COMMENTARY UPON THE GOSPEL ACC

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

A Commentary Upon the Gospel According to S. Luke

Excerpt from A Commentary Upon the Gospel According to S. Luke, Vol. 1 The plain letter of Scripture; a sound, judicious, common-sense school, which had never depth enough to have fought the battle of the Arian heresy with the profoundness of conviction which gave such undying energy to the great chiefs of Alexandria; but which nevertheless had under Providence its due place in the Church, and corrected the tendency of Athanasius and Cyril to a too immoderate love of the super natural and mysterious. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Commentary Upon the Gospel According to S. Luke, Vol. 1 (Classic Reprint)

This new Pillar commentary devotes attention throughout to the vocabulary, historical background, special themes, and narrative purpose that make the book of Luke unique among the four Gospels. Though the Gentile focus of Luke is often held to be primary, James Edwards counterbalances that by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel, and he considers the possibility that Luke himself was a Jew. Edwards also draws out other important thematic issues in excursions scattered throughout the commentary, including discussion of Luke's infancy narrative, the mission of Jesus as the way of salvation, and Luke's depiction of the universal scope of the gospel. This readable, relevant commentary attends to the linguistic, historical, literary, and theological elements of Luke that are essential to its meaning and considers Luke's significance for the church and the life of faith today.

A Commentary Upon the Gospel According to S. Luke... Volume 2

Excerpt from A Commentary on the Gospel of St. Luke, Vol. 1 A Year and half has passed away - and how swiftly! - since the publication of this Commentary, and already a second edition has become necessary. I bless the Lord for the acceptance which this work has met with in the churches of Switzerland and of France, and I hail it as a symptom of that revived interest in exegetical studies, which has always appeared to me one of their most urgent needs. I tender my special thanks to the authors of those favourable reviews which have given effectual aid towards the attainment of this result. Almost every page of this second edition bears the traces of corrections in the form of my former work; but the substance of its exegesis and criticism remains the same. Of only one passage, or rather of only one term (second-first, vi. 1), has the interpretation been modified. Besides that, I have made a number of additions occasioned by the publication of two works, one of which I have very frequently quoted, and the other as often controverted. I refer to M. Gess' book, *Sur la Personne et l'uvre de Christ* (first part), and to *La Vie de Jesus* by M. Keim (the last two volumes). In a recent article of the *Protestantische Kirchenzeitung*, M. Holtzmann has challenged my critical standpoint as being determined by a dogmatic prepossession. But has he forgotten the advantage which Strauss took in his first *Vie de Jesus* of the hypothesis of Gieseler, which I have defended? The Gospel According to Luke

The Gospel of Luke demonstrates the universal nature of Jesus' mission and the compassion of God. Part One of this study includes Luke 1:1–11:54, taking the reader from the infancy narratives of John the Baptist and Jesus to their births and then to the Galilean ministry of Jesus. Commentary, study and reflection questions, prayers and access to online lectures are included. 6 lessons.

A Commentary Upon the Gospel According to S. Luke

This informative, balanced commentary includes extensive introductory notes and a comprehensive discussion of the text. An outstanding addition to any academic, pastoral, or student library.

The Gospel According to Luke, Part One

Excerpt from Theological and Homiletical Commentary on the Gospel of St. Luke, Vol. 1: Specially Designed and Adapted for the Use of Ministers and Students The Catholic Church dedicates the 18th Of October to St Luke, assuming, on insufficient ground, that this was the day of his death. The Evangelical Church is willing to leave untouched the curtain which has fallen upon the cradle and grave of Luke, in order to contemplate, with more undivided attention, the precious legacy of his writings, the earliest and most important of which, we are now about to consider more closely. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. A Commentary Upon the Gospel According to S. Luke - Primary Source Edition

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

A Commentary upon the Gospel according to S. Luke

The translation follows for the most part the text printed in Huck's Synopsis of the first three Gospels.

Luke (Teach the Text Commentary Series)

This is another volume in the series of Bible Commentaries of Matthew Henry. In this Volume, the entire text of Gospel of Luke is commented with notes of each chapter are easy to read and understand providing explanation and interpretation of Biblical text. This Commentary will help you better understand the Holy Bible and explains Bible passages. Sunday school preparation, Churches, theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the Gospel of Luke.

Commentary Upon the Gospel According to St. Luke

Morris's study on the Gospel of Luke is part of the Tyndale New Testament Commentaries, a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means, without overuse of scholarly technicalities.

A Commentary on the Gospel of St. Luke; Volume 1

While St. John Chrysostom may have commented on all 150 psalms in the Psalter, commentary has survived on only fifty-eight. In these volumes, Robert Charles Hill has prepared an excellent translation of the commentary - in Volume One Psalms 4-13, 44-50, and in Volume Two Psalms 109-150 (with the exception of the long Ps 119) - all appearing for the first time in English. In this work, probably composed while he was still in Antioch, Chrysostom's brilliance as an exegete of the "literal school" of Antioch shines forth, even as he works with the metaphorical language and imagery of the psalms. As Hill writes, "it is fascinating to watch Chrysostom . . . coming to grips with this lyrical material, achieving some sense of comfort, and eventually devising - for the first time? - his own hermeneutical principles for coping with such texts." The extensive Introduction in Volume One covers basic issues on the commentary, including its origins, its relationship to Chrysostom's other exegetical work, his attitude to Scripture, and the theology, spirituality and other moral accents of the commentary. Comment on Chrysostom's text is also given in endnotes, and indexes are provided in each volume. -- ¤ From publisher's description

Luke : 2 Volumes (Baker Exegetical Commentary on the New Testament)

This volume surfaces distinct historical claims, nuanced theological conclusions, and a mutual respect in an area where disagreement often results in consignment to hell.

Theological and Homiletical Commentary on the Gospel of St. Luke, Vol. 1

A Commentary Upon the Gospel According to St Luke by St Cyril
