Your Higher Self

Lincoln Gergar Message

Spirituality, self-love, and personal growth.

How do collectives choose their channels?

How can people surrender to the path that is guiding us?

How do we handle feelings of spiritual doubt or uncertainty?

How do we silence the negative voice in our head?

How can we have free will if we have soul blueprint?

How do we approach forgiveness when someone has wronged us deeply?

Is the concept of fate or destiny real?

Why did God choose to create the universe?

The nature of time and space

Do we co create our own reality?

How can we as humans reach our full potential spiritually?
