POKEMASTER The ultimate Guide To All Pokemon Games!!! Pokemon are taking over the world. In spite of crippling server issues and gruesome discoveries, Pokemon Go has soared to the top of app charts, added billions to the market value of Nintendo, and sold millions of dollars of Pokeballs and other virtual goods, as people engage in nostalgia for the original Pokemon games and discover the joys of playing games in public. The game is deceptively complex. At first, it seems like all you do is wander around, catching random fake animals. But unlike many mobile games, Pokemon Go leaves most of its complexity unexplained. Much like in life itself, you are dropped into a world that you must master at the same time as you figure out how it works. Well, there may be no guide to real life, but here is a guide to Pokemon Go. It will help get you from beginner to advanced Pokemon trainer, level up, and catch 'em all. Official Nintendo Pokemon Stadium 2 Player's Guide

Whether you've played Pokémon Diamond or Pearl before, or are new to these games, there's something for everyone in their adventure. Pokémon Diamond and Pokémon Pearl Underground have been upgraded for these games and are now called Great Underground. The Grand Underground is a vast underground world that spreads like a maze beneath the entire Sinnoh region. Pokémon Hideaways features a variety of terrains, from still water caves to volcanic landscapes, with different Pokémon in each environment. Among the Pokémon that inhabit the Sinnoh region, there are some Pokémon that can only be found in these Pokémon Lairs. Some walls of the Grand Underground can be dug with a sledgehammer and pickaxe. If you dig deeper, you'll find things like useful items for your adventures and valuable Pokémon fossils, as well as new Pokémon statues that have been added to these games. You can build yourself a secret base within the walls of the Grand Underground using an item called the Digger Drill. You can place the Pokémon statues you found while digging for fossils anywhere in the secret base, allowing you to customize your space! You can interact with trainers around the world on your Nintendo Switch system via local or online communication. Not only can you explore the underground together, but you can also dig fossils with other trainers. A software update is required. The Super Race Show is Sinnoh's popular show, and each show features four actors working with their Pokémon to demonstrate their prowess. During the show, you can don your favorite outfit and your Pokémon will dance, which is a whole different experience than their usual power struggles. Groups of up to 4 can join, so you can wow the crowd by showing off your best with your friends! A software update is required.
