NARRATIVE OF MILITARY OPERATIONS, DESCRIBED, DURING THE LATE WAR BETWEEN THE STATES

This book describes campaigns of the Civil War from a Confederate view.

Narrative of Military Operations, Directed, During the Late War Between the States

"[The South's ranking of senior generals] seeks to tarnish my fair fame as a soldier and a man, earned by more than thirty years of laborious and perilous service. I had but this, the scars of many wounds, all honestly taken in my front and in the front of battle, and my father's Revolutionary sword. It was delivered to me from his venerated hand, without a stain of dishonor. Its blade is still unblemished as when it passed from his hand to mine. I drew it in the war, not for rank or fame, but to defend the sacred soil, the homes and hearths, the women and children; aye, and the men of my mother Virginia, my native South." - Joseph E. Johnston to Jefferson Davis, September 1861 During the Civil War, one of the tales that was often told among Confederate soldiers was that Joseph E. Johnston was a crack shot who was a better bird hunter than just about everyone else in the South. However, as the story went, Johnston would never take the shot when asked to, complaining that something was wrong with the situation that prevented him from being able to shoot the bird when it was time. The story is almost certainly apocryphal, but it was aptly used to demonstrate the Confederates' frustration with a man who everyone regarded as a capable general. Johnston began the Civil War as one of the South's senior commanders, leading the ironically named Army of the Potomac to victory in the Battle of First Bull Run over Irvin McDowell's Union Army. But Johnston would become known more for losing by not winning. Johnston was never badly beaten in battle, but he had a habit of strategically withdrawing until he had nowhere left to retreat. When Johnston had retreated in the face of McClellan's army

before Richmond in 1862, he finally launched a complex attack that not only failed but left him severely wounded, forcing him to turn over command of the Army of Northern Virginia to Robert E. Lee. Johnston and Confederate President Jefferson Davis had a volatile relationship throughout the war, but Johnston was too valuable to leave out of service and at the beginning of 1864 he was given command of the Army of Tennessee. When Johnston gradually retreated in the face of Sherman's massive army (which outnumbered his 2-1) before Atlanta in 1864, Davis removed Johnston from command of the Army of Tennessee and gave it to John Bell Hood. Johnston has never received the plaudits of many of the South's other generals; in fact, there are only a couple of monuments commemorating his service in the South. Yet Johnston was a competent general who fought in some of the most important campaigns of the Civil War, and it's often forgotten that it was his surrender to Sherman weeks after Appomattox that truly ended the Civil War. Johnston did so over Davis's command to keep fighting, incurring his wrath once more. Having dealt with each other, Sherman and Johnston became friends after the war, and when the elderly Johnston served as a pallbearer at Sherman's funeral, he contracted an illness that eventually killed him. Given his prominent and controversial role in the Civil War, Johnston naturally took to writing memoirs, *Narrative of Military Operations During the Civil War*, which gives an extremely detailed account of the war, a defense of his actions, and criticism of Jefferson Davis and John Bell Hood. One of the most interesting parts of Johnston's memoirs come at the end, with his letters, telegrams, and even an anecdote about the origins of the Confederate Battle Flag.

Narrative of Military Operations During the Civil War

Published in 1874, these are Confederate General, Joseph E. Johnston's reminiscences of his time serving and commanding in the Confederate Army during the War Between the States.

Narrative of Military Operations

This compelling memoir provides a firsthand account of the military operations and strategies employed during the American Civil War. Written by Confederate general Joseph Eggleston Johnston, this work is an essential resource for anyone interested in the history of the Civil War, military strategy, and the challenges of leadership in times of war. Featuring detailed accounts of battles, campaigns, and personal struggles, this book is a valuable addition to any Civil War history collection. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Battle-Fields and Victory

The Story of a Common Soldier of Army Life in the Civil War is a riveting war novel by Leander Stillwell, who fought on the Union side. His recollections are published here with all of the original illustrations. Set throughout the entirety of the American Civil War of 1861-1865, this book offers us a vivid step-by-step account of one ordinary man's journey from being a raw recruit just eighteen years old, to a seasoned and practiced veteran. Stillwell's participation in various battles, notably Shiloh and Wilkinson's Peak, as well as several smaller skirmishes, is gripping storytelling which also fulfils a role as a running narrative upon how the war progressed. In contrast to the biographies of officers such as Ulysses S. Grant or William Sherman, Stillwell's account is immersed in the culture of the front-line fighter. He recalls precisely nature of the battle tactics, the behaviors of enemy and friend alike, recounting closely the movements he and his company made and the split second decisions they took. Today, Stillwell's account of his service is among the most valued first-hand sources from the conflict. Written by Stillwell in response to the groundswell of interest in the U.S. Civil War which occurred in the late 19th and early 20th century, this book's publication in 1920 met with a warm response and intense interest, with Stillwell enjoying modest fame in late life.

The American Civil War

Excerpt from The Story of Two Wars: An Illustrated History of Our War With Spain and Our War With the Filipinos; Their Causes, Incidents, and Results; A Record of Civil, Military, and Naval Operations From Official Sources Of General Lee I need say but little. His valuable services to his country in his trying position are too well known to all his countrymen to require mention. Besides his ability, high character, and courage, he possesses the important requisites of unfailing tact and courtesy, and, withal, his military education and training and his soldierly qualities are invaluable adjuncts in the equipment of our representative in a country so completely under military rule as was Cuba. General Lee kindly invited us to sit at his table at the hotel during our stay in Havana, and this opportunity for frequent informal talks with him was of great help to me. The Story of a Common Soldier of Army Life in the Civil War

With striking visuals from the Library of Congress' unparalleled archive, The Library of Congress Illustrated Timeline of the Civil War is an authoritative and engaging narrative of the domestic conflict that determined the course of American history. A detailed chronological timeline of the war captures the harrowing intensity of 19th-century warfare in firsthand accounts from soldiers, nurses, and front-line journalists. Readers will be enthralled by speech drafts in Lincoln's own hand, quotes from the likes of Frederick Douglass and Robert E. Lee, and portraits of key soldiers and politicians who are not covered in standard textbooks. The Illustrated Timeline's exciting new source material and lucid organization will give Civil War enthusiasts a fresh look at this defining period in our nation's history.

Battlefields and Victory

DigiCat presents the Civil War Memories Series. This meticulous selection of the firsthand accounts, memoirs and diaries is specially comprised for Civil War enthusiasts and all people curious about the personal accounts and true life stories of the unknown soldiers, the well known commanders, politicians, nurses and civilians amidst the war. "Memoirs of Service Afloat During the Civil War" is a book of Raphael Semmes' Civil War recollections. In this work Semmes defended both his actions at sea and the political actions of the southern states. The book is viewed as one of the most cogent but bitter defenses written about the South's "Lost Cause."

The Popular History of the Civil War in America, 1861-1865

Get the complete story on the largest, oldest, and longest-serving branch of the US military. From the Continental Army during the American Revolutionary to the "Coalition of the Willing" in today's Iraq War, the United States Army has fulfilled its solemn charge for the past 235 years: to provide for the

common defense, at home and abroad. To a significant degree, the US Army's story is the story of the United States, as becomes clear in this beautifully illustrated history of the military branch. From its beginnings as a rag-tag force of colonial militia to its current incarnation as the world's most powerful and sophisticated land-combat force, no detail is left unexplored in *Army: An Illustrated History*. With an emphasis on post-Vietnam operations and detailed information on the technological component of the force's current military might, military historian Chester Hearn, with contributions on the past ten years of the branch's history by Robert F. Dorr, follows the US Army through its combat history--the American Revolution, the War of 1812, the Civil War, various Indian wars, the Spanish-American War, World Wars I and II, Korea, Vietnam, the first Gulf war, and Afghanistan and Iraq--offering a complete and thoroughly fascinating account of an armed force ever remaking itself to meet the challenges of an ever-changing world.

Civil War Battles

Master index to a series that chronicles in full the events of the American Civil War 1861-1865.

Frank Leslie's Illustrated History of the Civil War

Join the editors of TIME to observe the 150th Anniversary of the Civil War in a richly illustrated chronicle of the conflict that changed America. It's an immense subject-a battle between freedom and slavery, waged across the breadth of the still-expanding nation over a period of four years-and TIME has created an oversized volume to tell the story in the grand style it deserves. To bring the tale to life, the book focuses on little-seen photographs and original artifacts from the period: sketches from soldier's diaries, unusual and rare military and political memorabilia. And it brings us face-to-face with those who lived through the period, presenting scores of excerpts from the letters and diaries of soldiers, officers and statesmen. Yet the book also captures the full sweep of the war, telling the tale in chronological fashion, as the war evolves from a quiet beginning to become a mammoth struggle that consumed the divided nation. Here are the great generals: Ulysses S. Grant, Robert E. Lee and "Stonewall" Jackson. Here are the great battles, from Bull Run and Antietam to Gettysburg and Shiloh. Here are the latest discoveries and analysis by scholars of the conflict. And here are fascinating, informative graphics that reveal the war in fresh, clarifying detail. Here is a larger-than-life conflict, reported and illuminated in a larger-than-life oversized edition from TIME.

Mathew Brady's Illustrated History of the Civil War, 1861-65, and the Causes that Led Up to the Great Conflict

"Bristles with analysis, details, judgments, personality profiles, and evaluations and combat descriptions, even down to the squadron and company levels."-Civil War Times Illustrated

The Civil War

Excerpt from *Battle Fields and Camp Fires: A Narrative of the Principle Military Operations of the Civil War From the Removal of McClellan to the Accession of Grant, (1862-1863)* In telling the story of this period I have confined myself to describing the chief battles, with but a brief survey of the strategy, maneuvers, and minor engagements leading up to them. It has been my aim to describe the salient features of the war, leaving out altogether the details of petty skirmishes, raids, demonstrations, and indecisive engagements which serve only to impede the course of the narrative, and to confuse the youthful reader who wishes to learn how the people of the South fought to achieve independence, and how the men of the North strove successfully to maintain the Union. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. TIME The Civil War

This book offers an illustrated encyclopedia that can be used as a reference work for the Civil War as well as for recreational reading.

The Cavalry at Gettysburg

This one-volume history on the Civil War brings the events, figures, and battles of monumental conflict vividly to life. Absorbing details of military campaigns, battlefield strategies, and personalities revealed in an audacious style that carries readers breathlessly along from the day of Lincoln's inauguration to Lee's surrender at Appomattox Court House. [Source: Goodreads.com] "The present one-volume history of the war is written for the man-in-the-street who, perhaps justifiably, has not the time to follow out the details of controversies as to the exact sequence of events, especially in some of the battles. It is an effort to follow the main currents of fact and emotion during the war; to include practically everything that contributed to the final result and to omit nearly everything else." [From Author's Foreword] Richly illustrated by distinguished artist Merritt Cuttler with over 40 maps and illustrations.

Battle Fields and Camp Fires

This is a curated and comprehensive collection of the most important works covering matters related to national security, diplomacy, defense, war, strategy, and tactics. The collection spans centuries of thought and experience, and includes the latest analysis of international threats, both conventional and asymmetric. It also includes riveting first person accounts of historic battles and wars. Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world. As with any reproduction of a historical artifact, some of these books contain missing or blurred pages, poor pictures, errant marks, etc. We believe these books are essential to this collection and the study of war, and have therefore brought them back into print, despite these imperfections. We hope you enjoy the unmatched breadth and depth of this collection, from the historical to the just-published works.

Historical Times Illustrated Encyclopedia of the Civil War

In the spring of 1864, the Civil War's two legendary military leaders, Ulysses S. Grant and Robert E. Lee, confronted each other on the battlefield for the first time. Part of the U.S. Army's commemorative series of the Civil War, *The Overland Campaign, 4 May 15 June 1864*, by David W. Hogan, Jr. tells the story of the clash of these two titans through the burning scrub brush of the Wilderness, the bitter struggle for the Bloody Angle at Spotsylvania Court House, the cavalry encounter at Yellow Tavern, the maneuvering along the North Anna River, and the tragedy of Cold Harbor. It also provides analysis

in light of the latest scholarship. This brochure includes eight maps and twenty-two illustrations. High school students and teachers that are learning and preparing research papers about the American Civil War may be interested in this illustrated resource. Additionally, military personnel, especially military historians, military science students, and American citizens may be interested in this book."

Campfire and Battlefield

The true story of a great American and influential general from the Civil War First published in 1886, this remarkable story of General George B. McClellan was posthumously published by his wife, Ellen M. McClellan. The original full title is McClellan's Own Story: The War for the Union - The Soldiers Who Fought It - The Civilians Who Directed It - And His Relationship To It And To Them. This spectacular reprint includes the biographical sketch of George McClellan by W.C. Prime, LL.D., and numerous digitally remastered illustrations from a pristine source. Historians and Civil War enthusiasts will enjoy this candid autobiography that tells McClellan's Civil War story from his point of view and includes numerous private letters and communications about battles, fellow generals, and President Abraham Lincoln. Remastered with the original period font and a new cover design fit for display in the finest reading rooms. Born in Philadelphia and destined to become the governor of New Jersey, George B. McClellan is known as one of the most significant Union generals early in the American Civil War. He played an important role in raising the Army of the Potomac and served as general in chief of the Union army for a brief period. He was removed from command in 1862 and went on to a successful career in politics and writing. Table of Contents: Chapter 1: Causes of the war, principles of The Union, states rights and secession Chapter 2: Beginning of the war in the West, apathy at Washington, McClellan called to Washington Chapter 3: Private letters from General McClellan to his wife, June 21 to July 21, 1861 Chapter 4: Arrival at Washington, Reception by General Scott and the President, state of the army Chapter 5: Private letters from July 27 to September 30, 1861 Chapter 6: The defense of Washington, growth of an army, memorandum to the President Chapter 7: Details of the creation of The Army of the Potomac Chapter 8: Various generals, scenes in his command Chapter 9: Conspiracy of the politicians, interview at the President's office, the President's military orders Chapter 10: Private letters, Oct. 1, 1896 to March 12, 1892 Chapter 11: Events in and around Washington, Ball's Bluff, Harper's Ferry Chapter 12: McClellan succeeds Scott in command of all the armies, Halleck and Grant Chapter 13: Evacuation of Manassas, McClellan removed from chief command, plan of advance on Richmond Chapter 14: Letters and despatches relating to subjects treated in the foregoing and following chapters Chapter 15: The Peninsular campaign, landing at Fortress Monroe Chapter 16: Effects of reduction of the army, siege of Yorktown Chapter 17: Letters and despatches Chapter 18: Private letters April 1 to May 5, 1862 Chapter 19: Confederate retreat, pursuit towards Williamsburg Chapter 20: Advance from Williamsburg, plan of the campaign, movements on this line Chapter 21: Private letters May 6 to May 18, 1861 Chapter 22: White House, bridges, neglect at Washington, McDowell's retention useless Chapter 23: Operations on the Chickahominy, Battle of Fair Oaks Chapter 24: Private letters May 20 to June 26, 1862 Chapter 25: Beginnings of the Seven Days, Battle of Gaines's Mill Chapter 26: Seven Days' battles, Savage's Station, Malvern Hill Chapter 27: Private letters June 26 to August 23, 1862 Chapter 28: Letters to General Halleck and General Burnside, Secretary Stanton And more...

The Civil War

The American Civil War was a particularly poignant conflict, with countryman fighting countryman and sometimes brother against brother, giving a cruel twist to the usually heightened motions of wartime. The narrative of THE The American Civil War: The Soldier's Story is provided by the voices of ordinary fighting men, starting with their enlistment and moving on to their training, their entry into battle, and their final cease-fire or death. The text is lavishly illustrated with archival photographs, many never before published, that provide a unique view of the way the war was fought. This beautifully produced book, a tribute in words and pictures, confronts the reader with the physical and mental state of the common soldier.

Ordeal By Fire: An Informal History Of The Civil War [Illustrated Edition]

The Military Operations of General Beauregard in the War Between the States, 1861 to 1865
