arms. The Lord Jesus Christ is ready to pity, pardon, relieve, cleanse, wash, sanctify, and fit for heaven. But the Lord Jesus Christ desires to see a man hate the sins that he wishes to be forgiven. Let some people call this "legality" if they will. Let some call it "bondage" if they please. I take my stand on Scripture. The testimony of God's Word is plain and unmistakable. Justified people are always penitent people. Without repentance there is no forgiveness of sins."

The Grace of Repentance (Repackaged Edition)

Repentance begins at conversion—but doesn't stop there. It isn't penance, self-effort or condemnation, but an ongoing attitude for daily living in Christ, says Jack Miller. In this new edition Jack's widow, Rose Marie, adds an epilogue telling of Jack's own journey of living out repentance on a daily basis.

Repentance

In this treatment of the biblical doctrine of repentance the author distinguishes between evangelical or true repentance and legal repentance. Though the latter may be produced by a fear of God's wrath and lead to reformation of life, it is an experience which falls short of salvation. Evangelical repentance, on the other hand, is the result of the Holy Spirit's work in regeneration, is inseparable from faith in Jesus Christ, and is evidenced by turning from all sin to God.

Repentance

It is a serious problem when society misunderstands or disregards sin and repentance. But when the church neglects these doctrines, the impact is profound. This book unfolds the nature and necessity of biblical repentance, but for the church in particular. Roberts' in-depth study heavily references both the Old and New Testaments, and includes chapters on the myths, maxims, marks, models, and motives of repentance, as well as the graces and fruits that accompany it. There is also wise warning about the dangers of delayed repentance.

Repentance

The last 20 years have seen the development of a growing body of psychological literature on the long-neglected subject of forgiveness. Forgiveness has been widely regarded as a purely religious construct. However, recently it has been advocated in many different secular contexts as offering an appropriate and healthy means of release. The book continually engages the reader on both

psychological and theological levels in a sustained dialogue that has not permeated any of the books already available on forgiveness.

Repentance

"How Repentance Became Biblical explores the rise of repentance as a concept within early forms of Judaism and Christianity and how it has informed the interpretation of the Hebrew Bible, or Old Testament. It develops alternative accounts for many of the ancient phenomena identified as penitential"--

Forgiveness in Context

"Kwon and Thompson's eloquent reasoning will help Christians broaden their understanding of the contemporary conversation over reparations."--Publishers Weekly "A thoughtful approach to a vital topic."--Library Journal Christians are awakening to the legacy of racism in America like never before. While public conversations regarding the realities of racial division and inequalities have surged in recent years, so has the public outcry to work toward the long-awaited healing of these wounds. But American Christianity, with its tendency to view the ministry of reconciliation as its sole response to racial injustice, and its isolation from those who labor most diligently to address these things, is underequipped to offer solutions. Because of this, the church needs a new perspective on its responsibility for the deep racial brokenness at the heart of American culture and on what it can do to repair that brokenness. This book makes a compelling historical and theological case for the church's obligation to provide reparations for the oppression of African Americans. Duke Kwon and Gregory Thompson articulate the church's responsibility for its promotion and preservation of white supremacy throughout history, investigate the Bible's call to repair our racial brokenness, and offer a vision for the work of reparation at the local level. They lead readers toward a moral imagination that views reparations as a long-overdue and necessary step in our collective journey toward healing and wholeness.

How Repentance Became Biblical

The Christian Doctrine of Forgiveness of Sin

The Doctrine of Repentance is a comprehensive overview of Biblical repentance by one of the most renowned Puritans, Thomas Watson in 1668. We've updated this classic into modernized, updated English so you can understand exactly what Watson writes. The Doctrine of Repentance by Thomas Watson is a religious treatise that examines the importance of repentance in the Christian faith. Watson argues that repentance is essential to the Christian life and is the only way to receive forgiveness from God. He outlines the four steps of repentance: conviction of sin, sorrow for sin, confession of sin, and forsaking of sin. Watson also discusses the benefits of repentance, such as the assurance of God's mercy and the assurance of a better life. He concludes by stressing the importance of repentance and encourages readers to turn to God in repentance and faith.

Ecclesial Repentance

In *Speaking of Sin*, Barbara Brown Taylor brings her fresh perspective to words that often cause us discomfort and have widely fallen into neglect: sin, damnation, repentance, penance, and salvation. Asking why we should speak of sin at all, she argues that abandoning words will not make sin go away, and that alienation, deformation, damnation and death will continue no matter what we call them. Abandoning the language will simply leave us speechless before them, and increase our denial of their presence in our lives. Ironically, it will also weaken the language of grace, since the full impact of forgiveness cannot be felt apart from the full impact of what has been forgiven. Contrary to the prevailing view, Taylor calls sin "a helpful, hopeful word." Naming our sins, she contends, enables us to move from guilt to grace. In recovering this lost language of salvation in our worship and in the fabric of our individual lives, we have an opportunity to take part in the divine work of redemption.

The Christian Doctrine of Forgiveness of Sin

2020 Reprint of the 1668 Edition. 'The Doctrine of Repentance is probably one of the most needed books, not only for us as ministers, but for our people, because repentance is so trivialized today. [This book] stresses the need for ongoing repentance, a daily repentance, a lifestyle of repentance. Like Luther said, "God will have his people repenting all life long." Watson shows you how to do that.' -- JOEL BEEKE Originally written in 1668, Watson's book explains what repentance is and underscores its significance in Christianity. Watson also provides an explanation of what Scripture has to say about this theme. In all, this is one of the better guides on the subject, a subject that is often neglected in more modern exegesis.

The Doctrine of Repentance (Modern English)

Reprint of the original, first published in 1874.

On Repentance

Drawing on the work of German pastor-theologian, Dietrich Bonhoeffer, Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption.

Speaking of Sin

In 'Evangelical Repentance,' Puritan author John Colquhoun traces the grace of repentance to the work of the Holy Spirit in regeneration, showing how it flows out of a true, spiritual sight and sense of sin. This gracious repentance is a turning of the whole man from all that is sinful and hateful to God. 'The sincere penitent', Colquhoun writes, 'forsakes all iniquity from right principles, by right motives, in a right manner, and to a right end.' Colquhoun shows the reasons why evangelical repentance is absolutely necessary, and carefully distinguishes it from mere legal repentance and all counterfeit and superficial remorse for sin. The latter he states is an abomination to God since it does not flow from a heart regenerated by grace and purified by faith. The fruits and evidences of real repentance, such as Paul outlines in 2 Corinthians 7, are discussed. Colquhoun then goes on to elaborate the priority of that justifying faith which secures forgiveness and comes before the exercise of evangelical repentance. The influence of the Marrow theology, and especially of Thomas Boston, is highly evident here. Colquhoun's work, in line with the writings of the Marrowmen, breathes the warmth of the glorious gospel and, whilst it is most solemn in its denunciation of all sin, it is full of evangelical consolation to believers seeking a greater assurance of their knowledge of Christ. In addition to defining the meaning of true repentance, Colquhoun demonstrates how this blessed exercise of soul may be obtained. Since Christ is exalted to give repentance, we are to trust in him for it as well as for pardoning grace. We are to choose God in Christ as our covenant-God and portion. We must be frequent and earnest in prayer for the grace of repentance. Furthermore, we must endeavor to see sin in its hatefulness, especially the sin of our nature. The contemplation of the death of Christ is essential if we would see the awfulness of sin and what it deserves, and we should meditate much on death and judgment to come. Without a doubt, the topic handled so judiciously and profitably in this book by John Colquhoun is of the highest importance to every Christian, and an excellent addition to any library.

Doctrine of Repentance

Noted pastor J. D. Greear addresses the important but rarely explored topic of Christians who doubt their salvation or have an unclear notion of what "asking Jesus into your heart" really means.

The Gospel Plan of Salvation

A powerfully biblical and thorough answer to the Lordship Salvation controversy. There is no more important issue than how to become a Christian. Lordship Salvation is a view that has confused many people about the nature of the gospel itself. Based on a Ph.D. dissertation, this is an academic and biblical response to the Lordship view. - The crucial issues of faith, repentance, lordship, and discipleship - Over 65 important passages explained - A helpful Scripture index - Can be used as a textbook - Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation. Read it, use it as a Bible study reference, or teach from it; it is a valuable resource in a critical and controversial issue. Charles C. Bing obtained his Ph.D. from Dallas Theological Seminary.

As founder and president of GraceLife Ministries he is active as an author, conference speaker, and adjunct professor.

The Church for the World

The work is divided into four sermons, as it was originally published. They contain two foundational practical pillars of the Christian faith, and precisely show the work of saving repentance and the godly exercise of prayer explained in light of God's presence, God's blessing, and God's provision. Brownrig's first sermon is on Joel 2:14, "Who knows if he will return and repent and leave a blessing behind him, even a meat-offering and a drink-offering unto the Lord our God?" He explains how the presence of God is found among a repentant people, or lost to a hypocritical people. His second sermon is on Psalm 78:34-37, a psalm of remembrance on "God our Rock"

Evangelical Repentance

A Roman governor once asked Jesus Christ, "What is truth?" Today, many souls are searching for the truth and sincerely asking God the same question. Unfortunately, much of the religious heritage bearing the name of "Christianity" cannot provide a trustworthy answer to this question. So much of Christendom is not true biblical Christianity but is actually a distortion of the liberating, grace-filled message of Jesus Christ and His apostles. Like the mind-controlling "Newspeak" of the nation of Oceania in George Orwell's classic book, 1984, the "Big Brother" of religion has distorted the true meaning of the central terms of the Christian faith. In Truthspeak, Dr. Michael D. Halsey, President of Free Grace Seminary and Pastor of County Line Church, sets the record straight regarding five key terms of the Christian faith. He clarifies biblically that GRACE does not mean works; FINISHED does not mean incomplete; REPENTANCE does not mean do penance; BELIEVE does not mean commit, submit, yield, and obey; and JUSTIFIED does not mean guilty until proven righteous. The message set forth in Truthspeak will provide hungering and thirsting souls with God's grace and truth that comes through faith alone in Christ alone.

Stop Asking Jesus Into Your Heart

The apostles understood the Gospel as they learned from and personally lived alongside Jesus, and these lessons became the heart of their message to an unsaved world. But what does their perspective mean for modern Christians, and how can we read the Bible through their unique lens today? Following the release of his bestselling book *The Gospel According to Jesus*, Dr. MacArthur noticed that Christians were looking for practical advice, spiritual counsel, and accessible explanations of the Bible. And, most of all, they wanted help understanding their experiences within Christianity. Dr. MacArthur realized that by examining scripture from the perspective of the apostles themselves, even more Christians could come to know the Gospel as Jesus' earliest followers did. In his characteristic compelling style, Dr. MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church. Dr. MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years, including: What is cheap grace? Have some Christians adopted a "no-lordship" theology? What must a person do to be considered righteous by God? How should we call people to faith? Do our works have any effect on our salvation? *The Gospel According to the Apostles* is a book for every Christian who wants to experience, understand, and fall in love with the same gospel that Jesus preached.

Lordship Salvation

Stories of conversion have always attracted mankind's attention, and this was especially so among the monks of the ancient and medieval world. In the literature of fourth-century Egypt, alongside the wise sayings of the Desert Fathers and the stories illustrating their way of life, there are also the accounts of the lives of the harlots, Pelagia, Maria, Thaïs, Mary of Egypt and a number of lesser figures, all of which were copied, translated and retold throughout the Middle Ages. This is a commentary on early monastic texts with a discussion of the theme of Christian repentance. The author begins with St. Mary Magdalene, the archetypal penitent, and goes on to examine the desert tradition, concluding each chapter with new translations of those lives which were most influential in the early Church and for countless generations afterwards.

Repentance and Prayer

The deceptions sweeping the church are multiplying, to no surprise. The only thing of relative surprise is the lack of sufficient resources to counter it. There will always be weeds in within the wheat, but we don't have to hand knives and forks to the wolves for their lamb-chops. It's time for the church to stand up, use the sword of the Spirit, and cut off their hand if that is required, to catch the little foxes, or sometimes big fat ones, that are, truly, ruining many vineyards. These are not trivial things, nor are they grey areas. They are outright deceptions and manipulations of the Word, bolstered on charisma and popularity. In the guise of liberty, they bring a seduction of senility that binds people where they are at. True freedom, true grace, brings us to the cross, and bids us "Come ye here and die." True Christianity is not looking up at the cross at our savior, but dying up upon there with Him. As true as it has been in all time, this generation of preachers needs this clarion wake-up call: Awake to righteousness, and sin not; for some have not the knowledge of God: I speak this to your shame. 1 Corinthians 15:34 This book will answer: What is Grace? Is there a false grace? Why is there so much focus on Grace today? What is the place of the Law? What is repentance, and how does it factor into the life of a believer? Is there such a thing as a restoration of Grace happening today? If so, is there a counterfeit? What is the Bible's view on 'Grace'? Does God care about our sin once we're saved? What does the Finished Works of the Cross accomplish? What won't the Finished Works of the Cross do? What is the duty of a Christian once they're saved, and why isn't this a "works salvation"? What are some of the common misconceptions about Grace? When are we born again? What is the nature of hell and is it eternal? Are we by nature good? What are some of the things people actually wrongly teaching about Grace today? How do I keep myself from error? What are the six foundations of the faith and how do they keep me from errors concerning Grace? This book can either be informative on the basics of true Grace in comparison to the many false faces offered today, or it can become a tutorial on how to righteously, yet effectively, and aggressively, confront and challenge the current false Grace teachings. Included are numerous scriptural references on why the Christian should not be afraid to engage in debate with people even in gross error, as well as what not to do, and when to walk away. Reading this book will both equip you to be aware of the deceptions in the wider body of Christ, as well as prime you to effectively and intelligently refute them. Don't think your church is immune to this threat, because it isn't! You will also find references on, Who and what Biblically are heretics and heresies? What is 'Anathema'? Why did Paul use it? When should we? Should we judge? Are we allowed to judge? What are the Biblical guidelines for judgment? How can I expect a discussion with a false-grace advocate to go these days? What are the proper guidelines for talking to someone, especially when they are hostile or twisting the Word of God for their own purpose? How can I expect them to twist scripture? Does God judge us today? What is proper Biblical etiquette for having a conversation? And, what do you do if they don't have it? Expect to be challenged to live a life of bold faith cultivated in a heart of intimacy. Expect a message straight out of "All the Words in Red"

Truthspeak

Dudley Delffs explores why repentance is essential to the development of a truly intimate relationship with our Father. Attempts to deal with our sin ourselves through denial, penance, and false feelings of self-sufficiency leave us mired and unforgiven. Simple repentance, however, brings liberation and communion with God.

The Jews did ask, "When is God coming back?"
What we find in Paul is a blend of Jewish narrative with quite fresh analysis.
Paul's worldview not what he looked at, but what he looked through, a grid of what he took for granted, a web of implicit narrative and cultural symbols.
What was the center of Paul's symbolic universe?
The main symbol of Paul's universe was the church itself, a united and holy community.
For Paul theology is a new challenge which comes in three stages.
A new sort of knowledge
A new sort of human beings
A new sort of task
Three Contemporary Reflections
A real challenge to contemporary systematic theology
A challenge to do with topics and themes
Theology is not an elite activity: it is an every-member occupation.
